Reports of Committees

Inspection of Brampton Gaol

At my request Dr. R. W. Bell, Inspector of the Provincial Board of Health, made an official visit of inspection to the Brampton Gaol, August 28th, 1905, there were two male prisoners in custody at the time of the inspection, one for vagrancy and one for drunkenss and disorderly conduct.

The general condition of the building was found in a satisfactory state, the stone wall which surround the yard were pointed both inside and out during the past year in a satisfactory manner, the beds and bedding were found sufficient and in good condition, there are two corridors with eight cells and two corridors with four cells, and all were found in excellent condition; there is also one dark cell. The yards were clean and apparently well kept; the closets, drainage, ventilation and water supply were all found satisfactory.

The health of the prisoners at the time of the inspection was good. The dietary is according to gaol regulations, and the quality of the food supplied is good. The cost of the rations is seven and a half cents per day. The bread and meat are purchased by tender and the other food by open purchase. There were no complaints in regard to the food supplied.

There were twenty-one suits of male and six suits of female clothing all found in good condition except the pants.

The books were well kept and fairly neat, no entries were made in the punishment book.

The surgeon's book was found full and worn out, but the entries had been made regularly; I would recommend that a new book be purchased at once for the use of the gaol surgeon.

Hot water heating was put in throughout this gaol two years ago, but it failed to heat the turnkey's dining room in the basement. The attention of the Chairman of the Property Committee of the County Council of Peel is respectfully called to the necessity there exists for remedying this defect, and also to recognize the urgent need of providing inside water closets. The closets now in use must be condemned, and having such an excellent supply of town water, it is important that the

Brampton Gaol should, like other gaols of the province, be provided with proper sanitary conveniencies.

On the occasion of the inspection the Gaoler's daughter was sick with scarlet fever and the gaol had been quarantined by the Local Medical Health Officer ; it is hoped that this precaution and other means taken to prevent the spread of contagion will be successful.

The result of the inspection was very favorably reported upon as regards discipline and management.

(Approved) R. W. BRUCE, Inspector.

August 31st, 1905.

Report of Special Committee appointed to report on the Bolton Bridge

To the Warden and Council of the County of Peel :

Gentlemen : Your committee appointed at the June Session of this Council to examine the Bridge at Bolton at the request of a Deputation sent from Bolton, with a view of this Council assuming said bridge, reports as follows ·

Your Committee carefully examined the said bridge and all the papers and documents we could find relating thereto.

We would therefore recommend that this Council do not assume the Bridge as a County Bridge, but we would favor a grant being given for repairing of said Bridge.

All of which is respectfully submitted.

J. PICKERING, Chairman.

(Adopted) E. J. ELLIS, Warden.

Council Chamber, November 22nd, 1905.

First Report of Commissioners on County Bridges for the East-half of Toronto Township

To the Warden and Council of the County of Peel :

Gentlemen · I had the following commission work done in conjunction with Mr. Evans, commissioner for York :

1st. We had the approaches to the Craig Bridge repaired at a cost of $15.00.

I would recommend that the said amount be paid to the Treasurer of Toronto Township, they having paid for the same, and that the County Treasurer collect half the amount from the County of York.

2nd. We had the joice and some of the flooring of the Lake Shore Bridge replaced at a cost of $30.00.

3rd. We had a claim for Mr. Culham for damages to a horse which we settled for $12.00.

I would recommend that $21.00 be paid to the County of York, it being Peel's portion of the said amounts.

All of which is respectfully submitted.

J. W. CURRY. Commissioner.

(Adopted) E. J. ELLIS, Warden.

Council Chamber, November 22nd, 1905.

Second Report of Commissioner on County Bridges for West-half of Chinguacousy

To the Warden and Council of the County of Peel:

Gentlemen: Your Commissioner begs leave to report as follows:

1st. That I met the Commissioner from the County of Halton and examined the bridge on the town line, lot number two, between Esquesing and Chinguacousy, and found the abutments rotten and we decided to build a new bridge, we notified the several contractors and met and let the contract for concrete abutments for the sum of six dollars per cubic yard, and 24 cents per square foot for cement covering to John East, and contracted with A. Dick & Son for steel beams and railing for the sum of $55.00; also to Henry May $11.00 for grading and filling in

approaches. All of which work has been completed to the satisfaction of the Commissioners at a total cost of $359.60 less $3.00 for old material sold. The Treasurer has already paid Peel's half on the order of your Commissioner.

Four days' commission work on said job $12 00.

2nd. I met Mr. Shook, Commissioner for west half of Toronto Tp., at the bridge on the town line between Chinguacousy and Toronto Township, first concession west, and found it in an unsafe condition, and we have had abutments repaired and floored with new plank at a total cost $100.10, less $4 for old plank sold, being $61.00 for material, $39.00 for work done, all of which the Treasurer has paid on the order of your commissioners. Commission work, Henry Shook, 2 days, $6; commission work, Guy Bell, 2 days, $6.

3rd. I met the Commissioner from the County of Halton regarding repairs to the Iron Bridge on town line, near Norval, we had 35 yards of of gravel put on the west approach of bridge, at twenty-seven cents per yard, being $9.45 ; also repairs to guard rails on east end of bridge to the amount of $6.89, total amount $16.34, which I would ask that the Treasurer pay one-half to Robert Noble, Norval.

Commission on same one day $3.00.

All of which is respectfully submitted.

GUY BELL, Commissioner.

Third Report of Standing Committee on Education

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee beg leave to report as follows :

1st. We had a reply from Georgetown High School Board declining the offer from this Council of $150.00 as settlement of claim for maintainance of Peel County pupils for the year 1903, we recommend no action be taken.

2nd. We would strongly recommend that this Council instruct its Clerk to write Hon. Dr. Pyne, Minister of Education, reminding him of his promise to a deputation of this Council and others, to take into his most serious consideration the Act respecting maintenance of County Pupils at High Schools in adjacent Counties, and that this Council respectfully recommend an early amendment of said Act, by an enactment that pupils attending High Schools in adjoining municipalities pay for their maintenance.

3rd. A committee from the Brampton High School Board waited on you committee, and laid before them the urgent need of putting in a new and up-to-date heating plant in the High School ; that the sum of $3,000 would be required for heating plant and other necessary improvements and requesting a grant of $1500 from this Council. Your committee would recommend that a grant of $1000 be given—which amount was reduced to $300 in committee of the whole.

4th. Your Committee had an account from the Conservator office, certified by A. Embury, for $3.25. We recommend that it be paid.

All of which is respectfully submitted.

J. PICKERING, Chairman.

Second Report of Commissioners on County Bridges for East Half Chinguacousy and Toronto Gore.

To the Warden and Council of the County of Peel :

Gentlemen: Your Commissioners, Messrs. Pickering and Ward, met at Woodhill Bridge, and on examination of the old bridge, we thought best to build a new one.

We provided plans and specifications from Mr. Campbell, good roads commissioner, and provincial engineer, and have a had a bridge built according to those plans with cement abutments and steel girders with cement roadway, at a cost of $500.00, to Mr. East, of the Orangeville Cement Company, for building the cement abutments and wings with cement roadway.

To Mr. Dick & Son, of Alton, for steel girders, $85.54, and for railing and posts, $32.68 ; John Smith for putting on raillng as per bill, $6.25 ; to James Middleton for filling in the approaches and clearing out the creek under the bridge, and furnishing lantern 15 nights $18.00 ; total cost of bridge $642 47.

Of that amount there has been paid on the order of your Commissioner, to Mr. East, five hundred dollars. ($500.00).

A Dick & Son, eighty-five dollars and fifty-four cents, ($85.54) and we would recommend payment of the balance of which is to A. Dick & Son $32.65 for posts and railing.

To James Middleton, $18.00 for clearing out creek and filling approaches ; To John Smith, for putting on railing, $6.25.

Your Commissioners also report having sold the old bridge for the sum of $18.50 to James Middleton.

George Ward, Commission work, 10 days, $30 ; J. Pickering, Commission work 5 days, $15.

All of which is repectfully submitted.

GEO. T. WARD
JER. PICKERING } Commissioners

(Adopted) E. J. ELLIS, Warden.

Dated at Brampton 24th November, 1905.

First Report of Commissioner on Bridges for Toronto Gore.

Your Commissioner reports :

1st. Having let to Mr. Wm. Davis the job of replanking the bridge on town line between Toronto Gore and Albion, near Tullamore, at a cost of $9.50, and would recommend payment of the same.

2nd. Your Commissioner had the bridge on the town line between Toronto Gore and Vaughan, opposite lot 8, replanked and repaired at a cost of $27, not having received the bill would recommend payment of half the amount the County of York paying the other half.

3rd. Your Commissioner having had his attention drawn to the unsafe condition of tbe approaches to the bridge on town line between Toronto Gore and Etobicoke. I went and examined the said approaches and found the were too narrow, but as the creek washes them in the time of the freshet, thought it best not to do any work at this season of the year, for the clay would not have time to get solid and might be washed away in the spring—but it will need to be attended to in the spring.

Commission on above jobs 3 days, $9.

All of which is respectfully submitted.

GEO. T. WARD, Commissioner.

First Report of the Standing Committee on Finance

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee ask leave to report as follows :

1st. Your Committee have before them the Treasurer's statement of County Accounts for the year 1905, which shows a balance on hand to the credit of the County on January 1st, 1906, of $1591.14.

2nd. The Treasurer's statement also shows that the accounts for the December quarter of 1905, were passed by the Auditors in January, 1906, amounting to about $1255.00, and these have been paid, leaving a balance of $135.36, without any outstanding indebtedness.

3rd. The said statement also sets forth moneys received from the Legislature for County of Peel Public Schools, and non-resident taxes received by the Treasurer ; also the payment out of these moneys to the respective parties, and that these accounts balance.

The Treasurer's statementt is recommended to the Council for their consideration.

4th. Your Committee recommend that the following tenders be accepted, viz :

James Golding for bread to be delivered for the House of Refuge

and Gaol, as required, for two and a half cents per pound, it being the only tender.

And Richard Parsons for meat for the House of Refuge and Gaol, as required at $4.90 per hundred pounds, it being the only tender.

5th. Your Committee recommend that the Clerk be instructed to subscribe for twelve copies of the Municipal World for the members of the Council for the present year, and that the Treasurer pay for the same on the Clerk's order.

6th. Your committee recommend that the Sheriff be instructed to purchase one dozen undershirts and one-half dozen piggins for gaol use.

7th. Public School Inspector's Report

To the Warden and Members Peel County Council :

Gentlemen : In presenting my report for the year 1905, I wish to call your attention to a recent amendment to the School Law which affects your relation to the Public Schools of the County.

Section 70 of the Public Schools Act is repealed and the following substituted therefor :

" The municipal Council of every organized County shall levy and collect by an equal rate upon the taxable property of the whole County (not included in urban municipalities or annexed to any urban municipality for school purposes) according to the equalized assessments of the municipalities, in the manner provided by this Act and the Municipal and Assessment Acts, a sum which shall be at least the equivalent of all special grants made by the Legislative Assembly to the rural schools of the county, and such sum shall be payable to the trustees of the respective schools receiving such legislative special grants in the same proportions as the said special grants are apportioned." At the last session of the Legislature, a sum of $60,000 was voted as a special grant to the rural schools of the province. Of this sum $868 is to be paid to the County of Peel. The instructions of the Education Department require that your Council forthwith provide for the payment of an equivalent sum to the schools under the same terms and conditions. A special grant of $10,000 has also been made for the better equipment of the Continuation Classes of the province, and an equivalent to the proportion allotted to such classes in the County of Peel must be provided for by your Council.

Another important enactment is that which regulates the salaries of the Public School teachers of the province. The clauses of the Act are as follows :

2. Where the assessed value of all the taxable property of the public school supporters in any township of an organized county is at least equal to an average assessment of $30,000 for each public school section therein, the municipal council of such township shall levy and collect by assessment upon the taxable property of the public school supporters of the whole township in the manner provided by this Act and The Municipal and Assessment Acts, the sum of $300 at least for every public school where a teacher or principal teacher is engaged for a whole year exclusive of vacations, and a proportionate amount of such sum of $300 at least, where a teacher or principal teacher is engaged for six months or longer ; and the additional sum of at least $200 for an assistant teacher engaged for whole year exclusive of vacations, and a proportionate amount of such sum of $200 at least, where an assistant teacher is engaged for six months or longer.

3. Where such assessed value is less than an average assessment of $30,000 for each public school section in any township, the municipal council of such township shall levy and collect as aforesaid the sum of $150 at least for every public school where a teacher or principal teacher is engaged for a whole year exclusive of vacations, and a proportionate amount of said sum of $150 at least where a teacher or principal teacher is engaged for six months or longer ; and an additional sum of at least, $100 for every assistant teacher engaged for a whole year exclusive of

vacations, and a proportionate amount of such sum of $100 at least, where such assistant teacher is engaged for six months or longer.

4. The sums so levied and collected by the council of the township shall, after the expiration of the present calendar year, be applied exclusively to teachers' salaries.

5. In addition to the sum provided by the township council towards each teacher's salary, the trustees of every rural school section shall, in the cases hereinafter mentioned, pay annually, after the expiration of the the current calendar year, to the teacher, where there is only one, and to the principal teacher where there are more teachers than one, at least the sum hereinafter mentioned (subject only to a proportionate reduction in case the whole year's salary does not become due) that is to say :

(a) $200 where the assessed value of the taxable property of the public school supporters in the section is at least $200,000.

(b) $150 where such assessed value is at least $150,000 but less than $200,000 ;

(c) $100 where such assessed value is at least $100,000, but less than $150,000 ;

(d) $50 where such assessed value is at least $50,000 but less than $100,000 ;

[e] $25 where such assessed value is at least $30,000, but less than $50,000 ;

And $100 to every assistant teacher, whatever such assessed value is.

The said trustees in making their annual estimates and requisitions for school moneys to be levied and collected from the ratepayers, shall include whatever amount, considering their other sources of income, is necessary to provide for such payment or payments.

10. All moneys hereby required to be levied and collected and applied to the salaries of teachers shall be paid to the treasurers of the respective public school boards from time to time as may be required by the school trustees.

As in many school sections, the teacher's salary is not at present paid quarterly, section 10 makes provision whereby all sums required for this purpose shall be paid as required from time to time by the trustees. I wish also to direct the attention of trustees to the fact that while the general Legislative Grant of 1906, will be distributed according to the average attendance as formerly, the grants for the next and succeeding

years will be apportioned among the schools on an entirely new basis, viz : That of character of building, grounds, equipment, standing of teacher and efficiency of school. It therefore behooves every board of trustees to apply themselves immediately to the work of improving the buildings, premises, equipment, etc, in order that the school may share fully in the distribution of succeeding grants. To facilitate the work of the trustees in this direction, a circular containing suggestions and directions will be sent to the Trustees in the near future.

The attendance at the schools during 1905 was not marked by the regularity that should obtain. No proper state of efficiency can be under these conditions. The following table exhibits the attendance and cost per pupil enrolled in each municipality :

COST PER PUPIL

MUNICIPALITY	No Pupils Enrolled.	Average Attendance.	Per Cent. Attendance.	Average cost Per Pupil.
Toronto Gore	144	77	54	$13 75
Caledon	836	397	48	11 57
Chinguacousy	723	384	53	14 00

Bolton	146	85	59	24 30
Brampton	506	357	70	10 90
County	4111	2200	53	$12 80

The Receipts of 1905 were as follows :

Toronto Gore	$ 2597 89
Caledon	12338 48
Chinguacousy	12379 03
Albion	8747 53
Toronto	17482 83
Streetsville	1817 38
Bolton	3746 26
Brampton	6089 38
Total	$65198 78

These are in excess of the receipts of 1904, and show that for the amount of money from all sources granted for school purposes there is in comparison a very indifferent attention paid to its application.

EXPENDITURES FOR 1905:

MUNICIPALITY	Teachers' Salaries	School Sites Sch'l Houses	Libraries Apparatus	Fuel Incidentals	Total	Balance to 1906
Toronto Gore	$ 1400 00	.....	$ 4 75	$ 575 82	$1980 57	$ 617 32

Brampton	4160 85	211 33	82 79	1068 94	5523 91	565 47
County	$34941 87	$2775 95	$586 65	$14271 18	$52575 65	$12623 13

The chief item of expenditure is, of course, for Teachers' Salaries. These show a gratifying increase for 1905, as shown in the next table. The expenditure for Libraries has not been as liberal as is desirable. I find in many quarters a decided misunderstanding of the function of a Public School Library. I trust that in the near future, every school in the County will be furnished with one, and that teachers will become seized of the conviction that the best results of a public school cannot be realized without the dissemination of ideas, the creation of a intellectual atmosphere, the currency of general conceptions, amidst which the pupils should be guided to those systematic features of knowledge which constitute their formal grasp of the facts about them:

TEACHERS AND SALARIES

MUNICIPALITY	No Teachers Male	No Teachers Female	Highest Salary	Average Male Teachers	Average for Female teachers	I. Class	II. Class	III. Class
Toronto Gore	2	2	$340	$337 50	$362 50	0	2	2
Caledon	4	16	465	417 50	319 00	0	7	13

County	25	73	875	$435 00	$332 00	5	48	45

The number of male teachers continues to decrease, while there remain only six of the teachers who were engaged in the work eighteen years ago. Changes are too frequent, and if the recent legislation will increase the permanence of the teaching profession, and ensure the teachers' tenure of office, much good will result. In compliance with the desire of your Council, I have abridged my remarks in this Report and contented myself with making a mainly statistical statement.

I have the honor to be,
Gentlemen,
Your obedient servant,
ALLAN EMBURY,
P. S. Inspector,
County of Peel.

First Report of Standing Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel.

Gentlemen: Your Committee have had before them the following communications, viz:

From the Western Ontario Good Roads Association asking for a grant of $10 or $15.00; also to appoint Delegates to attend a convention to be held in Toronto during the coming session of the Legislature.

After due consideration your Committee would recommend that this Council grant the sum of $5.00; also that Jas. W. Curry and W. H. McKinnon be delegates to attend the said convention.

We also had before us an account of Mr. C. R. Wheelock for engineering the cement arch on Peel and Dufferin town line; your committee would recommend that the sum of $16.50 be paid, Dufferin having paid like amount.

Also an account from Mr. Richard Brooks for repair to Middle Road Bridge, as per order of James W. Curry, Commissioner, your Committee recommends that it be paid, amount payable $2, York County to pay one-half.

Second Report of the Special Committee on Road Improvement

To the Warden and Council of the County of Peel :

Gentlemen: Your Committee begs leave to report as follows :

1st. In accordance with our intention expressed in our last report to you, a conference of representatives from the different Municipal Councils of the County of Peel, was held in Brampton, on Saturday, February 17th, 1906, at which the several Municipal Councils were all represented.

2nd. On the same day a public meeting of the ratepayers of the County, which had been duly advertised, was also held, and a large number interested in the subject of road improvement were present.

3rd. Mr. A. W. Campbell, Deputy Minister of public works addressed the Municipal conference and the public meeting, dealing fully with the matter of road making and repairing and explaining in detail the Act for the improvement of public highways. He pointed out that the Act had been so amended that the County only could take advantage of participation in the $1,000,000 set aside by the Ontario Government, and that the Townships could not avail themselves of the benefit even if the county failed to adopt a county system of roads.

He further explained that the Act as amended, does away with the stated allotments of shares, which it first made for, for the several counties of the province, and that now no county is limited in the amount it shall receive under the conditions of the Act. It was also shown that the expense of purchasing road machinery could be included in the County bill for road improvement and comes within the Act.

4th. At the conclusion of the meeting the following resolution was unanimously passed :

Moved by J. J. Stewart, seconded by J. J. Mahaffy, that this meeting, so far as it represents the County, are of the opinion that the time is opportune for the County Council to adopt a system of roads and would strongly recommend and advise the said Council of the County of Peel, to take advantage of the fund set apart by the local government in the near future.

5th. The Conference of Municipal Delegates passed the following resolutions :

(a) Moved by Mr. O'Reilly, seconded by J. J. Mahaffy, that it is the

wish of the Township Council of the County of Peel, that the County Council prepare and pass, as soon as expedient, a by-law adopting a county system of roads according to the purpose of an act, " For the improvement of Public Highways," the roads in each Township to be settled by the Township Councils.

(b) Moved by Mr. Goldthorpe, seconded by Mr. Newhouse, that the proposed County System, include 100 miles of road, and that the same be alloted to the several Townships according to their equalized assessment.

6th. Your committee have drafted a by-law in accordance with the desires so expressed and complying with the requirements of the said act and the same will be presented for your consideration.

7th. Your committee proposes to proceed after consideration of the by-law to act with the Township Councils, as they designate their roads, so that work upon the same can be commenced as soon as possible, and that under the proposed County system, we will be entitled to share for this year's work in the fund set apart by the Ontario Government.

8th. Your committee request that your Council order the introduction of the bill adopting a County System of Roads.

All of which is respectfully submitted.

C. A. IRVINE, Chairman.

First Report of the Commissioner on County Bridges for Albion and Bolton

To the Warden and Council of the County of Peel :

GENTLEMEN : I had the following repairs done to County bridges between York and Peel, which I would recommend to be paid your Commissioner, County of York to pay one-half, namely :

To Jas. Sheardown, repairing bridge opposite lot No. 6	$2 00
John Corliss, repairing bridge opposite lot No. 8	3 00
John Kehoe, repairing bridge opposite lot No. 9	1 50
James Wilson, plank for said bridge	1 70
James Wilson for plank and work at Glasgow	1 20
Total	$9 40

Your comissioner had his attention drawn to bridge on Town line between Albion and Toronto Gore being in bad condition. In conjunction with Mr. Ward we examined the bridge and on examination we found the planking and srtringers rotten and also the abutments in a bad state of repair. We concluded to erect a concrete bridge with steel beams, for which we purpose asking tenders and would recommend that the work be paid for on the order of your commissioners as soon as the work is finished satisfactorily.

We would also recommend that the following commissions be paid :

G. T. Ward, one day at bridge between Gore and Albion	$3 00

Third Report of Committee on Road Improvement

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee beg leave to report as follows :

1st. That we are assured of the assent of the Lieutenant-Governor to the by-law passed at our last session, but the same cannot be obtained till after vacation, when the cabinet are again in session, which will probably be about the 1st of September. Your committee have withdrawn the by-law from the hands of the Department, and recommend that the assent of the Lieutenant-Governor be asked for by 1st day of

September, 1906, and that the Clerk prepare a sketch of the county showing thereon the roads adopted in the system and forward the same with the by-law.

2nd. Your Committee recommend that they be instructed to prepare a by-law for the raising of One Hundred Thousand Dollars ($100,000.00) on debentures covering 30 years, and that the same be ready for first and second reading at a special meeting of this Council to be called during the month of July by the Warden, and advertised th reafter as required by Statute.

3rd. Your Committee further recommend that they be instructed to purchase the necessary moulds and machinery for making cement tile for drainage purposes in the different townships.

4th. Your Committee recommend the appointment of Commissioners under the said by-law to attend to road repairs, keeping open roads for public travel as follows: Caledon, E. J. Ellis and Wm. H. McKinnon; Albion and Toronto Gore, S. A. Egan and Geo. T. Ward; Chinguacousy, J. Pickering and Guy Bell; Toronto Township, H Shook and Jas. W. Curry.

Second Report of Commissioner on County Bridges for Toronto Gore

Brampton, Council Chamber, June 27th, 1906.

Your commissioner reports having examined bridge on 6th line, lot 16, Toronto Gore, and found the covering nearly worn out, had it repaired, but would recommend a new top either of plank or cement, would prefer cement as the clay from the hill washes down on the bridge.

2nd. Your Commissioners' attention was drawn to the County bridge at Malton, on sixth line, as being unsafe. I notified Mr. Curry, Commissioner for Toronto Township, to meet me at said bridge. Mr. Curry did not get the notice in time so did not appear at bridge. Your Commissioner examined the bridge and found the abutments out of repair, also the top in very bad shape ; will need a new top. Would recommend that the above bridges be repaired and paid for on the order of the Commissioners on said bridges.

All of which is respectfully submitted.

GEO. T. WARD, Commissioner.

County Roads By-law of the County of Peel

BY-LAW NO. 341

A By-law to Designate certain Leading Roads of the County of Peel, for improvement under an Act "For the Improvement of Public Highways," passed April 15th, 1901, and Amendments thereto and to assume same as County Roads.

Passed.

Whereas, by an Act entitled "An Act for the improvement of Public Highways," the sum of one million dollars was set apart to be paid out of the consolidated revenue funds of the Province of Ontario, to aid in the improvement of Public Highways upon the terms and conditions in the said act set forth ;

And whereas it is desirable that the County of Peel participate in the said sum so set apart and for that purpose should adopt a System of County Roads and construct or repair the same in accordance with the regulations of the Public Works Department with respect to Highways as in said Act prescribed ;

And whereas, it is necessary to designate the Highways to be improved in accordance with the said Act ;

Now, therefore, the Council of the Corporation of the County of Peel, enacts as follows :

That the Highways to be improved in the County of Peel, under an "Act for Improvement of Public Highways, Chapter 32, I., Edward Seventh and amendments thereto, to be designated and assumed as County Roads, as follows :

(1.) TOWNSHIP OF CHINGUACOUSY—

Hurontario Street,—except that portion within the municipality of Brampton.

No. 5 Side Road—excepting that portion lying within the Municipality of Brampton, including diverge at Huttonville.

No. 27 Side Road—from 6th line east to 6th line west, including that portion of road connecting the 5th and 6th concessions west.

No. 17 Side Road—one concession east and west of Centre Road.

(2.) Township of Toronto—

Hurontario Street—from Chinguacousy Town Line South to The Lake Shore Road.

The Lake Shore Road—east from Port Credit to town line of Etobicoke.

Dundas Street—from Streetsville Gravel Road east to Summerville.

That portion of the First Concession north of Dundas Street—from the Centre Road east to the River Etobicoke.

On the 3rd Concession line—from Burnhamthorpe north three miles.

(3.) Township of Caledon—

No. 15 Side Road—running from 3rd concession line west of Hurontario street, to the 5th Concession line east of Hurontario Street.

Hurontario Street—extending from the southerly boundary to the northerly boundary of the said Township.

(4.) Township of Albion—

Beginning at lot 30, concession 7, running south along concession 7 six miles.

From concession 7 west on No. 25 side road four miles and from Bolton to Sandhill on No. 10 side road, five miles.

(5.) Township of Toronto Gore—

No. 5 side road—extending from 6th concession line to the 9th conconcession line.

The 9th concession line—commencing at the Indian Line ; thence north 14 lots.

(6.) Any money expended on the the roads designated in this By-law, shall be expended in each municipality in proportion to the amount of the County rate contributed by each municipality.

(7.) And the said Highways to be so improved shall be assumed and

maintained by the County and shall form the County Highway System of the County of Peel.

(8.) This by-law shall take effect from and after the assent of the Lieutenant-Governor thereto.

Done and passed this 20th day of June, 1906.

Treasurer's Statement of County Accounts

For the Year 1905

Treasurer's Office, Jan. 22nd, 1906.

To the Warden and Council of the County of Peel:

Gentlemen: I beg leave to report that the County Accounts for the year ending Dec. 31, 1905, are prepared in detail and are ready for audit.

The receipts from all sources were	$44416 05
And payments were	42824 91
Leaving a balance to the credit of the County on January 1st, 1906.....	$1591 14

The accounts passed by the Auditors and County Commissioners since the first of January amounted to about $1255.00. These accounts have all been paid and I have received from the Government for administration of justice for September Quarter $395.00.

I have to the credit of the County at this date (after paying the High School Grants) $135.43, and no outstanding debts.

You will require to make provision for borrowing such sum or sums of money as may be required to meet the current expenses of the year.

You will find attached a statement of the school accounts and also of the N. R. Taxes. The accounts in both cases are balanced, leaving no money in your treasurer's hands.

R. CRAWFORD, Co. Treasurer.

We, your auditors, find that the County Treasurer's accounts are correct showing no balance.

We also find the accounts of the Sub-Treasurers of the Townships of Albion and Caledon are correct, showing a balance of $3.00 in the hands of the Treasurer of Caledon.

JOHN H. WATSON
REUBEN S. LIGHTHEART } Auditors.

Brampton, January 25, 1906.

Brampton, January 25th, 1906.

To the Warden and Council of the County of Peel :

1st. Your auditors beg leave to report that they have carefully examined the books and accounts of your Treasurer for the year ending 31st December, 1905, and compared vouchers with entries and find the same correct. We find in the abstract statement of receipts and expenditures the sum of $44416.05 being the total amount of receipts or revenue from all sources, and $42824.91 the payments, thus leaving a balance of $1591.14, which is deposited in the Merchants Bank.

2nd. Your auditor further find that in the general statement of the affairs of the county on the 31st day of December, 1905, the assets are $83677.33 and the liabilities $5384.64, leaving a balance of assets over liabilities of $78292.69.

3rd. Your auditors find that the non-resident land tax collected was $107.41 being collected from the Township of Caledon and the same having been paid to the Treasurer of Caledon.

4th. It affords your auditors much pleasure in recording their appreciation of the efficiency, care and attention, with which the Treasurer performs his duties.

JOHN H. WATSON,
REUBEN S. LIGHTHEART, } Auditors.

(Adopted) GEORGE T. WARD, Warden.

REPORTS OF COMMITTEES

Third Report of Education Committee.

COURT HOUSE, BRAMPTON,
Clerk's Office, Sept. 29th, 1906.

To the Warden of the County of Peel,

DEAR SIR—We very much regret that we found it necessary to call a meeting of the Committee on Education of the County Council of the County of Peel, to consider the conduct of the Public School Inspector, Mr. Embury. We find that he has again broken his promise given to this Committee and to the County Council of the County of Peel, and has again disgraced himself and his office, by appearing on the Public Street and at his office at the Court House under the influence of Liquor for several weeks past ; and to the serious neglect of his official duties.

We have thought it proper to report to you and we would recommend that you call a Special Meeting of the County Council to consider the case and to deal with it as thought proper.

J. PICKERING, Chairman.

Dated Court House, 29th day of September, 1906.

12th October—(Adopted) GEO. T. WARD, Warden.

Report of Special Committee appointed at a Special Meeting of the County Council held the 12th day of October last to enquire into the conduct of the Public School Inspector of Peel.

To the Warden and Council of the County of Peel,

GENTLEMEN,—Your Committee beg leave to report as follows :

That pursuant to our instructions we interviewed various parties and got sufficient evidence in our opinion to report that the charges made

by the Education Committee were well founded. That the Inspector has neglected his official duties, and his conduct has been most unbecoming a person holding the important position of a Public School Inspector.

All of which is respectfully submitted

Committee { GEO. T. WARD, Chairman

(Adopted) GEO. T. WARD, Warden.

Report of Commissioner on County Bridges for the West half of Toronto Township and Streetsville.

To the Warden and Council of the County of Peel,

GENTLEMEN,—Your Commissioner begs leave to report that the grading at the westerly end of the steel bridge over the River Credit at Streetsvilie is being damaged by the water from the head race leading to Dracas Mill, there being a waste gate just above the Roadway allowing the waste water to flow down against the grading and damaging it to a certain extent. I would recommend that Mr. Curry be appointed with your Commissioner to examine into the matter and have the same remedied if they consider it necessary.

All of which is respectfully submitted.

HENRY SHOOK, Commissioner.

Council Chamber, Brampton, Nov. 23rd, 1906.

(Adopted) GEO. T. WARD, Warden.

Third Report of Commissioner for W. Half of Chinguacousy

To the Warden and Council of the County of Peel,

GENTLEMEN,—Your Commissioner begs leave to report as follows :

1. That in conjunction with the Commissioners for the County of Halton, had bridge on Town line between Esquesing and Chinguacousy, lot 26, over the river Credit fixed for sixty dollars and twenty nine cents being $32.25 for material and $18.00 for work on same. Said amount to be paid to John M. Rutledge, Halton to pay one half.

2. I received notice that the bridge on town line between Toronto Township and Chinguacousy near Churchville was not safe, I found it needed some new plank and I have had same repaired to the amount of ten dollars and fifty cents ; to A. S. Lamb for plank, $8.75 and George Wilson for work $1.75 which I would ask that the Treasurer pay Also to Henry Fudge $3.00 for repairs to approaches to Inglewood bridge on town line between Caledon and Chinguacousy under the superintendance of Mr. McKinnon, Commissioner.

All ot which is respectfully submitted.

GUY BELL, Commissioner.

Council Chamber, 22nd Nov., 1906.

(Adopted) GEO. T. WARD, Warden.

First Report of Commissioner on County Bridges for East half of Toronto Township.

To the Warden and Council of the County of Peel,

GENTLEMEN,—Your Commissioner begs leave to report as follows :

1. That I met the Commissioner from the County of York and examined the bridge on the Lake Shore road and found the same in a very unsatisfactory state.

We ordered new steel joists at a cost of $254.80 to the Canada Foundry.

Also to R. S. Lamb for flooring and work, the sum of $350.00.

To John Thompson, for plank and repairing done at said bridge $2.50.

We also had some repairs made to the Middle Road Bridge by T. O'Brien for the sum of $8.00.

One half of these amounts your Commissioner would recommend payment of the balance to be paid by the County of York.

Also in conjunction with the Warden had certain repairs made to Malton Bridge amounting to about $40.00, the same having been reported on at last session, and not being done I would recommend payment therefor on the order of your Commissioner when the work is completed.

Your Commissioner's attention having been drawn to the County Bridge on the town line with Chinguacousy, in conjunction with Mr. Morphy inspected same and found it in a very bad condition and would recommend that some repairs be made and paid on the order of your Commissioner.

All of which is respectfully submitted.

Committee Room, Nov. 22nd, 1906.

Third Report of Standing Committee on Education.

To the Warden and Council of the County of Peel,

GENTLEMEN,—

1. We had before us an invitation from the Secretary of the High School Board to inspect the heating and ventilating system lately installed by the Board. A majority of the Council accepted the invitation and were well pleased with the working of the System.

2. We also had a Communication from the Secretary of the High School Board asking for a grant of $500.00 towards the cost of installing said system of heating, we refer the matter to the Council. In Committee Council took no action.

3. We had before us the High School Inspector's Report and would recommend that his remarks in the said report be read to the Council.

4. Your Committee regret to find considerable complaint from Trustees and Teachers through the inability of the Public School Inspector to attend to his duties, but sincerely hope that he may speedily be restored to his normal health and strength of body and mind.

5. Your Committee are very much pleased to find that Mr. Embury has appointed Mr. McHugh as his substitute to the end of the year ; a gentleman we think well qualified to fill the position and would therefor recommend that the Council accept the appointment.

House of Refuge.

Physician's Report for 1906

To the Warden and Council of the County of Peel,

GENTLEMEN,—I beg to report that in the year 1906 I made 56 visits to the House of Refuge and prescribed and gave treatment in 415 cases.

There were three deaths in the year : Henry Howarth died March 9th, aged 77 years of Angina Pectoria. Jas. Sterling, died April 24th, aged 91 years, of old age, Francis Appleby died May 10th, aged 73, of general debility.

Nearly all of the inmates being advanced in years are more or less feeble and invalid, but during the prolonged hot weather of last summer

their general health was better than at any other time so that there was more sickness in the first than in the last half of the year.

Respectfully submitted,

CHAS. Y. MOORE, Physician.

First Report of Standing Committee on Education.

To the Warden and Council of the County of Peel.

GENTLEMEN,—Your Committee begs leave to report as follows :

1. We would recommend the appointment of Wm. Thos. McHugh, of the Village of Streetsville and W. J. Fenton, of the Town of Brampton as County Board of Examiners.

2. Your Committee recommends that John H. Ferguson be re-appointed to the Board of Trustees of Brampton High School; also that A. S. Macklin be re-appointed to the Board of Streetsville High School.

3. Your Committee had before them an account from the Georgetown High School asking payment for attendance at the Georgetown High School of pupils from the County of Peel amounting to $324.76.

Your Committee would recommend the payment of this account but would also recommend that this Council appoint a Deputation to interview the Local Legislature during their present session to try to obtain some relief from this unjust disbursement of County funds.

In Council The Warden, Dr. Bowie and Mr. Egan were appointed such Committee.

4. Your Committee had reports and deputation from Streetsville High School before them stating that the sum of $1304.80 is the apportionment of County Moneys due Streetsville High School according to the Statutes to that effect, for the ensuing three years. We would recommend the payment of this sum as the Statute directs.

5. Your Committee and the rest of this Council had before them yesterday the Chairman of the Brampton High School Board, asking that the County Grant be the same as that paid during the past three years, as per statute; until June 1907 pending the probable change in Legislation thereto.

As also a special grant of $500 to assist them in completing payment on a heating and ventilating equipment installed in their High School during the summer just passed.

We your Committee would recommend the payment of the County Grant on the same basis as on the three years just past, but would refer the making of a special grant of $500 to the consideration of the Council.

Council in Committee of the Whole recommended a grant of $500.00 to complete payment of late improvements.

All of which is respectfully submitted.

T. I. BOWIE, Chairman.

Committee Room, January 25th, 1907.

The new regulations concerning School Grounds, Buildings, and Equipments, are gradually coming to commend themselves to the Trustee Board and I am glad to be able to state the "Minimum Equipment" is being generally provided, except in those sections where extreme parsimony and lack of spirit prevail. Many sections with assessments of less than half that of wealthy sections of Chinguacousy and Toronto Twps. have provided the full equipment, whilst the latter have refused to carry out the regulations, refused to secure libraries, etc., or to make those changes demanded for the health and well-being of the pupils. I give here the requirements of the regulations—

MINIMUM EQUIPMENT

Reg. 8 (Amended).—A globe, not less than nine inches in diameter and properly mounted; a map of the hemispheres; a map of each continent; a map of Canada; a map of Ontario; a map of the county (if a suitable one is published); a map of the British Empire; a map of the British Isles; an atlas or a gazetteer; a standard dictionary for each class room (with English pronunciation); a numeral frame (or an adequate supply of loose cubes); a good clock for each class room, kept in good condition; a set of mensuration surface forms

and geometrical solids; a blackboard set for each class room (one protractor, 15 1-2 inches, triangle, 24 inches, a pair of compasses, to pointers, a graduated straight edge); a pair of scales, with weights, to weigh from half-ounce to ten pounds; a set for measure of capacity (pint, quart, gallon): a set for linear measure (inch, foot, yard, tape line); a set for square and cubic measures; a school library of the minimum value of $20.00 for each teacher employed, increased annually after December, 1907, by at least $10.00 until the value for each teacher employed reaches $100.0C. A suitable book case shall also be provided.

There is not in this regulation a single demand that cannot be justified in the conduct of a well regulated school. Some say that teachers do not use the maps and apparatus already provided, and the charge is, in not a few instances, well-founded. It will therefore be one of the objects of every convention of teachers to study and enforce the aims and objects of all equipment demanded for our schools. The school library will become a valuable aid in developing an intellectual life and atmosphere of the school, leading pupils to become not merely readers of books but to acquire that habit of thought in reading which leads the pupils to acquire the power of application and study. Homework should disappear almost altogether, and the school and the home should be brought into closer sympathy through the currency of literature with its elevating and refining influences. By the end of 1907, I expect that every school in the county will possess a library suited to the age and development of every grade of pupils.

The school attendance is still marked by irregularity to snch degree that the well-directed energies of the teachers are almost nullified in many sections. The Truancy Act is enforced nowhere, and in some sections there is to be noted the deplorable fact that young men and women have grown up illiterate and unschooled in a measure unparalleled in any country boasting a modern educational system.

It is with pleasure that I call the attention of your Council to the great decrease in the price of School Readers and the consequent saving to the people, effected by the Education Dept. But the great need is good school books, and these we do not now possess. It remains with the Education Depts. of the different Provinces to assimilate their courses of primary and secondary studies and adopt a series of text books not only modern in every sense but truly national in character. The present educational outlook is still too provincial and restricted in scope and character.

Our Teachers' Conventions have hitherto been too much professionalized. I have had organizied in each Township a Teachers' and Trustees' Institute, which will be subordinate to a County Institute, to be re-organized in the near future, for Trustees and Teachers, upon a wider basis, and appealing in the range of its discussions to all classes concerned in the welfare of our schools. The experiment of bringing Trustees and Teachers together in the Township Conventions was a success, and I propose to secure in the County Convention a like co-operation.

The following are the amendments made last session of the Legislature to the High and Public School Acts, which it is necessary for County Councils to consider in striking the rates for 1907 :—

Continuation Classes

Section 8 of the Public Schools Act has been amended by adding thereto the following as sub-section 7 :—

(7) Where the Board of Trustees of a union school section establishes continuation classes in the union school, or joins with one or more other Boards of Trustees in establishing such classes as hereinbefore provided, the Municipal Council of each municipality having the whole or part of its territory within the union school section shall levy and collect upon the taxable property of such union school section within its jurisdiction, its proper share of the expense of establishishing and maintaining the said continuation classes according to the equalized assessment of each portion of the said union school section in the respective municipalities.

Under section 8, sub-section 6, of the Public Schools Act of 1901, amended by section 5 of the Amending Act of 1906 (or in the case of the R. C. Separate Schools, Sec. 2, sub-sec. 6, of the Act of 1902, to amend the Separate Schools Act), the Municipal Council of the County shall pay for the maintenance of Continuation Classes a sum equal to the Legislative Grant apportioned by the Minister of Education for such classes, and any further sums the Municipal Council may deem expedient. In 1906 the Legislature voted $32,000.00 for Continuation Classes. Last session it voted $40,000.00 for the current year. As this Grant cannot be apportioned until after the close of the school year, the Minister is unable to state at present the exact total amount required from each County as the equivalent to its share of this sum. It would be well, however, for each County Council to increase proportionately its grant for the same purpose.

County and Township Rates

Sub-sections 1, 2, 3, 4, 5 and 6 of section 70 of the Public Schools Act, as enacted by section 39 of the Act passed in the 6th year of His Majesty's reign, Chaptered 53, have been repealed, thus rescinding the minimum salary provisions except as provided in (4) below. The following sub-sections have been substituted for the aforesaid subsections :—

70. (1) The Municipal Council of every organizied county shall levy and collect by an equal rate upon the taxable propeity of the whole county, (not included in urban municipalities or annexed to any urban municipality for school purposes) according to the equalized assessments of the municipalities in the manner provided by this Act and the MUNICIPAL AND ASSESSMENT ACTS a sum which shall be equal to at least that portion of the legislative grant which is apportioned by the Minister of Education on the basis of the equipment and accommodations of the rural Public and Separate Schools of the county, and such sums shall be payable to the Trustees of the respective

schools receiving such legislative grants in the same proportions as the said grants are apportioned.

(2) Where the assessed value according to the equalized assessments aforesaid, of all the taxable property of the Public School supporters in any township in an organized county, is at least equal to an average annual assessment of $30,000 for each Public School section therein the Municipal Council of such township shall, each year, levy and collect by assessment upon the taxable property of the Public School supporters of the whole township (not included in urban municipalities or annexed to any urban municipality for school purposes) in the manner provided by this Act and the MUNICIPAL AND ASSESSMENT ACTS, the sum of $300 at least for every Public School where the teacher or principal teacher is engaged for a whole year exclusive of vacations, and a proporticnate amount of such sum of $300 at least where a teacher or principal teacher is engaged for six months or longer; and the additional sum of at least $200 for every assistant teacher engaged for a whole year exclusive of vacations, and a proportionate amount of such sum of $200 at least for every assistant teacher engaged for 6 months or longer.

(3) In every organized county where such assessed value, according to the equalized assessments aforesaid, is less than an average annual assessment of $30,000 for each Public School section in any township, and in every organized township in the territorial or judicial districts, whatever its assessments may be, the Municipal Council of such township shall, each year, levy and collect as aforesaid the sum of $150 at least for every Public School where a teacher or principal teacher is engaged for a whole year exclusive of vacations, and a proportionate amount of said sum of $150 at least where a teacher or principal teacher is engaged for 6 months or longer; and an additional sum of at least $100 for every assistant teacher engaged for a whole year exclusive of vacations, and a proportionate amount of such sum of $100 at least where such assistant teacher is engaged for 6 months or longer.

4. The sums so levied and collected by the Council of the Township shall be applied exclusively to teachers' salaries.

The portion of the Legislative Grant which is apportioned by the Minister of Education on the basis of the equipment and accommodations of the rural Public and Separate Schools is $60,000.00. Last year the Counties raised the equivalent of a special grant of $60,000.00 to rural Public and Separate Schools. The amount thus raised by each County under the Act of 1906 will be about the amount required to be raised this year under the amended Act of 1907. (Section 70 (1) quoted above.)

COUNTY CLERK

Section 73 of THE PUBLIC SCHOOLS ACT has been amended by adding thereto the following subsection :—

(2) It shall be the duty of the clerk of every county to furnish the Public School Inspector forthwith on demand with such school statistics in regard to assessments as the Minister of Education may direct.

PUBLIC SCHOOL INSPECTORS

Sub-section 3 of section 86 of the Public School Act as enacted by section 46 of the said Act, passed in the 6th year of His Majesty's reign, Chaptered 53, has been amended, adding at the end of the said sub-section 3 the following paragraph:—

In any county in which any Public School Inspector has charge of less than 140 schools or departments with separate registers the appointment of an additional Inspector shall be subject to the approval of the Lieutenant-Governor in Council.

Sub-section 8 of section 86 of THE PUBLIC SCHOOLS ACT, as enacted by section 47 of the said Act, passed in the 6th year of His Majesty's reign, has been amended by inserting before the word "postage" in the ninth line the word "printing."

MAINTENANCE

Notwithstanding anything contained in section 34 of THE HIGH SCHOOLS ACT and the amendments thereto, the liability of any municipality under sub-sections 6, 7 or 9 of the said section as amended shall be determined as follows:

From the total cost of maintenance of the High School there shall be deducted the amount of the legislative grant,—the remainder shall be divided by a number representing the total number of days' attendance of all pupils at such High School during the year for which payment is to be made and the resulting amount shall be multiplied by the total number of days' attendance of pupils in respect of whom such municipality is liable, the percentage mentioned in the subsection under which payment is to be made shall be determined, and from this amount the fees paid by such pupils shall be deducted, and the result amounting shall be the amount payable by such municipality.

The Government Grants to the Public Schools have been much increased and in 1907 are to be distributed among the School Sections on the basis of (1). Fixed grants to small sections. (2). Grants on salaries. (3). Grants on the Qualifications of the Teachers. (4). Grants on Equipment and Accommodations. Those schools which have failed to provide the equipment already referred to or have neglected to place the school premises and building in satisfactory condition cannot share to the full in the $60,000 voted for item (4). But trustees have generally made a satisfactory attempt to carry out the regulations, and I trust that at the end of 1907 I shall be able to report that every school in the County of Peel is fully equipped according to the regulations.

I am, Sir,

Your Obedient Servant,

ALLAN EMBURY,

P. S. Inspector,

County of Peel.

MEMORIAL.

To the Honorable the Members of the Local Legislature of the Province of Ontario:

AND to the Lieutenant-Governor-in-Council:

THE MEMORIAL OF THE COUNTY COUNCIL OF THE COUNTY OF PEEL HUMBLY SHEWETH:

WHEREAS the County Council of the County of Peel consider Sub-section 5 of Section 39, Chapter 53 of the Statutes of Ontario, passed in the Sixth year of the Reign of King Edward VII, to be a hardship to the Rural School Sections of the Province of Ontario; and whereas the said Council by a unanimous vote of the members thereof have requested that a Memorial be forwarded to the proper authorities requesting a repeal of the said Sub-section.—

NOW THEREFORE we the County Council of the County of Peel at their November Session do hereby request the Honorable the Members of the Local Legislature of the Province of Ontario with the assent of the Lieutenant Governor in Council to repeal the said Sub-section.

AND your Petitioners will ever pray.

D. KIRKWOOD, County Clerk.

By-Law No. 345

To confirm By-law No. 168 of the Municipality of the Township of Albion.

Whereas under and by virtue of The Municipal Act the Municipal Council of the Township of Albion did on the 20th day of October A. D. 1906 pass a By-law for closing, stopping up and conveying to the Canadian Pacific Railway Company a portion of the Road allowance between concessions five and six in the township of Albion and for establishing a strip of land in lieu thereof as a public highway.

And whereas it is desirable to confirm the said By-law in accordance with Section 660 subsection 2 (b) of The Municipal Act.

Therefore the Municipal Council of the Corporation of the County of Peel enacts as follows.

That the said By-law No. 168 of the Municipal Corporation of the township of Albion (a copy of which is hereto annexed) be and the same is hereby confirmed.

Passed this 23rd day of January 1907.

THE CORPORATION OF THE TOWNSHIP OF ALBION

By-law No. 168

A By-law for closing, stopping up and conveying to the Canadian Pacific Railway Company a portion of the Road Allowance between Concessions five and six in the Township of Albion.

Whereas by reason of the construction of the Sudbury Branch of the Canadian Pacific Railway crossing the allowance between Concessions five and six in the township of Albion it has become expedient to close and stop up a part of the said road allowance hereinafter described ;

And whereas in lieu of the said portion of said road allowance a new travelled public road has been laid out and opened upon the strip of land described as follows : A strip of land sixty-six (66) feet in width, being thirty-three (33) feet on each side of a centre line which is described as follows : Beginning at a point on the south westerly limit of the west half of lot twenty (20), Concession six (6), township of Albion, County of Peel, which is two hundred and eighty-eight (288) feet northwesterly from the southeasterly corner of the west half of said lot twenty (20) : thence northerly on a straight line whose course is North seven degrees forty minutes West (7° 40' W) a distance of four hundred and fifty (450) feet ; thence northwesterly on a straight line whose course is North thirty-two degrees twenty-five minutes West (N. 32° 25' W.) a distance of two hundred and eighty-four (284) feet ; thence northwesterly on a line whose course is North fifty three degrees thirty-five minutes West (N. 53° 35' W.) a distance of two hundred and thirty (230) feet ; thence in a westerly direction on a straight line whose course is South sixty-six degrees forty-seven minutes West (S 66° 47' W) a distance of two hundred and thirteen (213) feet to a point on the southwesterly limit of the west half of said Lot twenty (20) said strip containing one and seventy-eight hundredths (1.78) acres, more or less.

And whereas an Ontario Land Surveyor has reported to the Council of the Township of Albion that such new travelled road is sufficient for the purposes of a public highway ;

And whereas said strip of land upon which said new travelled highway is laid out is the property of the Canadian Pacific Railway Company and on compensation has been paid to the said Railway Company therefor :

And whereas that portion of the Concession Road hereafter described, which is closed and stopped up by this by-law or intended so to be, adjoins

the lands of the Canadian Pacific Railway Company, being parts of lots twenty (20) in the fifth concession and twenty (20) in the sixth concession of the said township ;

And whereas written notice of the intention to pass this by-law has been posted up for the period of one month in six of the most public places in the immediate neighborhood of the portion of said Road Allowance to be closed as aforesaid and published weekly for four successive weeks in the "Bolton Enterprise" a newspaper published in an adjoining municipality ;

And whereas the Council of the said Township has heard in person or by counsel or solicitor all persons whose lands might be prejudicially affected by the passing of this by-law and who petitioned to be so heard ;

Now, therefore the Municipal Council of the Corporation of the Township of Albion enacts as follows :—

1. That the strip of land hereinbefore described by metes and bounds, being the new travelled public road aforesaid, be and the same is hereby accepted, set apart and established as a public highway.

2. That that part of the original road allowance between Concessions five and six in the said Township, described as follows, be and the same is hereby closed and stopped up, namely :—

A strip of land sixty-six (66) feet in width, being a part of the Concession Road allowance at lots twenty (20) between Concessions five (5) and six (6) in the Township of Albion, County of Peel, said strip being more particularly described as follows :

Beginning at a point on the easterly limit of the said road between Concessions five and six and which point is three hundred and twenty-seven (327) feet northwesterly from the easterly limit of the West half of Lot twenty (20) Concession six (6) ; thence northwesterly on a straight line whose course is North thirty-seven degrees forty-five minutes West (N.37°45' W) a distance of three hundred and forty-seven (347) feet ; thence southwesterly on a straight line to the westerly limit of the Concession road between said Concessions five and six and which point is six hundred and sixty-four (664) feet northwesterly from the easterly limit of the west half of lot twenty (20) Concession five (5) when measured along the westerly limit of the Concession Road between said Concessions five and six ; thence southeasterly on a straight line whose course is south thirty-seven degrees forty-five minutes East (S 67°45'E) a distance of four hundred and twelve (412) feet; thence northerly on a straight line whose course is North seven degrees forty minutes West (N 7° 40' W to the point of beginning, said strip containing 0 .575 acres, more or less.

3. That upon execution and delivery by the Canadian Pacific Railway Company to the Corporation of the Township of Albion of a deed of conveyance of the strip hereinbefore described on which the said new travelled road is laid out as aforesaid, the portion of said original Road Allowance described by metes and bounds as aforesaid be forthwith conveyed by the Township to the

Canadian Pacific Railway Company in fee simple and that the Reeve and Clerk of the said Township be and they are hereby authorized to execute and deliver to the Canadian Pacific Railway Company such conveyance as may be necessary to vest the same in the said Company and/to fix the corporate seal of the said Township thereto and to do all other acts and things necessary or convenient to be done to carry out the true intent and meaning of this By-law.

This By-law shall come in force on the 20th day of February 1907, subject to the provisions of section 660, sub-section 2 B of the Municipal Act.

Passed the 20th day of October A. D. 1906.

JOHN T. HORAN, Reeve, pro tem.

SAMUEL JEFFERSON, Clerk [L.S.]

By-Law No. 346.

To confirm By-Law No. 169 of the Municipality of the Township of Albion.

THE CORPORATION OF THE TOWNSHIP OF ALBION

By-Law No. 169.

A By-Law for closing, stopping up and conveying to the Canadian Pacific Railway Company a portion of the road allowance between Concessions six and seven in the Township of Albion.

Whereas by reason of the construction of the Sudbury Branch of the Canadian Pacific Railway crossing the road allowance between Concessions six and seven in the Township of Albion it has become expedient to close and stop up a part of the said road allowance hereinafter described :

And whereas in lieu of the said portion of the said road allowance a new travelled public road has been laid out and opened upon the parcel of the land described as follows : A strip of land of triangular shape in the East half of Lot twenty-three (23) Concession six (6) Township of Albion, County of Peel, described as follows : Beginning at a point on the easterly limit of the East half of the said Lot twenty-three (23) which point is six hundred and forty-three (643) feet northwesterly from the southerly limit of the East half of said Lot twenty-three (23) ; thence northwesterly along the easterly limit of the East half of said Lot twenty-three (23) a distance of two hundred and seventy-six (276) feet ; thence southeasterly on a straight line whose course is South twenty-three degrees forty-five minutes East (S 23° 45′ E) a distance of two hundred and fifty-one and one-fifth (251. 2) feet ; thence easterly on a straight line whose course is North seventy-five degrees forty-five minutes East (N 75° 45′ E) a distance of eighty-one and eight-tenths (81.8) feet to the point of beginning : Said tract of land containing twenty-three hundredths (0. 23) acres more or less.

And whereas————————an Ontario Land Surveyor, has reported to the Council of the Township of Albion that such new travelled road is sufficient for the purposes of a public highway.

And whereas said parcel of land upon which said new travelled highway is laid out is the property of the Canadian Pacific Railway Company and no compensation has been paid to the said Railway Company therefore.

And whereas that portion of the Concession Road hereafter described, which is closed and stopped up by this By-law or intended so to be, adjoins the lands of The Canadian Pacific Railway Company, being part of lot twenty-three (23) in the seventh Concession ;

And whereas written notice of the intention to pass this By-law has been posted up for the period of one month in six of the most public places in the immediate neighborhood of the portion of said road allowance to be closed as aforesaid and published weekly for four successive weeks in the " Bolton Enterprise " a newspaper published in the municipality ;

And whereas the Council of the said township has heard in person or by counsel or solicitor all persons whose lands might be prejndicially affected by the passing of this By-law and who petitioned to be so heard ;

Now, therefore, the Municipal Council of the Corporation of the Township of Albion enacts as follows :

1. That the portion of land hereinbefore described by metes and bounds being the new travelled public road aforesaid, be and the same is hereby accepted, set apart and established as a public highway.

2. That that part of the original road allowance between Concessions six and seven in the said township, described as follows : be and the same is hereby closed and stopped up, namely, a strip of land of triangular shape, being a portion of the Concession Road between Concessions 6 and 7 between lot twenty-three (23) Con. six (6) and lot twenty-three (23) Con. seven, Township of Albion, County of Peel, more particularly described as follows : Beginning at a point on the westerly limit of the West half of twenty-three (23) Concession seven (7) at a point which is six hundred and sixty-five and one-fifth (665.2) feet northwesterly from the southerly limit of the West half of said Lot twenty-three (23); thence northwesterly along the westerly limit of the West half of said Lot twenty-three (23) a distance of two hundred and twenty-two (222) feet ; thence southeasterly on a straight line whose course is South twenty-three degrees forty-five minutes East (S 23° 45' E) a distance of two hundred and one and three fifths (201.6) feet ; thence easterly on a straight line whose course is North seventy-five degrees forty-five minutes East (N 45° 45' E) a distance of sixty-seven (67) feet to the point of beginning : Said tract of land containing fifteen hundredths (0. 15) acres, more or less.

3. That upon execution and delivery by the Canadian Pacific Railway Company to the Corporation of the Township of Albion of a deed of conveyance of the portion hereinbefore described on which the said new travelled road is laid out as aforesaid, the portion of said original road allowance described by metes and bounds as aforesaid be forthwith conveyed by the Township to The Canadian Pacific Railway Company in fee simple and that the Reeve and Clerk of the said

Township be and they are hereby authorized to execute and deliver to The Canadian Pacific Railway Company such conveyance as may be necessary to vest the same in the said Company and to affix the corporate seal of the said Township thereto and to do all other acts and things necessary or convenient to be done to carry out the true intent and meaning of this By-law.

This By-law shall come into force on the 20th day of February, 1907 subject to the provisions of Section 660, sub-section 2 B of the Municipal Act.

Passed the 20th day of October, A.D. 1906.

By-law No. 350

Authorizing the Borrowing of Money.

Whereas it is expedient to raise by way of loan the sum of fifteen thousand dollars, required to meet the current expenditure of the Corporation of the County of Peel.

Be it resolved, therefore, and the Council of the County of Peel enacts as follows :

1st. That it shall and may be lawful for the Warden and Treasurer of the County of Peel and they are hereby authorized to and empowered to borrow from the Merchants Bank of Canada at the office of the said Bank in the town of Brampton, a sum not exceeding the sum of Fifteen Thousand Dollars ($15,000), for the purpose aforesaid.

2nd. That the said Warden and Treasurer are hereby authorized and empowered, on behalf of the County of Peel, to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada at Brampton the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton, on or before the 31st December, with interest thereon at the rate of 4½ per cent. per annum, and also to execute in like manner renewals thereof, in whole or part, until such advances are fully repaid.

Done and passed at Brampton the 25th day of January, 1907.

By-Law No. 351

A By-Law authorizing the issue of debentures of the County of Peel to the amount of One Hundred Thousand Dollars.

Whereas by an act entitled an Act "For the Improvment of Public Highways" the sum of one million dollars was set apart to be paid out of the Consolidated Revenue Fund of the Province of Ontario to aid in the improvment of public highways ;

And whereas it is desirable that the County of Peel participate in the said sum so set apart and for that purpose should adopt a system of County

Roads and construct and repair the same in accordance with the regulations of the Public Works Department of the Province of Ontario with respect to Public Highways as in the said act prescribed ;

And whereas the Council of the Corporation of the County of Peel did, by by-law passed on the 20th day of June, 1906, designate and assume as County Roads, the following, namely :—

1. TOWNSHIP OF CHINGUACOUSY :

Hurontario street (except that portion within the Municipality of Brampton.)

No. 5 Side Road (except that portion lying within the Municipality of Brampton, including diverge at Huttonville.)

No. 27 Side Road from sixth line east to sixth line west including that portion of road connecting the fifth and sixth concessions west.

No. 17 Side Road 1st concession east and west of Centre Road.

(2.) TOWNSHIP OF TORONTO:

Hurontario street from Chinguacousy town line South to the Lake Shore Shore Road : The Lake Shore Road east from Port Credit to town line of Etobicoke : Dundas street from Streetsville gravel road east to Summerville.

That portion of first concession north of Dundas street from the Centre Road east to the River Etobicoke, on third concession line from Burnhamthorpe north three miles.

(3.) TOWNSHIP OF CALEDON :

No. 15 Side Road running from 3rd concession line west of Hurontario street : Hurontario street extending from southerly boundary to northerly boundary of said Townships.

(4.) TOWNSHIP OF ALBION :

Beginning at lot 30, con. 8 running south along con. seven and from con. seven west on No. 25 Side Road, 4 miles and from Bolton to Sandhill on No. 10 Side Road 5 miles.

(5.) TOWNSHIP OF TORONTO GORE :

No. 5 Side Road extending from 6th con. line to 9th con. line. The 9th con. line commencing at the Indian line thence north 14 lots.

And whereas it is desirable to raise the sum of One Hundred Thousand Dollars to be applied for the improvement of the said Highways.

And whereas in order thereto it will be necessary to issue debentures of the said County of Peel for the sum of $100,000 as hereinafter provided, which is the debt intended to be created by this by-law.

And whereas it is desirable to make the principal of the said debt payable by yearly sums during the period of thirty years, being the Currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt

shall be nearly as possible equal to the amount so payable in each of the other twenty-nine years of the said period:

And whereas the total amount required by the "Municipal Act" to be raised annually by special rate for paying the said debt and interest as hereinafter provided is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt for such year as shown in the fourth column of Schedule "A" hereto annexed:

And whereas the amount of the whole rateable property of the County of Peel, according to the last Revised and Equalized Assessment Roll, is $12,731,867:

And whereas the existing Debenture debt of the said County is the sum of $4,154.67, of which no principal or interest is in arrears:

Now therefore the Municipal Corporation of the County of Peel enacts as follows:—

1. That the sum of one hundred thousand dollars shall be expended by the County of Peel in the Improvement of the said Highways hereinbefore mentioned and for the purpose of raising the said sum debentures of the said County to the amount of $100,000 in sums of not less than one hundred dollars each shall be issued on the date of the final passing and taking effect of this By-law, and said debentures shall be dated on the day of the issue thereof and shall be payable within thirty years thereafter.

2. Each of the said debentures shall be signed by the Warden of the said County and countersigned by the Treasurer and the Clerk of the said County and the corporate seal shall be attached thereto.

3. The said debt. and the debentures issued therefor shall bear interest at the rate of four per cent per annum from the date thereof and the said debentures both as to principal and interest shall be payable annually, the first payment in one year from the date of issue at the Merchants Bank at the Town of Brampton, and shall have attached to them coupons for payment of said interest, which coupons shall be signed by the Warden and Treasurer of the said County of Peel.

4. During the currency of the said debentures there shall be raised annually by special rate on all rateable property in the County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in repect of the said debt, as shown in schedule "A" hereto annexed.

5. This by-law shall take effect upon its coming into force pursuant to the Statute in such case, made and provided.

6. The following is schedule "A" hereinbefore referred to:—

By-Law No. 352

Being By-Law to amend By-Law Number 341 of the Municipal Corporation of the County of Peel, said By-Law Number 341 being a By-Law to designate certain leading roads of the County of Peel for improvement under an Act : "For the Improvement of Public Highways" passed April 15th, 1901, and amendments thereto and to assume same as County Roads.

Whereas the Municipal Corporation of the County of Peel did by said By-law Number 341, passed on the 20th day of June, 1906, designate and assume certain roads in the County of Peel as County roads as in said By-law Number 341 set out.

And whereas the Municipal Corporation of the Township of Toronto Gore by resolution requested certain changes as hereinafter set forth.

And whereas the Municipal Conncil of the Corporation of the County of Peel deem it expedient that the roads designated as County roads in section "2" of said By-law Number 341 should be changed.

And whereas the Lieutenant Governor of the Province of Ontario has assented to such change as the said Municipal Corporation of the County of Peel deem expedient.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows :—

1. That section "2" of By-law 341 of the Municipal Corporation of the County of Peel, being a By-law to designate certain leading roads of the County of Peel for improvement under an Act " For the Improvement of Public Highways " passed April 15th A. D. 1901 and amendments thereto and to assume same as County roads, which said By-law Number 341 was passed on the 20th day of June A. D. 1906, be and the same is hereby repealed.

2. That in lieu and instead of said section " 2 " of said By-law No. 341 the following be and is hereby substituted as section " 2 " of said By-law No. 341, namely,

(2) TOWNSHIP OF TORONTO :

Hurontario Street from Chinguacousy Town Line South to the lake shore road ; the lake shore road East from Streetsville gravel road to Town Line of Etobicoke ; Dundas Street from Streetsville gravel road

East to Summerville ; third Concession Line from Burnhamthorpe north 3 miles.

Treasurer's Statement of County Accounts

FOR THE YEAR 1906

To the Warden and Council of the County of Peel :

GENTLEMEN : I beg leave to report that the County Accounts for the year ending December 31st, 1906, are prepared in detail and ready for audit.

The receipts from all sources were ....$	33,522 50
And disbursments were..	28,031 02
Leaving a balance to the credit of the County on January 1st, 1907, of.....	5,491 48

The accounts passed by the Auditors and County Commissioners since Junuary 1st, 1907, amounted to over $1700.00. These accounts have all been paid and when Brampton and Streetsville High Schools are paid the regular grant for the current quarter it will leave a balance to the credit of the County of $3,000.00. This sum properly belongs to the Road Improvement Account, as it was specially raised for that purpose.

The County Rates for 1906 were $1000.00 less than the previous year and the balance is about the same as last year.

I might say that the Criminal Justice accounts for the last quarter of 1906 were the largest the County has had for many years. The Jurors, Criminal Witnesses and Constables received on the Court week about $1000.00.

You will require to make provision for borrowing such sum or sums of meney as may be required to meet the current expenses of the year.

R. CRAWFORD, Treasurer.

Auditors' Report of School Monies

FOR 1906

Brampton, January 25th, 1907.

To the Warden and Council of the County of Peel :

1. Your Auditors beg leave to repeat that they have carefully examined the books and accounts of your Treasurer for the year ending 31st December, 1906, and compared vouchers with entries and find the same correct.

We find in the Abstract Statement of Receipts and Expenditure the sum of $33,522.50 being the total amount of receipts from all sources and the payments $28,031.02 leaving a balance of $5,491.48 which is deposited in the Merchants Bank.

2. Your Auditors find that in the General Statement of the affairs of the County on the 31st of Dec., 1906, the Assets are $87,577.69 and the Liabilities $4,650.00 leaving a balance of Assets over Liabilities of $82,927.69.

3. Your Auditors find that the non-resident land tax and tax sales collected amounted to $586.52 of which $36.00 was paid for advertising and $8.41 for expenses of sale, the balance was paid over to the Treasurers of the various Municipalities entitled thereto leaving no balance in the Treasurer's hands.

4. Your Auditors have much pleasure in testifying to the courtesy and kindness shown us by the Treasurer and to the careful and efficient manner in which he performs his duties.

We, your Auditors beg to report that we find the Treasurer's Accounts are correct showing no balance on hand.

We also find the accounts of the Sub-Treasurers of the Townships of Albion and Caledon are correct, showing an apparent balance of $3.00 in the hands of the Treasurer of Caledon, but as said sum is not available we recommend that it be not extended.

Sgd. JOHN SINCLAIR,
Sgd. ALEX. McCORT, } Auditors.

APRIL SESSION, 1908

SPECIAL MEETING—FIRST DAY

COUNCIL OF THE CORPORATION OF THE COUNTY OF PEEL,
Port Credit, April 13th, 1908.

All members of Council being present.

The Warden presiding.

The Warden stated that by request of several members of the County Council he had called a meeting at this place, to give the members an opportunity to examine a portion of road near by on the County System, which is the most complete and most expensive of any built on Roads within the County which has been assumed by the County Council.

Considerable time was spent in examining the road subjecting it to very careful criticism, comparing its cost with that of portions of road improved in other parts of the County, &c.

Later—Most of the Council examined a portion of road repaired by the County of York, which is intended to connect with that built by the County of Peel, both being on what is known as the Lake Shore Road.

After which Council adjourned to meet tomorrow at ten o'clock in the Council Chamber in Brampton.

Second Report of Standing Committee on House of Refuge

GENTLEMEN : Your Committee met at the House of Refuge on June 14th, 1907, on question of repairing, etc.

Present—Messrs. Moran, Wilson and Bowie.

After inspecting the premises they concluded to paint the exterior of the House of Refuge, drain the cesspool and purchase some bedding.

Mr. Moran was instructed to ask for tenders for painting.

The tender of Messrs. McGill and McClure for $135 was accepted.

Mr. Moran was also asked, together with the assistance of the Caretaker, to purchase suitable bedding material ; 12 new mattresses and pillows amounting to $37 were purchased.

We also ordered that tile be procured and that four blind drains be put down leading from the septic tank ; this has been done and works well.

On July 6th, 1907, your committee met at the House of Refuge, inspected and passed accounts for the preceding quarter amounting to $272.44.

Members present.—Messrs. Moran and Bowie.

On October 5th, 1907 your committee met at the House of Refuge and after inspecting the premises, repairs, &c., examined and passed accounts for the preceding quarter amounting to $167.64.

We would also recommend payment of the following Commissioners' accounts :

Mr. Moran, 5 days and mileage	$16 00
Mr. Wilson, 2 days and mileage	8 40
T. I. Bowie 3 days and mileage	12 00

All of which is respectfully submitted.

T. I. BOWIE, Chairman.

Council Chamber, Brampton, November 20, 1907.

(Adopted) C. A. IRVINE, Warden.

Second Report of Standing Committee on Miscellaneous Matters

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee beg leave to report as follows :

1st. That we had before us a communication from the Hamilton Radial Electric Railway Co. giving notice of their intention of applying to the Dominion Parliament at their next session for an act to amend their charter.

Your Committee recommend that the Clerk file said communication.

We also had a communication before us from the Clerk of the County of Halton, with a copy of petition of Council of said County to the Legislative Assembly ; praying that the grant for the improvement of Highways be increased from one-third of the amount of expenditure by the Counties to be at least one-half of the amount of said expenditure and they ask the co-operation of the Council of Peel County.

Your Committee would recommend that their request be granted, and that this Council hereby instructs the Warden and Clerk to sign the said petition, attach the corporate seal thereto and forward the same to the Legislative Assembly ; amended in committee of the whole by adding that a committee consisting of Messrs. Egan, Goldthorpe and the Warden be appointed with instructions to communicate with all Counties interested and endeavor to have a joint deputation from the several Counties wait on the Government at the coming session and press for the amendment suggested by the County Council of Halton, and that the said committee be appointed to wait on the Government.

All of which is respectfully submitted.

J. A. McBRIDE, Chairman.

Brampton November 20th, 1907.

(Adopted) C. A. IRVINE, Warden.

Report of Commissioners on County Bridges for Toronto and Chinguacousy Township near Churchville

To the Warden and Council of the County of Peel:

GENTLEMEN: We have had the Churchville Bridge repaired with two extra run of joist and bridge covered with new plank.

We would recommend the following payments, viz:

To A. S. Lamb & Son for 5040 feet at $35 per M.	$176 40
To A. S. Lamb & Son, for 80 lbs. of spikes	2 60
	$179 00
To James Letty for work done, 67 hours work at 20c. per hour	$13 40
To James Letty, 13 hours with team at 35c. per hour	4 55
	$17 95

We also had the bridge near Frazer's Corners, between 3rd and 4th concessions, re-joisted and covered with plank.

We would recommend the following payments:

A. S. Lamb & Son for 1816 feet plank at $35.00 per M	$63 56

All of which is respectfully submitted.

F. J. JACKSON, Commissioner.

Brampton, November 20th, 1907.

(Adopted) C. A. IRVINE, Warden.

Third Report of Standing Committee on Education

To the Warden and Council of the County of Peel.

GENTLEMAN: Your Committee beg leave to report as follows:

We had before us a communication from the Secretary of the Orangeville High School, renewing their claim from the County of Peel

for $318.63, instead of $243.38, as recommended by your Committee in their second report.

Your Committee computed the amount recommended at that time according to the Amended Statutes in that behalf, whereas they claim the liability was incurred before the amendment of the Act was passed, and, therefore, did not apply to their account. We would therefore recommend that the additional sum of $75.25 be paid Orangeville High School.

We had also before us the Public School Inspector's postage account from November, 1906, to October, 1907, amounting to $28.40; also an account from the Conservator office for printing 500 letter heads, $2.00. We would recommend payment of these accounts.

Whereas one of the Trustees of Streetsville High School, viz., Mr. Maclin, has left the Municipality, we would recommend that Mr. Arnold Stewart, be, and is hereby appointed, to fill out Mr. Maclin's term.

All of which is respectfully submitted.

T. I. BOWIE, M. D., Chairman.

Brampton, November 20, 1907.

(Adopted) C. A. IRVINE, Warden.

Second Report of Commissioners on County Bridges for Township of Albion

To the Warden and Council of the County of Peel :

GENTLEMEN : My attention was called to the County Bridge between York and Peel opposite lot 10. On examination I found that the plank was in bad repair. I ordered John Barrie to put new plank on bridge, which he did, and I would recommend that he be paid $5 for work as per account. York to pay one-half.

Would also recommend that James Sheardown be paid $2 for repairing bridge opposite lot 5, on road between York and Peel. York to pay one-half.

Allan Fuller for repairing approaches to bridge at Cold Creek opposite lot 8, $2 ; York to pay half.

S. A. Egan, two days' Commission, $6.00.

All of which is respectfully submitted.

S. A. EGAN, Commissioner.

Council Chamber, Brampton, November 21st, 1907.

(Adopted) C. A. IRVINE, Warden.

Second Report of Commissioners on County Bridges for Toronto Gore and East-Half of Chinguacousy

To the Warden and Council of the County of Peel :

GENTLEMEN : We had a concrete floor put on the bridge opposite lot 16, on sixth line east, known as " Sargent's Bridge." We let the job to Patterson & Smeaton for the sum of 29c. per square foot and allowed them ten dollars for repairing one of the abutments. Their bill for the work is $140.50, which has been paid on the order of your Commissioners ; also to Wm. Morrison 50c. for repairing hole in planking, and to Mr. Montgomery $5 for repairing approaches and covering the cement floor with gravel and $2 for keeping a lantern lighted at night for the safety of the traveling public.

The above accounts have been paid on the order of your Commissioners.

Would recommend payment of the following commissions :

To William Moran, two days.....$6 00
To John O'Reilly, three days 9 00

All of which is respectfully submitted.

WM. MORAN
JOHN O'REILLY } Commissioners.

(Adopted) C. A. IRVINE, Warden.

First Report of Commissioner on County Bridges for Toronto Gore

To the Warden and Council of the County of Peel ;

GENTLEMEN : My attention was called to the unsafe condition of the approaches to Mimico Bridge on the town line between Toronto Gore and Etobicoke. I notified Mr. Evans, Reeve of Etobicoke.

We met at the bridge and let the job of repairing the approaches to Samuel Johnston for the sum of $50. The job is not yet completed but would recommend payment on the order of your commissioner of one-half that amount when the job is completed to his satisfaction.

I also had the flooring of the bridge on the Albion town line repaired. Mr. Baird has been paid $2.10 for plank on the order of your Commissioner. Mr. Thompson, who made the repairs, has not sent in his account, but would recommend payment of his bill on the order of your Commissioner.

All of which is respectfully submitted.

JOHN O'REILLY, Commissioner.

Brampton, Nov. 22nd, 1907.

(Adopted) C. A. IRVINE, Warden.

Second Report of Commissioner for Toronto Gore on County Bridges

To the Warden and Council of the County of Peel :

GENTLEMEN : Your commissioner in conjuction with the Reeve of Etobicoke, had ten dollars more spent repairing the approaches to the Mimico bridge, on the Gore and Etobicoke town line. This makes the amount spent on the work sixty dollars.

York County will pay the bill and I would recommend payment of one-half of this amount when York County sends in their account.

All of which is respectfully submitted.

JOHN O'REILLY, Co. Commissioner, Toronto Gore.

Brampton, 3rd December, 1907.

(Adopted) C. A. IRVINE, Warden.

First Report of Commissioner for the Township of Albion on Connty Roads

To the Warden and Council of the County of Peel :

GENTLEMEN : As per report re Palgrave bridge, I made settlement with Mr. McClelland, in conjunction with Mr. Davis, engineer, we agreed to build the main bridge and extend the abutments four feet and put cross wall in for him to put his brackets on, Mr. McClelland to find his own brackets and log for top ; also to build his own bridge over the flume.

We advertised for tenders for cement abutments. I received two tenders for the building of the abutments, and for removing old bridge and building temporary bridge.

After consulting Mr. Davis we concluded the price for work was entirely too high, the lowest tender being $9.00 per yard above ground and $10 below ground.

I advertised for tenders again and received two, one from Tagert, of Tottenham, and one from Mr. J. D. Callaghan, of Arthur Village. I gave the contract to Mr. Callaghan, he being the lowest, at $7.60 per yard for abutments and 30c. per foot for floor, stone for apron $1.25 per yard—

Making a total of	$1977 19
I let the contract for the steel to A. Dick & Son, Alton for	485 00
I had the filling of approaches done by day's work at a cost of	163 30
I let the contract for removing old bridge and building temporary bridge to H. Zimmerman and Samuel Jefferson for	135 00
S. A. Egan, overseeing work, 30 days at $3 per day	90 00
Making a total cost of	$2850 49
Less $7 for gravel	7 00
	$2843 49

I sold old bridge at Palgrave for $15.00 which I paid H. Zimmerman on account.

I also had a new bridge built over the River Humber at Cedar Mills. I advertised for tenders and let the contract for the abutments and floor to J. D. Callaghan for $6.50 per yard for walls and 30c. per foot for the floor.

There are 207 yards and 8 feet in the walls making	$1368 00
Floor	206 40
Removing old bridge	15 00
Making total cost for cement	$1589 40

I let the contract for the steel to Alex. Dick & Sons, Alton, for $750 00
The filling of the approaches is not completed yet but expect they will cost about 150 00
Twenty days for superintending the work at $3 per day 60 00

I have also the following bills re Good Roads, which I would recommend to be paid, viz :

Charles Robb, for right of way at Cedar Mills	$ 25 00
William Little for grading and other repairs on Sandhill road	136 75
Andrew Hope, repairing road grader	1 50
R. J. Larvery, 135 loads of clay at 5c. per yard	6 75
Dennis Horan on No. 20, Good Roads	9 00
William Bible, for 56 loads of clay at 5c. per load	2 80
Thomas Jacksen, repairing washout	12 00
John Shore, putting in culvert	8 00
R. D. Simpson, putting in culvert	8 00
John McDonald for writing contracts for bridges	2 00
J. Taylor, repairing culvert, 20 side line	6 00
Joseph Kelly, culvert and other repairs on 4th line	36 50
H. Black for concrete tile	49 40

All of which is respectfully submitted.

S. A. EGAN, Commissioner.

(Adopted) C. A. IRVINE, Warden.

NEW WORK

I had a 20-inch concrete tile culvert put in on No. 5 side road in the seventh concession, John Bland, drawing tile	$ 7 95	
A. Sleightholm, putting in tile and building headwall	8 80	
Frank & Watson for eleven 20-inch tile	22 00	
Commission work one day	3 00	
Total		$ 41 75

Work at West Branch, as directed by engineer :

The contract for building retaining walls was let to Patterson & Smeaton for $7 per yard, No. of yards in work 54	$378 00	
Hamilton Bridge Works, for steel joists, bolts and clips	430 00	
A. S. Lamb, for plank	63 36	
James Duncan, drawing plank	7 70	
Robert Wright drawing steel joists	10 50

Filling in approaches and grading hills	326 41	
Commission work, 12 days	36 00	
Total		$1254 97

The engineer prepared plans and specifications for a new bridge opposite lot 15, ninth line. I let the contract of building the abutments to Jesse Winger, for the sum of $7.50 per yard, the work to be completed by the 20th of October. Owing to the difficulty of getting teams to draw gravel, Mr. Winger was not ready to start until 1st of November. As there was then a danger of the concrete being injured by frost, I deemed it advisable to let the work stand over until next spring.

The contract for a 38-foot steel bridge was let to A. Dick, of Alton, for the sum of $700, the bridge to be erected the first week of November.

The bridge is now on the ground and Mr. Dick has been paid the sum of $675 on his contract, the balance to be paid when the bridge is erected. Commission work, 7 days, $21 ; total paid, $696.

All of which is respectfully submitted.

S. A. EGAN, Chairman.

Committee Room, January 30, 1908.

(Adopted) T. I. BOWIE, Warden.

House of Refuge Physician's Report for 1907

To the Warden and Council of the County of Peel :

GENTLEMEN: During the year 1907, I made 53 visits to the House of Refuge and prescribed in 515 cases.

There was considerable sickness during the year, but as most of the inmates are well advanced in years and many of them are sent in suffering from illnesss—incurable in some cases—this is not surprising.

There was only one death ; Thomas Donaldson, a feeble old man, who had been inmate for several years, who dropped dead on the 14th of September as he was going down the steps on the south side of the building.

On the last day of the year I accompained the Government Inspector, Dr. R. W. Bruce Smith, on his visit to the House.

He made no remark in reference to my department, except as to the smallness of my salary ; the inadequacy of which I have again to bring to your attention, and ask you to make it a least sufficient to protect me from loss.

Respectfully submitted.

C. Y. MOORE, Physician.

Brampton, January 28, 1908.

(Adopted) T. I. BOWIE, Warden.

Report Standing Committee on Equalization of Assessment

To the Warden and Council ot the County of Peel :

GENTLEMEN : Your Committee have examined the assessment schedules of the several Municipalities of the County, and in so far as we can ascertain find them correct.

Your Committee have prepared a Schedule hereto annexed, showing the assessed value of each Municipality and would recommend that the equalized value of each Municipality except Toronto Township, be the same as last year, and that the Township of Toronto be increased $11,356.00 over that of last year, and we herewith introduce a bill to confirm the same.

All of which is respectfully submitted.

JAS. JACKSON, Chairman.

Committee Room, January 31st, 1908.

(Adopted Jan. 31, 1908.) T. I. BOWIE, Warden.

First Report of Standing Committee on Finance

To the Warden and Council of the County of Peel :

GENTLEMEN : We have received tenders from Jas. Golding for supply of bread for the House of Refuge and Gaol at 3 cents per pound and would recommend that this be accepted.

We have also received tenders from R. Parsons for the supply of meat for the House of Refuge and Gaol at 6 cents per pound and would recommend that they be accepted.

We have also received the following certified account and would recommend payment of the same : J. A. Henderson $3.90.

We would recommend that the following grants be made, viz : The Peel Farmers' Institute, $35 ; The Prisoners Aid Association, $10 ; To J. Ross Robertson, for Sick Children's Hospital, $30.

With reference to the communication re the Women's Rescue and Children's Work of the Salvation Army ; the report of Prison Inspector ; the account of Miss Kelly re the case of Tilt vs. Tilt, would recommend that they be fyled, and the request for a grant to the Malton Spring Fair we would refer them back to the Council.

Council in Committee said no action in the former and a grant of $25 be given Malton Spring Fair.

Your Committee beg leave to submit a bill enabling the Warden and Treasurer to borrow money for current expenses.

The Treasurer's report show receipts for year from all sources.	$97,928 48
Payments	91,120 14
Leaving a balance on hand of.....	$6,808 34

We would recommend for your consideration the procuring of a bond for the Treasurer from the American Surety Co. to the amount of $10.000.00.

This was laid over to June Session.

A. A. McFALL, Chairman.

Council Chamber, Jan. 31st, 1908.

(Adopted January 31, 1908) T. I. BOWIE, Warden.

First Report of the Standing Committee on Education

To the Warden and Council of the County of Peel:

GENTLEMEN: Your Committee beg leave to report as follows:

We would recommend the appointment of W. T. McHugh, of the Village of Streetsville, and W. J. Fenton, of the Town of Brampton, as County Board of Examiners for 1908.

Your Committee recommend that Dr. D. L. Heggie be re-appointed on the Board of Trustees of Brampton High School and E. G. Watson on the High School Board for Streetsville.

Your Committee have had before them the accounts of Orangeville, Weston and Georgetown High School Boards, claiming judgment for maintenance of Peel County Pupils at those Schools.

Your Committee recommend that the Treasurer be instructed to pay the claims of Orangeville, Weston and Georgetown High Schools, when the proper amounts have been decided upon by the Clerk.

Your Committee have had before them the statement of the Brampton High School Board, but not having a similar one from Streetsville High School Board, would recommend that the arrangements of such costs and terms of maintenance in respect of both High Schools in accordance with the High School Act in this behalf be deferred until next session of the County Council.

All of which is respectfully submitted.

THOS. INGOLDSBY, Chairman.

(Adopted) T. I. BOWIE, Warden.

February 5th, 1908.

Report of Committee on House of Refuge

To the Warden and Council of the County of Peel:

GENTLEMEN: Your Committee met at House of Refuge on January

11, 1908, and passed the accounts of the preceding quarter, total amount of bills, $232.80.

EXPENSE ACCOUNT FOR 1907 :

Pasture paid Paul Wilson	$ 37 75		
Cattle bought, 6 head	133 00		
Cattle bought, 2 head	85 00	$255	75
Sold Jas. Bovaird, 1 calf	$ 5 00		
Stock service	3 00		
G. T. Ward, cattle	151 00		
G. T. Ward, cattle	235 00		
Paul Wilson, 2 calves	10 00		
Nine sow pigs	105 40		
G. T. Ward, pigs	190 00	$699	40

Your Committee made a general inspection of the premises and found them to be fairly satisfactory.

As this Council has already had presented to them the Inspector's report, which deals fully with the evils and short comings of the institution it is unnecessary for this Committee to report further.

We would recommend the payment of the following Commissioners' accounts on House of Refuge :

T. Wilson, $4.20 ; Wm. Moran, $3.20 ; T. I. Bowie, $4.00.

All of which is respectfully submitted.

T. I. BOWIE, Chairman.

Brampton, February 5th, 1908.

Report of Commissioner for Albion re McClelland's Bridge

To the Warden and Council of the County of Peel :

GENTLEMEN : Pursuant to instructions from your Honourable body, at the January Session re McClelland's Bridge, for damages at Palgrave.

I consulted the County Solicitor in the matter and we decided the best way to get at the matter would be to lay it before the Deputy Minister of Highways ; I accordingly did so, and along with Mr. McClelland, waited on the Deputy Minister who received us very cordially, and after laying the whole matter before him, he advised us to make a settlement if possible, as his opinion was the whole County was liable as per solicitor's report herewith attached ;

I would therefore recommend that Mr. McClelland be offered the sum of $250.00 in settlement of claim without prejudice.

All of which is respectfully submitted.

S. A. EGAN, Commissioner.

In Committee of the whole the following was added to latter clause :

" And the amount be charged to the share of the Township of Albion re Good Roads."

In Council it was further amended before adoption—"That it be referred back to Mr. Egan, Commissioner for Albion, for settlement of the matter in dispute on behalf of the Township of Albion, and this County disputes any liability."

(Adopted as amended) T. I. BOWIE, Warden.

Brampton, June, 1908.

First Report of Commissioner on House of Refuge

GENTLEMEN : Your Committee begs leave to report as follows :

Your Commissioners met at the House of Refuge, April 4th, 1908, and on motion James Jackson was appointed chairman and John A. McBride, Secretary.

Your Committee had before them the following accounts, amounting to $291.83 ; these several accounts were examined and found correct :

James Golding, bread	$ 51	42
Robinson & Stork, underwear	10	89
C. Stork, drugs		70
T. H. Shields & Co., blankets, bedding, supplies and sundries	112	86
S. McCandless, one suit, socks and sundries	12	51
L. Fingland, tobacco and other supplies	13	51
R. Parsons, beef	33	50
J. W. Faulkner, boots and repairing	15	15
Brampton Milling Company, chopping	8	10
C. McCollum, rolled oats and flour	11	80
A. H Milner, groceries	21	39
Total	$291	83

Your Commissioners inspected the House of Refuge and found that some repairs were necessary and had the same repaired by W. B. McCullouch at a cost of $54 57.

Acting in accordance with the resolution passed at the January Session of this Council, your Commissioner had an estimate from Higgins & Large on Ventilation, said estimate was $275.00.

Your Commissioner thought it best to refer this matter back to the Council and obtain their permission to visit other Poor Houses and obtain the best ventilating system that is in operation at the present time.

In reference to your instructions regarding the removal of children from House of Refuge, we beg leave to report, that the girl has been removed to other quarters, and that Mr. Johnston objects very strongly to having the boy removed.

In reference to fire escapes being erected to House, your Commissioners do not think them necessary at the present time.

We would recommend that the following sums be paid :

To J. A. McBride, one day and mileage	$4	20
To Wm. Moran, one day and mileage	3	20
James Jackson, one day and mileage	3	10

All of which is respectfully submitted.

JAS. JACKSON, Chairman.

Brampton, June 3rd. 1908.

First Report of Commissioner for West-half of Toronto Township

To the Warden and Council of the County of Peel :

GENTLEMEN : Being notified by Mr. James Letty that the approach on the east end of the Churchville bridge abutment had been washed out by the spring freshlet.

On this report I notified the representative of Chinguacousy township who referred the whole matter to myself.

I therefore engaged Mr. Butler Wilson, our township local pathmaster, to engage men and teams and make the necessary filling.

Mr. Wilson presents the account as attached and I would recommend payment of the same amounting to $15.00.

I would also recommend payment to James Letty for guarding the same the sum of one dollar.

Commission on above work one day. $3.00.

All of which is respectfully submitted.

F. J. JACKSON, Commissioner.

Brampton, 3rd June, 1908.

Public School Inspector's Report

Brampton, June 1st, 1908.

The Warden and Members Peel County Council :

GENTLEMEN : I beg to submit my Report for the year 1907. It contains the usual statistics and a short notice of educational matters that are of special interest at present. You are, doubtless, aware that the recent regulations of the Education Dept. require a more complete and modern equipment of our Schools. I am glad to be able to state that the Schools of the County, with a very few exceptions, have already been fully equipped with all the maps and apparatus necessary. But with respect to School premises, the regulations have not been fully carried out. Many Trustees neglect still to carry out these regulations and to provide the necessary accommodations. The water supply in many instances is totally insufficient, walks are not provided, tree-planting is neglected, and and no attention is paid to beautifying the premises. The grant allotted to accommodations proves quite inadequate as an incentive to Trustees to undertake the work of rendering the School and its surroundings convenient, attractive, or equal to the standard set by the Education Dept. The items of the grant given on account of accommodations should be much increased in amount, in order to stimulate the Trustees to any definite or marked improvement. Again, much of the equipment is not properly cared for. Maps are piled in a corner because rollers are too expensive. The maps become detached from the frames, warped, and sometimes cracked beyond recognition. All maps should be placed upon rollers and in cases, and then they would be preserved intact for years. Imagine the parsimony that will provide blinds for the windows on one side only of the room on the ground that they are not absolutely necessary on the other side. In many schools, no regard is paid to mere appearances or to the fitness of things. Bookcases have been provided in most of the schools, and there are only ten schools now without libraries. Six of the these schools are in the wealthy Township of Chinguacousy. The Trustees of these Schools are, of course, not believers in the spread of ideas and in the claims upon the School, of the world of thought in Literature. Most of the libraries have been carefully selected, and the verdict of the teachers is that the library has aided materially in awakening and quickening the intelligence of the pupils.

LIBRARIES

	No. Volumes	Value
Brampton	0	$ 0 00
Albion	748	267 28
Caledon	1101	449 75
Chinguacousy	840	343 20
Toronto Tp	1247	536 60
Toronto Gore	167	62 80
Bolton	0	0
Streetsville	0	0
Totals	4103	$1653 63

However, I think all will agree that the Trustees have displayed a wise liberality in responding to the call for the establishment of these libraries so necessary to the life of the schools and so thoroughly justified by the results.

The irregular attendance of pupils is still most deplorable and no steps have been taken to compel attendance where the offence is most flagrant and unjustifiable. Of course, bad roads, unfavorable weather, the prevalence of epidemics, always tend to reduce the attendance; but, after making all due allowances, the fact remains that many children are not sent regularly to school, and some not at all, owing to the sheer indifference of parents and to the labor imposed at home upon boys who should be at the school. The consolidation of the schools might remedy the evil, but assuredly would not, unless a compulsory attendance law were carried out justly and rigorously. There is no use in placing such a law upon the statute books, unless there be reasonable hope of its effective application. I must confess that I have never had much faith in systems of compulsory free education; but at the same time I have every faith not only in the power of a school properly organized and equipped, conscientiously conducted by an educated and cultured teacher to attract to it the childhood and youth of a community, but in its power to enlist the sympathy and support of all who in any sense realize the value of education or the meaning and worth of life. Our educational system will not be made more successful or efficient through increase of educational machinery or largesses to the people, but through the evolution of a high type of teacher, through sympathetic administration, through the management of our schools for the people and by the people, not by the decrees of an autocratic and distant authority not in touch with local conditions, but by the men and women of knowledge, insight and sympathy, standing in closest relation to the schools and dealing with the related problems of the community. Our school system is becoming more centralized than ever, and it is high time that the people of this Province awakened to the true conditions, and insisted upon a greater share in educational adminstration being assigned to properly constituted local bodies.

The amount of money invested in Schools by the people of this County is here given, and I wish to say that much of the school property suffers marked depreciation through the indifference and neglect of Trustees.

SCHOOL PROPERTY

Municipality	School Houses			Estimated Values	
	Brick	Stone	Frame	Sch'l Houses and Sites	Equipment
Brampton	3	0	0	$20,000.00	$6,000.00
Albion	5	1	7	18,500.00	2,850.00
Caledon	12	3	3	22,600.00	3,400.00
Chinguacousy	17	0	3	31,700.00	3,980.00
Toronto	17	3	0	40,900.00	4,675.00

Bolton	1	0	0	7,000.00	700.00
Streetsville	1	0	0	3,000.00	500.00
Totals	60	7	13	$151,600.00	$23,005.00

In the case of buildings erected in late years, the water from the roof is allowed to collect an settle around the foundations, which thus becomes undermined, the walls spread, plaster cracks, and seams are traceable through the structure, all causing a rapid depreciation in value. Painting, roofing, repairing, are neglected, until irreparable mischief is wrought. As a rule Trustees are lax in securing an inspection of school houses while building, and contractors are permitted to vary specifications at their own sweet will, merely because the Trustees are too parsimonious to pay for competent over-sight. On the whole, the character of the school houses is excellent. A modern and up-to-date school house was built in S. S. No. 22, Chinguacousy in 1907, and in 1908 a good building will be provided for S. S. No. 26, Chinguacousy. There are not now half-a-dozen poor school houses in the County of Peel.

CLASSIFICATION OF PUPILS

Streetsville	33	27	20	16	23	0
Totals	834	552	716	851	837	78

It will be seen from the above table that more than half of the pupils are in the First and Second Classes, which in the greater number of Urban and Rural Schools, have discarded the old Ontario Readers which were reduced in price ; and those schools are now using the Morang or or the Can. Pub. Co's Readers and do not profit by the reduction. It is to be hoped the new Readers will be an improvement upon the old which are dear at any price. The number of Fifth Class pupils is disappointing Since the abolition of the Public School Leaving Examination, the number of Fifth Class pupils has been steadily decreasing. The Education Department has, however, recognized the necessity for some such examination, and has revived it under the name of a Public School Graduation Examination, which shall be taken by all pupils who have completed the course referred to in this regulation :—

(3) Pupils who have passed the High School Entrance examination and such other pupils as are considered qualified by the teacher and Inspector shall be entitled to both Rural and Urban Schools to receive instructions in the subjects of the Fifth Form, provided that, in a municipality having a High School, if resident pupils of the High School are not charged fees for the first year, it will not be deemed obligatory for the Public School Board to have a Fifth class.

You will observe by this regulation, wherever a High School charges fees for resident first year pupils, the Public School Board is compelled to provide a Fifith Form in the Public School. All rural schools are compelled, in any case, to provide instruction to Fifth Class pupils. I expect that next year the examination for this class will be taken generally, and a new interest will develope in connection with this department of rural schools. The uniform Promotion Examinations in the Public Schools have been discontinued, as it was found that no classification elastic enough to suit the conditions of rural schools could be based upon them. The long retention of those examinations was due more to deference to custom and to a desire for a standard of comparsion for the teachers' work than to any real conviction of their value and necessity.

The total receipts and expenditure for 1907, were much in advance of those of former years, and the people have a right as for a fair return in increased efficiency of the schools. The increase in receipts came only in a small measure from the legislature and it should be the duty of the latter speedily to provide a body of competent and experienced teachers for the schools so liberally supported by the people.

There was no reason why this County should have employed during the past year 53 Third-Class Teachers. At present there is no real scarcity of teachers; but very soon there will be such a scarcity as the Model Schools are now discontinued, except in the Districts and unorganized parts of the Province. The West is still a most formidable competitor for our best teachers, and will continue so for some time.

I can say that during 1907, much progress was made in the greater number of schools, both urban and rural. Most of the subjects are fairly well taught; but the formal side is too much neglected and not enough attention is paid to Writing, Composition and Mental Arithemetic. Our pupils are not supplied with good text books, and until this defect is remedied, teachers will be seriously handicapped in the work of instruction. We need better text books in all subjects of instruction, in fact our need is great in all departments of school work; but the greatest need of all is permanence to the teaching profession, a professional spirit that manifests itself daily in the desire to realize all that is possible under existing conditions, a singleness of purpose that does not stop to cavil at hinderances that are incident to the time and to social organization but impels each one engaged in the work of education to perform the duty lying directly before him.

I have the honor to be,

Gentlemen, Your obedient servant,

ALLAN EMBURY,

P. S. Inspector, County of Peel.

BY-LAW NO. 360

To Appoint Auditors

Whereas, the Council of the Corporation of the County of Peel did pass a By-law as provided for pursuant to Section 301 of the Municipal Instutitions Act, providing for the appointment of Auditors during the month of November or December for the following year.

Therefore the Corporation of the County of Peel enacts as follows :

1st. That Alex. McCort, of Tormore, and John D. Gordon, of Brampton, be, and they are hereby appointed auditors for the County of Peel for the year 1908.

2nd. That the above named auditors be and they are hereby appointed Auditors of School Monies.

3rd. That each Auditor be paid the sum of $30.00 on the order of the Warden when the work is duly performed.

Passed this 3rd day of December, 1907.

C. A. IRVINE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 361

Authorizing the Borrowing of Money

Whereas it is expedient to raise by way of loan, the sum of twenty thousand dollars, required to meet the current expenditure of the Corporation of the County of Peel.

Be it resolved, therefore, and the Council of the County of Peel enacts as follows :

1st. That it shall and may be lawful for the Warden and Treasurer of the County of Peel and they hereby authorized and empowered to borrow from the Merchants Bank of Canada at the office of the said Bank

in the town of Brampton, a sum not exceeding the sum of Twenty Thousand Dollars ($20,000), for the purpose aforesaid.

2nd. That the said Warden and Treasurer be and are hereby authorized and empowered, on behalf of the County of Peel, to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada at Brampton the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton, on or before the 31st December, 1908, with interest thereon at the rate of 5 per cent per annum, and also to execute in a like manner renewals thereof, in whole or in part, until such advances are fully repaid.

Done and passed at Brampton the 31st day of January, 1908.

T. I. BOWIE, Warden.

D. KIRKWOOD, Clerk.

BY-LAW NO. 362

To Equalize for County Purposes the Assessment of the Several Municipalities Within the County of Peel.

Whereas, under the provisions of the revised Assessment Act of the Province of Ontario.

Every County Council is required to equalize by by-law the assessments of the several municipalities of the County in order to produce a just relation between them as a basis for County Assessment.

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

GENTLEMEN: We, your Auditors, beg to report that we find the Treasurer's Account of School Monies received and paid out (a statement of which we give you above) correct, and the vouchers in good order. He has paid out all the money received by him on this Account. Although the Bank Books shows a balance on hand of $156.55. This is accounted for by Cheques given during the year not presented for payment on December 31st, 1907.

We also find the Accounts of the Sub-Treasurers of Albion and Caledon correct, showing that the money apportioned was received by them and Vouchers are given showing that they paid all the money over to parties entitled thereto.

AUDITORS' REPORT

County of Peel 1907

BRAMPTON, January 31st, 1908.

To the Warden and Council of the County of Peel :

GENTLEMEN :

1. Your Auditors beg leave to report that they have carefully examined the books and accounts of your Treasurer for the year ending December 31st, 1907, and compared the vouchers with the entries and find them correct.

We find in the Abstract Statement of Receipts and Disbursements, that the total amount of Receipts from all sources was $97,928.48 and the Disbursements $91,120.14, leaving a balance on hand of $6808.34. The Bank Book shows a balance of $7008.34 on hand, but we find that two cheques of $100.00 given during the month of December were not presented at the Bank for payment till 1908. This makes the apparent difference.

2. Your Auditors find that in the General Statement of the affairs of the County on December 31st, 1907, that the Assets are $90,064.98 and the Liabilities $33,119.56, leaving a balance of Assets over Liabilities of $56,945.42.

3. Your Auditors find that the non-resident land taxes collected during the year 1907, amounted to $47.24. This was paid over to the Treasurers of the various Municipalities entitled thereto, leaving no balance in your Treasurer's hands.

4. Your Auditors have much pleasure in testifying to the courtesy shown us by your Treasurer, and to the very careful manner in which he performs his duties.

ALEX. McCORT
JOHN D. GORDON } Auditors.

Adopted, Feb. 6, 1908. T. I. BOWIE, Warden.

MINUTES

SPECIAL MEETING

CORPORATION OF THE COUNTY OF PEEL,

Council Chamber, Brampton, July 23rd, 1908.

Council met and was called to order by the Warden, who stated to the Council that at the request of the Council of the Village of Streetsville he had called a special meeting of Council to consider an application from the said Council, asking this Council to guarantee debentures to the amount of $7,500.00, which had lately been issued by the Council of the said Village of Streetsville.

Roll called.

Members all present except Mr. Wilson.

The Warden then requested Mr. McFall, Reeve of Bolton, to preside while he stated the case of the Streetsville Council to the meeting, and having done so briefly it was moved by Mr. Irvine, seconded by Mr. Ingoldsby, that a committee composed of Messrs. James Jackson, S. A. Egan, J. A. McBride be and is hereby appointed to prepare and bring in a bill for the purpose of guarantee ($7500.00) seven thousand five hundred dollars of Village of Streetsville debentures by the County of Peel. The motion on being amended by adding Mr. Irvine to the committee was carried.

On motion the acting Warden left the chair for ten minutes to allow the Special Committee to prepare their report.

Council again resumed.

Mr. Jackson, Chairman, presented the report of the committee, introducing the Bill as directed by the resolution by which they were appointed.

Report received, read and adopted ; after which the Bill was read a first and second time and referred to a committee of the whole with Mr. McBride in the chair.

Committee rose and reported the Bill without amendment.

T. I. BOWIE, Warden.

Report of Special Committee Appointed at the June Session of this Council to Visit some of the Houses of Refuge in the Province for Adopting some System of Ventilation for the House of Refuge in the County of Peel.

Your Committee begs leave to report as follows :

On the 10th day of July, we, your Committee visited the House of Refuge in the County of Grey and found the caretaker at his post. After explaining our errand he very kindly showed us around through the building.

We found the system apparently working well as the air inside seemed to be pure and wholesome.

We also met the County Commissioners who gave us some valuable information and they were satisfied with their system.

After returning home we concluded that their system or some one near like it would do.

After having an interview with Mr. Higgins, of this town, in reference to the matter he agreed to put in a similar system for the sum of $278.00, he now having the work nearly completed.

Your Committee would recommend that Mr. Higgins be paid the said amount when the work is completed to the satisfaction of the Committee.

We would also recommend that the following Commission be paid :

John A. McBride, one day and expenses to Markdale.....	$6 00
Wm. Moran, one day and expenses to Markdale.....	6 50
James Jackson, one day and expenses to Markdale.....	6 50

All of which is respectfully submitted.

JAS. JACKSON, Chairmain.

Adopted November 11th, 1908.

T. I BOWIE, Warden.

First Report of Commissioners on County Bridges for Toronto Gore and East Half of Toronto Township.

To the Warden and Council of the County of Peel :

GENTLEMEN : Having been notified of the unsafe condition of the county bridge on 6th line at Malton :

Your Commissioners met at the bridge and decided that a new bridge was an absolute necessity.

A beam span with concrete abutments and floor was decided upon. Specifications were drawn up accordingly and tenders were called for.

The tender of D. H. Clemes, of Plattsville, to complete the work and furnish all material for the lump sum of $893.77, was accepted.

The abutments are complete and the steel is on the ground but owing to the lateness of the season the floor may not go on until next year.

We would recommend that the contractor be paid 80 per cent. of work finished and material supplied, the balance to be paid on the satisfactory completion of the work, also that the Commissioners be paid as follows :

F. J. Jackson, one day	$ 3 00
W. A. Russell, five days	15 00
J. G. Julian, 4 days	12 00

All of which is respectfully submitted.

J. G. JULIAN

Third Report of Standing Committee on Miscellaneous Matters.

To the Warden and Council of the County of Peel :

GENTLEMEN : We have before us a Memorial from the united counties of Northumberland and Durham, requesting our co-operation in petitioning the Local Legislature so to amend the Act 6, Ed. 7, Chapter 46, or the last Act passed by the Legislature, to restrict motor vehicles from travelling on Sunday, and at least one day in the week.

Your Committee would recommend that it be referred to a committee of the whole Council. (No action taken in Council.)

We also had a communication from the Secretary of the Canadian Conference of Charities and Corrections, requesting that a delegate or delegates be sent from this Council to their meeting.

Your Committee would recommend that at least one delegate be appointed by this Council to attend said meeting, which is to be held November 25th and 26th, and that Thos. Wilson be the delegate.

Further, we have a communication from the Council of the County of Simcoe, requesting the opinion of this Council in regard to legislation as to allowing rural municipalities to assess real estate every third year, if the municipality so desire, instead of the present system.

They also request the opinion of this Council as to the desirability of having the time extended to the first of June to return the assessment rolls.

Your Committee recommends that it be referred to a committee of the whole Council. (No action taken in Council.)

All of which is respectfully submitted.

THOS. WILSON, Chairman.

Adopted November 11th, 1908.

Report of Commissioner for Toronto Township re Bridge on Lake Shore Road.

To the Warden and Council of the County of Peel:

GENTLEMEN: Having examined the bridge on Lake Shore Road with Mr. Wheelock, our County Engineer, we find that this bridge is in much need of painting; also the braces and truss rods need tightening.

My attention has also been drawn to the unsafe condition of the Middle Road bridge, and I have been notified by the Clerk of the County of York that they have closed the road for traffic.

I might say that by request of the Commissioners of the County of York I had an interview with them on the 3rd of this month, and that we have concluded to put a new steel top and a concrete floor on the present abutments in the near future.

I also ask for one day's commission, and expenses to Toronto to meet County Commissioners of York, $5.00.

All of which is respectfully submitted.

(Signed) W. A. RUSSELL,
Commissioner for east half Toronto Township.

Brampton, November 12th, 1908.

Third Report of Standing Committee on Education.

To the Warden and Council of the County of Peel:

GENTLEMEN: We have before us a statement from the Oakville High School Board, claiming $33.80 for attendance of Peel pupils at the said school in 1907 which we would recommend to be paid.

Also an account for postage for our Public School Inspector of $22.00 which we would recommend to be paid.

There is also a request before us for a grant to the Bolton Continuation Class and your Committee recommend a grant of $200.00 to said school, it being shown that in case a Continuation Class was not taught our pupils would be obliged to go outside the County to attend a High School.

All of which is respectfully submitted.

Report of Commissioner for the Township of Albion on County Roads System.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Commissioner begs leave to report as follows :

On examination in conjunction with the County Engineer, Mr. Wheelock, we examined bridge on 6th line, on 25 side road, and found it in a very dangerous condition. We decided to build a new bridge with concrete abutments and steel top.

I advertized for tender for concrete work. I received two tenders. One from J. D. Callaghan, of Arthur, and one from I. M. Tagart, of Tottenham. We gave the contract to J. D. Callaghan, he being the lowest, at $6.20 per yard for abutments and 27c. per foot for floor, $15.00 for removing old bridge and $15.00 for building temporary bridge.

When we got the necessary excavating done for one abutment we got through the gravel and clay and struck a rather dangerous bottom. I consulted the engineer and he ordered it to be piled. Not being satisfied to expend so much money on the job I went to Toronto and consulted Mr. Campbell, Deputy Minister of Public Works. He also recommended piling. I then had Mr. McClain, Assistant Engineer, to come out and meet Mr. Wheelock, which he did. After examining the bottom he was also of the opinion that piling was the only safe plan but suggested that we might overcome the difficulty by putting in a cement floor, reinforced with iron rods and making our footing for abutments wider and sheet piling same. On figuring the cost I found that the latter plan was a long way the cheapest, and in my opinion just as good, the piling would cost about $3000.00 and the latter plan cost in all $888.00 extra, making total cost of bridge abutments and apron rods for apron and abutments and extra work on abutments $1715 00
I let the steel work to Alex. Dick & Son., of Alton, for..... 680 00
I let the filling of approaches to Joseph Kennahan at $4.00 per day for man and team 104 00
To I. D. Callaghan, filling approaches 45 00

Total cost $2544 00

Commission work on same, thirty days at $3.00 per day ..... $ 90 00
One day at Toronto 5 00

I also had a small bridge built on Sandhill side road, opposite lot 10, 1st concession.

I let the concrete to Richard Austin at $7.00 per yard and the floor at 30c. per foot; teaming iron, and freight, $5.00; making a total to Austin of ..... $ 310 60
A. Dick and Son, for steel 43 00
McGregor and McIntyre 14 50
S. A. Egan, four days' commission at $3.00 ..... 12 00

Total ..... $ 380 10

I also had some grading put on and cement culvert built on road at C. P. Railway, No. 10 side road, for which I paid:

William Little ..... $ 162 00
J. B. McCauley, No. 10 side road 7 00
Wm. Lougheed, grading culvert, No. 10 ..... 8 00
Robert Fox, repairing culvert, No. 10 side road 3 00
Charles Taylor, repairs to culvert 12 00
Thomas Roe, for grading lots 15 and 16 on 7th line 37 00
James Stubbs, for jacking up Cedar Mills bridge 5 00
Wm. Duffy, damage to waggon on Shore Hill 4 00
James Wilson, plank 22 85
R. D. Simpson, putting in six culverts, and other repairs 69 50
Robert Matson, for repairing hill 5 00
James Gott, for repairing culvert 1 00
David Rolley, repairing road 1 50
William Bible, repairing road and plank, 4th line and No. 10 side road 3 15
Henry Black, cement tile 108 65
Jeremiah Taylor, repairs to road 12 50
Dennis Horan, 25 side road grading 16 00
Robert Erwin, operating grader 4 00
W. J. Hutchinson, plank for culvert, 4th line 8 00
Joseph Kelly, repairing culvert, 4th line 6 00
J. F. Horan, overseeing 25 side road in 1907 ..... 8 00
Samuel McClelland, repairs to 7th line 7 00
Samuel Jefferson, work 2 40
Peter Spiers, damage to cart 2 00
I also paid David Rolley, as per agreement with contractor, for piles—he having purchased them for bridge and I agreed to take them off his hands 90 00

I employed Mr. Samuel Jefferson to swamp them out, and as the work is not completed I cannot tell what it will cost, but think the piles will be worth what they cost when they are out, as they will make good telephone poles.

On hand $90 00

Received from Joseph Kennahan for two cedar sticks 5 00
and for old bridge 10 00

Said amount is deposited in Imperial Bank to credit of Good Roads.

Commission on 7th and 4th lines and No. 10 side road, 15 days	$45 00
For selling old bridge	3 00
For telephoning re good roads	3 50

All of which is respectfully submitted.

(Adopted) T. I. BOWIE, Warden

Report of Work Done on County Roads in Toronto Township in 1908.

To the Warden and Council of the County of Peel :

GENTLEMEN :—Under the Good Roads Improvement By-law of the County of Peel, I selected that part of Hurontario street at a point opposite lot eight and continuing to lot fifteen, the northerly limit of the Municipality, a distance of three miles.

This I considered the worst piece of road in the Municipality, if not in the County.

I notified Mr. Wheelock, our County Engineer, who met me in June. We were three days engaged in defining the width, which is twenty-four feet, and finding the water levels.

I commenced the work on the 2nd of July, ploughing the ditches and grading. We used the traction engine for drawing grader instead of teams which proved more satisfactory ; the cost being $11.00 per day. The cost of grading is quite large, this piece of road being quite flat and a very stiff clay. The total cost of grading is $500.00, which is included in our pay list for labor, teams, etc.

The stone I secured for the Macadamizing is from the Hagersville Contracting Co., of Hagersville, which cost $1.15 per ton F.O.B. Brampton.

The width of the Macadam roadway is nine feet wide and 10 inches deep.

I have placed tile culverts opposite the farm entrances and enlarged some of the others that were built of stone. In all we put in four 12 in. drains, 20 feet long ; three 18 in. drains, 20 feet long ; one 30 in. drain, 20 feet long and one 24 in. diameter, 20 feet long.

I had built one three-foot arch culvert—this culvert is 20 feet long, with wheel guard and pipe guard railing ; also one opposite lot 10, same dimensions but two feet longer.

The following payments on road :

July Pay List for labour and teams	$ 915 35
August " " "	1518 60
Sept. " " "	1238 50
Oct. " " "	1134 00
Nov. " " "	1037 30
Dec. " " "	59 80
Freight on stone, and car rental	3015 77
Stone	2277 40
Culverts	243 26
Sundries as per bills	41 05
	$11481 03

I also made improvements on that part of Dundas street through Erindale, it being in a very bad condition. There being no ditches to carry off the water, it ran down the middle of the street, making it very unsafe for traffic. We had it well graded and properly ditched, putting in two culverts where necessary.

This road was then gravelled about six inches deep and nine feet wide, extending from Streetsville east one-half mile with creek and pit gravel

I also had the Erindale bridge over the River Credit re-planked.

The following payments have been made by orders on the Treasurer:

For grading, opening ditch and gravelling as per pay list	$ 198 40
Covering and labor on bridge	279 23
Culverts	12 80
Total	$ 490 43

We did some road improvement as a municipality in 1907 on that part of the Good Road System being the 1st concession north of Dundas street, thinking that the amendment as per By-law 352 had carried, taking other portions of road in lieu thereof, in conversation with our Clerk of the County he informed me he never had any word of consent from the Lieutenant Governor in Council as to the change. I also consulted

the Deputy Minister, Mr. Campbell, who also informed me that there would be no change made.

I took Mr. Wheelock, our Engineer, over this piece of road in the early summer, again this fall, Mr. Wheelock had Mr. McClain, the Good Roads Engineer, over that portion of roadway and thought it should receive the Government grant.

This portion of road is opposite lots 3 and 4, north Dundas street, a distance of one half mile, and is built under the same principle as the Erindale portion.

The following payments have been made on order :—

For grading and gravelling as per pay list, for laborers and teams, total ..... $ 215 70

All of which is respectfully submitted.

F. J. JACKSON, Commissioner

Adopted 22nd December, 1908.

Report of Thos. Ingoldsby, Commissioner for North Westerly Portion of the Township of Chinguacousy on County Road System for 1908.

To the Warden and Council of the County of Peel :

GENTLEMEN : I secured the services of our Engineer, Mr. Wheelock, to lay out for grading a portion of 17 and 18, County Road, from the Village of Snelgrove to the C. P. R. Station.

I had the same property graded and metaled with crushed stone from the Shaw Quarries at a total cost of $1405.05.

I also, after considerable trouble and expense, secured land for a diverged road through the property of Mr. George Campbell, in order to avoid a bog hole that has been a drain on the funds of the township of Chinguacousy for many years, on 27 and 28, County Road, at a cost of $160.00 and $10.00 conveyancing.

I also had it surveyed by our surveyor and properly graded, and modern sewer pipe culverts built.

We also cut down hill in 5th concession west and repaired all culverts in same concession.

Also the Terra Cotta steel bridge thoroughly scraped, repaired and painted, and a number of sewer pipe culverts built in each concession west.

Also a few small repairs on same road in the first and sixth concessions east at a total cost of $848.98.

Cost of channel for outlook in adjoining property	75 00
Cost of removing old bridge	65 00
Cost of joist walls	20 00
Balance on steel work	52 32
	$1832 22
Cost of filling approaches and other sundry expenses including land damages, Commission, etc	463 15
Total cost	$2295 37

This contract was let last year and $675 advanced on the steel work.

ROAD GRADING

About 3 miles has been graded on the Gore Road ; a 16 horse power engine was used for this work with an ordinary road machine and a Rooter plow.

Cost per day including fuel and three men $14 to $15.

Eight concrete culverts have been put in.

Total cost of grading on this road including concrete tile and all necessary supplies $578.27.

This method of grading is, we considered, a great improvement over horse power not only in quantity but also in quality.

GRAVELING ROADS

We have had about 2½ miles gravelled on Brampton side road with excellent creek gravel, about 1000 yards being used on the 2½ miles.

This was put on by days' work at $3.50 per day for teams and $1.75 per day for shovellers and $2.00 per day for foreman.

We paid an average of 20c. per load for gravel.

On account of this being an old gravel road and fairly well graded we did not use the grader very much.

We spent about $200.00 lowering the grade and widening one hill.

We did not use the road roller but the most of this road is thoroughly compacted by travel.

We consider this will make an excellent road for the locality for a great many years to come.

Total cost of this work $1300.82.

All of which is respectfully submitted.

J. G. JULIAN, Commissioner for Toronto Gore.

Adopted 23rd December, 1908.

House of Refuge Physician's Report for 1908.

To the Warden and Council of the County of Peel :

GENTLEMEN : During the year 1908 I made 51 visits to the House of Refuge and attended to about 469 cases. There was one birth of twin children and one death, viz : Louisa Davis, aged about 76, from paralysis. She had suffered from chronic rheumatism for many years.

There were two deaths for the years 1907 and 1908, an unusually favorable record, which cannot be expected to continue, when we remember that nearly all of the inmates are aged and the victims of various forms of chronic disease.

There was considerable sickness during the first half of the year, and less during the second half, especially the latter part of it. A state of things corresponding to the conditions in the community in general as well as in the greater part of the Province.

Respectfully submitted.

C. Y. MOORE, Physician.

First Report of Committee on Miscellaneous Matters.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee begs leave to submit the following report :

1st. A communication was received from the Ontario Municipal Association for the betterment of consumptives. Your Committee recommend the payment of $10.00, towards defraying expenses of said Association, and that the Warden and Messrs. Morgan and Rutherford, be appointed delegates to wait on the Government in connection with the matter.

2nd. A communication from the Clerk of the County of Elgin, wishing the co-operation of this Council to memoralize the Government with regard to motor vehicles. Your Committee recommend no action in the matter.

3rd. A report from Dr. C. Y. Moore, Physician of House of Refuge, reporting matters in a satisfactory condition.

4th. A communication from Wm. Moore, Secretary of the Canadian Association for the prevention of Tubercolosis, re the establishment of a municipal or county sanitarium. Your Committee would recommend no action in the matter.

5th. A communication was received from C. Elliott, on behalf of the ratepayers of the Village of Port Credit, asking that a by-law be passed setting Port Credit aside as a Police Village.

Your Committee recommends that after the proper petition and other necessary papers are fyled, the Council pass the necessary by-law.

All of which is respectfully submitted.

JOHN NEWHOUSE, Chairman.

Adopted this 28th day of January, 1909.

F. J. JACKSON, Warden.

First Report of Standing Committee on Education.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee begs leave to report as follows :

1st. Your Committee recommends that Dr. J. G. Roberts be re-appointed on the Board of Trustees of Brampton High School and D. McCaugherty on the High School Board for Streetsville.

2nd. Your Committee had before them the accounts of Orangeville and Georgetown High Schools, claiming payment for maintenance of Peel County pupils at these schools in 1908.

3rd. Your Committee recommends that the Treasurer be instructed to pay the claim of Orangeville School, $312.14, it being correct.

In reference to the claim from Georgetown your Committee would recommend that it be not paid, as it is not computed correctly, they claim $439.07 whereas they are only entitled $331.80 and that the Clerk be instructed to write them to that effect and ask them to send this Council a statement of the Peel pupils attending Georgetown School, with their names, addresses, number of days, attendance and fees paid, and that the Clerk and Treasurer pay the same when a correct bill is rendered.

4th. We had a statement from the Brampton High School Board, for the last three years, claiming the yearly sum of $2308.12 as authorized by section 34 of the High School Act and amendments thereto.

Your Committee would recommend that this Council enter into a three years' arrangement with the Brampton High School Board on the foregoing basis and that it be paid quarterly in advance.

5th. We also had before us an invitation from the Brampton High School Board to visit their school, and we would refer this matter to the Council.

6th. We also had a communication from the Treasurer of the High School Board, of Streetsville, stating that they had not received cheque, for quarterly grant, from the Treasurer of this Council. Your Committee would recommend that this account be paid.

All of which is respectfully submitted.

JOHN A. McBRIDE, Chairman.

Adopted 28th January, 1909.

F. J. JACKSON, Warden.

First Report of Standing Committee on Finance.

To the Warden and Council of the County of Peel:

GENTLEMEN: Your Committee asks leave to report as follows:

We received tenders from James Golding for the supply of bread for the House of Refuge and Gaol, at three cents per pound, and would recommend that the same be accepted.

We received a tender from R. Parsons for the supply of beef for the House of Refuge and Gaol, at six cents per pound, and would recommend that the tender be accepted.

We recommend that the questions of grants to the following, be referred to a committee of the whole Council:

Peel Farmers' Institute (fixed at $50 by the Council.)

Prisoners' Aid Association (fixed at $10.)

And Sick Children's Hospital (granted $30 by the Council.)

We considered the communication of W. E. Parker, regarding a protectograph, and recommend that no action be taken.

We received a communication from the Sheriff, forwarding a letter from the Inspector of Prisons, after considering the same we recommend that the Gaoler's salary be increased to six hundred dollars per annum; by amendment in Council it was made five hundred and fifty dollars.

We considered the report of the County Treasurer, and are pleased to note that it will not be necessary to borrow any money, at present, for current expenditure.

We recommend that the amount of $2,814.21, the balance from the coupons of the seventeen debentures unsold in 1907, he divided pro rato and placed to the credit of the Good Road's account, as the Treasurer has suggested in his report.

We received the following certified account and would recommend payment of same : Conservator Office, $5.75.

Treasurer's Report shows receipts for the year, from all sources	$ 125,131 69
Payments	839,33 46
Balance on hand	$ 41,198 23

We would recommend that the salary of the Gaol Physician be increased $25.00.

All of which is repectfully submitted.

JOHN S. BECK, Chairman.

Adopted, 29th January, 1909.

F. J. JACKSON, Warden.

First Report of Standing Committee on County Property, Roads and Bridges.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee had before them the following communications, bills, etc., viz. :

A. From Hugh Cameron & Co., agents for the Waterous Road Machinery, asking for the names and addresses of members of the County Council.

Your Committee recommends that the Clerk send him their several addresses and file the communication.

B. From the Ontario Provincial Good Roads Association, announcing that the annual meeting of the Association will be held in the County of York Municipal hall, Adelaide Street, Toronto, on the 3rd and 4th of March next.

Your Committee recommends that the denation of $10.00 asked for, be granted and that Messrs. Speers, Julian and Kennedy be delegates to attend the annual convention.

C. From the Engineer of the Boiler Inspection and Insurance Company, of Canada, giving a report on the Tubular Boiler in the Court House. He states that there is a slight leak at the man hole but unless it gets worse it will not be necessary to do anything until next spring, he finds everything clean and in good order.

D. Your Committee also had before them a copy of the presentment to Mr. Justice Riddell of the Grand Jury at the late fall assizes, recommending that there be a proper system of ventilation installed in the Court Room ; the outside of the whole building should be painted ; the Surrogate Registrar's Office should be furnished with a cabinet suitable for keeping the documents in proper order and safety ; also an up-to-date furniture of the more modern type to properly equip the room.

Your Committee recommends the Commissioners on County Property to take action in regard to the recommendations ot the Grand Jury, and would recommend that Messrs. Newhouse, McBride and the Warden be appointed Commissioners on County Property.

E. From W. H. McFadden, re vault and office, and we recommend the same be left in the hands of the Commissioners on County Property, and that the said Commissioners report at the June Session.

F. From Bowman & Connor and the Ontario Bridge Co., and would recommend that they be fyled.

Also from Royal Grafton, requesting the Council to consider his offer to supply bridge material, also wishing the address of the members of Council.

We would recommend that the account of J. S. Torrance of $15.50 be paid.

All of which is respectfully submitted.

PETER SPEIRS, Chairman.

January 29th, 1909.

(Adopted) F. J. JACKSON, Warden.

First Report of Commissioner on County Bridges for Albion.

To the Warden and Council of the County of Peel:

GENTLEMEN: Having been notified of the unsafe condition of a County bridge on the town line between the Townships of Albion and Adjala, I notified the Reeve of Adjala, and we examined the said bridge and therefore recommend a new bridge.

I therefore ask this Council to grant the Commissioner power to co-operate with the Commissioner of Adjala to have said bridge built.

All of which is respectfully submitted.

J. H. MOFFATT, Commissioner.

Brampton, January 27th, 1909.

(Adopted) F. J. JACKSON, Warden.

Report of Commissioners on County Bridges for East Half of Toronto Township.

To the Warden and Council of the County of Peel:

GENTLEMNN: Having received a communication from John Ramsden, Esq., Clerk of the County of York, asking when Peel County could complete arrangements, re construction of a new bridge, over Etobicoke river, on Middle road, in company with the Warden I met the Commissioners of the County of York, and later at a committee meeting at the bridge we asked for tenders for the erection of a new bridge.

From six tenders we selected that of O. L. Hucks for the erection of a reinforced concrete bridge to cost $3,170.00 complete. The length of the bridge 87 feet, 10½ inches. We would recommend that the Treasurer of the County of Peel pay our proportion of cost on the order of the Commissioner of the Division.

We would recommend the following payments:

F. J. Jackson, 2 days in Toronto and expenses	$ 10 00
F. J. Jackson, 1 day commission	3 00
T. L. Kennedy, 2 days in Toronto and expenses	8 00
T. L. Kennedy, 1 day commission	3 00
	$ 24 00

We also had Craig's Bridge on base line repaired and would recommend the following payments:

Lawson, seven hours with team	$ 2 25
Spikes	20
2 planks (Toronto Twp.)	1 50
T. L. Kennedy, 1 day commission	3 00
	$ 6 95

County of York to pay one half.

And we would recommend that this bridge be replanked and that a breakwater be constructed on the hill.

All of which is respectfully submitted.

T. L. KENNEDY, Commissioner.

Brampton 7th April, 1909.

(Adopted) F. J. JACKSON, Warden.

Second Report of Standing Committee on Miscellaneous Matters.

To the Warden and Council of the County of Peel:

GENTLEMEN: Your Committee begs leave to report as follows:

1st. That we have communications before us regarding the transfer of patients between the Asylum, the House of Refuge and Gaol.

Your Committee recommends that the Asylum officials be requested to ascertain if any of the inmates of the Asylum from the County of Peel are in a fit condition to be transferred to the House of Refuge and report the same to the Chairman of the House of Refuge Commission, and that

the said Commission deal with matter, so that if possible room can be found in the Asylum for the persons at present in the Gaol who are of unsound mind.

All of which is respectfully submitted.

JNO. NEWHOUSE, Chairman.

Report of Delegates Who Attended the Convention of the Ontario Good Roads Association Held in the City of Toronto on March 3rd and 4th, 1909.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your delegates having attended said convention heard some good addresses from several prominent speakers including the Hon. J. M. Gibson, Lieut. Governor of Ontario ; Hon. Dr, Raume, Minister of Public Works ; Joseph Oliver, Esq., Mayor of Toronto ; Mr. Morley, Secretary of the Toronto Board of Trade, and others.

R. H. Jupp, County Road Superintendent of Simcoe County, read an elaborate statement of the working of the County Road System.

Also A. W. Campbell, C.E., Deputy Minister of Public Works, gave an excellent address.

We also attended the Cement and Concrete exhibtion at St. Lawrence market which was very instructive.

All of which is respectfully submitted.

Report of Commissioners on County Property.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee have before them the following communications, also Presentment of Grand Jury, as well as report from Govenment officials, viz :

1st. From W. H. McFadden, re vault and office. We would recommend that the east room of the Court House, now used by Magistrate Crawford, be fitted up with a vault, and that the present fixtures belonging to the County, in Mr. McFadden's private office, be removed to the same, and that Magistrate Crawford be requested to use east room on next flat. Your Committee would recommend this change.

2nd. According to report presented at January Session re Registrar and Surrogate Office, we would refer this matter to the Council.

3rd. By a report received re changes in Judge's Chambers, your Commissioners would recommend that the present carpet be taken up and that linoleum be substituted.

4th. By report of Grand Jury of 1908, re painting of outside of the Court House, we have secured estimate of cost from Mr. Harmsworth, who estimated it at $500. We would refer this to your honorable body. (Council directed it to be left in hands of Commissioner.)

All of which is respectfully submitted.

Second Report of Standing Committee on Finance.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee on Finance asks leave to report as follows, viz. :

1st. We considered the communication from the Salvation Army asking for grant, re aid for prisoners, and recommend that no action be taken.

2nd. We considered the presentment of the Grand Jury at the spring assizes and recommend that it be filed.

3rd. We recommend that the special assessment for the construction of sewers in front of the County Buildings in the Town of Brampton be paid in a lump sum, provided that the property Commissioners certify that the frontage is correct, and that we are liable for the same, if not liable they are instructed to appeal and that the amount decided by the Court be then paid in a lump sum.

All of which is respectfully submitted.

First Report of Commissioners on County Bridges for the Township of Caledon.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Commissioners on County Bridges for the Township of Caledon have been asked to have the County line between Peel and Dufferin, from Hurontario street to the C. P. R. Station at Orangeville, opened for public travel.

This road will require a bridge to be built, say a 25 ft. span, also grading and culverts costing about ($1,000) one thousand dollars.

Also the bridge on the base line, between Caledon and Chinguacousy, in 2nd concession west, will also have to be repaired by the building of new cement abutments to replace wooden ones, which are partly rotten.

All of which is respectfully submitted.

T. QUINN,
J. A. McBRIDE, } Commissioners.

Brampton, 8th April, 1909.

(Adopted) F. J. JACKSON, Warden.

First Report of Commissioner on County Bridges for North Chinguacousy.

To the Warden and Council of the County of Peel:

GENTLEMEN: My attention has been called to the condition of a bridge over the Credit River at Terra Cotta, on the County line, between the Counties of Halton and Peel.

I find the bridge somewhat weak, traction engines not being safe to cross it for the last two years, and would recommend that the Commissioners for Peel confer with the Commissioners of the County of Halton and stengthen if possible, and if not practicable to strengthen, that they proceed to build a new bridge.

All of which is respectfully submitted.

JOHN NEWHOUSE, Commissioner.

Couucil Room, 2nd June, 1909.

Report of Commissioners on Condition of the Bank to the Approach to the County Bridge at Streetsville.

I find the water from the mill race close to the bank in question is working away the bank and in another year or two, if not now repaired, will cause considerable damage to the abutment supporting the bridge.

Your Commissioner would recommend the repairing of the bank, by constructing a concrete wall about 20 yards long by about 3 or 4 feet high. The probable cost will be about $75 and that the work will be paid for upon the order of your Commissioner.

Would also recommend that the Warden and F. W. Morgan inspect the bank and if considered necessary, have the the repairs made.

All of which is respectfully submitted.

F. W. MORGAN, Commissioner.

County Council Room, Brampton, June 2nd, 1909.

Third Report of Committee on Miscellaneous Matters.

To the Warden and Council of the County of Peel :

GENTLEMEN :

1st. Your Committee has received a communication from the Ontario Municipal Association for the betterment of consumptives, postponing the interview with the Government until a day during the Toronto Fair.

Your Committee recommends the Committee appointed to attend the same, to notice the change in the time of interview.

2nd. A communication from William Abraham, Warden of Kent County asking the Council of Peel County to pass a resolution, requesting the Premier and Attorney General of Ontario, to fill the office lately made vacant by the death of Col. Rankin, by the appointment of some competent person west of Toronto.

Your Committee recommends that a resolution such as requested be passed at this session of the Council and the Clerk forward the same to the Premier and Attorney General.

All of which is respectfully submitted.

JOHN NEWHOUSE, Chairman.

Second Report of Committee on County Property, Roads and Bridges.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee begs leave to report as follows :

1st. We have received a circular from J. Grant McGregor, asking for the appointment as Civil Engineer.

We recommend that no action be taken.

2nd. We also had a communication from Thos J. Blain, Clerk of Brampton, in reference to sewer assessment charged to the Council of the County of Peel by the Municipal Corporation of Brampton.

We, your Committee, find that already part of the County Buildings are connected with the sewer, and would recommend that the other parts of the County Buildings be connected and that the County pay to the Town of Brampton their proper share of the expense in regard to sewer.

3rd. We also had an account from James Heatly, for work, re sewer at County Gaol of 86 feet sewer at 50c. per foot, $43.00, and one 6 inch bend, 45c., Total, $43.45 ; which we recommend to be paid.

Also to James Jackson, Commissioner on said work one day, $3.00.

We also had before us the account of T. J. Blain, Solicitor for work, drawing agreements between the several Commissioners on County Road System in different Municipalities.

We recommend that his account be handed over to the different Commissioners for settlement with Mr. Blain.

All of which is respectfully submitted.

Third Report of Finance Committee.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Committee begs leave to present the third report of the Finance Committee.

1st. We received communications from the Secretary of the Ontario Provincial Fair.

Also from the Fruit Growers' Association, and would recommend that no action be taken.

2nd. We also received a communication from the Humane and Children's Aid Society of Guelph and Wellington County, and would recommend that the Clerk write and ascertain who sent this child to the shelter and report at our next meeting.

3rd. We would recommend that the following grants be made :

Peel County Agricultural Society	$ 300 00
Toronto Township, at Streetsville	125 00
Bolton and Albion Society	150 00
Caledon Agricultural Society	150 00
Cooksville Agricultural Society	50 00
Toronto Gore Agricultural Society	40 00

4th. We recommend that the communication from the Women's Institute be referred back for the consideration of the whole Council. The Council in Committee granted $25.00.

5th. Your Committee herewith submit a by-law levying a rate for County and other purposes for the year 1909, also estimates of the Treasurer.

6th. Your Committee recommend that a grant of 25c. per day, for each man of the 36th Regiment and of the G. G. B. G., resident of the County of Peel, and who receive efficiency pay, attending the annual training, and that the Treasurer be and is hereby instructed to foward same to the proper officials.

7th. Your Committee recommend that the communication of the Treasurer for an increase of salary be referred to the whole Council for their consideration. In Committee of the Whole on the report it was carried that a Committee be appointed to investigate the merits of the case and report at the next meeting of the Council, and that Messrs. McBride, Morgan and Kennedy be a special committee to deal with the matter.

All of which is repectfully submitted.

Second Report of Standing Committee on Printing and Contingencies.

To the Warden and Council of the County of Peel :

GENTLEMEN :

1st. We had before us one certified account of S. Charters, for printing for the Clerk of the Peace and binding Gazette for Sheriff Broddy, amounting to $9.38, we would recommend it to be paid.

2nd. That the tender of S. Charters be accepted for printing minutes at $1.11 per page, it being the lowest tender. We would suggest that better paper be used than what was in the minutes of 1908.

All of which is respectfully submitted.

JAMES JACKSON, Chairman.

Dated this 3rd day of June, 1909.

(Adopted) F. J. JACKSON, Warden.

Second Report of Commissioner for Albion on County Bridges, re Ballycroy Bridge.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Commissioner, in conjunction with a Committee from Simcoe County, have decided to build a new concrete bridge, known as the Ballycroy bridge.

We appointed Mr. Hamilton to correspond with our County Engineer, Mr. Wheelock, to set a date to meet the Commissioners of the two Counties at the bridge to draw plans and specifications for said bridge, and also to ask for tenders.

I would recommend that Peel's share of cost of said bridge be paid on the order of Commissioner Moffatt.

I also recommend that $2.50 be paid G. W. Campbell, being half cost of repairs on bridge ; also 2 days' commission, $6.00.

All of which is respectfully submitted.

JOHN MOFFATT, Commissioner.

June 3rd, 1909.

(Adopted) F. J. JACKSON, Warden.

Second Report of Commissioners on County Property.

To the Warden and Council of the County of Peel :

GENTLEMEN : Your Commissioners begs leave to report :

That we withdraw any recommendation with regard to painting the Court House and proceed to receive tenders for replacing the old worn out wooden walks by new cement walks, said work on walks to be carried on in connection with the erection of a new vault for the Crown Attorney.

All of which is respectfully submitted.

F. J. JACKSON, Chairman,

Council Chamber, June 3rd, 1909.

(Adopted.) F. J. JACKSON, Warden.

Second Report of Standing Committee on Education.

To the Warden and Council of the County of Peel :

GENTLEMEN : We had before us the annual report for 1908 of the Public School Inspector.

We would recommend that it be published in the annual minutes of the County Council.

We note with approval that the Inspector is of the opinion that a half acre of ground is no longer sufficient for school ground, and that the endeavor to have at least an acre the minimum amount of land attached to each school is to be commended, also the encouraging of ornamental plots in front of each school house.

LIBRARIES

We also considered the yearly addition to the Libraries money well spent, and trust the good work will continue.

With regard to what the Inspector has to say about the influence of male teachers upon the rising generation, we are compelled to say that it is a step in the right direction and worthy of serious consideration.

We regret that the elementary subjects of reading, writing and Geography are neglected in some of our schools, and trust that the teachers interested will give the matter sound consideration, we consider these subjects are of great importance in training the rising generation.

Your Committee feel their weakness in dealing with such a very able and full report from our Inspector, and we would strongly advise each member of the County Council, to read this report and give it their serious consideration.

We had before us a communication from the Department of Education, informing us of the amount of grant to the Public Schools, known as the "County Equivalent." Your Committee would recommend that this communication be fyled by the Clerk as we have already made provision for payment of same by by-law.

All of which is respectfully submitted.

Public School Inspector's Report.

Brampton, May 31st, 1909.

The Warden and members of the County Council, County of Peel :

GENTLEMEN : I beg to submit my report for the year 1908. Every department of the Public Schools in the County of Peel and Town of Brampton was inspected twice, and many schools were paid three visits. The condition of the school buildings and premises has steadily improved and there now remain but a very small number of school-houses unsuited for school purposes. Charleston and Bolton school-houses have been renovated, and a new and up-to-date building now stands upon the old site in S. S. No. 26, Chinguacousy. Arbor Day is not yet marked by any concerted action on the part of Trustees and Teachers, and scarcely any attempt has been made towards the planning and cultivation of school gardens. A half-acre of land is no longer sufficient for a school ground, and my efforts in the future will be marked by an earnest endeavor to have all school premises enlarged to at least an acre, so as to give ample room for playground, school garden and ornamental plot in front of each school.

At first glance, it would appear that a very substantial increase had taken place in the cost per pupil. But this increase is more apparent than real. The cost per pupil was, some fifteen or twenty years ago, only about $11.00. Now it is over $16.00, and this increase can be accounted for, in large measure, by the smaller number of pupils in attendance, whilst the same number of teachers has been employed, the number of schools the same, and the same equipments and appliances as in the days when fifty per cent. more pupils were in attendance. The increase cannot be attributed to the increased salaries of teachers, since the government and municipal grants in recent years have been so increased that no heavier incidence of taxation bears upon a school-section than was borne in those years when the grants were comparatively insignificant. Moreover, the awakening of trustees to the necessity for better schoolrooms, fuller equipment and more congenial surroundings for the schools, has led to the expenditure of sums in these directions far beyond the expenditure of twenty years ago.

Of the 80 schoolhouses only 15 are frame or concrete, 6 are of stone, and 59 of brick. Their total value was $133,300.00. To this value was added the significent sum of $4005.31 in 1908. The total value of the equipment was $17,775.00 to which, in 1908, was added $912.47 or nearly five times as much as was added twenty years ago. New schoolhouses are needed in Nos. 2 and 10 Chinguacousy, No. 1, Toronto Township, No. 2 Caledon and No. 21, Malton, Toronto Township.

LIBRARIES

In all the rural schools but six libraries have been purchased; but the necessary additions to be made yearly according to the Regulations of the Education Department have not been made in many schools. Yet the trustees of these schools seem to think that they should share in the yearly grant to libraries. A yearly grant can be made only to those schools which yearly make the prescribed additions. I deem the library a most essential portion of the school equipment. The contact of the

youthful minds of this generation with those treasures of thought, imagination and inspiration, which constitute the glory of English literature, must, in time, reach powerfully for good in the creation of purer and higher ideals of thought and action, in the removal of prejudices, in enlarged views of life, in a greater sense of personal dignity and responsibility, all so necessary to an enlightened citizenship in this great land with all its latent possibilities and resources. Moreover, to have the school associated in the mind of the child with all those dear and indelible impressions to be gathered from an acquaintance with the historians, poets and novelists, is in short to clothe the school with a halo of remembrance that will in future cause the pupil of to-day to become an ardent supporter of a system of education surrounded by the glow of happy recollections. The over-instruction of our schools, their ceaseless endeavor to compass the entrance examination, their recourse to the written method in all branches, have invariably induced a tedium and disgust which find no relief but in turning to the realm of mischief or imagination and idealism. Free course for the latter can be found for the pupil in the properly selected library; but when that has no place in the school, many pupils turn to mischievous courses or to rebellious inactivity which terminates their school education. Our schools must become more interesting to the childhood of our land, and one of the greatest contributions to the life and interest of the school will invariably be found in the library carefully and judiciously managed by teachers of sympathy and insight. The total number of volumes in these libraries is now 5740 and the value $1957. Fifteen years ago nothing of this existed. I will pursue this fostering of good reading for the pupils in our Public Schools as the most potent and far-reaching influence in the growth of character which is the ultimate aim of all education. The business of a democracy is to educate, and there can be no education of this generation if it be not brought into contact with the makers of history, the teachers of the ages, the examples in thought and deed of those who have laid broad and deep the foundations of Britain's ascendancy in the civilizing arts of mankind.

Everyone will, I think, be gratified to learn that the teachers, mainly through the policy of the Education Department, are now remunerated for their services in a manner that rebukes the parsimony of a decade ago : but not everyone will, I am sure, view the extinction of men as teachers with a like equanimity. Think of it, only twenty-six men teaching in the Public Schools of the County of Peel. I intend to put my views regarding this question on record here and now. My conviction is that after the period of mere childhood is past, the work of education should be mainly in the hands of men. All honor to the noble women who take up the work of education. No praise can reward their self-sacrifice. To continue in the school the tenderness and solicitude of the life of the home, to deal successfully with the waywardness of childhood through appeals to sentiments of love and esteem, to give freer play to childish fancies and vivid imaginations, are great things in themselves, and they serve to span the chasm between the home life of the child and the school life of the youth with an arch of many-hued and pleasant memories, and enable the youth to carry that childhood with him which is too suddenly put off upon the pupils entering school. But youth is a distinct period of life. Not only is it a time of growth, it is the time to set the direction of life's currents discovered in the study of youth's individuality. The reign of law in life begins to develop, social life begins, rights and duties arise, sentiments of rivalry, ambition, emulation, self-esteem, and personal aggrandizement, have their manifestation, crossing one another in all imaginable ways, leaving youth a prey to contending forces. And the law of abstract justice must be made the arbiter in the contest, and the authority founded upon it must prevail. Law and regulation must prevail. To leave the education of the youth at this stage is to leave the youth a prey to selfishness, waywardness, and petulance of spirit. Youth must be controlled by an authority competent to enforce its decrees founded upon abstract justice alone. As a rule, men alone are able to undertake this work of educating and training youth. Authority founded upon justice must prevail, and the necessity for its excercise must be pointed out at every stage of progress and every choice of conduct. Justice, inexorable and unfaltering, but tempered with mercy, kindness and personal consideration, must govern the life of the school for youth ; otherwise, a sentiment of selfishness, ambition, vindictiveness, or revenge, might attain to the mastery and sap the foundations of character. And undue preponderence of esteem and affection may often lead to deplorable results. Not all the evil and corruption of our times result from positively immoral sentiments, and if we examine the history of these communities wherein localities and feelings are fostered unduly, we shall find that justice is badly admistered and the ethics of public business grossly violated. All this happens because localities and affections are stronger than patriotic opinions and public spirit. Sentimentalism prevents people from looking at the abstract justice or merits of public questions because they, the people, have not been habituated to disengaging the real and essential fact from the conditions surrounding it. Now, the insistence of the school upon

the consideration of actual fact, of naked, abstract justice at every stage of the youth's career is to lay the foundation for his insistence upon fact and justice in after life. The virile force of the man who takes upon himself the education of youth is an important factor, impressing the pupil with an immediate connection between wrongdoing and penalty, between sin and punishment, between evil and its consequences.

Of the ninety-eight teachers, six held first-class certificates, forty-eight second-class, and forty-four held third-class and special. There is no reason why any school section in Peel County should employ other than a Normal trained teacher. The total number of pupils registered in the schools was 3874, the average attendance was 2206 or 57 per cent, of the registered attendance. Irregular attendance is the chief obstacle to the complete success of the Public School system as now organized. The evil would no doubt be much reduced by the consolidation of schools ; but this process must be of very slow growth in the rural districts. On the other hand, the trustee boards, having now the appointment of a Truant officer in their own hands, must rise to the level of their responsibilities and carry out wherever at all practicable the provisions of the School Law as to attendance.

The small attendance in the Fifth Class, 2 per cent. of the total attendance, was due mainly to the abolition of any test as to efficiency during recent years ; but the establishment of a Public School Graduation Examination last year will doubtless have the effect of increasing the number of pupils attending the Fifth Form of the Public Schoools. No pupil should leave a rural public school before sixteen years of age unless intending to go to a High School. The reason must be obvious to anyone willing to consider the conditions. Ninety per cent. of our rural school pupils now leave the public schools at from twelve to fourteen years of age At this stage of youthful development the instruction given so far in the public school has not been sufficiently grounded upon the pupil's experience, has not become so strongly disciplinary in its effects as to ensure to the pupil a permanent hold upon the instruction he has

already received. Then he goes out into the world to pursue some occupation that in nine cases out of ten precludes the continuance of a habit of study, he becomes involved in the mania for sport so characteristic of these days, his former habits of mental application become dislocated and fall away from him, and ere he reaches his majority, he has again become illiterate and has almost lost the desire for intellectual improvement. A generation thus educated cannot insure good citizenship, and augurs ill for the future of democracy which rests upon character and intelligence.

Two arbitrations were held during the year 1909. One had for its object to consider the advisability of establishing a union school section comprising portions of the Townships of Adjala in the County of Simcoe and Albion in the County of Peel. The arbitrators met at Tottenham, and after several meetings had been held to obtain the fullest information from all parties concerned, the question was fully discussed by the arbitrators who decided that no union could be formed satisfactory to the parties or in the best interest of the community. Township councils should be more careful in entertaining the different petitions presented for changes in school boundaries and should not appoint an arbitrator until fully seized of the facts and convinced that a grievance existed that admitted of a remedy of arbitration. The other arbitration was one dealing with the district adjacent to the Town of Orangeville, the schools of which had for a generation educated the children of non-residents. The Board of Arbitrators granted the prayer of the petitioners, and made an award that has met with the expectations of most fair-minded people and caused no hardship to any of the rural sections concerned.

Township Conventions of Trustees and Teachers were held at Cooksville, Charleston, Bolton and Brampton, the attendance of teachers being full, but the trustees did not turn out as fully as could be wished. I am, convinced, however, that in time the trustees will come to see that it is in the best interests of the schools that they should come together for the discussion of questions of common interest. The County Convention of teachers was fully attended and an excellent programme was almost completely carried out.

I regret to say that some subjects are not as well taught in our schools as could be expected. Not enough attention is paid to the elementary subjects of reading, writing, geography, whilst the subjects of Part I of the entrance examination are neglected in not a few schools. History receives but scant attention mainly because at present there is no suitable text book on this subject. The new readers will be in the hands of the hands of the pupils at the opening of the schools in August, 1909, and the price at which these books as well as all other text-books can be obtained should leave no room for complaint as to the burden borne by the parents of pupils.

The attention of your Council is respectfully directed to the necessi-

ty of providing for the County Equivalent to the Government Grant to schools on account of equipment, which will practically be about the same amount as last year.

I have the honor to be, Gentlemen,

Your Obedient Servant,

ALLAN EMBURY,

Public School Inspector.

BY-LAWS

By-Law No. 365

A By-Law authorizing the guarantee by the County of Peel, Ontario, of the principal and interest on debentures issued by the village of Streetsville, Ontario, under the authority of By-Law No. 437, amounting in all to $7.500. bearing interest at 5 per cent per annum and repayable in thirty annual instalments of principal and interest.

Whereas the Corporation of the village of Streetsville did by By-Law No. 437 finally passed in open council on the 29th day of June, 1908 authorize the issue of $7,500 debentures, said debentures bearing interest at the rate of 5 per cent. per annum.

And whereas under the present monetary conditions the said debentures could not be sold at their par value.

And whereas the Corporation of the village of Streetsville have petitioned the Council of the County of Peel asking that they guarantee both the principal and interest on said debentures.

Be it therefore enacted as follows: That the council do hereby guarantee both as to principal and interest the bonds issued by the Corporation of the village of Streetsville, under the By-Law above recited and that the Warden and the Treasurer be authorized to endorse the county's guarantee on the said debentures and affix the Coporate Seal of the County thereto.

By-Law No. 369

To Set Apart the Un-incorporated Village of Port Credit as a Police Village.

Whereas a Petition has been presented to the Municipal Council of the County of Peel from the resident freeholders and tenants of the unincorporated village of Port Credit in the Township of Toronto in the County of Peel praying to have the said unincorporated village erected into a Police Village.

And whereas the said Petition is signed by a majority of the freeholders resident therein, and such number of tenants resident therein, as give a majority of the whole number of the freeholders and tenants within the area comprising the said village.

And whereas Section 714 of the Consolidated Municipal Act 1903 and Amending Acts give to County Councils power to erect unincorporated villages into Police Villages on a petition being presented describing the area to be included in such village, and signed by a majority of the freeholders therein, and such number of tenants resident therein as will give a majority of the whole number of the freeholders and tenants therein.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

1st. That the unincorporated Village of Port Credit in the Township of Toronto, in the County of Peel, be and is hereby set apart and declared to be a Police Village and shall comprise the following territory, namely:

Commencing at the South West angle of Mr. J. M. Godfrey's property, thence northerly to the northern boundary of the same, thence easterly to the eastern boundary of the same, thence northerly, following the westerly boundary of the lane running northerly from the said property to the Lake Shore Road, thence northerly following the westerly boundary of Mr. Arthur Shaver's property to the northerly boundary of the lands of the Grand Trunk Railway Company, thence easterly along the northern boundary of the said Grand Trunk property to the Indian Reserve line, thence southerly following the said line to Lake Ontario, thence westerly along the shore of Lake Ontario to the place of beginning.

2nd. That A. Block of the said village of Port Credit be and he is hereby appointed returning officer for conducting the first election of Police Trustees for the said village, nomination to be held in the Orange

Hall at noon on Monday, the 1st day of March, 1909, and if more than the necessary number of candidates are proposed the returning officer or chairman shall adjourn the proceedings until Monday, the 8th day of March, when a poll shall be opened at nine o'clock in the morning and shall continue open until five o'clock in the afternoon, and no longer, and the trustees elected shall hold their first meeting at noon on Monday the 15th day of March.

By-Law No. 371

A By-Law authorizing the guarantee by the Corporation of the County of Peel, Ontario of the principal and interest on debentures to be issued by the Corporation of the Town of Brampton, Ontario, under the authority of By-Laws to be issued by the said Corporation of the Town of Brampton, amounting in all to about $65,535.00 bearing interest at the rate of four and a quarter per cent per annum.

Whereas the Corporation of the Town of Brampton has incurred certain indebtedness in the construction of sewers during the years 1907 and 1908 amounting to about the sum of $50,488.00, which amount is to be raised by debentures of the said Corporation of the Town of Brampton, to beissued and to be repaid in thirty years with interest at the rate of four and a quarter per cent per annum.

And whereas the said Corporation of the Town of Brampton has incurred certain other indebtedness in the construction of permanent sidewalks, walls and culverts during the year 1908, amounting to about the sum of $14,847.00 which amount is to be raised by debentures of the said Corporation of the Town of Brampton, to be issued and to be repaid in twenty years with interest at four and a quarter per cent per annum.

And whereas the Municipal Council of the Corporation of the Town of Brampton has petitioned the Council of the County of Peel for a guarantee of the said debentures so to be issued by the Corporation of the Town of Brampton as aforesaid, and it is expedient so to do.

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows :

1. That the Corporation of the County of Peel do hereby guarantee the payment of both the principal and interest of the debentures so to be issued by the Corporation of the Town of Brampton for not more than $68,000.00, and that the said amount be paid in equal annual instalments, principal and interest.

And that the Warden and Treasurer of the County be and they are hereby authorized to endorse the guarantee of the County on the said debentures and to affix the Corporate Seal of the County thereto.

Whereas it is necessary to provide by a general assessment on the rateable property of the County of Peel for the year 1909 for the payment of the general and incidental expenses of the County and for the payment of a portion of the salary of the Inspector of Public Schools.

Therefore the Corporation of the County of Peel by the Council thereof, enacts as follows:

1st. That there be raised, levied and collected from all persons rated on the Assessment Rolls of the several Municipalities of the County liable to be assessed the current year the sum of twenty-two thousand dollars (22,000.00) for the payment of the salaries of County officials, a portion of the expense of the administration of Criminal Justice, allowance to County Councillors and other necessary and incidental expenses of the current year.

2nd. The sum of one Thousand one hundred and fifty-four dollars and fifty-seven cents (1154.57) to provide for the payment of Debentures and interest becoming due and payable under By-law No. 323, of the said corporation, authorizing the issue of Debentures for the purpose of installing a modern heating plant in the County Buildings and building a new steel bridge in the Village of Streetsville.

3rd. The sum of nine hundred and forty-eight dollars being an equivalent to the special Government grant to the Public and Separate Schools in the Townships of the County, the said sum to be levied on the whole taxable property of the County, not included in urban municipalities or annexed to any urban municipality for school purposes.

4th. The sum of five thousand, seven hundred and eighty-three dollars (5,783.00) under By-law No. 351 of the said Corporation author-

izing the issue of Debentures to the amount of one hundred thousand dollars for the improvement of highways assumed by the County.

5th. The whole of the said sums to be collected and paid to the Treasurer of the County on or before the 14th day of December next, as per schedule annexed.

Passed the 3rd day of June, 1909.

F. J. JACKSON, Warden.

D. KIRKWOOD, Clerk.

GENTLEMEN:—We, your Auditors, beg leave to report that we have gone over the School Moneys received and paid out during the year ending December 31st, 1908, by the County Treasurer, and find them correct (as per statement given above). All the money received by him has been paid out, and the vouchers are in good order.

We also find the accounts of the Sub-Treasurers of Albion and Caledon correct. The money sent them has been paid to the parties entitled thereto, and vouchers attached in every case.

JOHN H. WATSON } Auditors.

AUDITORS' REPORT

County of Peel, for 1908

To the Warden aud Council of the County of Peel:

GENTLEMEN: Your Auditors beg leave to report that they have carefully examined the books and accounts of your Treasurer for the year ending December 31st, 1908, and compared the vouchers with the entries and find them correct with the exception of $10 00 which he omited to enter on March 5th, this amount is due him; but as the books are closed for 1908, he will take credit for that amount in January, 1909.

We find in the abstract statement of receipts and disbursments, that the total receipts from all sources was $125,131.69 and the disburements $83,933.46, leaving a balance on hand of $41,198.23. The bank book shows the balance to be $41,200.78. A small cheque for $2.50 was given in November, but was not presented for payment until January 2nd, 1909, makes the difference.

We find the above balance belongs to the following accounts:

Good Roads account	$ 31618 33
Good Roads Debentures maturing 3rd April, 1909	5783 00
Good Roads, balance left after paying debentures due April 3rd, 1908	2814 21
Current account balance	982 69
Total	$ 41198 23

Your Treasurer has decided to credit the balance of $2814.21 shown in the foregoing to the Good Roads account dividing it pro rata among the Muuicipalities, we concur in this decision as it helongs properly to that account; we find the following sums were expended in the different Municipalities during the year 1908 on "Good Roads," namely:

Albion	$ 4242 54
Caledon	2722 01
Chinguacousy	16244 67
Toronto Township	19627 65
Toronto Gore	4320 55
Total	$ 47157 52

In past years you have always had to borrow money from the bank to meet current expenses and pay interest therefor. This year owing to good roads account having a large balance in bank we find that after

paying the interest on some notes current in the early part of 1908 that you had a balance of interest credited to you by the bank of $72.51. From the present outlook no interest will be paid out during the year 1909

Only the sum of $9.28 was collected during the year for non-resident land tax. This was from Lorne Park and has been paid over to the Treasurer of Toronto Township.

We find in the General Statement of the affairs of the County on the 31st day of December, 1908 that the assets are $124316 67
Liabilities 100561 57
Balance of assets over liabilities 23755 10

A detailed statement will be given you showing the various items making up the above.

We have had very much pleasure in going through the books of your Treasurer, to find that the greatest care has been taken by him in handling the large amount of money entrusted to him, and we likewise desire to thank him for many courtesies shown us during this audit.

JOHN D. GORDON }
JOHN H. WATSON } Auditors.

Adopted in Council this 28th day of January, 1909.

F. J. JACKSON, Warden.

ESTIMATES

Of the County of Peel for 1909.

BRAMPTON, June 1st., 1908.

To the Warden and Council of Peel County :

GENTLEMEN :

The quarterly statement for the first quarter of the current year is made out and shows an expenditure of $7427.63 and the expenditure of the second quarter to June 1st. $10641.20, making a total of $18068.83 to date for the current year, and leaving a balance to the credit of the County at this date of $41119.47.

You will find attached the estimates for the current year which show $19846.00 for general rate, being $2154.00 less than last year, and there is a vault to be built for the Crown Attorney I would suggest that the rate be the same as last year $22000.00.

Your Obedient Servant,

ROBERT CRAWFORD,
County Treasurer.

MINUTES

SPECIAL MEETING

CORPORATION OF THE COUNTY OF PEEL,

Council Chamber, Brampton, July 6th, 1909.

The Warden presiding.

Roll called.

All present except Mr. Rutherford.

The Warden stated that according to agreement he had called the meeting to receive Report of Commissioners per House of Refuge in reference to the proposed union with Halton, and take any action that may be considered necessary in connection therewith.

Mr. James Jackson, Chairman of the Poor House Commissioners, presented a report of their meeting, the Council of the County of Halton, and having heard their proposal to purchase a half interest in the County of Peel House of Refuge.

Also, that later, by arrangement of Dr. Bruce Smith, Inspector of Prisons and Public Charities, delegates from the County of Halton had visited the Peel House of Refuge, and met the Commissioners and along with Dr. Smith considered what changes and additions would be necessary to meet the requirements of the two Counties.

Likewise a valuation of the entire premises had been made by joint arbitrators.

Report of Commissioners received and read and referred to a Committee of the whole with Mr. Newhouse in the chair.

After considerable discussion Committee rose and recommended the adoption of the report.

Report adopted in Council.

On motion the Warden left the chair until one o'clock.

At one p.m. Council resumed and on motion went into Committee of the whole to draft a bill authorizing the sale to the County of Halton of a half interest in the County of Peel House of Refuge.

With Mr. Quinn in the chair.

The Committee had before them a copy of By-law passed by the Council of Halton County, providing for the purchase of the half interest referred to.

Committee rose and presented a draft of bill which was approved of in Council. Received three separate readings—was finally passed in open Council, signed by the Warden and Clerk, the corporate seal attached thereto and numbered (373).

Moved by Mr. Beck, seconded by Mr. Newhouse, that Mr. James Jackson, be and he is hereby appointed the Commissioner named in By-law No. 373, to act with the Commissioner appointed by the County of Halton, to carry out the work set out in said by-law. Carried.

Messrs. Speirs and Newhouse, Commissioners on County Bridges for the Township of Chinguacousy, presented a report on the state of the county bridge, near Terra Cotta, on the County line with Halton.

Report received and read and on motion adopted.

Notice : I hereby give notice that to-morrow or at the next meeting of this Council, I will beg leave to introduce a by-law authorizing the County Council of Peel, to guarantee the debentures of the Village of Streetsville for five thousand five hundred dollars.—F. W. MORGAN, Reeve of Streetsville.

On motion Council adjourned.

(Adopted) F. J. JACKSON, Warden.

SPECIAL MEETING

CORPORATION OF THE COUNTY OF PEEL,

Council Chamber, Brampton, 24th August, 1909.

Roll called.

Members all present, except Mr. Beck.

Council was called to order by the Warden who stated that he had called the meeting at the request of the Commissioners on the House of Refuge for the purpose of discussing a few matters of detail in reference to management and maintenance of the House of Refuge, when under the joint management of the Counties of Peel and Halton.

The Council of Halton having been invited to attend, a majority of them were present.

On motion the Council went into the committee of the whole, including members of Halton County Council, who were present.

Mr. Newhouse occupying the chair.

After some time spent in discussion committee adjourned until one o'clock.

At one p.m. committee resumed and after further discussion rose and reported, having agreed on all principal points, upon which there had been some difference.

Halton Council then retired to consider matters by themselves.

And Peel Council was again called to order by the Warden.

And Messrs. Julian and Kennedy, commissioners on county bridge near Malton, reported that the bridge was now completed and they recommend that balance of account be paid.

Report received and read and on motion adopted.

Moved by Mr. Morgan, seconded by Mr. Kennedy, for leave pursuant to notice to introduce a by-law authorizing the Council of the County of Peel to guarantee the debentures of the village of Streetsville.

Leave granted and the by-law read a first and second time and referred to a committee of the whole.

With Mr. Speirs in the chair, Committee rose and reported the by-law with the blanks filled.

Report received and adopted and the by-law read a third time and passed, signed by the Warden and Clerk, the corporate seal attached thereto and nnmbered 374.

At this stage the following resolutions were substituted by the Council of Halton as a result of their deliberations and agreed to by the Council of Peel, viz ;

Moved by Mr. Jas. C. Ford, seconded by Mr. Featherston, that the County Council of Halton adopt the by-law of the County Council of Peel re House of Refuge, with the exception that the value of all the products of the farm, whether consumed in the House of Refuge or sold, be divided equally. Carried.

Moved by Mr John F. Ford, seconded by Mr. Erwin, that the name of John G. Harley be inserted in a by-law to be prepared at next meeting of Halton County Council as commissioner of said House of Refuge, said by-law to be introduced and given its several readings at said meeting, and that said commissioner confer with commissioner of Peel in regard to agreement of said by-law. Carried.

Moved by Mr. McBride, seconded by Mr. Quinn, that Mr. Speirs, the Warden and Messrs. Jackson and Julian be and are hereby appointed a committee to have an agreement between the Counties of Peel and Halton prepared by the county solicitor, ratify and seal the same, re sale of half interest in the Peel House of Refuge. Carried.

On motion Council adjourned.

(Adopted) F. J. JACKSON, Warden.

J. Jackson, Esq., for the quiet and unobstrusive manner he has displayed in guiding our deliberations throughout the year. We all know how difficult it is to have wit enough to say the right word in the right place, to keep a clear head while guiding so many minds through the rocks and shoals of the year, and above all to have harmony prevail. I think that you will all agree with me that Mr. Jackson has been most exemplary in all these things and that it affords us all much pleasure tendering this vote of thanks. At the same time we wish to express our heartfelt sympathy to Mr. and Mrs. Jackson for the sudden and unexpected bereavement they have sustained in the loss of their eldest son and trust that altho' the clouds may hang dark and heavy over them, that it will not be long before the clouds with the silver lining appears. FOURTH DAY

CORPORATION OF THE COUNTY OF PEEL
Council Chamber, Brampton, 28th Jan., 1910.

Council met pursuant to adjournment.

The Warden in the chair.

Roll called.

Members all present.

Minutes of yesterday read and confirmed.

Mr. Newhouse, commissioner on County roads for Township of Chinguacousy, presented a Report of Accounts paid since close of season 1909, which report on being received and read was on motion adopted.

Mr. Julian, Chairman of Standing Committee on County Property, Roads and Bridges, presented their first report, which was received and read and referred to a committee of the whole with Mr. Beck in the chair.

Committee rose and presented the report as amended in which form it was adopted in Council.

Moved by Mr. Egan, seconded by Mr. Rutledge, that, whereas, the Legislative Assembly of the Province of Ontario, passed an act being 3 Ed. VII, chap. 27, entitled an act to regulate the speed and operation of motor vehicles on highways and certain amendments thereto.

And, whereas, it is found that said act and amendments thereto, have not regulated satisfactorily the speed and operation of motor vehicles on highways.

And, whereas, the members of the Municipal Council of the County of Peel, are of the opinion that it is impossible for the Legislative Assembly of the Province of Ontario, to pass an act that will be satisfactory to the different Municipalities of the Province of Ontario, owing to the different needs and circumstances of the different Municipalities of the Province of Ontario.

And, whereas, the members of the Council of the County of Peel have come to the conclusion that the only satisfactory way of regulating the speed and operation of motor vehicles on highways, is for the Legislative Assembly of the Province of Ontario, to pass an Act empowering the County Councils of the Province to pass bylaws regulating the speed and operation of motor vehicles on highways in the Municipalities of each County of the Province.

And, whereas, the Municipal Corporation of the County of Peel has already spent about $100,000 in the improvement of the roads of the County.

And, whereas, the farmers and others have not been able to use the roads so improved by reason of the operation of motor vehicles thereon.

Therefore a committee of S. A. Egan, Wm. Rutledge and the Warden, be, and they are hereby appointed, to ask the different County Councils of the Province of Ontario, to cooperate with the County Council of the County of Peel, in petitioning the Legislature of the Province of Ontario, for the passing of an act empowering

the County Councils of the Province of Ontario to pass bylaws to regulate the speed and operation of motor vehicles, and that the said committee do take the necessary steps to have such petition presented to the Legislative Assembly of the Province of Ontario, at the next session thereof.

(Adopted) PETER SPEIRS, Warden.

VALUATORS' AGREEMENT

BRAMPTON, June 28, 1909.

To the Warden and Council of the County of Peel :

Gentlemen : We, the Commissioners of Peel and Halton, appointed to value the House of Refuge, Farm, Buildings, Stock, Furniture and Fixtures, of the Farm owned by Peel County, beg to report that we have gone over the entire stock, and made a valuation of the same, and with the assistance of the Treasurer and his Books, we have agreed on a valuation which we think is fair to all parties concerned. We make the total $18,634. This does not include crop in ground or coal on hand, and we, your Commissioners, would recommend a settlement on this basis.

E. F. EARL, for Co. Halton.
JAMES JACKSON, for Co. Peel.

Report of Commissioners on House of Refuge in Reference to a Union with the County of Halton

To the Warden and Council of the County of Peel :

Gentlemen : Your Commissioners beg leave to report as follows :

On the 15th day of June your Commissioners met the County Council of Halton at Milton as arranged.

After discussing the question of Union for some time we were not able to make any progress. However, the Council of Halton appointed a committee of six of their members, with the Warden, to come to Brampton, which they did on the 23rd day of June.

They also notified Dr. Bruce Smith, the Inspector of the House of Refuge. We met in the House of Refuge ; they were well pleased with the way the House was kept.

After hearing Dr. Bruce Smith's opinion on what improvements were required we were enabled to come to a basis of agreement, provided the two County Councils would ratify the same.

After agreeing on the basis of a union, Mr. E. F. Ford and Mr. James Jackson were appointed to arbitrate on values which they did and which are as follows :

Farm	$ 5,500 00
House, which will be left	8,000 00
Water Main and right of way	1,200 00
Barn, extra, cash	1,000 00
Furniture, and contents of House	1,935 50
Architects' Fees	552 00
Commissioners' expenses	448 00
Total	$18,635 50

We submit a detailed statement of values for your perusal.

The improvement the Inspector recommended were that the old portion of the present House, be taken down and a building 30x70 be erected, which would be quite large enough for both Counties.

Therefore your Commissioners would recommend that a By-law be passed ratifying the Union.

The County Council of Halton passed their by-law agreeing to the Basis of Union as agreed upon.

All of which is respectfully submitted.

We would recommend that the following accounts be paid :

To Peter Speirs, three days and mileage	$12 60
To John G. Julian, two days and mileage	8 40
To James Jackson, three days and mileage	11 00
To James Jackson one day arbitrating	5 00

JAS. JACKSON, Chairman.

(Adopted) F. J. JACKSON, Warden.

Brampton July 6, 1909.

Report of Commissioners on Terra Cotta Bridge.

To the Warden and County Council of Peel :

Gentlemen : We, your Commissioners, having met with three of the Members of the Council of Halton at the Terra Cotta Bridge, was in fairly strong enough condition for ordinary travel, all but heavy traction engines. We agreed to let it stand for another year and recommend that the following Commissioners be paid :

Peter Speirs, $3.00 ; John Newhouse, $3.00.

Adopted July 6, 1909.

F. J. JACKSON, Warden.

Report of Commissioners for Toronto Gore and Toronto Township

Council Chamber, Brampton, August 24, 1909.

To the Warden and Council of the County of Peel :

Gentlemen : Your Commissioners beg leave to report as follows :

The County Bridge at Malton is now completed, and we recommend that the balance of account be paid ;

Also that the Treasurer receive from Mr. Brocklebank, $18.25 for old plank and from Royal Grafton $6.00 for old iron.

Also that the following Commissioners be paid :

Thos. L. Kennedy, two days $6.00; J. G. Julian, two days $6.00.

All of which is respectfully submitted.

THOS. L. KENNEDY }
J. G. JULIAN } Commissioners.

Report of the Boiler Inspector

The Boiler Inspection and Insurance Company of Canada,

Policy No. 14007.

Toronto, Ont., September 9, 1909.

The Boiler Inspection and Insurance Company of Canada, makes the following report of the condition of your steam boiler inspected on the 3rd September, 1909 :

Court House, Brampton, Ont.
One Horizontal Tubular Boiler.

Was open and inspected internally and externally.

Internally—Boiler is clean, openings to water gauges clear, braces all sound.

Externally—Shell plates, tubes and tube sheets all sound, uni-

form in shape and free from defects, steam gauge tested and found correct.

The Bridge Wall in Furnace needs repairing and Boiler was well prepared for inspection.

ALBERT E. EAKINS, Assistant Chief Engineer.

The Treasurer, Corporation of Peel, Brampton, Ont.

Report of Your Committee on the House of Industry and Refuge

Brampton, Nov. 24, 1909.

To the Warden and Council of the County of Peel:

Gentlemen: Your Committee begs leave to report as follows:

On the 3rd of April your Committee met in the office of the House of Refuge.

On motion of Mr. Speirs, seconded by Mr. Julian, Jas. Jackson was appointed Chairman.

The first order of business was to examine the outbuildings and stock. We found stock in good condition. Buildings tidy and in good repair.

Coming to the House we found rooms clean and all the surroundings in good condition; beds well made and clean, well ventilated rooms.

Mr. Johnston requested us to hire one of the inmates by the name of Cushman, as he was a good worker and took great pains with the old men, that were not able to attend to themselves very well, in keeping them clean.

Fourth Report of Finance Committee

Brampton, November 24, 1909.

To the Warden and Members of the Council of the County of Peel:

Gentlemen:

1st. Your Committee found it was necessary for the County Property Commissioner, to borrow a sum of money from the Merchants Bank, for current expenses, until the Taxes have been paid. Your Committee recommend that their actions be and they are hereby ratified.

2nd. Your Committee have carefully considered the statement from the County Treasurer, and would recommend that the County of Halton be requested to pay over their share of the House of Refuge building account and purchase price as soon as possible, as the contractors should be paid as the work progresses.

Report of Commissioners on County Bridge between Chinguacousy and Caledon

To the Warden and Council of the County of Peel.

Gentlemen : Your Commissioners on County bridges between Chinguacousy and Caledon beg leave to report on the Inglewood bridge.

Your Commissioners met at the bridge with the County Engineer and decided that a new bridge and one abutment was necessary.

The Engineer prepared plans and specifications for the same and advertised for tenders.

Several tenders were received and the tender of William Smeaton for the masonry and that of the Hamilton Bridge Company for the steel work were acted upon.

The price for the masonry being $5.65 per cubic yard for concrete abutment and twenty-two cents per square foot for floor, the old bridge to be removed gratis.

The work when completed comprised 90⅔ yds. concrete, concrete at $6.65, $512.37 ; 1105 square feet floor at 22 cts. per square foot, $243.10.

The hub guard was somewhat damaged by the frost. The contractor agrees to make it good in the spring of 1910 gratis. Said masonry has been paid for on order of Commissioners.

The price for the steel work was $1200.00 less $20.00 for use and waste of timber from the old bridge used in erecting the steel work.

Expanded Metal	$47 32
Freight on same per William Smeaton	87
3 rolls plain building paper per A. Spratt, for protection of concrete from the frost	1 35
For right of way and making road through farm of Harry Fudge while new bridge was being erected	30 00

Engineer's Fees	97 80
John Newhouse, Commissioner, 19 days at $3 per day	57 00
Thomas Quinn, 7 days' commission at $3 per day	21 00
There is still a contract with Harry Fudge lengthening approach to west end of the bridge which is not completed, for which he is to receive	25 00

Also some work at east end which he has agreed to do at 50 cts. per hour for two men and one team, which your commissioners recommend to be paid on order of commissioners when work is completed.

The timbers of the old bridge has not yet been sold but when disposed of the commissioners will make returns.

Also some repairs to the old bridge, $2.10 paid to Harry Fudge.

All of which is respectfully submitted.

JOHN NEWHOUSE }
THOS. QUINN } Commissioners.

Brampton, December 25th, 1909.

Report of Delegates who Attended the Convention held in Toronto, of the Ontario Tuberculosis or Consumption Association.

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee beg to report as follows, briefly :

On September —, a large representation of delegates appointed by the different County Councils, from near all over Ontario, met in the parlor of the St. George Hotel, about 10 a.m. After considerable discussion as to the best method of presenting our case to the Ontario Government, it was decided to select six or seven of the Delegates of the first committee and they afterward re-select three or four Speakers from this number to address the Members of the Government. This was done. It was also decided that all Speakers be unanimous in their demands upon the Government, in as much as they ask the Government to establish, equip and maintain, at least two sanitariums in Ontario for indigent consumptives.

It seems that the year before the speakers were not unanimous in their demands. Some wanted sanitariums established, while others wanted the Government to appoint a commission to go into the whole matter. After considerable discussion it was decided that this year the speakers would be unanimous in asking the Government to establish and equip two Sanitariums.

This meeting of Delegates then adjourned to meet at 2 p.m. in the Parliament Buildings.

Sharp on time the Hon. James Whitney and Hon. Mr. Foy met with the Delegates. They regretted the fact that a larger representation of the Cabinet was not present. The three or four speakers appointed by the delegates addressed the meeting. They dwelt on the many terrible aspects of this dread disease ; showing up the ineffectual manner with which nearly all of the indigent consumptives are being dealt with today in this country, and many other things which would take up too much of your valuable time to mention.

After hearing the speakers the Hon. Sir James Whitney addressed the meeting. He said it was the most natural thing for everybody to want the Government to do this and that and the other thing, when anything of importance loomed up in the distance. Of course it was easy to ask the Government to do any or all of these.

By hearkening to all such committees and delegations, the Government would soon run out of money. He said the first thing the Government had to do was to consider when and how to get the money. It would not do to plunge headlong into debt in order to gratify what in itself might be considered a very laudable and excellent thing by certain sections of the people. The next thing they would want to do would be to establish Sanitariums for smallpox, scarlet fever and other diseases. He did not think that the disease was as contageous as some people thought it was.

By way of an illustration he mentioned an instance that came under his own observation. When a young man, he with others, used to visit a house frequently, where lay a man dying of the dread disease and no one seemed to take it.

While we agree with Sir James in a number of his ideas, we differ with him in this matter.

Your Committee would suggest that until such time as the association can present a better proposition to the Government, either by union of several counties, all over the province in building and equipping a Sanitarium and asking the Government to maintain the same or vica

versa, our efforts in this work of benefit to the poor consumptives will be in vain.

We would recommend the Commission: H. A. Rutherford $5; Frank W. Morgan $5; F. J. Jackson $5.

All of which is respectfully submitted.

FRANK W. MORGAN, Chairman of Com.

Brampton, 25th November, 1909.

Third Report of Standing Committee on County Property Roads and Bridges

To the Warden and Council of the County of Peel:

Gentlemen: Your Committee had before them the following communications, bills, etc.

1st. Report of Albert E. Eakins, assistant chief engineer of the Boiler Inspection and Insurance Company of Canada which we recommend to be filed.

2nd. Report of C. R. Wheelock, County Engineer, on Peel County bridge built on the town line over the Credit River, between Caledon and Chinguacousy.

Abutments and wing walls built of concrete, 90⅔ cubic yards of concrete at $5.65 per yard	$512	27
1105 square feet in floor at 22 cts. per foot	243	10
Erected by Wm. Smeaton, Inglewood. Total	755	37
From the Expanded Metal and Fire Proofing Co. 1352 square feet at $3 50	$ 47	32
The Hamilton Bridge Works Company, one 80 ft. highway woven truss bridge with 14 foot roadway erected complete as per contract	1200	00
Engineer's expenses, fees, etc., as per account	97	80

3rd. Report of 37 foot highway beam span with 14 foot roadway known as Humber bridge, near Palgrave, between Peel and Simcoe.

Your Committee understands from the Reeve of Albion that said

bridge is not yet completed and would refer the report to the commissioners for Albion.

4th. To J. York & Sons as per account rendered for posts and lumber for fence at gaol certified correct by W. L. Wilson, $9.30.

5th. To R. Blain, as per account rendered for hardware, nails, got for gaol, certified correct by W. L. Wilson, $1.12.

6th To Wm. McConnell, caretaking, for cutting grass on grounds and otherwise keeping them in order during the summer of 1909, the usual amount, $20.00.

7th. A requisition from the Ontario Good Roads Association asking our Council at its next meeting to appoint one or more delegates to accompany the deputation, which will wait on the Minister of Public Works at an early date for the purpose of pressing on him the necessity of increasing the Legislative grant for the improvement of highways.

Your Committee would recommend that two or more delegates be appointed and that the delegates urge on the Minister of Public Works the necessity of amending the act so that roads passing through towns and villages which are a part of the roads set apart in the County roads system would share in the Government the same as other municipalities.

8th. Your Committee have before them a communication from Thos. L. Kennedy on behalf of the Township of Toronto and the Police Village of Port Credit, asking the County of Peel to assume the bridge and approaches on the Lake Shore Road across the river Credit, and would like the Council to express their pleasure on that question.

All of which is respectfully submitted.

PETER SPEIRS, Chairman.

In Committee the Council recommended no action in reference to clause No. 8.

Brampton, November 26, 1909.

(Adopted) F. J. JACKSON, Warden.

Third Report of Standing Committee on Education

To the Warden and Council of the County of Peel :

Gentlemen : We had before us an account of the Public School Inspector for postage and supplies for 1909, amounting to $29. We recommend payment of same.

We also have before us an application from the Trustees of Bolton School in regard to their Continuation School asking for a grant.

We would recommend that they be granted the sum of $300 for the following reason : It has been shown to your Committee, that it is necessary to have this Continuation Class in Bolton, or else the pupils living in that part of the County will be obliged to attend outside schools in order to qualify for Teachers.

We also had before us a Communication from the Secretary of the Education Department, informing us that the resignation of Mr. Embury has been acceptod. Your Committee have taken this matter into consideration and in view of the long and faithful services rendered by Mr. Embury to this County, extending over a period of twenty-one years, would recommend that this Council grant to Mr. Embury as a slight token of appreciation for his services the sum of $50. Amended in committee by striking out that portion referring to a grant of $50.

Further, we have before us a number of applications with testimonials for the position of Public School Inspector for this County, in reference to this your Committee would recommend that this appointment be referred back to the whole Council for their consideration, in so far as your committee has been able to gather from the voluntary opinion expressed by the different members of this County Council, we have come to the conclusion that the appointment should be made by ballot.

All of which is respectfully submitted.

J. A McBRIDE, Chairman.

Brampton, December 25, 1909.

(Adopted as amended) F. J. JACKSON, Warden.

First Report of J. G. Harley and James Jackson, the Committee Appointed by the United Counties of Peel and Halton, to have the New Addition Built to the House of Industry and Refuge, in Peel County.

To the Warden and Council of the County of Peel:

Gentlemen: Your Committee beg leave to report as follows:

1st. As instructed, your Committee advertised for tenders for all the work in connection with the said building.

2nd. On the 7th of September last we received and opened tenders. We received six tenders for the carpenter and mason work.

3rd. We accepted the tender of W. B. McCulloch and Henry Hill for Carpenter, Mason, Tinning and Slating, for the sum of nine thousand seven hundred and fifty dollars $9750.00.

4th. We received but one tender for heating and plumbing, we did not award the Tender at that time as we thought it was rather high. We went to Toronto and called on the firms of Bennett & Wright and Fred Armstrong, they also sent tenders, but we found Higgins & Large were the lowest which we accepted. Heating Plant at $1395.70, thirteen hundred and ninety-five dollars and seventy cents, and for plumbing, five hundred and thirty-five dollars, $535.00.

5th. We had two tenders for painting. James Harmsworth at four hundred and fifty-five dollars, $455 00, was the lowest, which we accepted.

6th. The wiring is not awarded yet.

7th. The contractors were to have the walls up and roof on on the 15th day of November instant, but same is not yet completed.

All of which is respectfully submitted.

JAMES JACKSON.

Third Report of Commissioner for Albion for County Bridges re. New Bridge at Ballycroy

To the Warden and Council of the County of Peel :

Gentlemen : Your Commissioner begs leave to report as follows :

In conjunction with County Engineer, Mr. Wheelock and commisioner, Mr. Hamilton of Adjala, we asked for tenders for a 37 foot span, 14 feet roadway, steel beam bridge, with concrete abutments and wing walls, expanded metal and concrete floor.

After receving several tenders, the contract was given to the following :

1. For abutments, wing walls and floor, to Gray & St. Croix, of Orangeville, at the following prices : Abutments and Wing Walls at $5.40 per yard, floor 22½ cts. per foot.

2. To the Hamilton Bridge Co. as per contract, $31.

3. To the Expanded Metal Co., of Toronto, as per tender $21.84.

4. To Armstrong & Robinson, of Orangeville, for railing as per contract $74.24.

The above mentioned bridge not being completed I cannot give total cost of same.

I therefore recommend payment of the County of Peel's share as follows :

To the Hamilton Bridge Co.	$157 50
The Expanded Metal Co.	10 92

Armstrong & Robinson	37 12
The Dufferin Post for advertising	1 75
The Bolton Enterprise for advertising	4 00

When the above mentioned bridge is completed I would recommend that the County Treasurer pay Peel's share on order of Commissioner and County Engineer.

I also recommend payment for 3 days' Commission, $9.

All of which is respectfully submitted.

Council Chamber, Brampton, Nov., 1909.

J. H. MOFFATT, Commissioner.

(Adopted) F. J. JACKSON, Warden.

Report of Committee Appointed to Report on Salaries

To the Warden and Council of the County of Peel :

Gentlemen : The Committee appointed at the June Session to look into the question of the Clerk and Treasurer's salaries beg to report that we have looked into the whole matter, so far as we are able to.

We were told that we ought to take into consideration, the claim that is sometimes made of the importance and responsibility of the position the Treasurer occupies. We think that to some extent this idea has been handed down from the past when perhaps the Treasurer was one of the few important men in the County, when the salary was small and the bonds a minor consideration. But things change, distinctions which once prevailed do not now exist.

Because of the safe guards provided in the Municipal Act, and made a part of the machinery that every County Council must operate in the way of paying for the Treasurer's bonds, a great deal of the responsibility is lessened.

With regard to the duties, this we consider to be the most important, and believe that it would be quite possible for the Treasurer to save to the County a large part of his salary each year by his sagacity.

We know that it requires firmness on the part of this official, to always save to the County the money it is entitled to, particularly when

you remember the large amount of money handled and the temptation that is sometimes offered to pay bills that have not been properly vouched for by the Commissioners.

We think, however, that these officials have filled the positions for great many years with credit to the County, and that because of the increased cost of living, the extra work caused by the Poor House and Good Roads and the tendency to raise salaries generally, that it may be left over until next year.

We would recommend payment of the following commission :

One day to J. A. McBride $3.00 ; one day to Thos. L. Kennedy, $3 ; one day to F. W. Morgan $3.

All of which is respectfully submitted.

Court Room, Brampton, 10th December, 1909.

F. W. MORGAN, Chairman.

Fourth Report of Commissioner for Albion on County Bridges, re Ballycroy Bridge

To the Warden and Council of the County of Peel :

Gentlemen :

Commissioner Hamilton, of Adjala, notified me to meet a committee of Simcoe County Council at Ballycroy bridge, re settlement with contractors of cement work as contractors had not finished contract or paid for cement, gravel or board, the accounts being placed in our hands for collection.

We decided to meet contractors at the engineer's office for the purpose of having the contractors accept the accounts in our possession.

The contractors accepted the accounts and signed them. I therefore recommend payment of half the amount for which I have an order signed by contractors. The amount of order is $94.95.

I also recommend half the payment of the following commission work on Ballycroy bridge	$87 20
Freight on expanded metal	5 64
Hauling expanded metal	1 50
Telephones to Engineer	1 00
To work on approaches	35 85
Total	$126 09
Half	63 05
Also 2 days' commission work, per J. H. Moffatt	9 00

All of which is respectfully submitted.

J. H. MOFFATT, Commissioner.

Brampton, Dec. 20, 1909.

Report of Work Performed on the East Half of Toronto Township Under the Good Roads System

To the Warden and Council of the County of Peel:

Gentlemen: Your Commissioner for the east half of Toronto Township re "Good Roads System" begs leave to report as follows:

(1) I had the Lake Shore Road repaired.

Cost of stone used	$76 88
Cost of gravel and labor	87 50
Total	$164 38

(2) I had a flat wet portion of the third line east tiled. We paid half the cost of this work, the adjoining owners paying the other half. I also had 1¼ mile of this road staked by our County Engineer.

Cost of tile	$54 10
Cost of labor	19 00
Total	$73 10

(3) I had Dundas Street from Hurontario Street, east four miles, graded and stoned. Owing to the deep ditches on each side and the sidewalk on the north side, the grading had to be practically performed by hand; also the earth had to be removed by wagons.

One of the adjoining owners instituted proceedings to have the ditch opened under the "Ditch and Water Courses Act." The result was I had to clean out in all 300 rods of ditch and remove the earth by wagons.

The stone secured for macadamizing was from the Hagersville Contracting Co., of Hagersville, and cost $1.40 per ton f. o. b. at Cooksville and Dixie stations. I also secured a few toise from adjoining owners which cost $12.00 per toise broken. The cost of placing the stone on the road preparatory to rolling was from 27c. to 33c. per ton.

The road is graded 27 feet wide and the width of the macadam is 9 feet and from 2 in. to 12 in. deep, according to whether the old stone road was worn out or still many inches in thickness, the average depth being six inches.

On each side of the stone is 2½ feet of good pit gravel. This gravel cost 50 cents per yard, placed and levelled on the road.

I placed tile culverts in front of eight farm entrances. These culverts are from 8 in. to 18 in. in diameter and from 12 to 17½ feet in width. I also had two tile culverts, 18 in. in diameter and 30 in. in length, placed across the street.

The cost of the road was as follows:

Grading	$ 445 91
Tile	57 10
Cost of stone	2069 77
Freight on stone	2975 40
Cost of gravel	201 80
Labor account as per pay sheet	2986 86
Ditching	130 65
Tools, telephone, etc, plough, etc	50 10
Repairs to roller, grader and sprinkler	58 55
Rent for railroad siding, Dixie station	28 75
Coal	89 05
Total Cost	$9093 94

(4) I also had built in this stretch of Dundas St. a 43 ft. woven truss steel bridge with concrete abutments and floor. On account of the bridge being between two grades I had the abutments raised 24 in. higher than the old bridge.

The cost of bridge was:

Hamilton Bridge Company	$699 00
G. E. Letty, concrete work	551 30
Filling up abutments, raising roadway, inspection, etc	221 59
Total cost	$1471 89

(5) I also had graded that part of Hurontario Street between Dundas St. and Lake Shore Road. This road has been traveled on one side only and one of the heaviest items of cost was straightening out the road. This portion of Hurontaio Street is of very high sand, with a quicksand subsoil. Preparations have been made for draining this road by tile and I hope by spring the sand will have settled enough to enable us to use stone and the roller.

On advice of Mr. McLean, the Government Inspector of Good Roads, we tried clay on a portion of this road, but on account of not using stone to cover the clay, it was only a partial success.

The cost was as follows:

Grading	$200 95
Teams and labor removing earth and straightening road	138 20
Tile for entrances	100 30
Tile for draining	29 10
Clay, gravel and labor	196 70
Total cost	$665 25
Extra planking	$ 29 49

Enclosed you will find an Auditor's statement showing that I have received from Robert Crawford, Esq., Treasurer of County of Peel, $11498.03. Also that I have vouchers for that amount of money, which I have together with my pay sheets turned into the Treasurer.

I have also sold some old plank, etc., amounting to $19.00, which I would recommend the Treasurer receive.

All of which is respectfully submitted.

THOS. L. KENNEDY, Commissioner.

Report of Peter Spiers, Commissioner on County Roads in the Southern Portion of the Twp. of Chinguacousy.

To the Warden and Council of the County of Peel :

Gentlemen : Your Commissioner begs leave to report the following work on County Roads :

In consulting with our County Engineer, Mr. Wheelock, Mr. Newhouse and myself, we selected that part of Hurontario Street north and south of Snelgrove, from No. 10 to No. 22, a distance of almost five miles, Mr. Newhouse to work from lot 17 north, to lot 22, and from lot 17 south, to lot 10. Knowing that we could get the crushed stone delivered at Snelgrove station on the C.P.R. and while placing the stone upon the road, we could keep the road roller going continuously back and forward between us.

Mr. Wheelock, our Co. Engineer, was with us, staking out the

road and defining the width, which is twenty-four feet and finding the water levels.

I engaged Stephen Cook as overseer of the work knowing he had experience from having managed the work on the County Roads in the Township of Toronto in 1908, which work I inspected and was pleased with it.

I commenced the work on the 2nd of June, plowing the ditches and grading. The total cost of grading from Snelgrove south to No. 10, is $378.00 which is included in my pay list for labor, teams, etc.

The stone I started with was from the Shaw quarries, but finding they could not supply both Mr. Newhouse and me fast enough, I ordered stone from the Hagersville Contracting Co. The Shaw stone cost $1.25 per ton f. o. b. Snelgrove, while the Hagersville stone cost $1.50 per ton f. o. b. at Snelgrove, but as the lower part of my road was nearer Brampton than Snelgrove, and I could get the Hagersville stone delivered in Brampton at G. T. R. station for $1.15 per ton f. o. b. I concluded to take the stone from the Hagersville Co. as what I paid more for it in Snelgrove would balance up with the lower price paid in Brampton, besides I found the stone was a harder quality and would be more lasting.

The width of the macadam roadway is nine feet wide and ten inches deep.

I have placed concrete tile culverts opposite farm entrances and crock tile for village entrances. There is two 24-inch culverts and two 18-inch culverts, two 12-inch culverts and one 14-inch culvert across the roadway, the total cost of concrete, crock and tile culverts is $263.00.

Our examination in conjunction with the County Engineer, Mr. Wheelock, we examined an old stone arch bridge on lot 13, and found the walls undermined and cracked, we decided to build a new concrete arch bridge 10 feet opening. He drew plans and specifications for same. We let the contract to John Patterson at $7.00 per cubic yard. He to remove the old bridge and do all excavating and put in the steel re-inforcing. Total cost of arch bridge is as follows :

To Jno Patterson, 51⅓ cubic yds. at $7.00 per yard	$359 33
J. A. Henderson for steel rods	35 85
To Harvey Lansdell, fixing rods	15 00
Higgins & Large, for guards	41 16
Total	$451 34

The following payments on Centre Road for labor and teams :

June	$ 610 90
July	1017 55
August	980 62
September	1019 80
Freight on stone and demurrage on two cars	1275 88
Stone from Hagersville 3740 tons	4030 78
To Toronto Twp. for stone left over at Brampton..	15 25
Stone from the Shaw Quarries, 600 tons	750 00
Coal for road roller, 15 tons, 180 lbs. at $5.75 ton	86 55
Peaker & Son, for tools	10 88
Peaker & Son, for axle grease, oil, etc	29 53
Albert Thomson for tool box, etc	4 25
J. Jones, blacksmith's bill repairs	11 40
Repairs to road roller	13 15
H. Conover, for cedar posts	10 00
Total	$9866 54

On County Roads south of Brampton :

Labor and grading	$127 00
Freight on stone G.T.R.	53 30
Stone, got from Hagersville, 164 tons	82 10
Eight concrete tile, 12 in., for W. Dale's entrance	8 00
H. Conover, for cedar posts	1 00
Total	$271 40

I also made improvements on No. 5 side road, west, from the 3rd to the 4th concession ; also from the 5th to 6th concession, which I found to be in very bad condition. I got the County Engineer, Mr. Wheelock, to stake out the road and define the width ; he also took measurements for a large culvert near Springbrook, 33 feet long, 6 feet opening ; and also a bridge between the second and third concessions, west, 10 feet span, of which he drew plans and specifications for. I also had a retaining wall built at the Huttonville large steel bridge, on the east corner, of concrete 30 feet long, where the River was likely to wash behind the abutment.

The total cost of building the large culvert at Springbrook was

22½ cubic yards in abutment at $5.50 per cubic yd.	$123 75
And for 239 square feet of floor at 25c. per square ft.	59 75
And for I Beams	14 85
Total	$198 35

The total cost of building bridge was

32 cubic yds. in abutments at $5.50 per cubic yd.....$176 00
224 square ft. in floor at 25c. per square foot..... 56 00
And for I Beams and expanded metal..... 39 36
And for 2-in gas pipe guards with globe joints 39 20

Total.....$310 56

The total cost of building the retaining wall was

25 cubic yards at $5.50 per cubic yard $137 50
8 concrete tile 18 inches at $1.50 each..... 12 00

Also for labor and grading on No. 5 side road, west, $359 67.

Also to Ted Dodds for filling sink hole on 17 side road, first concession east. Total cost $30.00.

Also to James Bovaird for placing gravel on Centre Road between Brampton and No. 10, $57.50.

Also to J. Pickering for 4 yds. of broken stone placed on road, on second concession east, at $1.40 per yard, $5.60.

Also to Wes. McKenna, for filling holes with gravel between third and fifth concessions east, $6.

Also to T. J. Blain, County Solicitor, for drawing up contracts, etc., in 1908, for commissioners, $30.00.

Also I have paid on order of Commissioners for leveling, snow shoveling, etc., on County Roads, $75.00.

From June 4th until October 8th, I had on all this work sixty-five days' commission at $3.00 per day, $195.00.

All of which is respectfully submitted.

PETER SPEIRS, Commissioner, Chinguacousy.

Report of Work Done on County Roads in Toronto Township, 1909, on Centre Road

To the Warden and Council of the County of Peel:

Gentlemen: Owing to lateness of season in which we ceased operations of work last year and also on account of so much new filling the macadam became displaced or rutted.

I therefore procured from the Hagersville Stone Co. four cars of stone to make necessary repairs and extended the macadam about (300 ft) at a cost of:

Pay list for May and June	$223 55
Hagersville Stone Co	72 00
Grand Trunk Co., freight	94 93
D. Pratley, for one slide platform	3 60
W. G. Russell, as per bill	1 60
J. D. Treanor, for tile as per bill	4 80
Noble, building two culverts and supplies	7 50
Brampton Coal Company, one ton coal delivered	7 00
Peaker & Son, oil and supplies for roller	4 65
Waldie Steen, right of way for water	15 00
	$434 63

The removal of outfit to Dundas St. is included in pay list.

I also had two concrete culverts built, one opposite lot 6, with a 6 ft. waterway and 8 ft. over all, with wing walls; also one opposite lot 8, plans the same, only 6 ft. 3 in. over all.

Engineer Wheelock drew plans and specifications. Tenders were asked for. Thos. Aikins being lowest tender, said tender was accepted.

The following payments have been recommended by Commissioner:

To Thos. Aikins, contract price	$305 00
Thos. Aikins, grading approaches, 5½ days	30 25
Thos. Aikins, drawing guard railing and beams	2 00
McGregor and McIntyre, steel beams	27 30
Robinson and Armstrong, guard railing	36 00
Robinson and Armstrong, expanded metal	10 92

Report of Thos. Quinn re. County Roads in Caledon

To the Warden and Council of the County of Peel :

Gentlemen : The following is a general statement of the good roads expenditure for the Township of Caledon for the year 1909 :

Opposite lots 7, 8 and 9, three-quarters of a mile was graded and metaled with gravel.

On lots 14 and 15, 120 rods running south from the Village of Charleston, was metaled with gravel ; one cement tile culvert was put in on this piece of road, and a cement concrete arch built at " Harris's Creek," opposite lot 14. The arch is a 36 foot span over all and is reinforced with four rows of iron rods, two rows over the span and two across the span, the railing is 2-in. gas pipe.

From lots 15 to 24, running north from the Village of Caledon, three miles of road, which was graded last year, were metaled with gravel. This is a continuation of the piece of road, which was completed last year.

The gravel cost about 71c. per yard delivered on the road, the average length of haul was about one mile.

Cost of work opposite lots 7, 8 and 9—Grading		$ 136 45
Metaling		131 20
		$267 65
Costs of lots 14 and 15, metaling	$130 00	
tile	11 75	
		$141 75
Cost of Arch	$458 56	
Steel	61 50	
Railing	48 00	
Approaches	58 50	
		$626 56

The total amount expended in Caledon for good roads in 1909, $5050.17. A detailed statement will be made out at once and forwarded to the Treasurer to be passed at the January meeting of the County Council. The Treasurers' Statement shows a balance to the credit of Caledon for good roads at this date of $8062.

All of which is respectfully submitted.

THOS. QUINN.

Deducting Receipts from Disbursements will leave a balance chargeable for maintenance of	$2092 75

Total names on Registrar, 40 ; average in the House for the year, 29 ; average cost per inmate for year $72.16 ; average per week, $1.39 ; average per day, 19c.

To find the true cost of maintenance as is done in all public institutions, I have taken the total accounts passed by the Committee for provisions, clothing, &c., and added $100 milk, butter, vegetables etc., grown on farm and consumed in the home, making a total of $920 66, being for the year per inmate of $31.87, or 8¾c. per inmate per day, all of which is respectfully submitted,

JAMES JOHNSTON, Keeper.

January 25th, 1910.

House of Refuge, Physician's Report

To the Warden and Council of the County of Peel :

Gentlemen : During the year 1909, I made 59 visits to the House of Refuge, and gave medicine in 429 cases. There were six (6) deaths, the names, ages, dates and cases being as follows :

1. Frank McAdam, age 69, died on May 26, from pulmonary tuberculosis.

2. Margaret Eckleton, age 78, died on June 4th, from general debility.

3 Thomas Whitehouse, age 86, died Sept. 4th, from old age.

4. Robert Geddes, age 86, died Oct. 17th, from congestion of the lungs.

5. John Miller, age 79, died on October 20th, from paralysis of the brain.

6. James Trueman, age 98, died Dec. 10th, from paralysis of the brain.

Of those who died two were from Caledon, one from Chinguacousy, two from Toronto Township, and one from the County of Halton, the latter had reached the great age of 98 years, was totally blind and had suffered a stroke of paralysis before admission. The average age of those who died was 82 2-3 years, and when we consider there was only one death for each of the two previous years, and the advanced age attained the death rate is still below the average.

One of the most common diseases from which the inmates have suffered was bronchitis, most of the cases being of a chronic type—indigestion and heart weakness were also common.

There was an unusually large number (7) of cases of varicose, ulcer of the leg, some of them being very severe and intractable. All have healed except one, an Indian woman, in whom the ulcers have healed up twice and then broken out again through neglect of proper precautions.

I look forward confidently to the completion of the present building operations, which furnishing improved and increased accommodation, will give us better facilites for treating the sick and maintaining the health of the inmates.

Respectfully submitted.

C. Y. MOORE, Physician.

Brampton, Jan. 25th, 1910.

Report of Special Committee Appointed to Join with the Delegates to Interview the Ontario Government, re Increasing the Grants to the Good Roads System from 1/3 to 1/2

To the Warden and Council of the County of Peel:

Gentlemen: Your Committee beg leave to report as follows:

We met the delegates at the Council Chamber of the County of York.

The President and Secretary of the Ontario Motor League addressed the meeting offering to supplement the Government grant towards the annual meeting of the "Ontario Good Roads Association" by at least $500.00 in order to make it a National Convention and to be able to have the most prominent experts on good roads in America present to read papers on good road making. We accepted the offer.

Many delegates addressed the meeting, among the number being the Warden of the County of Lanark. This County has completed the good roads system and they have been a success, increasing the value of farms and promoting more carting of produce, but their mistake was not making these roads good enough.

After considering the question in all its phases and appointing the speakers to address the Hon. Dr. Reaume, the meeting adjourned until 10 a.m. next morning to meet at the Parliament Buildings.

The speakers appointed gave some splendid addresses, showing that in England, France, Switzerland and many states in America, in fact where ever good roads existed, the Government gave at least 50% towards the cost of said roads and in many cases a greater portion.

The Hon. Minister of Public Works promised to bring the matter up in Council but pointed out the vast cost of the work.

The Hon., the Provincial Treasurer pointed out that the two most important issues before the farmers today was drainage and good roads.

The extra 16⅔ per cent we were asking for meant seven million dollars to the Province and that was too much money to be decided in a moment.

The Premier while empasizing the importance of good roads said that the expenditure of so much money was at the present moment unthinkable, but if the revenue of the Province kept increasing as it has

been doing in the past, something might be done and he finished by saying. "We will go to our utmost ability as reasonable men to meet your wishes without hampering the Province."

All of which is respectfully submitted.

JAMES JACKSON
PETER SPEIRS } Delegates.

Report of Commissioner on County Roads for Chinguacousy Township

To the Warden and Council of the County of Peel :

Gentlemen : Your Commissioner received a bill of $26.25 from Peaker & Son for supplies to road roller ordered by Mr. Pickering and certified to by Mr. Moran for the year 1908.

And an account from J. T. Smith for one day's work, cleaning and stripping road roller when season's work was done in 1909, $2.50.

A bill from the Irvine Lumber & Fuel Co., per R. E. Heggie for $3 for plank and posts for County Roads in Chinguacousy.

An account from John T. Lyons for $2.00 for opening a ditch on County Road, Chinguacousy.

Your Commissioner recommends the Treasurer to pay the same and charge to the Chinguacousy account on County Roads.

Also an account from C. A. Irvine of $9 for lumber, to be charged to the Chinguacousy County road account.

All of which is respectfully submitted.

JOHN NEWHOUSE, Commissioner.

(Adopted) PETER SPEIRS, Warden.

Brampton, Feb. 2, 1910.

First Report of Standing Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel :

Gentlemen : Your committee had before them the following communications, bills, etc., and viz, a communication from the Deputy Minister of Public Works which we recommend to be read over again in committee.

From the Ontario Good Roads Association stating that the annual meeting of the Association will be held in the York County Council Chambers, Toronto, on the 23rd and 24th of March next.

Your committee recommends that a donation of $10 be granted and that Messrs. Lush, Newhouse, Smeaton, Beck and Moffatt be delegates to said convention.

From W. J. Galbraith, P. S. Inspector, re repairs to his office. Your committee recommends that the Inspector's requirements be referred to County Property Commissioners.

Your committee recommends that the Physician's Report re House of Refuge be accepted.

Your committee recommend that the report of the Keeper of the House of Refuge be referred to a committee of the whole.

Your committee received the account of Higgins & Large for $28.85 and Joseph Townsend's $2.50 for post on town line and Credit bridge, both of which we recommend to be paid.

Your committee would recommend that Messrs. Beck, Julian and the Warden be appointed commissioners on County Property.

From the engineer of Boiler Inspection and Insurance Company of Canada giving report on the heating system in Court House. He states that everything is in good condition and the general care and management to be quite satisfactory.

All of which is respectfully submitted.

J. G. JULIAN, Chairman.

January 28th, 1910.

(Adopted) PETER SPEIRS, Warden.

First Report of Standing Committee on Education

To the Warden aud Council of the County of Peel :

Gentlemen : Your Committee begs leave to report as follows :

1. Your Commiqtee recommend that John H. Ferguson be appointed on the Board of Trustees of Brampton High School and M. A. Stewart, Esq., to be appointed on the High School Board of Streetsville.

2. Your Committee has before them the accounts of Orangeville High School claiming pay for maintenance of Peel County pupils at their school in 1909. Your committee recommend that the Treasurer be instructed to pay the claim of Orangeville High School $228.78, it being correct.

3. We had a statement from the Brampton High School for the last three years. They claim, by section 34 of the High School Act, the sum of $2500 for the year 1910. We would recommend that this amount be paid by our Treasurer quarterly in advance.

4. We also had a communication from the Treasurer of High School Board of Streetsville claiming $1476.93. We would recommend that the same agreement as formerly exists be arranged, namely $1304.80 a year for the next three years.

5. We also had a communication from W. J. Fenton, Esq., Principal of the Brampton High School Staff showing the standing that the pupils took last examination. We would reccommend that the communication be filed.

6. We also had a communication from W. J. Galbraith, Public School Inspector, asking to have a stated sum set aside for the purchase of postage, stationery and printing. We would recommend that no action be taken.

7. We also had a Deputation from Bolton asking for a portion of the Township of Albion set aside to help to maintain a Continuation Class Grade B.; also a deputation in opposition to it. We would recommend that the matter be referred to a committee of the whole.

8. (Clause added in Committee of the whole). That Messrs McBride, Egan and Moffatt be a committee to set aside a certain portion of Albion and Bolton for the purpose of an Urban Continuation Class Grade B. and report at our next meeting.

All of which is respectfully submitted.

THOS. L. KENNEDY, Chairman.

First Report of Committee on Miscellaneous Matters

To the Warden and Council of the County of Peel :

Gentlemen : Your committee has had before them the following communications :

1st. A resolution re steam rollers which we beg leave to refer to the whole council. (Council in committee adoped resolution.)

2nd. A communication from the "Farm Press". We recommend that no action be taken.

3rd. A communication from the National Sanitarium Association. We recommend that no action be taken.

All of which is respectfully submitted.

S. A. EGAN, Chairman.

Brampton, January 28th, 1910.

First Report of Standing Committeee on Finance

To the Warden and Council of the County of Peel :

Gentlemen : The accounts as below have been vouched for by the various officials in the County Building and your committee recommend payment of same.

John McMurchy, 6 lamps	$ 1 20
Bain & Cubett, receipt book	9 80
Peaker & Son, sundries	10 70
Thos. Thauburn, sundries	19 25
T. H. Shields	5 35

As worthy recipients of your favor for a grant we would suggest and recommend :

The Sick Children's Hospital	$30 00
Peel Farmer's Institute	75 00

With regard to the Prisoners Aid Association, the Salvation Army

and Malton Agricultural Society, asking this Council to make them a grant, we cannot do other than refer back for your consideration.

In committee of the whole Malton Agri. Society was voted $25.00.

R. Parson's tender for beef at 7c. per pound for gaol for 1910 and for House of Refuge for term required, and Jas. Golding's Estate tender for bread at 3c. per pound, we think reasonable and advise acceptance.

To W. H. McFadden's request for 6 pair of handcuffs for constables, would recommend that the Clerk be asked to obtain catalogue, if possible, and price list from the sellers of these ornamental articles and submit the same to your committee for consideration at the next meeting of this Council.

Dominion Bank : The request from the Brampton manager of this bank asking this Council to transfer our account over to them because of being able to give us more advantageous rates, we think is a matter upon which the whole Council ought to act.

Treasurer's Report : As you all know this important document with the financial statements it contains will be printed in the annual minutes. As they explained themselves we think it unnecessary on our part to call your attention to anything more than the recommendation made by the treasurer in regard to the insurance of the House of Refuge. Your committee's opinion is that the suggestions offered by the treasurer to have the present Insurance Policies cancelled and rebates collected and that the united Counties of Peel and Halton reinsure the buildings at the amount agreed upon by the respective Councils, is a good one. We recommend that the same be done.

Treasurer's Request : For raise of salary to $900 per year. This matter was considered throughout last year as most of you know, and at the request of the treasurer in the November Session was left over until the present council assembled and now on account of the new members in the Council your committee are of the opinion that the whole council ought to deal with this important matter and would refer it back for your consideration.

All of which is respectfully submitted.

F. W. MORGAN, Chairman.

First Report of Commissioner on County Bridges for the Northerly Part of Chinguacousy.

To the Warden and Council of the County of Peel:

Gentlemen: Your Commissioner would turn your attention to the fact, that last year your Commissioner met with a Commissioner from the County of Halton, at a bridge on west town line at Terra Cotta, and decided to strengthen the bridge when the river was frozen over.

Your Commissioner would recommend that he be instructed to attend to the matter.

Your Commissioner also instructed Jos. Townsend to repair the railing of same bridge, which he has done. Peel's portion of the cost is $2.50.

All of which is respectfully submitted.

Report of Committee to Interview the Minister of Public Works

To the Warden and Council of the County of Peel:

Gentlemen: Yeur Committeee to interview the Minister of Public Works, beg leave to report as follows:

The Debenture By-law re Good Roads System, will have to be levied over the whole County, and Townships interested cannot raise the money themselves.

Further—towns and villages can avail themselves of a grant from County Council for road purposes.

The Minister pointed out that other counties are in our position and

promised to bring the matter up in Council and to thrash the matter out with his colleagues.

All of which is respectfully submitted.

Together with the Warden I met the Commissioners of the County of York re. Lake Shore Bridge.

We accepted the tender of O. L. Hicks for painting the bridge at $103.72.

Later on at advice of our County Engineer, we had new steel joist placed on both ends of the bridge and some new plank placed on the floor.

I would recommend the Treasurer pay one-half the payments to the Treasurer of the Co. of York.

McGregor & McIntyre, steel joist		$130 00
O. L. Hicks, painting	$103 72	
Replacing joist	37 10	140 82
W. H. Johnston, plank, etc		27 01
		$297 83

I would recommend payment of the following Commission :

F. J. Jackson, 1 day	$3 00
T. L. Kennedy, 3 days	9 00
	$12 00

All of which is respectfully submitted.

THOS. L. KENNEDY, Commissioner.

Second Report of Mr. Kennedy, Commissioner on County Bridges for East Half of Toronto Township.

To the Warden aud Council of the County of Peel :

Gentlemen · Your Commissioner for the east half of Toronto Township, begs leave to report as follows, viz ·

On the 9th ot March I met Mr. Nixon, the operating engineer of the Dominion Railway Board, at Port Credit subway on Hurontario Street.

On March 16th I met Mr. Mountain, Construction Engineer of the Railway Board, and Mr. Cousins, Engineer of the G.T.R. The G.T.R. ad-

vocated closing up Hurontario Street, and constructing a subway 1320 feet west, which we refused to entertain.

On March 22nd, together with the County Solicitor, I attended the sitting of the Dominion Railway Board, at Toronto, and had the case adjourned so as to formally notify the County Council.

On May 19th your Committee attended the Board Meeting in Toronto, when a watchman was ordered to be placed at the crossing from the hour of 7 a.m. to 7 p.m. and the County to bear 20% of the cost.

I would recommend that the Treasurer pay to the G.T.R. 20% of the cost of a watchman from May 25th, 1910, the Watchman to receive $1.35 a day.

I would also recommend the following commissions be paid:

T. L. Kennedy, 2 days	$6 00
" " 1 day at Toronto ..	4 50
J. A. McBride, 1 day at Toronto ..	5 00
S. A. Egan, 1 day at Toronto.....	5 00
P. Speirs, 1 day at Toronto	5 00

All of which is respectfully submitted.

Report of W. F. Morgan, a Delegate to The Good Roads Convention, Held in Toronto March 2nd, 3rd, and 4th, 1910

Streetsville, Ontario, 15th June, 1910.

To the Warden and Council of the County of Peel:

As numerous reports of this Convention have been published in the daily and weekly press and as nearly every member of the County Council was there, I will make no attempt towards a detailed report.

One of the first things I noticed was the unanimous and harmonious feeling of all the delegates and speakers on the all important question of good roads, no two opinions seemed to prevail. Good roads were to them the means to be used in developing and enlarging our

country more than any other thing. Every commodity pays what is called a wheel tax, because practically nothing is now consumed in the place where it is produced, therefore back of every reason for increased cost of living, lies in some form or other the question of transportion.

United States Government reports show that improved highways inevitably result in a diversion of population back to agricultural pursuits and that conversely a continuance of bad roads results in a diminution of population.

The business of the Good Roads Association is to arouse the people to the need of good roads. If you could get all the people to attend a convention of this kind once a year, how long do you think it would be before we should have good roads. One of the speakers said that to him the indifference of the people was a mystery which he could not understand.

It was now about ten years since the Government began to set aside a million dollars for good roads and in that time out of about 38 Counties in Ontario that might have qualified for the $\frac{1}{3}$ grant, only about 16 have availed themselves of it. He said that in New York State the Municipalities were tumbling over each other in an effort to obtain all the benefits they could from the different grants and that they were thoroughly in earnest about good roads, State roads, County roads and Township roads. The speaker said it made up their complete system for the State roads. The Government set aside certain main roads which they constructed and maintained entirely.

The next class selected was the leading County roads which were maintained partly by the Government and partly by the County. The Township roads were maintained by all three: Government, County and Township. He said that the cities were by far the largest contributors towards the good roads fund and that Buffalo alone had spent a million dollars on good roads within a 25 mile radius of the city.

Men are as skeptical at this period of the World's History as they have ever been. Something must be done to arouse the interest of the people in this County and to educate them up to the fact that good roads are a paying investment.

I think the Government could do a little more missionary work along this line than it has been doing and that probably the most effective way to do this would be to establish Government roads in each County which would be built and maintained by the Government.

Practical examples of this kind should be very convincing to the people and ought to awaken them to the fact that they need good roads. It seems rather a strange anology that good roads in the County have

largely emenated from men in the towns and cities, but so it is, a few rush in where angels dare not tread.

The automobile question he thought was an important one and it was his opinion that nearly all the trouble could be traced to five per cent of hogs on both sides. The rest of the people used common sense and had very little trouble. Can you imagine anything more foolish than the way some drivers act when an automobile appears on the scene, he at once alarms the horse by his grasping and tightening the reins and in the majority of cases when they meet an automobile out comes the whip and from the way it is administered to the poor horse, you can scarcely wonder that the next time it sees an auto it makes trouble.

It was pointed out that in order to have continued good roads you must not only construct, but you must be continually on the alert to maintain and keep them in repair. It will not do to build good roads and then neglect them. Constant attention is necessary.

Much more could be added on the proper way to construct bridges, culverts, etc., but as I presume other members of the committee will deal with these matters in a more able manner than I can, and as this report is now of considerable length I will close.

You Committee recommended that the following delegates, Messrs. Newhouse, Beck, Moffatt, Lush, Smeaton and Morgan, receive $10.00 each for three days' attendance at Good Roads Convention.

All of which is respectfully submitted.

F. W. MORGAN.

Report of Committee re. Issuing Debentures and Adding More Mileage to the County Road System

To the Warden and Council of the County of Peel :

Gentlemen : I have had several interviews with Mr. McLean, Engineer of Public Works, Mr. Fairbairn, Deputy Minister of Public Works and Dr. Reaume, Minister of Public Works.

After much discussion and estimates of the cost of completion of County Road System, by C. R. Wheelock, C.E., our engineer, the Minister

of Public Works promised to pay us one-third the cost of construction of all county roads until the Engineer of Public Highways reported them finished,

The continuation of the Lake Shore Road for 3½ miles, westward, as a county road, was authorized by the Lieut.-Governor-in-Council, and the Government, will pay one-third of an estimated cost of work of $12,000.00, as the work progresses.

I recommend the Warden and Treasurer to advertise the Debentures for sale, the tenders to be opened June 15th at 2 p.m.

I would recommend the following commissions to be paid :

T. L. Kennedy, 5 days, and mileage to Toronto....$22 50
Peter Speirs, 1 day, and mileage to Toronto .....$ 5 00
S. A. Egan, 1 day, and mileage to Toronto..... 5 00

All of which is respectfully submitted.

Second Report of Education Committee

To the Warden and Council of the County of Peel :

Gentlemen : We had before us the annual report of the Public School Inspector; we would recommend that it be published in the Minutes.

We have before us a petition from some ratepayers from Toronto Township, asking that a new School Section be formed at Lorne Park.

We would recommend that this matter be left to arbitration and that Wm. Couse, of Streetsville, be the County arbitrator.

We had also a communication from the Bolton Urban School Board, asking that No. 1 Union Section, Albion, be included in the territory set aside for Urban School Purposes.

We would recommend that the by-law be amended by including

No. 1 Union School Section, in said section, and all ratepayers within the territory set aside that are assessed for Separate School purposes.

All of which is respectfully submitted.

Report of Public School Inspector.

The Warden and Members, County Council, County of Peel:

Gentlemen: I have the honor to submit for your consideration, my first report of the Public Schools of the Inspectorate of Peel. Owing to the fact that I assumed office when the year was nearly at a close, I have

had but little opportunity for ascertaining by personal observation, the condition of the Public Schools of the County, however in the schools I had the privelege of visiting, I am pleased to be in a position to say that I found generally, a very satisfactory state of affairs. The teachers were enthusiastic in endeavoring to promote the best interests of the pupils, who by their deportment and interest in their work showed an appreciation of the teachers' efforts.

I wish particularly to call your attention to an amendment of the Assessment Act in 1908, which says:

29 (1.) The assessors of every municipality shall enter in a book to be provided by the clerk of the municipality in the Form set forth in Schedule " C " to this Act, the name, age, and residence of every child between the ages of eight and fourteen resident in the municipality, the name and residence of such child's parent or guardian is a Public School, or Separate School supporter, and shall return the said book to the clerk of the municipality with the assessment roll, for the use of the truant officer and others.

(2). It shall be the duty of the clerk of the municipality to send to office of the Minister of Education, as soon as he has received the said book, a statement showing the aggregate number of children between the ages of eight and fourteen years.

(30.) The assessors of every municipality shall make an annual census of all the children in the municipality between the ages of five and sixteen years, and between the ages of five and twenty-one years. The clerk shall report such census to the public school inspector and to the secretary of the board of education or trustees. In the case of townships the clerk shall report to the inspector of the division and to the secretary of each school section.

It would appear that some of the clerks neglected to provide the necessary books and in consequence the assessors failed to make the required census. I am calling the attention of the various clerks to the above amendment and hope that another year there will be no difficulty in obtaining the necessary information. I take this opportunity of extending my thanks to the Teachers and Trustees who have, at considerable inconvenience to themselves, secured for me the required data for my report to the Minister of Education.

You will see from the following table that the percentage of the average to the aggregate attendance is not very high. No doubt the condition of the roads at certain seasons of the year is such as to make the attendance at school almost impossible to the younger pupils. Every teacher of experience however short, knows full well that irregularity of attendance is the greatest barrier to progress met with ; not only does it prevent the irregular pupil from advancing but also the pupil who is in

his place every day. Parents should, in as far as lies in their power, place no obstacle in the path of advancement of their children. The greatest care should be taken that a distaste for school life should not be cultivated in the pupils

In summing up the number of teachers according to the certificates held by each, it is found that the percentage of teachers, with first-class certificates, is less than one-half of the whole province in the year 1907, but on the other hand these with second class exceed the same class in the same year by more than 17%, while the third class certificates fall below those of the province by 13%, a most gratifying condition.

In several cases trustees have found it impossible to secure the services of teachers holding second class certificates, and in a few sections the trustees have not been able, even after repeated advertising, to get applications from legally qualified teachers. In consequence of the scarcity of teachers, and to prevent undesirable changes, I have been called upon to recommend to the Minister of Education the renewal of expiring third class certificates and the granting of temporary certificates where legally qualified teachers could not be obtained. Of the latter, however, there is only a very limited number. Until the supply of Public School Teachers exceeds the demand, there will continue to be a difficulty in securing good teachers at the close of the autumn term. Trustees therefore should, where at all possible, make the necessary changes at midsummer, when there is always a supply fresh from the Normal Schools. There are, it is true, a few model schools from which graduate teachers in December, but it must be remembered that it is not the intention of the

Education Department that such teachers should come into competition with teachers who have spent their time and money in better fitting themselves for their work by attending one of the Normal Schools where they are instructed in the most improved educational methods. The few model schools that have been retained are engaged in preparing teachers for the newer and poorer portions of the province, and in future no recommendations to validate a District Certificate will be made until proof of having failed to secure a teacher with a Second Class professional certificate has been submitted. Only a few of the forty teachers now teaching on a Third Class Certificate will be allowed to teach after the midsummer vacation. Trustees are therefore warned to advertise early offering a fair salary for a second class teacher.

In concluding I wish to make an appeal to the trustees for their support and co-operation in increasing the efficiency of the schools of the County. Many of the teachers are young and with comparatively little experience and require all the support and encouragement that can be given them, and from whom is that to come if not from the trustees who are the custodians of the educational interests of the section? By the support given the teacher the pupils should be taught to respect his authority and by Trustees' visits as frequent as circumstances will permit they should show that an interest is taken in their education. Are Trustees not doing all that can be reasonably expected of them in this direction it might be asked? Let us return to the annual reports for an answer. There are seventy-five rural schools in the County with two hundred and twenty-five Trustees and I find that during the year forty-six visits have been made. Six Trustees in Bolton made two visits and in Streetsville the same number made the same number of visits. In Brampton there are eight Trustees and the Report shows that they made no less than two hundred visits. There can be no doubt in the minds of thoughtful men, but that these visits had a salutary effect on the schools. I hope that the Trustees in the rural sections will make an effort during the coming year of showing their interest in the educational welfare of the young people of the section, by appearing more frequently in the school rooms, encouraging by their presence both teacher and pupils to renewed efforts. Much good also may be effected by making the school attractive, and this can be accomplished with the expenditure of a little time and money. The school grounds should be put in such condition that games may be taken part in and that the physical education may not be neglected. A taste for landscape gardening may be fostered by so preparing a portion of the grounds that flower beds may be planted and an opportunity given to study plant growth. The study of nature is calculated to develop the powers of observation on the young minds and every opportunity should be afforded of educating all the faculties of the child so that he may grow up to the best type of manhood.

I have the honor to be, gentlemen,
Your obedient servant,
W. J. GALBRAITH, P S. Inspector.

Third Report of Standing Committee on Education

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee beg leave to report as follows :

1. We have a claim from the Collingwood Collegiate Institute for $10.84, for attendance of a pupil at their Institute from Peel, we would recommend that the claim be paid.

2. We have a communication from the Bolton Urban Continuation Class, notifying us that the class is open for pupils from Peel County. We would recommend that the Communication be filed with the Clerk.

3. We have an account from the Public School Inspector for $40.50 for postage during the past year we would recommend that this account be paid.

4. We also have a communication from the Clerk of the Township of Albion enclosing a resolution asking this Council to dissolve the Bolton Urban School District. Your Committee would recommend that matter be refered to the whole Council. It was resolved in Council that a Committee composed of the County Educational Committee, together with Messrs. Moffat and Egan, report at next meeting of this Council re. dissolving the Bolton Inter Urban School Section.

5. We have also a communication from the Clerk of the County of Carleton asking us to memoralize the Local Government to amend the Public School Act. We recommend that this be done.

All of which is respectfully submitted.

THOS. L. KENNEDY, Chairman.

Engineer's Report on Churchville Bridge

To the Warden and Council of the County of Peel :

Gentlemen : In accordance with instructions received I have made an examination of the County bridge over the River Credit at Churchville, and also looked over the proposed new road and new site for said bridge and beg to report as follows :

The bridge is made up of a main span of 80 ft. with two short spans added at the north westerly end, making a total span of 114 ft. The main span is covered by a truss bridge made of timber, reinforced with iron rods, commonly called a Grafton truss.

The timber of this span seems to be sound and it is in a fair state of repair, but I would say that it is not designed to carry heavy loads, such as large traction engines, etc. With some small repairs it might be in almost as good shape for carrying light loads as it has ever been. The next span is a single truss timber span of 22 ft. This span is in a dangerous condition and requires an entirely new superstructure.

The last span is 12 ft. and is made with timber stringers. Some of the timber in this span is rotted and it requires considerable repairs. A new superstructure is almost necessary, but it could be repaired to last a few years.

The place where this bridge crosses the river is not a good site for a bridge as the water approaches on an angle and makes it necessary to increase the length of span than would otherwise be required, and also to maintain quite a long breakwater at the south-easterly corner of the bridge.

I understand the Council of Toronto Township has offered to buy the right of way, build and maintain the new road, which will be necessary if the bridge is changed from the present site to the proposed new site further down the river, also to build the approach to the westerly side of the bridge and to pay all damages which may result from the changes of the bridge and roadway. The proposed change would not increase the length of the main roads to any extent, but to reach some places on the village streets from the south, there would be a small increase in the distance. However, if Toronto Township Council undertakes to make satisfactory arrangements respecting these matters, I suppose it will not be necessary for the County Council to consider them and it would seem that the matter simmers down to two questions. 1st. As to whether it is thought advisable to build a new bridge or to repair the old one ? 2nd. If a new bridge is to be built will it be advantageous to the County to change the site as proposed.

I have already given you the particulars respecting the condition of the old bridge and I consider that you are in a better position to know whether or not it is advisable for you to undertake the building of the new bridge at the present time.

If you decide to build the new bridge, I do not consider that it be at all against the interest of the County to change the site. At the proposed new site the bridge would be at right angles to the stream and therefore the span could be reduced from 114 ft. to 90 ft., which I consider would be ample. If a steel bridge is to be built at the old site, new abutments and breakwaters will be necessary. At the new site breakwaters will not be required and the abutments should not cost more than if built at the old site.

My estimate of the cost for a new steel bridge, (90 ft. span and 14 ft. roadway,) cement concrete abutments and floor and filling in the easterly approach, is as follows:

Steel superstructure	$1800 00
Floor	315 00
Abutments	1000 00
Approach (east side)	100 00
Total	$3215 00

Your obedient servant.

C. R. WHEELOCK, County Engineer.

BY-LAWS

BY-LAW NO. 373

To Provide for the Sale of a Half Interest in House of Refuge Including Improvements and Additions

Whereas the Council of the Corporation of the County of Halton has expressed a desire to purchase a half interest in the House of Refuge of the County of Peel.

And whereas the Council of the Corporation of the County of Peel has expressed a willingness to sell a half interest at a valuation agreed upon by a representative from each of the said Counties.

And whereas Mr. James Jackson, representing the County of Peel, and Mr. E. F. Earl, representing the County of Halton, have agreed that Eighteen Thousand, Six Hundred and Thirty-Five Dollars and Fifty Cents ($18,635.50) would be a fair valuation for the property, known as the County of Peel House of Refuge, including land, buildings and chattels thereon or thereto belonging.

Therefore the Corporation of the County of Peel enacts as follows:

1st. That the County of Peel sell to the County of Halton one half interest in the above described property for the sum of $9,317.75; that each of the aforesaid Counties pay one half of the cost of any necessary additions or improvements that may be made.

2nd. That each of the said Counties of Peel and Halton appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary and also the general management of the said House of Refuge after it becomes jointly occupied.

3rd. That the cost of management and furnishing of the said House of Refuge, to include salaries, light, fuel, bedding and necessary repairs, to be paid in equal proportions, share and share alike by the Counties of Peel and Halton; additional cost of maintenance other than the foregoing, to be paid pro rato, each of the said counties paying for inmates sent therefrom.

4th. That a record be kept of all indigents giving their place of

residence when first admitted and that such indigents shall always be considered as belonging to their County and shall be maintained by the County from which they were originally sent.

Passed this 6th day of July, 1909.

F. J. JACKSON, Warden,

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 374

A By-Law authorizing the Guaranteeing by the County of Peel, Ontario, of the Principal and Interest on Debentures issued by the Village of Streetsville, Ontario, under the authority of By-Law No. 451, amounting in all to $5,500, bearing interest at the rate of 4½ per cent. per annum and repayable in twenty equal annual instalments of Principal and Interest.

Whereas the Corporation of the Village of Streetsville did by By-Law No. 451, finally passed in open Council on the 20th day of July, 1909, authorize the issue of $5,500 of Debentures, said Debentures bearing interest at the rate of 4½ per cent. per annum.

And, whereas, the Corporation of the Village of Streetsville, have petitioned the Council of the County of Peel asking that they guarantee both principal and interest on said Debentures.

Be it therefore enacted as follows, that the Council do hereby guarantee both as to principal and interest the bonds issued by the corporation of the Village of Streetsville, under By-law above recited, and that the Warden and Treasurer be authorized to endorse the County's guarantee on the said Debentures and affix the Corporate Seal of the County thereto.

Done and passed in open Council this 24th day of August, 1909.

D. KIRKWOOD, Co. Clerk.

F. J. JACKSON, Warden.

BY-LAW NO. 375

To Appoint Auditors for the Year 1910

Whereas on third day of December, 1907, the Council of the Corporation of the County of Peel, did pass a By-Law numbered 359, pursuant to section 301 of the Municipal Institutions Act providing for the appointment of Auditors during the month of November or December for the following year, during the continuance of the said By-Law No. 359, and whereas the said By-Law No. 359, is still in force.

Therefore the Corporation of the County of Peel by the Municipal Council thereof, enacts as follows, viz :

1st. That John H. Watson, of Snelgrove P.O., and John D. Gordon, of Brampton, be and they are hereby appointed auditors for the County of Peel for the year 1909.

2nd. That the above named auditors be and they are hereby appointed auditors of school money.

3rd. That each auditor be paid the sum of $25.00 on the order of the Warden, when the work is duly performed.

Passed this 25th day of November, 1909.

F. J. JACKSON, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 376

To erect the unincorporated Village of Palgrave into a Police Village and to provide a plan for holding the first election of Police Trustees and appointing a Returning Officer.

Whereas a petition has been presented to this Corporation from the resident ratepayers and inhabitants of the unincorporated Village of Palgrave, praying that a by-law be passed by this Council to erect the said village into a Police Village.

And, whereas, there is a population exceeding 150 inhabitants within the area proposed by the said petition for the said Police Village, and hereinafter described by metes and bounds, and 46 of the 53 ratepayers within the said area have signed the said petition in compliance with the act and amendments in such cases made and provided.

Therefore the Council of the Corporation of the County of Peel, in Council assembled, enacts as follows :

1st. That the Village of Palgrave comprised within the following bounds and limits, that is to say, all and singular, these certain parcels or tracts of lands and premises, situate, lying and being in the Township of Albion, in the County of Peel, and being composed of the east halves of lots numbers 26 and 27, both in the sixth concession of the said Township of Albion, and the west halves of lots numbers 26 and 27, both in seventh concession of the said Township of Albion.

2nd. And it is further enacted, by the authority aforesaid, that the first nomination for the election of Police Trustees for the said village, shall be held on the 7th day of March, A. D. 1910, between the hours commencing at one o'clock p.m. until two o'clock p. m., in the English Church Hall in the said village In case a poll is demanded the election shall be held on Monday, March 14th, 1910, between the hours of 9 a m. to 5 p m , and that Robert Matson, Esq., shall be, and is hereby appointed returning officer for holding the same, and that the first meeting of the said Trustees shall be held in the English Church Hall, in the said Village of Palgrave on the 21st day of March, A. D. 1910, at the hour of 12 o'clock p.m. That this by-law shall come into force and have effect from and after the passing thereof.

Passed in open Council this 27th day of January, 1910.

D. KIRKWOOD, Co. Clerk.

PETER SPEIRS, Warden,

BY-LAW NO. 377

To Appoint a Board of Audit for the year 1910.

Under and by virtue of Section 530 of the Consolidated Municipal Act of 1903, the Corporation of the County of Peel, by the Council thereof enacts as follows :

1st. That S. A. Egan, of Bolton and Chas. H. Gill, of Dixie, be, and they are hereby appointed, members of the Board of Audit, for the current year.

2nd. That each of the said members of the Board of Audit, be paid the sum of $3.00 for each audit of accounts, together with 10 cents per mile necessarily traveled to attend such audit, and that the Treasurer be and is authorized to pay the same.

Passed this 28th day of January, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 378

To Fix the Salaries of the Treasurer and Clerk of the County of Peel

Whereas the Treasurer and Clerk of the County of Peel have asked the Council for an increase of salary for the following reasons :

First, owing to the increased cost of living, and secondly to the fact that their duties have greatly increased by the House of Refuge and the System of County Road improvement being added since their present salaries were fixed.

And, whereas, this Council deems it right that an increase in salary should be granted :

Therefore the Corporation of the County of Peel by the Municipal Council thereof, enacts as follows .

1st. That the yearly salary of the County Treasurer be and is hereby fixed at Nine Hundred Dollars ($900.00.)

2nd. That the yearly salary of the County Clerk be and is hereby fixed at Four Hundred and Fifty Dollars ($450.00.)

3rd. That the said salaries be paid in four equal quarterly payments payable on the last days of the months of March, June, September and December in each and every year.

This By-law to take effect from and after the first day of January, 1910, that is the first quarterly payment due 31st March, 1910, and that all By-laws or resolutions passed by the Council of the County of Peel

inconsistent with the Provisions of this By-law be and the same are hereby repealed.

Passed this 28th day of January, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 379

To equalize for County Purposes the Assessment of the several Municipalities within the County of Peel.

Whereas, under the provisions of the revised Assessment Act of the Province of Ontario.

Every County Council is required to equalize by by-law the assessment of the several municipalities of the County in order to produce a just relation between them as a basis for County Assessment.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows :

That the equalized assessment of the several municipalities of the County of Peel for the present year, be as in the following schedule embodied herein—

Name of Municipality.	Equalized Assessment.
Albion	$ 1,685,400
Caledon	2,057,263
Chinguacousy	3,980,901
Toronto	3,318,463
Toronto Gore	943,808
Brampton	820,000
Bolton	107,366
Streetsville	110,602
Total	$13,023,803

Passed this 3rd day of February, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, County Clerk.

BY-LAW NO. 380

To form an Urban School District from parts of the Township of Albion and Bolton.

Whereas a Special Committee has set apart a certain portion of the Township of Albion and the Village of Bolton, for an Urban Continuation School District.

Therefore the Corporation of the County of Peel, enacts as follows :

That a District composed of Sections Nos. 1, 2, 3, 4, 5, 6, 10 and 13, and Bolton, lying in the Township of Albion, be set aside to form an Urban Continuation School District.

Passed this 4th day of February, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 381

A By-Law Authorizing the Issue of Debentures of the County of Peel, to the amount of One Hundred Thousand Dollars.

Whereas by an Act entitled " An Act for the Improvement of Public Highways," being 7, Edw. VII, Chapter 16, the sum of One Million Dollars was set apart to be paid out of the Consolidated Revenue fund of the Province of Ontario, to aid in the Improvement of Public Highways, subject to the terms and conditions therein set forth.

And, whereas, it was thought desirable by the County Council of the County of Peel, that the County of Peel should participate in the sum of $1,000,000 set apart by 7, Edward VII, chapter 32, section 1, and for that purpose should adopt a system of County Roads and construct and repair the same in accordance with the regulations of the Public Works Department of the Province of Ontario, with respect to Public Highways as in the said act prescribed.

And, whereas, the Council of the Corporation of the County of Peel

did by By-law passed on the 20th day of June, 1906, designate and assume as County Roads, the following, namely :

(1). Township of Chinguacousy :

Hurontario Street (except that portion within the Municipality of Brampton).

No. 5 Sideroad (except that portion lying within the Municipality of Brampton), including diverge at Huttonville.

No. 27 Sideroad, from Sixth Line East to Sixth Line West, including that portion of road connecting the Fifth and Sixth Concessions West.

No. 17 Sideroad, 1st Concession East and West of Centre Road.

(2). Township of Toronto :

Hurontario Street from Chinguacousy Town Line South to the Lake Shore Road ; the Lake Shore Road East from Port Credit to Town Line of Etobicoke ; Dundas Street from Streetsville Gravel Road East to Summerville.

That portion of First Concession North of Dundas Street from the Centre Road East to the River Etobicoke and on Third Concession Line from Burnhamthorpe North three miles.

(3). Township of Caledon :

No, 15 Sideroad, running from Third Concession Line, west of Hurontario Street, to the Fifth Concession Line East of Hurontario Street.

Hurontario Street, extending from Southerly boundary to the Northerly boundary of the said Township.

(4). Township of Albion :

Beginning at Lot 30, Concession 7, running south along Concession 7 and from Concession 7 West on No. 25 Sideroad 4 miles, and from Bolton to Sandhill on No. 10 Sideroad 5 miles.

(5). Township of Toronto Gore :

No. 5 Sideroad, extending from 6th Concession Line to 9th Concession Line. The 9th Concession Line, commencing at the Indian Line, thence North 14 lots.

And, whereas, the County of Peel, did by By-law Number 351, of County of Peel, passed the third day of April, A.D. 1907, raise the sum

One Hundred Thousand Dollars by the issue of Debentures of the County of Peel, under said By-law No. 351.

And, whereas, the said sum of One Hundred Thousand Dollars, raised as aforesaid under said By-law No. 351, has been expended upon the roads designated by said By-law passed on the twentieth day of June, A.D. 1906.

And, whereas, the expenditure of the said sum of One Hundred Thousand Dollars, as aforesaid, has not been sufficient to construct and complete the roads so designated.

And, whereas, it is desirable that the County of Peel should further participate in the said sum so set apart, as aforesaid, to the amount of One Hundred Thousand Dollars to be applied for the improvement of Public Highways of the County of Peel, as designated and assumed and for the improvement of the other Highways hereby designated and assumed, subject to the terms and conditions of said Act, being 7 Edward VII, Chapter 16.

And, whereas, the County Council of the County of Peel, consider that there should be passed by the County Council of the County of Peel, a By-law re-adopting and re-approving of the said plan for the improvement of public highways throughout the County of Peel, designated and assumed as County Roads by said By-law passed on the twentieth day of June, A. D. 1906, and for the adoption of a plan for the extending of the said plan or system as hereinafter set forth.

And, whereas, it has been found by the County Council of the County of Peel, that it is impracticable to benefit said Townships of Caledon and Albion, equitably by said system of County Public Highways, adopted as aforesaid and hereby adopted.

And, whereas, the County Council of Peel, deem it advisable to compensate said Townships of Caledon and Albion, because of its being impracticable to benefit said townships of Caledon and Albion equitably by said system of County Public Highways, adopted as aforesaid and hereby adopted.

And, whereas, the County Council of the County of Peel, has deemed it advisable to grant said Townships of Caledon and Albion specific sums by way of compensation, pursuant to the provisions of 7 Edw. VII, Chapter 16.

And, whereas, the County Council of the County of Peel, is desirous of granting to the Municipal Corporation of the Town of Brampton, the sum of Six Thousand Two Hundred and niuety-six Dollars, for the purpose of improving that portion of Hurontario Street, in the Town of Brampton, that forms the connection between the different portions of the County Roads heretofore adopted by the County Council of the County

of Peel and also for the purpose of improving that portion of number five sideroad in the Municipality of Brampton that forms the connection between different portions of the County roads heretofore adopted by the County Council of the County of Peel, and also for granting to the Village of Streetsville the sum of Eight Hundred and forty-nine dollars, for the purpose of improving the public highway in the said Village of Streetsville, and for the purpose of granting to the Village of Bolton the sum of Eight Hundred and twenty-four dollars for the purpose of improving the public highways in the Village of Bolton.

And, whereas, in order thereto it will be necessary to issue debentures of the said County of Peel for the sum of One Hundred Thonsand Dollars as hereinafter provided, which said sum of One Hundred Thousand Dollars is the debt intended to be created by this by-law.

And, whereas, it is desirable to make the principal of the said debt payable by yearly sums, during the period of thirty years, being the currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt, shall be as nearly as possible equal to the amount so payable in each of the other twenty-nine years of the said period.

And, whereas, the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest, as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt for such year as shown in the fourth column of Schedule "A" hereto annexed.

And, whereas, the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is thirteen million and twenty-three thousand, eight hundred and three dollars, ($13,023,803.)

And, whereas, the existing debenture debt of the said County is the sum of ninety-four thousand, four hundred and thirty-four dollars and seventeen cents, ($94,434.17) of which no principal or interest is in arrear.

Now therefore the Municipal Corporation of the County of Peel enacts as follows:

(1.) That the plan adopted by the County Council of the County of Peel by by-law passed on the twentieth day of June, A. D., 1906, for the improvement of public highways throughout the County of Peel, be and the same is hereby adopted and approved

(2.) That by reason of its being impracticable to benefit the Townships of Caledon and Albion equitably by the system of County Roads heretofore adopted and by this by-law approved, there shall be set over and transferred out of the debentures to be issued under this by-law by way of compensation therefore to the Township of Caledon, debentures to the amount of fifteen thousand, seven hundred and ninety-six dollars and in like manner to the Township of Albion, debentures to the amount of twelve thousand, nine hundred and forty dollars.

(3.) That there shall be granted to the town of Brampton out of the moneys to be raised by the issue of debentures under and by virtue of this by-law pursuant to the provisions of said Act 7, Edw VII, chapter 16, a grant of the sum of six thousand, two hundred and ninety-six dollars, for the purpose of enabling the Municipality of the Town of Brampton to improve that portion of Hurontario street in the Town of Brampton that forms the connection between different portions of the County roads heretofore adopted by the County Council of the County of Peel, and also for the purpose of improving that portion of No. Five side road, in the Municipality of Brampton that forms the connection between different portions of County roads heretofore adopted by the County Council of the County of Peel, and to the Village of Streetsville there shall be set over and transferred out of the debentures to be issued under this by-law, debentures to the amount of eight hundred and forty-nine, 22-100 dollars, for the purpose of improving the public highways in the Village of Streetsville, and to the Village of Bolton the sum of eight hundred and twenty-four dollars, for the purpose of improving the public highways in the Village of Bolton.

(4.) That the further sum of one hundred thousand dollars shall be expended by the County of Peel in the carrying out of said plan or plans and extension thereof in the improvement of public highways in said County of Peel and for the purpose of raising the said sum, debentures of the said County of Peel, to the amount of one hundred thousand dollars in sums of not less than one hundred dollars each, shall be issued by the County of Peel, and said debentures shall be dated on the day of the issue thereof and shall be payable within thirty years thereafter.

(5.) Each of the said debentures shall be signed by the Warden of the said County and countersigned by the Treasurer and the Clerk of the said County and the Corporate Seal shall be attached thereto.

(6.) The said debt and the debentures issued therefore shall bear interest at the rate of four and a half per cent. per annum from the date thereof and the said debentures both as to principal and interest shall be payable annually, the first payment in one year from the date of the issue at the Merchants Bank at the Town of Brampton and shall have attached to them coupons for payment of said interest which coupons shall be signed by the Warden and Treasurer of the said County of Peel.

7. During the currency of the said debentures there shall be raised annually by special rate on all the rateable property in the County of Peel, the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt as shown in schedule "A" hereto annexed.

(8.) The following is schedule "A" hereinbefore referred to.

Done and passed in open Council this 25th day of February, A. D., 1910.

D. KIRKWOOD, Clerk. PETER SPEIRS, Warden.

BY-LAW NO. 382

To Amend By-Law No. 341

Whereas the Municipal Corporation of the County of Peel, did by By-law No. 341, passed on the 20th day of June, 1906, designate and assume certain Roads in the County of Peel as County Roads;

And, whereas, the Municipal County of the County of Peel, deem it expedient that the roads designated as County roads in Section 2 of said By-law No. 341, should be amended.

Now, therefore, the Municipal Corporation of the County of Peel by the Council thereof, enacts as follows:

That Section 2 of By-law 341, of the Municipal Corporation of the County of Peel, be and the same is hereby amended.

(1) By adding on the Lake Shore Road from Hurontario Street westward three and one-half miles.

(2) The Streetsville Gravel Road from Dundas Street to the Meadowvale sideroad except that portion within the limits of the Corporation of the Village of Streetsville, a measurement of four miles.

This By-law to take effect from and after the assent of the Lieutenant in Council.

Passed this 25th Day of February, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, County Clerk.

BY-LAW NO. 383

A By-law to Appoint a Caretaker for the Court House

Whereas by the death of the late William McConnell, the office of Caretaker of the Court House is now vacant.

And, whereas, it is necessary that an appointment to the position of caretaker be made without delay.

Therefore the Corporation of the County of Peel, by the Council thereof, enacts as follows:

1st. That John Philips, of the Township of Caledon, be and he is hereby appointed Caretaker of the Court House of the County of Peel.

2nd. That he perform the duties as set forth by the rules or by-laws governing the same, and that he receive the yearly salary of $400 00 in four equal quarterly payments of $100.00. Duties to commence 1st July, 1910.

Passed this the 15th day of June, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 384

To Amend Section 10 of Chapter 4 of By-law No. 124

Whereas, by the provision of Section 10, of Chapter 4, of By-law 124 the rate per day allowed to members for services in attending meeting of the County Council was fixed at three dollars, that being the Maximum Statutory allowance.

And, whereas, it has for some time been felt that the said sum of three dollars per day was insufficient to cover expenses and a fair allowance for service.

And, whereas, the Legislature after having considered the increased cost of hotel accommodation and the general increase in amount paid for services of all classes amended the statute leaving it in the power of Municipal Councils to fix their pay per day at any rate not exceeding five dollars and mileage at five cents per mile to and from attending meetings.

Therefore the Corporation of the County of Peel by the Municipal Council thereof, enacts as follows, viz :

That the rate per day allowed members for attendance at the meetings of the County Council be fixed at $5 per day, with ten cents per mile one way for every mile necessarily traveled in attending meetings, and that Section 10, of Chapter 4, of By-law No. 124 be amended accordingly.

This to take effect from and after the 14th day of June, 1910, and that all By-laws and resolutions inconsistent with the above be hereby repealed.

Passed this 17th day of June, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 385

A By-law of the Corporation of the County of Peel to authorize the said Corporation to guarantee the payment of the Debentures Issued, or to be issued, under By-laws Nos. 307, 365 and 366, of the Town of Brampton in the said County.

Whereas the Council of the Corporation of the Town of Brampton on the 15th day of October, 1906, passed by-law No. 307, for the purpose of raising the sum of $26,000 for the construction of a system of sewerage in the Town of Brampton, and authorizing the issue of Debentures for the said sum of $26,000, payable in thirty equal annual instalments, of principal and interest, on the 31st day of December in each of the years 1907 to 1936, both inclusive, with coupons attached thereto, for the payment of the interest thereon, at the rate of 4¼ % per annum, payable annually, on the 31st day of December in each year.

And, whereas, the said Council on the 1st day of November, 1909, passed By-law No. 336, for the purpose of levying upon the property specially benefitted thereby, the portion of the cost, such sewers chargeable against the same, and authorizing the issue of Debentures for the sum of $33,849.18, to pay the said proportion of the cost of said sewers, said Debentures to be payable in thirty equal annual instalments of principal and interest on the 31st day December, in each of the years 1909 to 1938, both inclusive, and to have attached thereto coupons for the payment of the interest thereon at the rate of 4¼ % per annum, payable annually on the 31st day of December in each year.

And, whereas, the said Council, on the first day of November, 1909 passed By-law No. 365, for the purpose of levying upon the property specially benefitted thereby, the proportion of the cost of construction of permanent concrete sidewalks and retaining walls and culverts in connection therewith and authorizing the issue of Debentures for the sum of $15,224.20 to pay the said proportion of cost of said concrete sidewalks, retaining walls and culverts, and also the proportion of the said costs to be borne by the said town of Brampton, the said Debentures to be payable in twenty annual instalments of principal and interest, on the 31st day of December, in each of the years 1909 to 1938, both inclusive, with coupons attached thereto, for the payment of the interest thereon, at the rate of 4¼ per cent. per annum payable annually, on the 31st day of December in each year.

And, whereas, by an act passed by the Legislature of the Province of Ontario, on the 19th day of March, 1910 (10 Edward VII, chapter 109),

it was among other things enacted, that said By-laws Nos. 307, 365 and 366 and all Debentures issued, or to be issued there under, should be confirmed and declared to be legal, valid and binding and the time for issuing the Debentures under By-law No. 307, was extended until the first day of July, 1910, and the Town of Brampton was authorized to pay out of the proceeds thereof any deficiency that may arise upon the sale of Debentures under By-law No. 366.

And, whereas, the Town of Brampton proposes to issue Debentures for the sum of $24,608.93, under said By-law No. 307 and for the sum of $33,271.53 under said By-law No. 366, and for the sum of $14,726.07 under said By-law No. 365, the said Debentures to bear date the first day of June, 1910, to bear interest at the rate of 4¼ per cent. and to be payable in in accordance with the terms of the said several By-laws respectively.

Be it therefore enacted by the Corporation of the County of Peel, through the Council thereof, pursuant to the statute in that behalf :

First. That the said Corporation do hereby guarantee the due payment of Debentures and Coupons to be issued as aforesaid under the said in part recited By-laws, according to the terms of the said Debentures and Coupons respectively.

Second. That upon each of the said Debentures shall be written or printed the following form of such guarantee :

GUARANTEE

given by the Corporation of the County of Peel, by virtue and under the authority of a By-law passed by the Council of the said corporation on the 17th day of June, 1910.

Payment of the within Debenture and of the several interest coupons attached thereto, is hereby guaranteed to the bearer thereof, by the Corporation of the County of Peel.

————, Treasurer. ————, Warden.

Third. The Warden and Treasurer of the said County, are hereby authorized and directed to sign tha said guarantee on each of the said debentures on behalf of said corporation, and the Clerk of the said corporation is hereby authorized and directed to affix the corporate seal of the said County thereto.

Fourth. When the said guarantee is so sealed and signed the said corporation shall be liable to the holder or holders of the said Debentures

and Coupons, and responsible for the due payment thereof, at the time and places named therein respectively.

Fifth. By-law numbered 371 is hereby repealed.

Done and passed in open Council, this 17th day of June, 1910.

PETER SPEIRS, Warden.

BY-LAW NO. 386

Authorizing the Borrowing of Money

Whereas it is expedient to raise by way of loan, the sum of twenty-two thousand dollars, required to meet the current expenditure of the Corporation of the County of Peel.

Be it resolved, therefore, and the Council of the County of Peel enacts as follows :

1st. That it shall and may be lawful for the Warden and Treasurer of the County of Peel andthey are hereby authorized and empowered to borrow from the Merchants Bank of Canada at the office of the said Bank in the town of Brampton, a sum not exceeding the sum of Twenty-two Thousand Dollars ($22,000), for the purpose aforesaid.

2nd. That the said Warden and Treasurer be and are hereby authorized and empowered, on behalf of the County of Peel, to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada at Brampton the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton, on or before the 31st December, 1910, with interest thereon at the rate of 4½ per cent, per annum, aud also to execute in a like manner renewals thereof, in whole or in part, until such advances are fully repaid.

Done and passed at Brampton the 17th day of January, 1910.

PETER SPEIRS, Warden.

BY-LAW NO. 387

To Assess the Rateable Property of the County of Peel for the Year 1910

Whereas it is necessary to provide by a general assessment on the rateable property of the County of Peel for the year 1910 for the payment of the general and incidental expenses of the County and for the payment of a portion of the salary of the Inspector of Public Schools.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows :

1st. That there be raised, levied and collected from all persons rated on the Assessment Rolls of the several Municipalities of the County liable to be assessed the current year for the sum of twenty-two thousand dollars ($22,000.00) for the payment of the salaries of County officials, a portion of the expense of the Administration of Criminal Justice, allowance to County Councillors and other necessary and incidental expenses of the current year.

2nd. The sum of nine hundred and forty-eight dollars being an equivalent to the special Government grant to the Public and Separate Schools in the Townships of the County, the said sum to be levied on the whole taxable property of the County, not included in urban municipalities or annexed to any urban municipality for school purposes.

3rd. The sum of five thousand, seven hundred and eighty-three dollars ($5,783 00) under By-law No. 351 of the said Corporation authorizing the issue of Debentures to the amount of one hundred thousand dollars for the improvement of highways assumed by the County.

4th. The sum of six thousand one hundred and thirty-nine dollars and fifteen cents ($6,139 15) under by-law No. 381 of the said corporation, authorizing the issue of Debentures to the amount of one hundred thousand dollars for the further improvement of highways, which have been assumed by the County.

5th. The whole of the said sums to be collected and paid to the Treasurer of the County on or before the 14th day of December next, as per schedule annexed.

Passed the 17th day of June, 1910.

BY-LAW NO. 388

To Amend By-law No. 380 of the County of Peel

Whereas, on the 4th day of February, 1910, the Municipal Council of the County of Peel, did pass a By-law numbered 380, setting apart the Village of Bolton, and a certain portion of Township of Albion, as an Urban Continuation School District.

And whereas it is desirable that the said By-law be amended.

Therefore the Corporation of the County of Peel by the Municipal Council thereof, enacts as follows :

That Clause 1 of the said By-law No 380, be and is hereby amended by adding thereto the following : "That No. 1 Union School Section, Albion, be included in the territory set aside for Urban School purposes, and all ratepayers within the territory set aside that are assessed for Separate School purposes."

Passed this 18th day of June, 1910.

BY-LAW NO. 389

A By-Law to appoint a Superintendent and Matron for the House of Refuge (Jointly Owned by the Counties of Halton and Peel) and a Physician and Treasurer, and to give Certain Powers to the Commissioners of such House of Refuge.

Whereas the Corporations of the County of Halton and the County of Peel are the joint owners of the House of Refuge situate in the said County of Peel, under agreement made between the two Corporations bearing date the 27th day of August, A. D, 1909, and carried out by a Deed from the Corporation of the County of Peel to the Corporation of the County of Halton, bearing date the 20th day of December, A. D., 1909, and duly registered.

And, whereas, it is necessary to appoint a Superintendent and Matron for such House of Refuge and also a Physician to attend the inmates thereof from time to time, and to define their duties and fix their salaries.

And, whereas, it appearing as the office of such Superintendent or Matron or Physician or Treasurer may from time to time become vacant, it would be necessary to have some one appointed to such vacant position, or any of them, without delay, it is expedient that power be given to the Commissioners of such House of Refuge to fill any of these appointments temporarily until a permanent appointment could be made, and also that such Commissioners should have power for sufficient cause to suspend any of such officials.

And, whereas, at a joint meeting of the County Councils of the Counties of Halton and Peel held at Brampton on the second day of June, A. D., 1910, Robert Whitfield Armstrong, of the village of Burlington, in the County of Halton, was selected as Superintendent of such House of Refuge, and his wife Armstrong as Matron thereof, at a joint salary of Six Hundred Dollars per annum, payable quarterly on the first days of January, April, July and October in each year, together with free lodging, light, fuel and board for each of them, and C. Y. Moore, of the Town of Brampton, was selected as Physician for such House of Refuge at a salary of $300.00 per anuum including medicines.

And, whereas, it is also agreed that there should be paid to the Treasurer of the Board of Commissioners of such House of Refuge the sum of One Hundred Dollars per annum for acting as Treasurer thereof.

And, whereas, it is expedient to carry out such appointments and provisions:

Therefore the Corporation of the County of Peel enacts as follows:

1. That Robert Whitfield Armstrong, of the Village of Burlington, in the County of Halton, and his wife, Armstrong, be, and they are hereby appointed Superintendent and Matron respectfully of the said House of Refuge at a joint salary of Six Hundred Dollars per annum, payable quarterly on the first days of January, April, July and October in each year, and that in addition to such salary the said Superintendent and Matron shall be entitled to free lodging, fuel, light and board in the said House of Refuge.

2. That the duties of such Superintendent and Matron shall be such as are defined by rules and regulations governing the said House of Refuge as adopted by the Counties of Halton and Peel from time to time.

3. That C. Y. Moore, Physician, be, and he is hereby appointed the Physician to attend to the inmates and officials of such House of Refuge at a yearly salary of Three Hundred Dollars per annum, payable quarterly on the first days of January, April, July and October in each year, which salary shall include all necessary medicines and attendances.

4. That the duties of such Physician shall be such as are defined by rules and regulations governing the said House of Refuge, as adopted by the Counties of Halton and Peel from time to time.

5. That the said Board of Commissioners shall have power to suspend from time to time any of the said officials of such House of Refuge for misconduct or other sufficient cause.

6. That in case of vacancy occurring in the office of Superintendent or Matron or Physician or Treasurer as aforesaid, or any of them, the Commissioners from the Counties of Halton and Peel for such House of Refuge shall have power to make temporary appointments to any of such offices as may become vacant from time to time as aforesaid and arrange for necessary compensation for such official so appointed by them, who shall excerise all the duties of such position until a permanent appointment is made by the Corporations of the Counties of Halton and Peel.

7. That the Treasurer of the said Board of Commissioners shall be paid the sum of One Hundred Dollars per annum for acting as such Secretary and Treasurer and that Robert Crawford, Esq., is hereby appointed Treasurer of Board of Commissioners.

8. That one-half of such salaries and other provisions made for the Superintendent, Matron, Physician and Treasurer hereinbefore set out

shall be borne and paid by the Corporation of the County of Halton, the other one-half thereof being borne and paid by the Corporation of the County of Peel.

Done and passed this 18th day of June, 1910.

BY-LAW NO. 390

Amending By-law No. 378

Whereas a By-law numbered 378 was passed by the Municipal Council of the County of the County of Peel.

And, whereas, by the said By-law 378, the salary of Robert Crawford, Esq., County Treasurer, was fixed at nine hundred dollars, and whereas, the said sum of nine hundred dollars was intended as payment for all services rendered by him, including services in connection with the House of Refuge.

And, whereas, by arrangements made with the County of Halton, which County now has a half interest in the Industrial Farm and House of Refuge.

The said Robert Crawford has been appointed Secretary Treasurer for the Industrial Farm and House of Refuge, at a yearly salary of one hundred dollars each of the Counties of Peel and Halton, paying one-half of said salary of one hundred dollars.

Therefore the Corporation of the County of Peel, by the Council thereof, enacts as follows :

That the salary of the said Robert Crawford, Treasurer of the County Peel, be reduced to eight hundred dollars.

Passed this 18th day of June, 1910.

PETER SPEIRS, Warden.

BY-LAW NO. 391

To Confirm By-law No. 764 of the Municipality of the Township of Toronto

Whereas under and by virtue of the Municipal Act, Chapter 19, Section 637, Sub. Sec. 1, 1903, the Municipal Council of the Township of Toronto, did on the Fourth day of June, 1910, pass a By-law for closing, stopping up and conveying to William C. Oughtreed, William A. Shook, Robert Harker, David M. Shook and Dr. Joachim Guinane that certain portion of the Indian Road on line adjoining their respective properties.

And, whereas, said road or line is of no use or benefit whatever to any other person other than the above named parties.

And, whereas, it is desirable to give force and effect to the said By-law, pursuant to Sub-section 660, Sub-section 2 (b), of the Municipal Act 1903.

Therefore the Municipal Council of the Corporation of the County of Peel enacts as follows :

That the said By-law Number 764, of the Municipal Corporation of Township of Toronto, (a copy of which is hereto annexed) be and the same is hereby confirmed.

Enacted this 23rd day of November, 1910.

PETER SPEIRS, Warden.

BY-LAW NO. 392

To Appoint Auditors for the Year 1911

Whereas on the third day of December, 1907, the Council of the Corporation of the County of Peel did pass a By-law numbered 395, pursuant to Section 301, of the Municipal Institutions Act, providing for the appointment of Auditors during the months of November or December for the following year during the continuance of the said By-law No. 359.

And, whereas, the said By-law No. 359, is still in force

Therefore the Corporation of the County of Peel, by the Municipal Council thereof, enacts as follows:

1st. That J. H. Watson, of Snelgrove, and John D. Gordon, Brampton, be and they are hereby appointed for the County of Peel for the year 1911.

2nd. That the above named Auditors be and they are hereby appointed Auditors of School Monies and of Accounts of Commissioners on Good Roads and House of Refuge.

3rd. That each Auditor be paid the sum of $30.00.

Passed this 24th day of November, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 393.

To Amend By-law No. 390.

Whereas on the 28th day of January, 1910, a By-law was passed numbered 378 in which the yearly salary of Robert Crawford, Esq., Treasurer for this County, was fixed at nine hundred dollars ($900.00).

And, whereas, on the 2nd day of June, a By-law numbered 390, was passed by this Council, appointing the said Robert Crawford, Secretary-Treas. for the House of Refuge, at a yearly salary of one hundred dollars, one-half of the said sum is payable and being paid by the County of Halton.

And, whereas, by the said By-law No. 390, the salary of the said Treasurer was reduced to eight hundred dollars for services as County Treasurer, the County thereby getting the benefit of the amount being paid by the County of Halton.

And, whereas, it is just and fair that the said Treasurer should have the benefit of the amount being paid by the County of Halton.

Therefore the Corporation of the County of Peel, by the Council thereof, enacts as follows :

That the yearly salary of the County Treasurer for his duties as such Treasurer be $850.00 apart from anything received for duties in connection with the House of Refuge, and that anything inconsistent therewith in By-law No. 390, or elsewhere, be and is hereby repealed, this to take effect from the date of the passing of By-law No. 390.

Passed this 24th day of November, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 394

To Amend Chapter 3 and 4 of By-law No. 142, Defining the Duties and Fixing Salaries of Officers Appointed by the County.

Whereas the said By-law No. 142, makes no provision for the caretaking of the County Grounds.

And, whereas, it is desirable that the care of the County Grounds should be the duty of some official.

Therefore the Council of the County of Peel enacts as follows:

1st. The caretaker shall exercise a general supervision over all the Lawns, Grounds, Trees, etc., connected with the Court House; keeping all these clean and in good order, cutting the grass where and when necessary.

2nd. And that the yearly salary of the caretaker be fixed at the sum of four hundred and fifty dollars, payable in four equal quarterly payments, and that all resolutions or By-laws of this Council inconsistent herewith, be and they are hereby repealed.

Passed this 25th day of November, 1910.

Treasurer's Statement of Accounts for 1909

Brampton, Jan. 18, 1910.

To the Warden and Council of the County of Peel :

GENTLEMEN : I beg leave to report that the County Accounts for the year ending Dec. 31, 1909, were prepared in detail and audited by your Auditors last week, you will find attached the four Quarterly Statements for the year; also a detailed statement of Good Roads and Public School Accounts.

Tne receipts from all sources for the year are	$104661 25
And the payments	94743 17
Leaving a balance to the credit of the County of	$9918 08

This balance belongs to the following accounts :

1st Raised by taxes to retire good roads debentures due in April	$5783 00
2nd. Bal. on hand for good roads	4135 08
	$9918 08
Albion's balance on hand for good roads is	$5388 03
Caledon's balance on hand for good roads is	7701 04
Gore's balance on hand for good roads is	476 47
	$13565 54

These accounts are to be provided for as follows :

Chinguacousy Dr. to good roads account	$1984 49
Toronto Township Dr. to good roads account	3463 90
Current account of general funds, Dr.	3982 07
Bal. on hand in bank for good roads	4135 08
	$13565 54

You will see by this statement that we have no balance to begin this year in our current account but a deficit of $3982.07. This is accounted for in two accounts, namely roads and bridges and county property. Our expenditure on county property the past year exceeds previous year by $1779.31 and roads and bridges account by $3451.38, or a total in excess of 1908 of $5230.69. The difference in these two accounts would have given us a balance on hand for current account this year of $1248.02 as against $466.69 in 1908.

The last heating plant debenture was paid in December. This will reduce our County Rates $1144.57 in the future.

You will see by the Public School Statement that schools have all been paid their respective grants and the books are balanced, leaving no money in the bank account for public schools.

You will see by non-resident tax statement that the accounts are balanced, leaving no non-resident taxes in your Treasurer's hands.

In conclusion I wish to draw the attention of the Council to the Insurance on the House of Refuge Buildings.

1st. In November I found that the Council had overlooked placing some additional insurance on the building in course of erection and after consulting with Mr. James Jackson and the Clerk I got the agent to put on an additional $3000.00 and to notify the companies of the change.

2nd. I would now suggest that all the policies on the House of Refuge Buildings be canceled and rebates collected for the time policies are to run, and that new applications be made to the insurance companies by Peel and Halton for insurance on all the buildings to the amount agreed upon by the County Council of Peel and Halton.

Your obedient servant,

ROBERT CRAWFORD,

Court House, Jan. 25, 1910. Co. Treasurer.

Court House, Jan. 25, 1910.

ROBERT CRAWFORD, Co. Treasurer.

Auditors' Report, County of Peel, for Year Ending 31st December, 1909.

Brampton. January 25th, 1910.

To the Warden and Council of the County of Peel:

Gentlemen: Your Auditors beg leave to report that they have carefully examined the books and accounts of your Treasurer for the year ending December 31st, 1909, and compared the vouchers with the entries and find them correct with no errors or omissions.

We find in the Abstract Statement of Receipts and Disbursements that the Receipts from all sources was $104,661.25 and the Disbursements $94,743.17, leaving a balance on hand of $9,918.08, the same book shows a balance of $9,943.16 and the difference is accounted for by a cheque of $25.00 given on December 23rd not

presented for payment till January 6th, 1910, and a balance due the Treasurer by the Bank of 8 cents.

The above balance belongs to the following accounts, namely :

Good Roads Debenture, April 3rd, 1910	$5783 00
On hand in bank for good roads	4135 98
	$9918.08

We find the following amounts are due these Townships on good roads account, 1910 :

Albion	$5388 03
Caledon	7701 04
Toronto Gore	476 47
	$13565 54

And will be provided for as follows :

Chinguacousy, overdrawn, 1909,	$1984 49
Toronto Twp., overdrawn, 1909	3463 90
In bank for good roads	3982 07
From General fund County account	4135 08
	$13565 54

You will note that on Dec. 31, 1909, there remains a balance of good roads money, to commence 1910, of $13565.54 and you will likewise note that the overdrafts for 1909, of Chinguacousy and Toronto Township will be refunded on receipt of Provincial Treasurer's cheque, on good roads account, which will be received in April of the current year.

The amounts paid out by each Township on good roads, during 1909, was—

Albion	$ 1288 97
Caledon	5411 17
Chinguacousy	19874 83
Toronto Twp	12691 24
Gore Twp	2991 12
Total	$42257 33

During the year the Treasurer borrowed from the bank $12,000 to meet the good roads overdraft of Chinguacousy and Toronto Township, and the cost of the bridges built on the Middle Road, Ballycroy and Inglewood.

These loans cost the County the sum of $96.30, interest, but we find that notwithstanding this that our anticipation of a year were verified, as the bank allowed the County as interest on deposits the sum of $674.40, which leaves a net gain of $598.10 during the year 1909 on interest account.

Only the sum of $11.03 was collected during the year for non-

resident taxes, and the same was paid over to the Treasurer of Toronto Township to whom it was due.

We find in the General Statement of the affairs of the County on December 31, 1909, the assets and liabilities, as given below, viz:

Assets	$92,453 01
Liabilities	92,434 00
Balance of Assets over Liabilities	$19 01

We have this year also audited the pay sheets of your commissioners on good roads for 1909, and will give you a statement of how each of them stands on the 31st December, 1909. We would urge that this be done annually, and that each keep a bank account and issue cheques for every item of expenditure, this will keep them right, and the cheques endorsed as they will be will act as vouchers.

The Debenture debt has been reduced this year by the payment of $1144.57, the last one on the heating plant, leaving now only on the good roads debentures a balance of $88,434.00 with an annual payment of $5,783.00, spread over a period of 28 years.

The books of your Treasurer are very accurately kept and we have to thank him for many explanations and courtesies shown us during the audit.

GENTLEMEN: We, your Auditors, beg leave to report that we have examined the books of the Treasurer, showing School Monies received and paid out by him for the year ending December 31st, 1909, and find them correct (as per statement given above.) All the money received by him has been paid out and the Bank Book shows all the Cheques entered therein, although a few of them have not been presented for payment. We find no money was sent this year to Sub-Treasurers, but all was sent direct from the Treasurer's Office to Trustees of each Section.

First Report of Commissioner on County Roads for North Chinguacousy

To the Warden and Council of the County of Peel :

Gentlemen : Your Commissioner begs leave to report as follows :

After the passing of the Debenture By-law to raise $100 000 and the estimates were made, I found it would be impossible to cover all the part of the County Roads in North Chinguacousy with crushed stone and as there was gravel within easy access and a portion of the road was not so heavily travelled I decided to use gravel. The gravel however was a little fine, and in order to improve the material I purchased a screening plant at considerable cost, and though the material I got after screening was not absolutely satisfactory it possesses good binding qualities, and has been tried in its natural state in the community for several years and makes a good clean road when packed.

I have had placed on the road about 3000 yards covering nearly three miles of road, which is ready for the roller, the Roller distributing committee by the distribution of rollers made it impossible for me to get the roller this fall. I believe when it is consolidated the material will make a good, clean and pleasant road.

The expenditures are as follows :—

Labour grading Centre Road	$ 301 00	
Screening filling and drawing gravel	2888 97	
Spreading gravel, shouldering road to retain gravel and time keeper	396 00

First Report of Commissioner on County Bridges between East side of Toronto Township and York County

To the Warden and Council of the County of Peel.

Gentlemen: Having been notified of the unsafe condition of the Floors of the County Bridges on the Lake Shore road and on Dundas street, I investigated them and found new floors required.

I immediately repaired the Lake Shore Bridge and notified the County of York. They asked me to re-plank the Bridges and send their Bill to them. Owing to delay in getting good plank this has not been done altho we expect to finish before the end of the present year.

Would recommend the following payments.

Township of Toronto, Plank	$ 15 26
G. W. Gordon, 10 hours with team	4 00
W. H. Johnston 10 hours	2 00
Spikes	35
	$21 61

County of York to pay half.

I would also recommend the following commission, Thos. L. Kennedy 1 day $3.00.

All of which is respectfully submitted.

T. L. KENNEDY, Commissioner.

Brampton Dec. 21st 1910. Adopted PETER SPEIRS
Warden.

Report of Peter Speirs, Commissioner on County Roads in the Southern Portion of the Township of Chinguacousy, for the Year 1910.

To the Warden and Council of the County of Peel.

Gentlemen,—Your Commissioner begs leave to report the following work on County Roads.

1. I resolved to finish that portion of the Centre Road from the Town Line Toronto Township to the Corporation limit of the Town of Brampton.

In consultation with our County Engineer C. R. Wheelock we resolved to widen the small bridge near Brampton and build a steel bridge over the Etobicoke River on lot 2 Centre Road a 50 foot span, 16 feet clear roadway on concrete abutments and concrete floor, we advertised for tenders and let the contracts for the abutments and wing walls and concrete floor to J. McCracken, of Everett at $5.50 per cubic yard for the abutments and wing walls, and 22cts per square foot for concrete floor. We also advertised for tenders for the steel superstructure and accepted the tender of the Hunter Bridge and Boiler Co. of Kincardine at $850.

2. Also after consulting the Government Engineer, W. A. McLean we concluded to place crushed stone on that portion of the Centre Road from No. 10 to the corporate limits of the Town of Brampton.

3. I also concluded to use the County rock crusher in the gravel pit at Huttonville and place the crushed stone and gravel on No. 5 side road from the third concession west to Huttonville and cut down the hills and build a concrete retaining wall on the Huttonville Hill and a small bridge at the third line west.

4. I also concluded to move the rock crusher over to the gravel pit at Nortonville after finishing the work at Huttonville and place the crushed stone and gravel on the road east of the spring creek as far as we would have time to do, and to grade No. 5 side road as far as the 5th concession east.

I also graded and placed Hagersville stone on the No. 5 side road from the second concession east to the spring creek.

(5). I also had some grading done on 17 side road from the first line east to the Etobicoke hill, cost $81.50.

I engaged Stephen Cook as Overseer of the work on the Centre Road, I commenced grading on the Centre Road on May 10th, 1910.

The total cost of grading from the town line to Brampton was $192.00.

The crushed stone I got from Hagersville cost $1.15 per ton, delivered in Brampton ; on that portion of road we used 1572 tons, cost $1817.80.

The labor, teaming stone and placing it on the road and off the cars $1359.00.

For widening the small Bridge, 6 ft. concrete work, I beams, guards etc. $161.26.

FROM NO. 10 TO THE CORPORATE LIMITS OF BRAMPTON

For labor, teaming stone and off cars and grading etc.....	$ 886 25

Paid contractor	$250 00
I-beams and railing	78 92
	$328 92

Also one arch that had been previously built lengthened six feet at a cost of $40 00

There was also placed tile culverts opposite farm entrance at a cost of $111 80

The sundry expenses as follows:

Steam coal for roller	$57 85
Repairs to grader	2 00
Paint, pick and shovels	4 70
Drain tile	1 15
	$65 70

Amount received from County Treasurer	$6,000 00
Total expenditure to date	6,164 00

All of which is respectfully submitted.

WM. RUTLEDGE, Commissioner.

(Adopted) PETER SPEIRS, Warden.

Council Chamber, December 20th, 1910.

First Report of Commissioner on Good Roads in the Northwest Part of the Township of Caledon.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Commissioner begs leave to report as follows:

We started to work in May, grading two and a half concessions west of Caledon, which included the cutting of three or four heavy hills.

Cost of grading	$903 27
Cost of Metaling same road with pit gravel, including payment for gravel and all labor in connection with same	$773 45

Gravel was placed on the road at a cost of about 40 cents per square yard; on the same road we also had placed two 3-foot concrete culverts bedded in cement, also four 12-inch tile culverts, costing as follows:

16 pieces of 3-ft. tile at $2.50 per tile	$40 00
Labor and cement for same	20 00
32 pieces of 12-in. tile	32 00
Labor for same, including hauling of tile	20 00
Total cost	$112 00

I also beg to report that I have had Hurontario street graded from north Town Line to Watson's Bridge, a distance of 2¼ miles at a cost of $1,784.45. This was an exceptionally heavy piece of grading, two miles of it required a heavy cut and over a lot of same road running through swampy, springing ground that required widening and filling up so as to put it in a condition suitable for stone or gravel. Over one thousand loads of stone were hauled, and about the same amount of clay being used.

We let a contract to W. A. Baas to supply crushed stone for above road. Mr. Baas crushed the stone and delivered same on road in the way required and placed one man on road to assist in spreading, for $1.30 per yard.

2,605 yard of stone supplied by W. A. Baas, at $1.30 per yard	$3,386 50
Cost of rolling stone road and the gravel formerly built, boxing and preparing road for stone	715 17

On Centre Road from North Town Line to Watson's Bridge had several tile culverts placed and one ingot iron culvert costing as follows:

1 ingot iron culvert	$36 20
Labor placing same	10 00
The Town of Orangeville for tile supplied	48 00
Labor placing same	18 00
Total cost	$112 20

We also had Bell's Bridge repainted at a cost of $35.00; bridge at First Line repainted, $2.00.	$37 00
Purchased one new plough	12 50
Purchased one new pair of wheels for grader	22 00
Incidentals, including blacksmith's bills, repairs, to grader, new shovels, picks and other small items in connection with road building	141 02
Total expenditure	$7,999 56

All of which is respectfully submitted.

J. A. McBRIDE, Commissioner.

Council Chamber, Brampton, 21st December, 1910.

Fifth Report of Standing Committee on Education.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee has before them the resignation of W. H. Monkman, Esq., as Trustee of Bolton Urban Continuation School.

We would recommend the same be accepted.

We have also the report of the Special Committee sent to interview the Minister of Education re Bolton Urban Continuation School.

We would recommend the passing of the by-law introduced and read a first time at last session of this Council, re dissolving the said School Section.

We would also recommend that this Council memoralize the Government to amend the Continuation School Act so as to allow persons in adjoining counties to be placed in same section.

All of which is respectfully submitted.

Counties of Peel and Halton House of Refuge Physician's Report for 1910.

To the Warden and Council of the County of Peel:

Gentlemen,—During the year 1910 I made 62 visits to the House of Refuge and prescribed in 709 cases.

In the latter half of the year some attempt was made to lessen the medicine habit, but as most of the inmates admitted are suffering from chronic disease or old age, and generally from both together, it did not meet with very great success. There were six deaths, namely:

1. Wm. Bell, died February 13th, aged 81, from old age.
2. Edward De Forrest, aged 93, February 26th, from old age.
3. George Bradley, aged 85, May 27th, old age.
4. John Wilson, aged 75, June 6th, cardiac dropsy.
5. John Lownsborough, aged 81, August 8th, paralytic stroke.
6. John Carroll, aged 68, October 26th, paralytic stroke.

It is difficult to get the inmates' ages with anything more than an approximate correctness, many of them giving the same age from year to year, and others knowing little or nothing about the matter.

There were a large number of chronic cases of ulcers of the leg—no less than six at one time, but all have recovered, except an Indian woman, who suffers from a very intractable form of the affliction.

The Keeper and Matron, Mr. and Mrs. Armstrong, have been especially active in caring for the sick and providing for their comfort, and have materially assisted me in the performance of my duties.

Respectfully submitted.

C. Y. MOORE, Physician.

First Report of Commissioner on County Bridges Between York County and Toronto Township.

To the Warden and Council of the County of Peel:

Gentlemen,—I have received the car of lumber for the replanking of the Etobicoke, Lake Shore and Dundas Street bridges, although the plank is not nailed down.

I have had great difficulty in securing good white pine, and in conjunction with the Commissioner of the County of York went into the prices of various different kinds of plank, but finally selected white pine. I would recommend the following payments:

John Thomson, 9,388 ft. 3x8x10 white pine.....	$323 89
John Thomson, 800 ft. 2x6x16 Norway pine, $27.00	21 60
Total.....	$345 49
C. H. Gill, 1 keg 6-in. spikes.....	2 75
W. H. Johnston, 2 days.....	5 00
Wm. Buchanan, 2 days.....	8 00
W. Stanfield, 2 days.....	8 00
T. McCarthy, 1½ days.....	6 00
Total.....	$375 24

There will be a small sum yet required to nail down the balance of plank, which I would recommend to be paid on order of Commissioner. County of York to pay one-half of this amount. I would

also ask two days' commission, $6.00.

All of which is respectfully submitted.

THOS. L. KENNEDY, Commissioner.

Brampton, 24th January, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Report of Commissioner on County Road Bridge on Centre Road, Lot 2, Chinguacousy.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Commissioner begs leave to report as follows:

First, that on account of the lateness of the season when the steel superstructure was completed I concluded not to have the concrete floor put on until the spring, and recommended holding back $100.00 of the money due the contractor on the abutments, until he completed the floor of the bridge.

According to the Engineer's measurement there is 172 cubic yards in the abutments and wing walls, at $5.50 per yard	$946 00
For removing old bridge	20 00
Total	$966 00

He has been paid by the Treasurer $800.00. I settled bills for gravel and for man and team one day and right of way around the bridge during construction, $41.50, the receipts for which I have handed the Treasurer.

The timbers and lumber of the old bridge are not sold, they are in use to make a temporary bridge until spring.

All of which is respectfully submitted.

PETER SPEIRS, Commissioner.

Council Chamber, Brampton, 24th January, 1911.

Report of Commissioners on House of Refuge.

To the County Councils of Peel and Halton:

Gentlemen,—We your Commissioners for House of Refuge beg

to present our report for portion of year 1910, from June 2nd to December 31st, as follows:

First, would report the number of inmates at present in House of Refuge as thirty-nine, twenty-five from County of Peel, and fourteen from County of Halton.

The names, age, municipality from which they were sent and number of days in House are hereto attached.

Second, the cost for period of 1910 from June 2nd to December 31st, 1910, to each County is as follows:

Total cost of above period, including produce grown and consumed on Farm		$3,956 10
Produce grown and consumed	$145 95	
Produce and stock sold	205 43	
		351 38
Net cost to the Counties		$3,604 72
A—The following accounts to be borne equally—		
Charged to capital account	$546 24	
Salaries and wages	878 48	
Light, fuel and water	960 78	
Miscellaneous account	185 65	
		$2,571 15
		$1,033 57
B—Amount to be borne pro ratio—		
Halton A account	$1,285 57	
2,000 days for inmates	358 40	
		$1,643 97
Peel A account	$1,285 58	
3,766 days for inmates	675 17	
		1,960 75
		$3,604 72
Third, Total cost of maintenance for period, including salaries, wages, clothing, light, water, fuel, etc., but not including anything chargeable to capital account, was		$2,991 00
Total day board was		87 40
Cost per day	.36.5	
Cost per week	$2.35	

In above statement is included coal and other supplies that are not yet consumed but will not appear in next quarter's report.

Fourth, Your Commissioners have visited the farm from time to time and find the premises clean and sanitary, also the inmates

are as well taken care of as could reasonably be expected. The higher cost of maintenance is attributable to a considerable extent to more help being employed in caring for the House and inmates, as well as the advanced cost of provisions, etc.

Fifth. The cost of management from June 2nd to December 31st is as follows:

James Jackson	$38 00
E. F. Earl	40 00
	$78 00

On January 1st, 1911, the farm stock was practically the same as per last report.

All of which is respectfully submitted.

E. F. EARL,
JAMES JACKSON,
Commissioners.

First Report of Standing Committee on Miscellaneous Matters.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

First. We received a communication from the Ontario Municipal Association, asking for a county membership fee of two dollars, also that delegates be sent to the next meeting of the Association, to be held in Toronto in September next.

We recommend that the membership fee of $10 be paid and that Messrs. Julian and Lush be appointed delegates to attend the next meeting of the Association.

Second. We also have communication from the Trustee Association of the Province of Ontario asking that a representative be sent to their annual meeting. We would refer this matter to a Committee of the Whole Council.

In Committee of the Whole it was recommended that Messrs. Quinn and Rutledge be appointed delegates.

All of which is respectfully submitted.

J. G. JULIAN, Chairman.

Brampton, January 26th, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

First Report of Standing Committee on Finance.

To the Warden and Council of the County of Peel:

Gentlemen,—We have had before us the following communications, viz.:

First. Statement from the County Treasurer showing receipts from all soures	$207,326 01	
For 1910 payments of all kinds	191.779 20	
Leaving a balance of		$15,546 81

This balance belongs to the County Road Account. We find from the Treasurer's Statement that the county is debtor to Debenture Account, $5.360.92. We also find by inquiry that the collectons made in 1910 was about $800 short of the amount required to pay current expenditure for 1910.

We have the Treasurer's Statement for the House of Refuge for seven months from 1st June, 1910:

Show receipts	$3,279 58	
Disbursements	3,276 18	
Balance		$3 40
The Treasurer from non-resident land taxes		$24 06
Paid Treasurer of Chinguacousy	$3 44	
Paid Treasurer of Caledon	20 62	
		24 06

On account of the County roads money in the bank it will not be necessary to borrow any money for current expenses until the June meeting.

Second. A communication from the Sick Children's Hospital, asking for an increased grant, your Committee would recommend that the usual grant of $30.00 be made.

Third. A communication from W. E. Sheard, Secretary of Peel Farmers' Institute, asking for a grant of $125.00 on account of extra expense connected with stock judging classes. Your Committee recommend a grant of $75.00 be made to them.

Fourth. A communication from the Prisoners' Aid Association of Canada asking for the usual grant of $10.00. Your Committee recommend the payment of the same amount.

Fifth. A communication from the Salvation Army asking for a grant towards their Prison, Woman's Rescue and Children's Home throughout Ontario. Your Committee recommend no action.

Sixth. An account from Thos. Thauburn of $38.70 for sundries supplied to County officials. Your Committee recommend payment of same.

Seventh. A communication from Dr. L. Heggie, Gaol Physician, asking for an advance in salary. Your Committee would refer this matter to the whole Council. (No action taken by Council.)

Eighth. A tender from the Brampton Baking Company offering bread for the County Gaol for 3½ cents per pound. Your Committee recommend that the tender of the Brampton Baking Company be accepted.

Ninth. A tender from Nelson & Carter, butchers, offering to supply meat for goal for 7 cents per pound. Your Commitee recommend that the tender of Nelson & Carter be accepted.

All of which is respectfully submitted.

JOHN NEWHOUSE, Chairman.

Report of Special Committee Appointed to Prepare and Introduce a By-Law for Appointment of a County Solicitor.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

That we have prepared and beg leave to introduce By-law .... re appointment of County Solicitor.

All of which is respectfully submitted.

REUBEN H. LUSH, Chairman.

Brampton, January 27th, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

First Report of Standing Committee on Education.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

First. We have a postcard from the Lincoln County Teachers' Association requesting this County to urge upon the Minister of

Education the advisability of extending the summer vacation in rural schools to September 1st.

We recommend no action.

Second. We have examined the accounts received from the Orangeville High School for $283.04, and from the Georgetown High School for $523.24, for tuition of pupils resident in the County of Peel attending the said school during 1910.

Having found these accounts correct we recommend that the Treasurer be instructed to pay the same.

Third. We have a communication from the Public School Inspector requesting this Council to consider the advisability of establishing an entrance examination centre at Port Credit.

Your Committee have ascertained that the net cost to the County would be about $10.00 for establishing such a centre. And as we consider the convenience to the pupils in the southern part of the County of greater importance than that amount, we recommend that the Inspector be instructed to establish this examination centre.

Fourth. We have a communication from the Public School Inspector asking for an increase in his allowance for travelling expenses.

We recommend that no action be taken.

Fifth. We have a letter from John Macdonald, Secretary of Bolton Continuation School, asking that the County pay an amount equal to the Government grant, said amount being $317.10.

We recommend payment.

Sixth. We recommend the appointment of E. G. Watson, Streetsville, and D. L. Heggie, Brampton, on the respective High School Boards for 1911, 1912 and 1913.

Seventh. The Chairman of the Brampton High School Board presented a report, claiming $2,700.00 for the year 1911.

We recommend that the Treasurer be hereby instructed to pay this amount quarterly in advance.

All of which is respectfully submitted.

F. W. MORGAN, Chairman.

Brampton, January 27th, 1911.

First Report of Standing Committee on County Property, Roads and Bridges.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee begs leave to report as follows:

First. We have a communication from the Reeve of Toronto Gore re distribution of County road machinery for the year 1911.

We would recommend that this matter be left in the hands of the County Property Committee.

Second. Your Committee has also an account from the Office Specialty Manufacturing Company re balance of payment on supplies for Mr. Dixon's office.

We would recommend no action in this matter as we have a receipt in full of account rendered.

Third. We have also a communication from the Ontario Good Roads Association asking us for a grant to the Association, also to send delegates to the good roads convention to be held in Toronto, March 1st, 2nd and 3rd.

We would recommend that the usual grant of $10 be paid the Association. Also that the Warden, Messrs. Lush, Kennedy, Newhouse, Beck, Egan, Julian and Wilkinson be appointed delegates to attend the convention.

Fourth. Your Committee has also before them the advisability of making a schedule of bridges which should be erected and maintained by the County.

We would recommend that the Committee on County Property, Roads nad Bridges be authorized to bring in a schedule at the June Session; also a report on the condition of said bridges.

Fifth. Your Committee would recommend that the Warden, Messrs. Slack and Miller be appointed Commissioners on County property.

Sixth. We have also a communication from the gaol official asking to have a desk to support prisoners' entry book.

We would recommend that this matter be referred to the County Property Commissioners.

Seventh. We have also a communication from the J. I. Case Threshing Machine Company re road making machinery.

We would recommend that this communication be filed.

Eighth. We have also noticed that no report has been made by the Gaol Physician.

We would recommend that the Clerk be and is hereby instruct-

ed to write Dr. D. L. Heggie asking for his report.

All of which is respectfully submitted.

THOS. L. KENNEDY, Chairman.

First Report of Standing Committee on Printing and Contingencies.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee on Printing and Contingencies beg leave to report as follows:

We have had the following accounts before us which we would recommend be paid:

To The Municipal World for 40 assessment rolls, 19 collectors' rolls, 8 reams foolscap, 7,000 assessment notices, envelopes, rubber bands, pens, pencils, etc	$99 75
The Conservator for 25 slips Standing Committees	1 00
The Conservator 2,000 No. 7 envelopes ment	50
(printed)	5 00
Typewriting three copies Treasurer's State- Miss Kelly for typewriting three copies of Good Roads account for 1910	1 50
Conservator, 100 quarter sheet forms for P. M. Court, $1.50; 50 half sheet forms for Government Auditor, $2.00	3 50

All of which is respectfully submitted.

Brampton, 26th January, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Second Report of Standing Committee on County Property, Roads and Bridges.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

We find that County Councils must assume the following bridges:

(1) All bridges crossing streams or rivers between counties. Sec. 617, Municipal Act.

(2) All bridges crossing streams over 100 feet in width within the limits of any incorporated village in the county. Sec. 613, Municipal Act.

Also it shall be the duty of County Councils to erect and maintain bridges over rivers, streams, ponds or lakes forming or crossing boundary lines between any two municipalities (other than a city or town) within the county. Sec. 613, Municipal Act.

In this case the County Council may pass a by-law assuming only such bridges as cross rivers, streams, ponds or lakes of (80) eighty feet in width or more, or of such width less than eighty feet as may be specified in such by-law. Sec. 617 (c), Municipal Act.

We find that the County of Peel has not adhered to the foregoing provisions contained in "The Municipal Act" as regards its bridges. That there is no by-law by which bridges have been assumed by the County.

We would therefore recommend that the County Property, Roads and Bridges Committee be authorized to prepare a schedule of bridges lying between county lines; also of all bridges between local municipalities of a greater width than twenty feet, or over any other bridge the Committee recommend for the consideration of this Council at the next regular meeting; also a report of the bridges needing repairs or rebuilding.

All of which is respectfully submitted.

THOS. L. KENNEDY, Chairman.

(Adopted) JOHN A. McBRIDE, Warden.

Report of Delegates Appointed to attend the Good Roads Convention in Toronto, March 1st, 2nd and 3rd.

To the Warden and Council of the County of Peel:

Gentlemen,—As a complete report of the Convention will be published in the Municipal World and in book form, and as the main objects have been already printed in the daily papers it seems unnecessary to give any detailed statement.

This year's Convention was, in the point of members and different municipalities represented, the most successful in the history of the Association.

It was pointed out that over one-half of the counties in Ontario had availed themselves of Government aid and had gone into the County Good Roads System.

There was also a very strong and harmonious feeling that as good roads in Ontario were now past the experimental stage it was necessary and expedient that the Government should establish provincial highways under control of the Provincial Governments.

It was also pointed out that as automobiles were very destructive to good roads, and as it was very costly to maintain roads once built, that the Government should tax automobiles fifty cents per horse power and devote the proceeds to helping in maintaining county roads already built.

A very strong effort is being made by the Association to have these points carried out by the Provincial Government.

Your Committee would recommend that the delegates appointed and attending the Good Roads Convention receive the sum of $10 each, viz.:

S. A. Egan	$10 00
R. Lush	10 00
J. S. Beck	10 00
J. A. McBride	10 00
John Wilkinson	10 00
Slack	10 00
T. L. Kennedy	10 00
J. G. Julian	10 00

All of which is respectfully submitted.

T. L. KENNEDY, Chairman.

Brampton, 17th March, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Second Report of Standing Committee on Miscellaneous Matter.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee begs leave to report as follows:

We have before us a communication from A. P. Westervelt, Secretary of the Winter Fair at Guelph, asking for a donation, said donation to be paid out in prize or prizes the competition for which shall be open to the County of Peel only.

We recommend that a donation of ($50.00) fifty dollars be given for the best dairy cattle and the best bacon hogs shown by an amateur exhibitor resident of the County of Peel. First prize,

$15.00; second, $10.00, for dairy cattle and the same for hogs.

A communication from the Ontario Municipal Association for the betterment of consumptives, asking for a donation.

We recommend that a grant of $10.00 be given, and that Messrs. Milner and Morgan be delegates to attend the convention.

Also a communication from S. R. Brill, of Walkerton, asking this Council to pass a resolution re telephone connection, a copy of which is enclosed.

We would recommend that this Council pass said resolution and forward same to the proper authorities.

All of which is respectfully submitted.

J. G. JULIAN, Chairman.

Council Chamber, Brampton, 7th June, 1911.

D. KIRKWOOD, Clerk.

Third Report of Standing Committee on County Property, Roads and Bridges.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

Distribution of Road Machinery.

The Township of Toronto Gore asked for the use of the road grader. We asked the Township of Toronto to give the County grader to the Gore on April 1st, 1911. This has been done.

The Township of Chinguacousy asked for a roller. We have asked the Township of Toronto to give their roller to Chinguacousy on or about June 12th, 1911.

We also have a communication from Patrick Keerahow re an accident he sustained opposite Lot 25, Seventh Concession, Albion, owing to the defective state of the road. As this is on the Albion good road system, we would recommend it be left in the hands of the Reeve of Albion and the Warden for settlement.

We have also a communication from the Secretary of the Ontario Good Roads Association asking us to pass a resolution favoring system of Provincial highways, to be assumed and built by the Province.

We would recommend that this be passed and forwarded.

All of which is respectfully submitted.

(Adopted) JOHN A. McBRIDE, Warden.
June 7th, 1911.

First Report of Commissioners on County Property.

To the Warden and Council of the County of Peel:

Gentlemen,—We your Commissioners on County Property beg leave to submit their first report as follows:

April 1st, 1911.

Your Committee met in the Clerk's Office and passed a number of accounts.

1. We let a contract to Messrs. Higgins and Large for the purchase and installation of a set of new grates in the furnace in the County Court House Building, for the sum of seventy dollars ($70.00).

2. We would report that the above "set of grates" has been installed, and would recommend that the account for seventy dollars be paid.

3. We recommend that the Sheriff's Office be renovated and refurnished at a cost of about $300.00, estimated as follows:

One cabinet, $134.00; one wardrobe, $24.00; painting and decorating, $100.00; reflooring, $50.00.

4. We have had it brought to our notice the necessity of having placed in the basement of the Court House a closet and proper plumbing for the convenience of the caretaker. The estimated cost for installation of same being one hundred dollars without baths or $127.00 with bath.

5. Clause added in Committee of the Whole: We recommend that the Commissioners be instructed to have bath and closet installed in basement.

All of which is respectfully submitted.

A. H. MILNER, Acting Chairman.

(Adopted) JOHN A. McBRIDE, Warden.

Report of Gaol Physician.

To the Warden and Council of the County of Peel:

Gentlemen,—Pursuant to instructions received from you through your Clerk, Mr. Kirkwood, on January 31st, this year, I hereby submit my report as Gaol Physician for the year ending 31st May, 1911.

My duties are to attend non-professionally all the prisoners, the gaoler, turnkey, matron and any member of their families as are

resident in the gaol premises.

I have also to inspect the means of drainage, ventilation, heating and water supply, see that the prisoners are cleanly in their persons and clothing, that they have clean and sufficient food and also clean and sufficient clothing, and that every part of the gaol premises is kept in a clean and sanitary manner.

I may say that during my term of office as Gaol Physician the gaol has been a clean, wholesome, healthy building, and the prisoners have had plenty of good nourishing food at a minimum of cost.

According to the "Rules and Regulations for the Government of the Common Gaols of Ontario" I have to keep a journal recording the date and hour of every visit, to whom paid or made, medicine prescribed, any change in diet and instructions as to labor, etc. I have done so. The journal is by regulation open to inspection in the gaol office.

During the year just passed I made 125 visits to the officials of the gaol and prisoners, sometimes prescribing for three or four or more at a visit, besides numerous consultations at my office by officials on their own and prisoners' accounts.

There have been no deaths during the year, excepting that of Mr. Wilson, the gaoler, last month; and, in fact, no prisoner has died during my term as Gaol Surgeon excepting two, one of them hanged himself while insane, and the other was hanged for murder.

Yours respectfully,

D. HEGGIE,

Surgeon Peel Co. Gaol.

Brampton, June 7th, 1911.

All of which is respectfully submitted.

JOHN NEWHOUSE, Chairman.

Brampton, 9th June, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Special Report of County Road and Bridge Committee.

To the Warden and Council of the County of Peel:

Gentlemen,—According to instructions your Committee has inspected all the bridges and culverts between municipalities within the County, also all bridges on the County boundary and beg to report:

1st. We congratulate the County on its many excellent bridges we inspected, but we could not help noticing that there seemed to be no standard of bridge building.

2nd. We beg to call to your notice that no County Council can now build a bridge until the plans and specifications have been approved of by the Provincial Government.

3rd. We have examined about 200 bridges, of which we have selected 77 assumed by the County.

4th. You will notice by the attached schedule that only two bridges, No. 43, "Terra Cotta," and No. 77, the "Churchville Bridge," are considered dangerous, although several others need minor repairs, such as repainting and replanking.

5th. We recommend that the bridges in the attached schedule be adopted by by-law as county bridges and the Clerk be instructed to write to all municipalities within the County to that effect; also that the County Road and Bridge Committee be authorized to confer with the Counties of York, Simcoe, Dufferin and Halton as to the advisability of their adopting as county bridges those bridges mentioned in the schedule, that are between the respective counties.

6th. We would recommend that the County Road and Bridge Committee be authorized to expend $1,000 in repairing bridges; also they be instructed to rebuild the Terra Cotta bridge or the Churchville bridge.

7th. We would recommend the following payments:

T. L. Kennedy, 6 days' commission	$18 00
John Newhouse, 6 days' commission	18 00
S. A. Egan, 7 days' commission	21 00
W. J. Galbraith, rent of automobile	50 00
Travelling expenses, telephone, etc	53 88
Total	$160 88

All of which is respectfully submitted.

Brampton, January 9th, 1911.

Second Report of Standing Committee on Education.

To the Warden and Council of the County of Peel:

Gentlemen,—The Collegiate Institute of Collingwood presents a bill asking for $20.46 for cost of maintenance of pupil from this County.

We recommend that this account be referred back for further information.

We have read the Public School Inspector's Report calling attention to some of the existing evils in the Public Schools of the County.

We recommend that the report be printed in the County Minutes.

We have had a few remarks from a deputation from Bolton Urban School, asking for a grant towards the cost of maintenance of this school.

Your Committee would recommend that the Treasurer be instructed to pay this School Board $150.00 for the year 1910 as a

All of which is respectfully submitted.

F. W. MORGAN.

Report of Commissioners on Settlement with Mr. Keeneham.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Commissioners, re claim of Patrick Keeneham beg leave to report as follows:

Having been appointed by this Council to act in conjunction with the late Mr. Slack, nothing very much had been done until after Mr. Slack's death, when a writ was issued by Mr. Keeneham, but before it was served your Commissioners had Mr. Keeneham come to Brampton, and also notified the Chairman of the County Property, Road and Bridges Committee to be present, and we, with the County Solicitor, had a settlement effected for the sum of four hundred dollars.

Mr. Keeneham signed an agreement releasing all parties from any claim whatever in connection with the said accident.

And that said four hundred dollars be charged to the Good Roads Account of the Township of Albion.

Your Commissioners would also recommend that the following commission be paid:

To Thos. L. Kennedy, one day and mileage.....	$4 20
J. A. McBride, two days and mileage.....	9 40

All of which is respectfully submitted.

JOHN A. McBRIDE,

THOS. L. KENNEDY,

Commissioners.

Brampton, 22nd November, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Second Report of County Property Committee.

Brampton, November 22nd, 1911.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Commissioners on County Property beg leave to present their Second Report as follows:

1st. Your Commission met in the Clerk's Office Thursday, the 6th day of October, all the members present.

2nd. We passed all accounts presented which were properly certified.

3rd. The Sheriff's Office had been decorated and furnished at a cost slightly in excess of the estimates, due to a few extras necessary.

4th. The County Gaol, Hall and Office has been renovated and decorated at a cost of $39.00, this being occasioned through the unsightly and unsanitary condition of these rooms.

5th. We would further recommend that R. H. Lush be appointed County Property Commissioner to fill the unexpired term of J. Slack, deceased.

6th. That the lighting of the County Buildings by the Brampton Electric Light Company be discontinued at the expiration of the present contract and that the County Buildings be lighted by Hydro-Electric purchased from the Municipality of Brampton at six cents per K.W.H., less 10 per cent., cash discount.

All of which is respectfully submitted.

J. A. McBRIDE, Warden.

2nd. Your Committee have received the following communications and recommend they be disposed of as follows:

A communication from the Port Credit Brick Company asking for damages to motor truck caused by breaking through a bridge on Toronto Township's portion of County Road System.

Would recommend that it be filed with the Clerk.

3rd. A communication from J. Gould, asking for $15.00 for trouble trying to apprehend horse thieves and failing.

Referred to the whole Council. (Committee recommended no action.)

A communication from C. Allison, Secretary of the Brampton and Peel County Poultry Association, asking for a grant to the Association.

Referred the matter to whole Council. (Not granted.)

5th. A communication from A. P. Westervelt, Secretary of the Winter Fair, directing how the grant to the Winter Fair may be paid.

Your Committee recommend that the money be paid to the prize winner by order on the County Treasurer.

6th. A Communication from Thos. L. Kennedy, about two steel cages to be used as a lock-up at Port Credit.

Your Committee recommend the matter be referred to the whole Council. (Council would not recommend any grant.)

All of which is respectfully submitted.

JOHN NEWHOUSE, Chairman.

Brampton, 24th November, 1911.

(Adopted as amended) JOHN A. McBRIDE, Warden.

Third Report of Standing Committee on Miscellaneous Matters.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

1st. Report of Boiler Inspection and Insurance Company of Canada, stating one new tube was required in boiler.

We understand that the County Property Commissioners have had this matter attended to and everything else is reported satisfactory.

2nd. A communication from the Children's Aid Association of Waterloo County re inmates from Peel County.

We would refer this matter to the whole Council.

Council recommended that the Clerk be authorized to write to the Home for information re Leslie Williams, and that this Council would recommend that Irene McTaggart be placed in some asylum.

3rd. A form of petition addressed to the Legislative Assembly of Ontario, received from the County of Halton, and asking our co-operation.

We would recommend that the Warden and Clerk be and are hereby instructed to sign the same and have it forwarded to the proper authorities.

We think this question might also be dealt with effectually through the rural section of the Ontario Municipal Association.

All of which is respectfully submitted.

J. G. JULIAN, Chairman.

Council Chamber, Brampton, November 23rd, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Fourth Report of Standing Committee on Roads and Bridges.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

We have received a communication from W. H. McFadden, K.C., enclosing a writ against the County for injuries received by Isaac Menary while travelling on a County road, owing to the dangerous condition of the road.

R. H. Lush, Commissioner of County Roads, has settled the claim, so we recommend the communication to be filed.

We have also received an account from the Waterous Engine Works Company for repairs to roller amounting to $106.35.

We would recommend that R. H. Lusk, Esq., pay $20.45 out of Toronto Township Good Roads account; and that John Wilkinson

pay $85.90 from the account of Chinguacousy Good Roads.

We have also a communication from the Clerk of the County of Halton asking us to pay our proportion of a concrete culvert built between the two counties.

We would recommend that no action be taken until next meeting.

We have also a communication from the President of the Ontario Good Roads Association, asking us to send delegates to Ottawa to wait on Premier Borden, re Federal aid for good roads in the Province.

We would recommend that three delegates be sent and only actual expenses paid.

The Warden, John Newhouse and R. H. Lush be delegated to attend this meeting.

We have also two communications from the Canadian Pacific Railway, showing, first, expenditure at Cheltenham by the company on siding $176.55, and an expenditure of $360, and asking us to pay $1.00 for personal expenses of the engineering staff.

We would recommend that these communications be filed with the Clerk.

We would also like to state that this has been the first year for some time that all the County bridges have been under the direct attention of the Road and Bridge Committee.

We have found some difficulty in conducting our business with smoothness and despatch. However, we have every confidence that next year this will be remedied.

We have been in direct touch with the Counties of Halton, Dufferin, Simcoe and York, and we expect that before long all these counties will also adopt the same bridges in their boundaries that we have done.

You will notice that we have saved considerable from our estimates this year, as we have spent about $2,500.00 on bridges this year.

Your Committee, with the Warden and County Solicitor, attended a meeting of the Dominion Railway Board, re level crossings of C. N. R. over Hurontario street, near Cooksville.

As there will be considerable of a cut where they pass this highway we have applied to have protection at this point.

Your Committee would recommend the payment of the following commissions and expenses:

The Warden, two days..... $6 00

T. L. Kenndy, eight days	24 00
John Newhouse, six days	18 00
S. A. Egan, six days	18 00
Expenses and mileage	70 30

All of which is respectfully submitted.

THOS. L. KENNEDY,

Chairman R. and B. Committee.

Brampton, November 25th, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Third Report of the Standing Committee on Education.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee recommends payment of D. Kirkwood's account for postage for the Public School Inspector from October 6th, 1910, to October 14th, 1911, $36.00.

The claim from the Board of Collingwood Collegiate Institute for tuition of Annie McLeod, a pupil from Peel attending said Institute during 1910, we would recommend that the account be paid, $20.40.

We also recommend the payment to Mr. Quinn of the sum of $5.50 for attendance at the Provincial Educational Association at Toronto, April 18th, 19th and 20th.

All of which is respectfully submitted.

F. W. MORGAN, Chairman.

Brampton, November 23rd, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Third Report of Standing Committee on Printing and Contingencies.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee had the following bills and accounts before them, which they recommend to be paid:

D. Kirkwood, County Clerk, postage used by the Clerk, Treasurer and Gaoler	$26 00
Copp, Clark & Co., jurors' books to W. H. McFadden	11 50
Conservator, printing supplied to Sheriff	10 38

All of which is respectfully submitted.

S. A. EGAN, Chairman.

Brampton, 24th November, 1911.

(Adopted) JOHN A. McBRIDE, Warden.

Report of Delegates to Convention of the Ontario Municipal Association.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Delegates attended the Convention on August 30th and September 1st, and as all the proceedings were reported in full in the Municipal World we consider it unnecessary to repeat the details here. We, however, were favorably impressed as to the benefits that might be derived through the Association if the rural municipalities could be induced to make a united effort.

We are of the opinion that the Council would be justified in paying the annual membership fee and sending one or more delegates.

We noticed that most of the delegates represented urban municipalities.

We think it would be a good plan for County Councils to discuss questions of law in which they are specially interested and have their delegates prepare a paper to be read at the Convention, as most of the business of the meeting appears to be prepared before hand.

We recommend the payment of ten dollars to each of the delegates.

J. G. JULIAN,

R. H. LUSH,

Delegates.

Council Chamber, November 22nd, 1911.

Annual Report of the Public School Inspector for 1910.

To the Warden and Council of the County of Peel:

Gentlemen,—I have the honor to submit for your consideration my Report of the Public Schools of the County for the year 1910. During the year I made upwards of two hundred and forty official visits, each school being visited twice and several three times. As far as I had the opportunity I made a careful study of the conditions that obtain in educational affairs in the inspectorate, and I am sorry to report that whilst these conditions are generally satisfactory, there exist some which present a serious obstacle to the advancement of education.

Before referring to these I desire to express my appreciation of the promptness with which several School Boards hastened to carry out suggestions I have made and which I believe will produce beneficial results on the minds and characters of the youth in these sections. The importance of the surroundings on the character is, however, too often overlooked, and in consequence the school houses and grounds are left in a neglected state, which is reflected in the habits of the pupils. The aim of our educational system is not merely to impart such knowledge as will enable pupils to pass such examinations they may encounter in their course, but to promote the qualities that make for the higher type of citizenship. It is of vastly greater importance that there should be instilled in the child a desire to learn than it is to stock his mind with a mass of disassociated facts. A teacher's success should be measured not so much by the success of her pupils at the Entrance Examination as by her influence for good on the lives and characters of her pupils.

I shall now briefly refer to a few of the obstacles already spoken of. The first and most serious is the frequent changing of teachers. Of the ninety-seven teachers employed in the County in October, 1909, when I received the appointment of Inspector, only twenty-nine are to-day employed in the same schools. No fewer than sixty-eight schools have changed teachers, several of them twice or three times. In this short period of time I have been associated with one hundred and twenty-seven teachers.

Trustees have experienced much difficulty in securing teachers holding first or second-class certificates. The same shortage of teachers appears to prevail throughout the entire Province. The question naturally arises and is often asked, What is the reason for this scarcity?

In the year 1909-1910 more certificates were granted than in any previous year, except in 1907, the last year of the County Model Schools, when an unusual number of candidates presented themselves to take advantage of the opportunity of obtaining a Provincial certificate by a brief attendance at a training school. More

Normal Schools are in existence than formerly, more second-class certificates are granted. What becomes of the holders of these certificates? The demand for teachers in the newer provinces of the West, the lure of new lands, and the temptation in the form of higher salaries attract many of our best teachers. So long as the average salary paid to female teachers is forty or fifty per cent. higher in Alberta than in Ontario, the exodus of teachers will continue. There is, it is true, an upward tendency in salaries; most of our teachers holding second-class certificates are in receipt of five hundred dollars or more. Unfortunately, however, the trustees in many sections, forgetting their responsibility to the children, apparently feel as if they were appointed solely to keep down expenses. The additional cost to the section paying a teacher who holds a second-class certificate five hundred dollars, over the one paying four hundred and fifty dollars to the teacher with lower qualifications is at the most only fifteen dollars. The Legislature pays the balance. The Trustees desiring to engage a teacher whose qualifications are lower than a second-class certificate, must apply to the Minister of Education for the necessary permission. Since January 1st of the present year twenty-one School Boards have applied for his sanction to the engagement of a teacher holding a limited third-class certificate of qualification.

My policy is torecommend that limited third-class certificates be made valid until the midsummer vacation, and that temporary certificates be granted until Easter, when the teachers now in the Normal Schools who have had experience will be granted certificates.

I have dealt at considerable length with this subject that the situation might be clearly understood, and that Trustees might see that the remedy lies entirely with themselves.

The second obstacle grows out of the first, and is the inexperience of many of the teachers now employed. The statement I have added hereto will show the proportion of such teachers employed during the year 1910.

A third and the last difficulty to which I shall now refer is the irregularity of attendance, which in some sections prevails to such an extent as to materially weaken, if not altogether to nullify the efforts of the teacher.

So far as my observation goes I believe that the great majority of the teachers have been and are doing strenuous work to advance both the moral and mental development of their pupils, and it is most discouraging to have these efforts destroyed by the neglect or indifference of the parents. I do not wish to imply that the irregularity of attendance is due wholly to the indifference of the parents. I recognize the fact that, especially during the winter months, the climatic and physical conditions render attendance at school on the part of young pupils exceedingly difficulty, if not entirely im-

possible. However, some schools are not so well attended when these conditions do not obtain so well as they should be.

Every Township Council should appoint one or more truant officer whose duty it would be to see that no child suffers on account of the parents' ignorance or indifference.

One branch of education which in this County has received but little attention, but which the Minister of Education is encouraging by offering special grants of money, is what may be termed school gardening. The Legislature of the Province has made it an important part of its policy to promote by every possible means the development of the study of the best methods of agriculture. As only the few are in a position to attend an Agricultural College, the purpose is to bring within the reach of every boy and girl in the rural schools, the opportunity of acquiring some knowledge of the science of farming. This knowledge is not imparted directly by the teacher, nor is it obtained by the reading of books, but it is the result of individual experiment. The grant referred to is paid to schools where a portion of the grounds is set apart as an experimental farm and cultivated under the direction of a duly qualified teacher. To prepare teachers to undertake this work intelligently a free course is offered to graduates of the Normal Schools. By interesting the youth in this way it is hoped to foster a taste for agricultural pursuits and to cause to cease the exodus of young men from the farm. By making farm life attractive as well as remunera-

tive will the young man be induced to elect to remain where he will accomplish most good as a citizen, and derive the highest and purest enjoyment from life, and leave the professions and kindred pursuits to those who are fitted neither by temperament nor by education to live a life close to nature, which is the best that can fall to the lot of man.

The idea that education is not needed by those who are destined to remain on the farm and that the rest of the family must be deprived of much that one son may be educated to adorn or degrade a profession is long since exploded. Agriculture is a science and must be carried on in a scientific manner in order that the best results may accrue. To so educate a boy who is to become a farmer that he may reach the highest degree of material success, and at the same time derive the purest enjoyment from his labor is one of the aims of our educational system. During the present year I shall devote my energies to arousing an interest on the part of teachers and Trustees in this important work, and hope to be able to report a year hence that my efforts have met with a fair measure of success.

During the year two arbitrations were held, the first to consider the matter of the formation of a Union Section from parts of Sections Numbers 11 and 12 in the Township of Albion; and 1 and 2 in the Township of Adjala. After hearing the allegations of the persons interested and after carefully considering the advantages and disadvantages of forming such a Union Section, the arbitrators decided that it was not in the best interests of the majority concerned that the request of the petitioners should be granted. The Minister of Education was appealed to, but refused to set aside the award.

The second arbitration was held to consider the request of certain petitioners that a new section should be formed from parts of Sections numbered 5, 6 and 19 in the Township of Toronto. The arbitrators in this case could not grant the request and the boundaries of the sections of the County remain unchanged.

I have the honor to be your obedient servant,

W. I. GALBRAITH,

P. S. Inspector.

Report Of Delegate To The Convention Of The Educational Association Held In Toronto In April Last.

To the Warden and Council of the County of Peel :

Gentlemen—

I attended the said convention and heard the addresses and discussion that took place on the different questions brought up in reference to educational matters.

To give the members of this Council some information on what was discussed at this Convention I asked for a published report of the meeting. I just received this report recently and have left it in the hands of the Clerk where it can be seen by anyone wishing to do so.

I would recommend that the following accounts be paid in connection with this Convention.

Car fare	$2.50
Expenses	2.50
County membership of the Association	50
	$5.50

All of which is respectfully submitted.

Thomas Quinn,

Council Chamber, November 22nd., 1910.

Warden.

Report of Standing Committee on Equalization of Assessment.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee have examined the assessment schedules of the several municipalities of the County, and in so far as we can ascertain we find them correct.

Your Committee have equalized the assessment of the different municipalities as shown in the schedule hereto annexed, and we herewith introduce a By-law to confirm the same.

All of which is respectfully submitted.

JOHN S. BECK, Chairman.

Brampton, January 27th, 1911.

BY-LAWS

BY-LAW NO. 395.

Whereas on the 4th day of February, A.D. 1910, the Municipal Corporation of the County of Peel did pass By-law Numbered 380 setting apart the Village of Bolton and a certain portion of the Township of Albion as an Urban Continuation School District.

And, whereas, on the eighteenth day of June, A.D. 1910, the said Municipal Corporation of the County of Peel did amend the said By-law No. 380 by passing By-law Numbered 388 adding to the said School District as set out in By-law No. 380 School Section Number One, Union, Albion.

And, whereas, the said Municipal Corporation of the Township of Albion and Village of Bolton, refused the application of the Board of Trustees of the said Continuation School for the sum required for permanent improvements.

And, whereas, the said application was on the tenth day of October, A.D. 1910, submitted to a vote of the electors of the said District under the Statutes in that behalf, and the same was defeated by the said electors by a large majority.

And, whereas, the ratepayers of the said School District by a petition of over two-thirds of the ratepayers, have requested the said Municipal Corporation of the County of Peel to repeal the said by-laws.

And, whereas, the said Municipal Corporation of the County of Peel has deemed it advisable to accede to the wishes of the majority of the said ratepayers of the said Continuation School District.

Therefore, the said Muncipal Corporation of the County of Peel enacts as follows:

1. That By-law Number 380 of the Muncipal Corporation of the County of Peel as amended by By-law Number 388 be and the same is hereby repealed.

Passed in open Council this 21st day of December, 1910.

PETER SPEIRS, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 396.

To Appoint a Board of Audit for the Year 1911.

Under and by virtue of Section 530 of the Consolidated Municipal Act of 1903, the Corporation of the County of Peel, by the Council thereof enacts as follows:

1. That C. H. Gill, of Dixie, and F. W. Morgan, of Streetsville, be, and they are hereby appointed, members of the Board of Audit, for the current year.

2nd. That each of the said members of the Board of Audit, be paid the sum of $3.00 for each audit of accounts, together with 10 cents per mile necessarily traveled to attend such audit, and that the Treasurer be and is authorized to pay the same.

Passed this 26th day of January, 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 397.

To Equalize for County Purposes the Assessment of the Several Municipalities within the County of Peel.

Whereas, under the provisions of the revised Assessment Act of the Province of Ontario.

Every County Council is required to equalize by by-law the assessment of the several municipalities of the County in order to produce a just relation between them as a basis for County Assessment.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

That the equalized assessment of the several municipalities of the County of Peel for the present year, be as in the following schedule embodied herein—

Name of Municipality.	Equalized Assessment.
Albion	$1,706,400
Caledon	2,112,263
Chinguacousy	4,030,901
Toronto	3,408,463
Toronto Gore	953,808
Brampton	950,000
Bolton	137,366

Streetsville	140,602
Total	$13,439,803

Passed this 27th day of January, 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO 398.

A By-Law to Amend By-Law No. 156.

The Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That Clause 3 of said By-law be amended by striking out the words "Maintenance or erection as the case may be" in the second line thereof.

And also striking out the words "necessary work of erection or" in the fourth and fifth lines thereof.

Passed this 27th day of January, 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 399.

A By-law for the Appointment of a Solicitor for the Municipal Corporation of the County of Peel.

The Municipal Corporation of the County of Peel by the Council thereof enacts as follows:—

1. That T. J. Blain be and he is hereby appointed Solicitor for the Municipal Corporation of the County of Peel.

(a) That the said Solicitor shall upon request advise the Council and members thereof in all Corporation matters, shall draw all special By-laws, contracts and other important documents and shall perform all other duties prescribed by law or required by the Council to be performed by him as such Solicitor.

(b) That he be paid for his services the sum of $200.00 per annum, which amount shall include all allowances, office expenses or otherwise, but he shall be paid in addition thereto his actual disbursements other than in connection with his office, and also all

costs of litigation or other legal proceedings ordered to be paid to the Corporation by third parties if and when the same are actually collected and received.

Passed in open Council this 27th day of January, A.D. 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 400.

To Confirm By-law No. 768 of the Municipality of the Township of Toronto.

Whereas, under and by virtue of the Municipal Act, Chap. , Subsection , the Municipal Council of the Township of Toronto did on the 3rd day of December, 1910, pass a By-law for closing, stopping up and conveying to His Majesty King George V. that certain portion of the road allowance between lots numbers five and six in the third concession, south of Dundas street, in the said Township of Toronto.

And, whereas, the said road has been expropriated by His Majesty King George V. as well as all lands adjoining the said road.

And, whereas, it is desirable to give force and effect to the said By-law pursuant to Subsection 660, Subsection 2 (b) of the Municipal Act, 1903.

Therefore, the Municipal Council of the Corporation of the County of Peel enacts as follows:

That the said By-law No. 768 of the Municipal Corporation of the Township of Toronto, a copy of which is hereto annexed, be and the same is hereby confirmed.

Passed this 17th day of March, 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 401.

To Amend By-law No. 90.

Whereas, on the 29th day of January, 1897, a By-law was passed Numbered 90, in which provision was made for appointment of a Commission on County Property, of which the Warden was de-

clared to be a member.

Therefore the Corporation of the County of Peel by the Council thereof enacts as follows:

1st. That Clause One of By-law No. 90 be amended by striking out the word "shall' in the last line of the said clause, and inserting the word "may" instead thereof.

Passed this 17th day of March, 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 402.

To Confirm By-laws Nos. 738 and 774 of the Municipality of the Township of Toronto.

Whereas, under and by virtue of the Municipal Act, Chapter 19, Section 637, Subsection 1, 1903, the Muncipal Council of the Township of Toronto did on the 31st day of October, 1908 (and on the 9th day of January, 1911, confirm said By-law), pass a By-law for closing, stopping up and conveying to Dr. A. B. Sutton that portion of Brook street lying north of Park street and south of Queen street in the Village of Port Credit.

And, whereas, said road or line is of no use or benefit whatever to any other person other than the above named party.

And, whereas, it is desirable to give force and effect to the said By-laws pursuant to Subsection 660, Subsection 2 (b) of the Municipal Act of 1903.

Therefore the Corporation of the County of Peel enacts as follows:

That said By-laws Nos. 738 and 774 of the Corporation of the Township of Toronto (copies of which are hereto annexed) be and the same are confirmed.

Enacted this 8th day of June, 1911, at Brampton.

BY-LAW NO. 403.

Authorizing the Borrowing of Money.

Whereas it is expedient to raise by way of loan the sum of fifteen thousand dollars, required to meet the current expenditure of the Corporation of the County of Peel.

Be it resolved, therefore, and the Council of the County of Peel enacts as follows:

1st. That it shall and may be lawful for the Warden and Treasurer of the County of Peel and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada at the office of the said Bank in the town of Brampton, a sum not exceeding the sum of Fifteen Thousand Dollars ($15,000), for the purpose aforesaid.

2nd. That the said Warden and Treasurer are hereby authorized and empowered, on behalf of the County of Peel, to sign and execute as representing such advance under the Corporate Seal of the County of Peel, and deliver to the Manager of the Merchants Bank of Canada at Brampton the promissory note or notes of the said Warden and Treasurer, payable at the office of the said Bank in Brampton, on or before the 31st December, with interest thereon at the rate of 4½ per cent. per annum, and also to execute in like manner renewals thereof, in whole or part, until such advances are fully repaid.

Done and passed at Brampton, the 8th day of June, 1911.

JOHN A. McBRIDE, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 404.

A By-law of the Corporation of the County of Peel to Authorize the said Corporation to Guarantee the Payment of Debentures to be Issued Under By-law Number 374 of the Town of Brampton in the said County.

Whereas, the Council of the Corporation of the Town of Brampton on the 17th day of January, A.D. 1910, passed By-law Number 374 for the purpose of providing for the issuing of $40,405.00 debentures to pay for the cost of works, plant, machinery and appliances necessary for the distribution of electric power in the Town of Brampton to be supplied by the Hydro-Electric Power Commission of Ontario.

And, whereas, said By-law Number 374 made it lawful for the Mayor of the Town of Brampton to raise by way of loan upon the security of the said debentures from any person or persons, body or bodies corporate, a sum of money not exceeding in the whole the

sum of $40,405.00 in sums of not less than one hundred dollars each payable in thirty years from the date and which said By-law Number 374 takes effect; and to bear interest at a rate not exceeding four and one-half per cent. per annum, payable annually.

And, whereas, an Act passed by the Legislative Assembly of Ontario on the nineteenth day of March, A.D. 1910, 10 Ed. VII., Chapter 109, it was among other things enacted that said By-law Number 374 and all debentures to be issued thereunder should be confirmed and declared to be legal, valid and binding.

Be it therefore enacted by the Corporation of the County of Peel through the Council thereof pursuant to the Statute in that behalf—

1. That the said Corporation do hereby guarantee the due payment of debentures and coupons to be issued as aforesaid under the said in part recited By-law Number 374 according to the terms of the said debentures and coupons respectively.

2. That upon each of the said debentures shall be written or printed the following form of such guarantee:

GUARANTEE

Given by the Corporation of the County of Peel by virtue and under the authority of a By-law passed by the Council of the said Corporation of the County of Peel on the eighth day of June, A.D. 1911.

Payment of the within debentures and of the several interest coupons attached thereto is hereby guaranteed to the bearer thereof by the Corporation of the County of Peel.

....., Warden.

....., Treasurer.

3. The Warden and Treasurer of the said County are hereby authorized and directed to sign the said guarantee on each of the said debentures on behalf of the said Corporation and the Clerk of the said Corporation is hereby authorized and directed to affix the Corporate Seal of the said County thereto

4. When the said guarantee is so sealed and signed the said Corporation shall be liable to the holder or holders of the said debentures and coupons and responsible for the due payment thereof at the time and places named therein.

Passed in open Council this eighth day of June, A.D. 1911.

BY-LAW NO. 405.

A By-law Assuming County Bridges.

The Municipal Corporation of the County of Peel by its Council enacts as follows:

1. That the bridges set forth in Schedule "A" to this By-law be and the same are assumed as County bridges.

2. That in future County bridges be built capable of sustaining a concentrated load of fifteen ton.

3. That whenever any County bridge requires to be repaired the Commissioner of the Division is hereby authorized to have such repairs done forthwith providing the cost thereof is not more than $50.00, and in case such repairs cost more than $50.00 or the bridge requires rebuilding the Commissioner of the Division shall immediately communicate with the County Road and Bridge Committee, which said Committee shall forthwith take such steps as may be necessary to have the bridge repaired, and in the event of said Committee deeming it advisable to rebuild such bridge the said Committee shall report the same to the County for the purpose of obtaining authority for the rebuilding of the bridge.

4. Pursuant to the provisions of Sections 613 and 617 of the Consolidated Municipal Act, 1903, the Municipal Corporation of the County of Peel by its Council declares and doth hereby declare that the words "rivers, streams, ponds or lakes" mentioned in said sections as applying to the erection and maintenance of bridges over rivers, streams, ponds or lakes where such rivers, streams, ponds or lakes form or cross any boundary line between two municipalities within the County of Peel shall not include or extend to any river, stream, lake or pond less than twenty feet in width.

Passed in open Council this 9th day of June, A.D. 1911.

BY-LAW NO. 409.

Being a By-law to Amend By-law Number 353 of the Municipal Corporation of the County of Peel, said By-law Number 353 being a By-law Amending By-law Number 341 of the County of Peel and also Designating the Portion of the Highway in the Village of Bolton upon which the Grant of the Sum of $824.00 to said Village of Bolton is to be Expended.

The Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That Section 2 of By-law No. 353 amending By-law Number 341 of the Municipal Corporation of the County of Peel be and is hereby repealed.

2. That in lieu and instead of Section 4 of said By-law Number 341 the following be and is hereby substituted as Section 4 of said By-law Number 341, namely:

(4) Township of Albion.—On the road allowance between the Sixth and Seventh Concession, Township of Albion, beginning at the sideroad between Lots Numbers 30 and 31, Concession Seven in said Township of Albion, thence southerly to the line between Lots Numbers 14 and 15, being a distance of six miles more or less.

On the road allowance between Lots Numbers 25 and 26 from the road allowance between the Sixth and Seventh Concessions westerly three concessions to the road allowance between the Third and Fourth Concessions, thence southerly on the last mentioned road allowance to the line between Lots Numbers 21 and 22, four miles, more or less.

On the road allowance between Lots Numbers 10 and 11 from the westerly boundary of the Township of Albion at Sand Hill easterly five concessions to the road allowance between the Fifth and Sixth Concessions. Thence southerly along the last mentioned road allowance about one-half mile to the Bolton road, thence easterly on the last mentioned road one-half concession to the Corporation limit of the Village of Bolton, a distance of five miles more or less.

And that the grant of $824.00 to which the Village of Bolton is entitled under By-law Number 381 of the Corporation of the County of Peel be expended upon that portion of highway in the Village of Bolton which forms a continuation of the County Road System of the County of Peel, commencing at the westerly limit of the said Village of Bolton, at the end of the above described County road, thence easterly along King street in the Village of Bolton to the intersection of said street with Queen street.

This By-law shall take effect from and after the assent of the

Lieutenant-Governor thereto.

Treasurer's Statement of County Accounts for the year 1910.

To the Warden and Council of the County of Peel.

Gentlemen:—I beg leave to report that the county accounts for the year ending December 31st, 1910 were prepared in detail and audited by your auditors last week.

The receipts from all sources were	$207326	01
And the payments	191779	20
Leaving a balance to the credit of the County Jan. 1st, 1911 of	$ 15546	81
This balance belongs to the following accounts, viz.		
First, Good Roads Albion	$ 4746	13
Second, Good Roads, Caledon	699	89
Third, Good Roads, Chinguacousy	11695	47
Fourth, Good Roads, Toronto Gore	3271	00
Total balances	$ 20412	49
Toronto Twp. Dr. to Good Roads, overdrawn acct	11426	91
Total balance on hand for Good Roads	$ 8985	58
Bal. required for payment of Debentures maturing April 3rd, 1911 and June 1st, 1911 and collected in taxes in 1910 and received by your treasurer	11922	15
Bal. on hand to pay Debentures	6561	23
County of Peel Dr. to Debenture Account	$ 5360	92

You will see by this statement that you have used $5360.92 of the Debenture rates for 1910 in current expenditure.

You will see by this statement that we have no balance to begin this year in our current account but a deficit of $5360.92 as against $3982.07 last year. This would show a deficit in the past year's current account of $1378 85 after paying the 1909 deficit of $3982.07. I may say that I have not received anything from Counties York and Wellington for County Bridges for 1910.

Our interest account has been light owing to use of Good Roads money for current expenses.

We are not likely to require to borrow any money before June 1st when the second Debenture falls due. I made a statement of the Good Roads for each municipality at the end of the year and placed them in the printer's hands, which you will find in the County Minutes now

completed.

You will find attached the four quarterly statements, also Public School, Non-Resident Tax and the Peel & Halton House of Refuge accounts for seven months commencing June 1st, 1910. The H. R. statement shows the receipts from all sources to be $3279.58 and disbursements $3276.18 leaving a balance on hand in Bank on January 1st, 1911, $3.40.

In conclusion I may say that we may expect the government grant on monies expended on Good Roads in 1910 soon after our Engineer makes his returns which he is now preparing. The overdrafts will then be paid and each municipality will receive their proper credit.

ROBERT CRAWFORD,
County Treasurer.

Dated at Brampton, February 1st, 1911.

Auditors' Report for 1910

Brampton, January 24th, 1911

To the Warden and Council of the County of Peel.

Gentlemen:—

Your Auditor beg leave to report that they have carefully checked the books and accounts of the Treasurer for the year ending December 31st, 1910, and found them correct—vouchers, either copies or accounts duly receipted, or endorsed. Cheques were produced for every payment.

We find the total amount of money received during the year was $207,326.01, and of this amount $191,779.20 was paid out, leaving a balance to the credit of the county in the bank on above date of $15,546.81.

We find, however, that the balance really does not belong to the current account of the county but is a surplus left over of Good Roads money not used in 1910 and part debenture taxes levied this year to meet Good Roads debentures due in April and June of 1911.

We are giving below a statement of the amounts due the different muuicipalities on Good Roads account at the end of 1910.

Albion	$	4746 13
Caledon		699 89
Chinguacousy		11695 47
Toronto Gore		3271 00
	$	20412 49
and Toronto Township has overdrawn 1910 apportionment	$	11426 91
Leaving the county due Good Roads	$	8985 58

Coming to the debenture taxes, $11,922 15 was collected but $5,360 92

was used to pay current expenses so we are short that amount to meet those maturing in 1911.

We find our interest account was light this year owing to the sale of $100,000 worth of Good Roads debentures in July. Previous to this sale we borrowed from the bank as required, and the interest thereon was $95.07. Looking forward we do not think any money will require to be borrowed till June.

We find that the total amount expended on Good Roads this year was $116,770.92 and the amount by each municipality as under, namely :

Albion	$14.192 50
Caledon	24,731 20
Chinguacousy	24,583 10
Toronto Tp.	38,683 78
Toronto Gore	5,711 12
Brampton	6 696 00
Bolton	1,074 00
Streetsville	1,099 22
Total	$ 116 770 92

This large outlay was done by nine Commissioners, who received the money from the Treasurer and have rendered a statement of how it was expended. Acting on the plan suggested a year ago, they each opened an account in some bank near them and paid only by cheque. We have confirmed the amount each received and checked the bank vouchers and will arrange that they all settle with the Treasurer so they commence the year 1911 with a clean sheet.

We likewise checked the treasurer's account with the Peel and Halton House of Refuge and find the receipts as given below, namely, commencing June 1st, 1910.

Received from County of Peel	$ 1550 00
Received from County of Halton	1525 00
Sales of produce and stock	204 58
	$ 3279 58

EXPENDITURE

Salaries	$ 858 48
Supplies	576 47
Dry Goods and Boots	108 00
Capital acct., supplies, repairs & heating, harness, fire ext	518 24
Insurance, coal and light	864 34
Miscellaneous	185 65
Stock bought	165 00
	$ 3276 18
Balance on hand	$ 3 40

The non-resident taxes collected this year amounted to $24 06 namely. Roderick Murray, Chinguacousy, $1 93 ; S. A. Nunn, Caledon, $20.62 and Rein Bird, Ching., $1.50; was paid over to the Treasurer of the municipality to whom it was due.

In the general statement of the Assets and Liabilities of the County on December 31st, 1910, they are given you in detail and show as given below.

Assets	$ 99,282 81
Liabilities	182,651 00
Liabilities and balance of assets	83,368 19

The debenture debt of the county now amounts to the sum of $182.651.-00, all Good Roads and an annual payment of $11,922.15 will be required to redeem them spread over 30 years.

We found your Treasurer very courteous and willing to assist us during this audit, and have pleasure in assuring you that correctness and neatness are shown in every detail of his work.

GENTLEMEN : We, your Auditors, beg leave to report that we have carefully checked the School Monies received and paid out for the year ending December 31st, 1910 by the County Treasurer and find them correct. He has sent out marked cheques to every section and this leaves the bank book showing a credit balance of $10.60 of accumulated interest which he will transfer to current account during 1911.

Brampton, March 17, 1911.

To the Warden and Council of the County of Peel.

Gentlemen ; In accordance with your resolution of yesterday re the Finances of the County I have made a report of the four abstract statements of the county for the past four years which you will find attached for your consideration.

1st. I have taken from the abstracts six of the items of controllable expenditure which regulate the amount of taxes required each year for current expenses and I find that administration of justice has varied as much as $2900 in two years and that county property has varied as much as $1200 in two years. I also notice that municipal government has increased $1024.00 in the last four years. Last year the Council Pay Lists amounted to $1214.90 and the increase to your Clerk and Treasurer $200.00. There is also a special account of about $100.00 a year to the G.T.R. flagman at Port Credit. This is new and will continue to be a charge on the county. I also find an increase in the maintenance of the House of Refuge for the past year of about $400, but I may say that Halton was indebted to Peel on December 31st, $300.00 which sum I have received in the current year and which reduces our deficit that amount. You will see by my letter of January 1911 that the deficit referred to was caused by the heavy expenditure of 1909 which used up our balance of $466.69 and caused a deficit of $3982.07. The explanation of this deficit is given on page 159 of the last minutes.

Yours truly,

Robert Crawford.

The following is a statement of the controllable expenditure for four years, beginning with 1907.

Reports of Committees

Report of Committee on Bridges on Boundary Lines between Municipalities in the County ; also Bridges Bordering on Adjoining Counties

SILVERTHORN BRIDGE NO. 4.

Your Road and Bridge Committee met the Commissioners for the County of York with a view of having Bridges No. 3, 4 and 5 repainted, this was finally left in the hands of the Warden of Co. York and Mr. Kennedy ; they met three times but could not agree to repaint these bridges, as the Co. York wanted to use the blast system and we would not agree.

We would recommend the following accounts to be paid :

48 pieces 4x12x16 = 3072
88 pieces 4x10x16 5760

8,832 @ $30 ℔ 1,000 ft., $264.96
C. H. Gill, spikes 3.75
W. H. Johnston and others, hauling, etc... 66.33

Total.....$335.04

The County of York to pay half.

We would also recommend the following Commission : Thos. L. Kennedy, one day in Toronto, $4.50, one day $3.00 ; total, $7,50.

CRAIG'S BRIDGE NO. 4.

Your Commissioners met the Co. York Commissioners here and decided to erect a Breakwater as the river was washing behind the wing wall. We had a Breakwater of 30 feet erected and would recommend the following accounts to be paid ; County of York to pay half : W. H. Johnston, $10.00 ; W. Thompson, $8 ; A. Thompson, $8 ; P. Heary, $16 ; total, $42.

We would also recommend the following Commission : T. L. Kennedy, one day, $3.

BRIDGES NO. 7, 8 & 9.

We received a bill from the Township of Etobicoke for $64.00, being Peel's share of re-planking, etc., bridges 7, 8 and 9. We would recommend the same to be paid.

We would also recommend the following commission : Thos. L. Kennedy, one day, $3.00.

BRIDGES NOS. 16, 17 & 18.

During the year 1910 the Township of King repaired these bridges—but later finding them to be County Bridges sent the bills to York and Peel Counties.

Your Commissioners has carefully looked into the matter, have found that the work was cheaply and well done, and would therefor recommend the payment of one-half the following account the County of York having already paid their share :

Township of King, lumber and labor, $207.44 ; County of Peel's share, $103.72.

BRIDGE NO. 19.

Your Commissioners in conjunction with Commissioners of Co. York, met and arranged with Mr. Egan to have it repaired.

Your Committee would recommend payment of the following accounts :

Albion good Roads account :

Seven Stringers at $2.00 each	$14 00
E. Stubbs and other, labor	17 00
	$31 00

The County of York to pay one-half of this amount.

We also recommend the following commission : S. A. Egan, 3 days $9.00.

TERRA COTTA BRIDGE, NO. 43

Your Road and Bridge Committees arranged with representatives of the County of Halton to have a new steel bridge and concrete abutments and floor erected at Terra Cotta. C. R. Wheelock, our County Engineer, was to be the engineer in charge and County of Peel was to build the bridge and charge Halton with their share.

We accepted Mr. Smeaton's Tender for the concrete work at a cost of $6.25 per cubic yard for the abutments, and 25c. per square foot for the floor; we also allowed him $25 for removing the old bridge.

We accepted the Ontario Bridge Co.'s tender for the steel superstructure at a price of $2230.00.

Mr. Smeaton finished his abutments in the time mentioned in contract, Aug. 30th.

And we would recommend the following payments :

Removing old bridge, $25 ; 124 yds. concrete @ $6.25 $775.00 ; Total	$800 00
John Wilkinson, inspection	33 00
John Bingham, inspection	54 00
Steel and Radiator Co., Limited, 1260 sq. ft. @ $3.55	43 85
Freight, John Wilkinson	1 30
Contract record, advertising	3 20
Wm. Smeaton, 28 barrels cement not yet used	56 00
The Conservator, printing	2 88
Peel Banner and Times	2 64

On account of the lateness of the season when the Ontario Bridge Co. finished the erection of the bridge, it was not possible to have the cement floor put on.

Your Committee would recommend planking the floor for the winter and making it fit for travel.

Your Committee would also recommend that as Wm. Smeaton has asked to be relieved from the putting in of the concrete floor, his contract so far as the floor is concerned the same be and is hereby annualled.

NORVAL BRIDGE, NO. 46.

We also had Norval Bridge replanked, the County of Halton looking after this work.

We would recommend one-half of the following accounts be paid to the Treasurer of the Co. of Halton :

Robt. Stewart, lumber, at $39.00 per 1,000 ft.	$102 23
D. Givens and others, labor	23 38
Total amount	$125 61
Total amount of Peel's share	62 86

Also we would recommend payment of the following commission—John Wilkinson, one day, $3.00.

BRIDGE NO. 50.

This bridge was also replanked and we would recommend the following payments :

280 ft. lumber at $25.00 per thousand feet	$7 00
C. Kirk, labor	2 00
	$9 00

County of Halton to pay half.

Also the following commission—John Wilkinson, one day, $3.

BRIDGE NO. 59.

Your Commissioners had this bridge replanked and would recommend the following payments :

440 ft. 3x10x16 @ $30 per 1,000	$13 20
R. W. Lackie and others, labor	5 20
Total	$18 40

County of Halton to pay one-half of this amount.

We would also recommend the following commission—R. H. Lush, one day, $3.00.

BRIDGE NO. 70.

Report of Commissioners on County Bridges for Toronto Gore and Toronto Township.

To the Chairman of the Road and Bridge Committee, County of Peel :

Your Commissioners beg leave to report as follows :

We found it necessary to put a new concrete floor on the County Bridge at Malton.

We let the contract to John Garbutt for the lump sum of $50, the County furnishing the cement. The work has been completed in a satisfactory manner, and we recommend the following payments :

John Garbutt, putting on floor	$50 00
John Garbutt, cement and extra gravel	28 38
Total	$78 38

We also recommend that the following Commissioners be paid :

J. G. Julian, two days, $6.00 ; Wm. Rutledge, two days, $6.00.

All of which is respectfully submitted.

Council Chamber, Nov. 22nd, 1911.

CASLOR'S BRIDGE, No. 72.

Your Commissioners had the Caslor bridge replanked. We would recommend the following payments :

6,000 ft. 3 in. plank at $30 per 1,000 ft	$180 00
Labor, J. Phair	10 00
Nails	2 00
Fourteen loads gravel	10 50
J. P. Caslor, repairs	2 00
Total	$204 50

We would recommend the following Commission :

F. W. Morgan, two days $6 00

BRIDGE No. 73.

1. Report of Commissioner on Cranswick's Bridge :

To the Chairman of the Road and Bridges Committee :

SIR :—Following the instructions from the Road and Bridges Committee, I repaired the above bridge at the following cost, viz :

1,400 feet of plank at $35 per M	$49 00
Robert Maye, 15 hours team at 40 cents	6 00
One laborer, 15 hours, at 20 cts	3 00
Spikes	40
W. H. Rutledge, commissioner	
John Newhouse, one day	3 00

All of which is respectfully submitted.

WM. RUTLEDGE, Commissioner.

Council Chamber, Nov. 22nd, 1911.

CHURCHVILLE BRIDGE, No. 77.

Your Commissioners met at this bridge and found it in a very dangerous condition.

As we consider that the County would rebuild this bridge in the

near future we had it repaired so as to make it safe for ordinary travel.

We would recommend the following payments :

136 feet lumber at $15 per 1,000 feet	$ 2 05
Labor, N. A. Steen and others	10 00
Nails	25
	$12 30

We would also recommend that the following Commission be paid : R. H. Lush, one day, $3.

All of which is respectfully submitted.

THOS. L KENNEDY, Chairman.

First Report of Commissioner on County Roads for Toronto Gore

To the Warden and Council of the County of Peel :

Gentlemen,—I beg leave to report as follows :

We have competed one-and-a-half miles of stone road, we first had to grade and drain the road and put in nine culverts, we also put in three other culverts all concrete or concrete tile.

We operated a rock crushing machine plant of our own, and this year delivered crushed stone on the road for about $1.50 per cubic yard.

Our method of road building is to put the tier of coarse stone on first and have this thoroughly rolled before putting on the finishing metal, which we dump in piles along the side of the road, by this method one can build a road with considerable less metal and have a better finished road when done.

All our work excepting one culvert was done by day labor, hence it is rather a difficult matter to figure out the exact cost of the different kinds of work.

The schedule of wages paid is as follows :

Foreman $2.50 per day, laborers $2.00 per day, man and team $4.00 per day.

A standard day's work for team is twenty-four miles with 1½ yds. of crushed stone. Our expenditure is as follows :

For crushing and delivering stone on road	$2113 22
Grading on all other work on road	738 50
Culverts, $267.73 ; price of stone $454.00, total	721 73
Road roller 87.15, repair work not drawing grant 75.02	162 17
Commission and Miscellaneous items	149 10
Total	$3884 72

All of interest is respectfully submitted.

Fifth Report of Standing Committee on County Property Roads and Bridges

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee begs leave to report as follows :

We have had a comunication from Wm. Hunter asking damages from the County for damages and loss of time and keeping place a commons for five months, having to close road to Terra Cotta Bridge.

We wonld recommend that no action be taken in this matter.

We have also a communication from Josiah Townsend, asking damages from the County for "loss in his business as a Miller," through the road being closed by the Terra Cotta Bridge being built.

We would recommend that no action be taken in this matter.

We have also a communication from the Canadian Pacific Railway re Railway Crossing at 15 side road in Caledon. We would recommend that the communication be filed with the Clerk.

We have also a communication from the Port Credit Brick Works, re damages to truck by going through a cullvert.

We would recommend that the Solicitor write informing them that we do no not consider we are liable for any costs in the matter.

We have also a communication from the County of Halton, informing us that they have paid

A. W. Gillelan	$186 00
John Bateman	29 50
Hobert H. Grey	52 46

For work on County Bridges between Halton and Peel on "Sparlings Bridge."

We would recommend that the Treasurer be instructed to pay Halton this amount on order of Road and Bridge Committee.

Bridge No. 19.

We would also recommend that John Barry be paid the sum of $3.00 for repairing Cold Creek Bridge. County of York to pay half.

Terra Cotta Bridge, No. 43.

Your Commissioners have inspected this bridge and find the bridge erected. We were very much pleased with style and workmanship of the bridge, and consider it one of the best steel bridges in the county.

We would recommend that that the Ontario Bridge Company be paid the sum of $2000.00, the balance to be paid on order of the Engineer when work is completed, $25.00 to be deducted re temporary flooring of bridge, as per agreement with them.

We would also recommend the following payments :

Wm. Smeaton 169 cubic yards concrete, $6.25 per yard		$1056 25
Less Cash	$300 00	
Less 70 cubic yds. of filling between abutments at 20c per yard	14 00	814 00
		$242 75

Carried over		$242 75
For keeping brackets down through fault of water being deeper than specifications		25 00
	Balance due	$267 75
To W. W. McQuarrie and other laborers for filling in approaches, &c.		$ 331 37
Chinguacousy Good Roads account		19 00
To C. R. Wheelock, C.E., 5 per cent. on $3,600	$180 00	
Less amount retained until floor is completed	15 00	
		165 00

Halton to pay half.

We would also recommend that the following commissions be paid:

John Wilkinson, 4 days	$12 00
S. A. Egan, 1 day	3 00
John Newhouse, 1 day	3 00
T. L. Kennedy, 1 day	3 00
Traveling expenses	6 00

We have also a request from Mr. Steele, Reeve of Albion, for a grant of Fifty dollars for repairing highway between Simcoe and Peel.

There was a special grant given to this work by the Township of Albion and Adjala—also counties of Simcoe and Peel.

The basis under which this grant was given is slightly changed, and we would recommend that the grant of $200 granted by Peel, the sum of Two Hundred and Fifty dollars be paid, the expenditure upon the road being One Thousand and Fifty Dollars.

First Report of Thos. Quinn, Commissioner on County Roads for the East Half of the Twp. of Caledon

To the Warden and Council of the County of Peel :

Gentlemen : Your Commission re Good Roads for the East half of the Township of Caledon, begs leave to report as follows :

Owing to the Graders for County purposes being in use up to the

last week in July, and then the season being so dry and the roads so hard it was impossible to grade them easily.

I commenced to grade the Centre Road at 15 side road and graded south from the Village of Charleston a distance of ¾ of a mile.

Owing to the wet fall and early winter I had to stop work when this portion of the road was graded and ready for gravel.

I also advertised for tenders for placing 1500 yards of gravel on 15 side road in 2nd, 3rd and 4th concessions east of Charleston. I only received one tender for 1000 yds. at $1.15 per yard. As I considered this price too high I did not accept it.

I purchased 1500 yards of gravel at 10 cents per yard, said grav e to be had when required for graveling on the County Roads.

The cost of the work done on this portion of the road is as follows :

Cutting, grading and filling	$330 00
Blasting and removing stone	51 18
Total	$381 18

All of which is respectfully submitted.

THOS. QUINN, Commissioner.

Joint Report of Commissioners on Good Roads in the Township of Toronto

To the Warden and Council of the County of Peel :

Gentlemen ; Your Commissioners of County Roads in the Township of Toronto, beg leave to report as follows :

We had the Lake Shore repaired by buying stone and having the ruts filled :

Cost of stone $1.15 per ton	$75 78
Labor, rolling	46 25
Total	$112 03

We had Dundas Street repaired by having the ruts and holes filled with crushed stone—

Cost of Stone	$82 00
Labor and Rolling	32 20
Total	$114 20

We had the Burnhamthorpe side road practically built by having crushed stone placed on the roads in front of lot No. 4, we secured the lower layer of stone from the Etobicoke Creek, had the same broken by hand, well rolled and covered with stone from Hagersville. This makes a good piece of road :

Cost of Stone	$968 24
Labor grading, &c.	335 23
Rolling	30 00
Total	$1333 67

We also had Dundas Street oiled with good bituminous oil supplied by the British American Oil Co., at 4c. per gallon delivered. The road was oiled twice during the summer with good results, both from preventing autos from tearing up the surface of the road and also by keeping down the dust :

Cost of Oil	$381 68
Cost of oiling, labor, &c.	35 00
Total	$416 68

The ratepayers on both sides of Dundas Street helped to pay cost by being taxed 25c. a day extra on their statute labor.

We also had that portion of Centre Road commencing at old survey and extending northward a distance of three miles, surveyed by the County Engineer, ditched and graded, at the following cost :

To plowing, scraping, grading and putting in the culverts	$193 76
To cost of cement tile	67 10
Total	$260 86

We also completed the part of Dundas Street west of the Centre Road that had been left unfinished at the close of 1910, at a cost of $423.15.

All of which is respectfully submitted.

First Report of Commissioner on Good Roads for the West Side of the Township of Caledon

Gentlemen—Your Commissioner begs leave to report as follows :

Last year we did not get the lower portion of the stone road completed, the coarse stone only put on.

This spring as soon as convenient it was finished by having the fine stone put on and rolled and completed. The contractor had to crush about 100 yds. of coarse stone to get enough of fine stone to complete said road.

The coarse stone was piled on the road and bought by your Commissioner at a cost of $100.00. We purpose using this coarse stone on the road below the stone road as a foundation and covering the same with gravel.

We purchased two new wheel scrapers this year.

We also had some larger stone moved on the west half of the 3rd concession west at a small cost preparatory for grading.

We also had a hill on Centre Road known as 25 hill, cut down from a grade of one foot in six to one foot in twelve, the Government regulation necessitating a cut of 2500 yards, and two other hills cut to the same grade and hollows filled and the road graded from the line between lots Nos. 24 and 25 to Watson's Bridge at a cost of $2279.45, this includes sundries in connection with the summer's work. The rate of wages paid for the last season was as follows :

Man and team $4.00 per day ; laborers $1.75 per day ; foreman and engineer $2.50 per day. A statement of the foregoing expenditure is hereto annexed :

Total expenditures	$4178 74
W. A. Bass, balance on contract	412 50
W. A. Bass, for pile of coarse stone	100 00
Cost of spreading, rolling and completing stone road	396 20
Wm. Smeaton for 9900 lbs. eye beams at 1 80 per cwt.	277 20

First Report of Committee on Finance

Brampton, January 24th, 1912.

To the Warden and Council of the County of Peel :

Gentlemen,—Your Committee on Finance beg leave to submit their report and recommend as follows :

We have before us the Treasurer's Statement for the year ending Dec. 31st, 1911, showing

Receipts from all sources	$133,748 04
Total expenditure	112,151 17
Balance credit to County	$ 21,596 87

Against this credit balance we have the following payments to meet:

Albion Good Roads account	$ 4215 80
Caledon Good Roads account	11078 00
Toronto Gore Good Roads account	1097 39
	$16391 19
Debentures and Coupons, maturing by June 1st	11922 15
Taxes to remit to Municipalities	1302 00
	$29615 34

Cr.

By over draft, Good Roads account—		
Chinguacousy	$1403 90	
Toronto Township	1302 00	
Co. of York re roads and bridges	198 42	
	$2904 32	2904 32
		$26711 02
Balance Credit		21596 87
Current Account Deficit		$ 5114 15

We find that the Treasurer's Report a year ago showed a deficit of $5360.92 ; to meet this deficit the Council of last year decided to raise $3000.00 and the balance they had hoped to wipe out this year. In spite of this additional $3000 provided for last year, we find that the expenditure has been so heavy during the past year that the deficit of last year has only been reduced $246 77, but we find the balance at credit at the House of Refuge account is $791.01.

House of Refuge—Total Receipts	$7088 61
Disbursements	6297 60
Balance credit.	791 01

Peel's share of above	$395 50	
Total reduction of deficit	$246.77 x $395.50	$642 27

We find the extra expenditures are largely in two departments, the school taxes being $2570.63 and the roads and bridges $2274.27, respectively, in excess of the year 1910.

On account of the County Roads money in the Bank, it will not be necessary to borrow any money until the June Session. We would recommend and strongly urge that the Commissioners on Good Roads exercise all care in the disbursements of the moneys this year, that their accounts may not be overdrawn at the end of the year.

In view of the existing overdraft on current account, we strongly recommend that the Council move very cautiously in the expenditure of the moneys this year, otherwise we will be called to increase our tax rate this year to wipe off the deficit.

We recommend the payment of the following accounts :

Brampton Electric Light Co., wiring and extra work in Sheriff's office	$ 2 97
Brampton Electric Light Co., lighting Gaol and Court House to date $1.98 x 81c.	2 79
W. E. Anthony, supplies for Court House	8 16
R. Blain, supplies for Court House	1 60
R. Blain, supplies for Registry office	8 25

We have before us a communication from W. E. Shean, Sec. Peel Farmers' Institute, asking for a grant of $125.00 ; we recommend the usual grant of $75.

We have a communication from the Prisoners Aid Association asking for a grant. We recommend the usual grant of $10.

Re the communication from the Sick Children's Hospital ; we recommend the usual grant of $30.

We recommend that the tender of W. A. Nelson, for the supply of meat for the gaol at 8c. per lb:, and that the tender of the Brampton Bakery for the supply of bread for the gaol at 3½c. per pound be accepted.

We have a communication from W. H. McFadden, County Crown Attorney re. the part payment of a new typewriting machine for his office. This communication we refer to the whole Council. No action was taken in Council.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Report adopted.) J. S. BECK, Warden.

Brampton, January 24th, 1912.

First Report of Standing Committee on Education

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee beg leave to report as follows :

1st. A communication from the Public School Inspector, calling attention to the necessity of impressing upon the assessors in each municipality the importance of taking greater care in taking the school census.

We recommend that each Reeve in the County draw the attention of their assessors to this.

The claims from the following High Schools for cost of maintenance of pupils from this County we find to be correct and recommend payment :

Weston, $290.43 ; Orangeville, $472.43 ; Georgetown, $361.87.

We recommend the appointment of D. H. McCaugherty, trustee of Streetsville High School, and Dr. J. G. Roberts, trustee of Brampton High School for 1912-13-14.

We have a statement from the Brampton High School Board showing liability of the County of Peel for maintenance of County pupils for 1912, claiming $2414.52.

We refer this to the whole Council (in Council). We recommend that $2600 be paid to Brampton High School Board.

F. W. MORGAN, Chairman of Committee.

Report of Delegates Appointed to Interview Hon. Dr. Reaume re. Completing the Building of County Road System Co. Peel.

To the Warden and Council of the County Peel :

Gentlemen,—According to instruction given, Delegates interviewed Dr. Reaume, Minister of Public Works re. raising enough money to enable Toronto Township to complete their system of County Roads.

He recommended that our Local Member be asked to introduce

a private bill authorizing the raising of the necessary money to enable Toronto Township to complete the roads designated as County Roads within the Township of Toronto.

We would recommend that the County Solicitor be instructed to have such a Bill prepared to submit to the Hon. Minister of Public Works.

We would recommend that the following commissioners be paid :

J. A. McBride, 1 day in Toronto and expenses.....$5 00
T. L. Kennedy, " " " 5 00
R. H. Lush, " " " 5 00

All of which is respectfully submitted.

Brampton, January 26th, 1912.

House of Refuge Physician's Report

Brampton, 10th January, 1912.

To the Warden and Council of the County of Peel :

Gentlemen,—During the year 1911, I visited the House of Refuge regularly as usual, except that for several months I was sick and unable to attend to my duties then.

While I was ill Dr. R. G. Edwards, of Brampton, kindly took my place and did the work required in a very satisfactory and able manner, placing the inmates and myself particularly under great obligation.

I have not complete records of the whole year, but it is safe to say that the number of visits made and cases prescribed for was greater in 1911 than in any other year since the Institution was opened.

There was a great deal of sickness among the inmates in every month of the year ; many of the admissions were on account of sickness and in several cases death occurred a few days after admission.

There were thirteen deaths, a larger number than in any pre-

vious year. The list follows, the name, date of death, age and cause of death being given in the order named :

1. Henrietta House. Jan. 16th, 38, intestinal la grippe and double pneumonia.
2. James Bockman, Feb. 2nd, 66, paralysis of the brain.
3. Mary Hvatt, Feb. 5th, 80, blood poisoning.
4. George Williams, Feb. 11th, 81, senile heart.
5. Robert Forsyth, March 19th, 76, paralytic stroke.
6. James Stead, April 20, 93, old age.
7. Jacob Emmerson, May 11th, 43, locomotor ataxia.
8. James Boyle, May 17th, 66, bronchitis and general debility.
9. Philip Drummond. Aug. 4th, 81, old age.
10. Sarah White, Sept. 23, 70, heart failure.
11. Jacob Bennett, Oct. 8th, 87, old age.
12. Robert Cooper, Oct. 23rd, 70, heart disease.
13. Donald McKay, Dec. 29, 67, arteric selerosis.

I continue to receive all necessary support and assistance from the keeper and matron, and the cleanliness, care and comfort so constantly maintained are of material help to me in the performance of my duties.

Respectfully submitted.

C. Y. MOORE, Physician.

First Report of Standing Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel :

Gentlemen,—Your Committee begs leave to report as follows

1st. We have a communication from Sawyer-Massey Co. Your committee recommend that the same be fyled.

2nd. A communication from the Canadian Pacific Railway, with reference to water on roadway on 15 side road, Caledon. Your committee would refer this to the whole Council. Council recommends that it be referred to the Good Roads Commissioner of the Township of Caledon, and the Clerk be authorized to notify the railway company of the same.

3rd. A communication from the Ontario Good Roads Association, asking for the usual grant of $10 and the appointment of Delegates to the Convention. Your committee recommend that the

Treasurer pay $10 to the Association and that Messrs. Armstrong, Wilkinson, Moffatt, Gordon, Morgan, Davidson and Rutledge be Delegates to the Convention.

4th. Notice of Sitting of Railway Commissioners re. Railway Crossings near Port Credit. We recommend that the Solicitor be instructed to attend the sitting and look after the County's interest, together with the good Roads Commissioners of the Township of Toronto and the Warden of the County.

5th. A communication from T. L. Kennedy, with reference to date of the deputation to Ottawa. We would give notice that the date is February 8, 1912, and recommend the Committee appointed in last year be our Delegates.

6th. A communication from the Erindale Power Co, re. gravel on County Roads, we recommend the communication be

7th. Your Committee recommend that Messrs. Wilkinson, Milner and Rutledge be County Property Commissioners.

8th. Mr. Kennedy, Chairman of the County Property Roads and Bridges Committee for the year 1911, examined a bridge (No. 54), between Peel and Halton, built by the County of Halton and reports a good bridge, 16 feet long, 16 ft. wide, concrete, bridge excellent quality, and instructed the Treasurer to pay Halton's claim as per report in December Sessions, 1911. We recommend T. L. Kennedy, be paid $4.20, one day's commission and mileage inspecting the same.

9th. The sidewalk from the Corporation limits of the Town of Brampton to the House of Refuge is out of repair to the extent of being dangerous. Your committee recommend that the Commissioners of the House of Refuge be instructed to have the same repaired.

10th. Your committee recommend that the Roads and Bridges Committee be authorized to proceed at once to have Bridge No. 77, Churchville, replaced by a new one. Also that they be authorized to communicate with the County of York and take steps to have two bridges repaired if possible : No. 78, Mimico Bridge, between counties of Peel and York

11. We have a communication from the Treasurer of the County of York asking $15.12, Peel's portion of repairs to Lake Shore Road. We recommend that the same be paid.

All of which is respectfully submitted.

JOHN NEWHOUSE, Chairman.

Report of Delegates Who Attended the Convention of the Ontario Tuberculosis Association in Toronto, on Feb. 27th, 1912.

To the Warden and Council of the County of Peel :

This meeting should have been held last September, but on account of elections and other things, the executive of the Association decided not to hold the meeting ; consequently very few Counties sent delegates, hence the attendance was very small.

The first morning about 10 delegates assembled at Prince George Hotel. After considerable discussion some five or six speakers were selected to present the claims of this Association to the Ontario Government.

On the following morning about five or six, which represented the total attendance of Delegates, met at the hotel after which we adjourned to the Parliament Buildings and made an attempt to present our claim to the Government through the Hon. Mr. Hanna.

We recommend the following payments to Delegates :

A. H. Milner, $5 ; F. W. Morgan, $10.

F. W. MORGAN, Chairman.

Brampton, 12th March, 1912.

Report of Delegates to Ottawa re Good Roads

To the Warden and Council of the County of Peel :

Gentlemen : Your Delegates beg leave to report that they met at Ottawa, with Delegates from every County in Ontario, with the exception of two Counties, on Feb. 8th, 1912.

The Delegates met in Convention in the City Hall, at 10 o'clock a.m., and made arrangements to meet the Premier.

At the Convention resolutions were passed to the effect :

1st. That there be established at Ottawa a Bureau of Highways.

2nd. That the Federal Government give Ontario $20,000,000 in the next year for road improvement.

3rd. That roads constructed by Federal aid should have Federal aid to maintain them.

4th. That Federal grants sho uld be distributed according to population.

After the passing of these resolutions the convention adjourned to meet the Premier in the Council Chamber in the Parliament Buildings at 11.30 o'clock.

At a little after 12 o'clock, noon, Mr. Richard Blain, M.P., for Peel County, in a very able and pleasing manner, introduced the Deputation to the Premier and others of the Ministers who were present. He emph asized the importance and laid stress upon the importance of the Farmers' interest in good roads.

He then called o n Major Thos. L. Kennedy, President of Ontario Good Roads As sociation, to address the Premier.

Mr. Kennedy drew attention to the fact that in Ontario we have 50,000 miles of road, and under the present condition of finance it was entirely impossible to maintain them in the condition that they should be maintained.

Mr. Blain then called Mr. Foy, of Lanark, who emphasized the necessity of Federal aid for the betterment of road conditions.

Mr. Rankin, M. P. P., for Frontenac, was then introduced; he suggested that the Federal Government should pay fifty per cent. of the cost of construction and fifty per cent. of the cost of maintenance of certain leading roads.

Mr. Tretheway, of Toronto, representing the United Boards of Trade was then presented ; he emphazied the necessity of the Highways in order to develop the country.

Contr oller Hocking, of Toronto, representing the United cities of On tari o was then brought forward. He turned attention to the fact t hat the Government had made large grants to railway subsidies, but had done nothing for highways which was the very basis of transportation.

Also Mr. Main Jonson, Sec. of Ontario Motor League, was introduced, who urged that the Highways should be made sufficient for all kinds of traveling vehicles.

After which Mr. G. A. Simard, of Montreal, representing Quebee Province, was given an opportunity to address the Premier. He

stated that Quebec Province was introducing a bill to borrow $10,000,000.00 for the improvement of Roads in Quebec and joined the Deputation from Ontario in asking for Federal Aid.

After hearing the presentment Premier Borden courteously, pointedly, definitely, stated that he would consider a very substantial grant for the construction of better roads, but would not consider in any way the question of maintaining highways, asthat matter was committed to the care of the several provinces.

The matter as to how the grant was to be given was a question of detail that was yet to be worked out, but he would try and make it satisfactory.

We would recommend to be paid to delegates for expenses attending at Ottawa : J. A. McBride, R. H. Lush and John Newhouse, $20 each.

All of which is respectfully submitted.

Second Report of Finance Committee

Brampton, March 12th, 1912.

To the Warden and Council of the County of Peel :

Gentlemen,—Your Committee on Finance beg leave to submit their second report.

We have had before us a number of Communications and Reports :

1. A communication from the National Sanitarium Association asking for a grant. We recommend no action.

2. A communication from the Salvation Army asking for a donation. We recommend no action be taken.

3. A communication from the caretaker, John Phillips, of the Court House, asking for an increase of salary. We recommend that his salary be increased fifty dollars, making his salary Five Hundred Dollars ($500) per year.

4th, We recommend the payment of A. Kee's account for two dollars and fifty cents, $2.50.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

Report of Commission Appointed to Meet Railway Board re Crossing on Hurontario Street and Stave Bank Road

Brampton, March 12th, 1912.

To the Warden and Council of the County of Peel :

Gentlemen,—Your Commissioners appointed to attend the hearing before the Railway Commission of Canada re. the closing of Hurontario Street, at the G. T. R. Crossing at Port Credit ask leave to report as follows :

We, with the County Solicitor, appeared before the Board at a sitting held in Toronto on Thursday, February 8th, 1912. The Police Village of Port Credit was represented by their Trustees and a large deputation of citizens. Toronto Township was represented by the Deputy Reeve and their Township Solicitor.

All the Municipalities objected to the road being closed and diverted.

The Chairman of the Board seemed to favor both Hurontario and the Stave Bank road deing diverted to one common Subway, but stated he could not make such an order in the face of such opposition, but would order a watchman for the Stave Bank Road for the day time to be paid in the same manner as the Hurontario Street crossing, but when it was pointed out that this was not a County Road, he ordered the Township to pay 20 per cent. and the Railway 80 per cent. of the cost, which order has been carried out.

We would recommend payment of the following Commissions :

J. S. Beck, one day	$5 00
Wm. Rutledge, one day	5 00
G. Gordon, one day	5 00

All of which is respectfully submitted.

J. S. BECK, Chairman.

Report of Special Committee re. Good Roads

To the Warden and Council of the County of Peel :

Gentlemen,—Your committee report as follows :

1st. You committee recommend that Bylaw No. 355 be repealed and a Bylaw introduced appointing a Road Superintendent under the Highway Act, and a County Engineer.

2nd. Your committee recommend that a Bylaw be introduced appointing a committee composed of the Reeves of the different Townships of the County and that the committee have power to confer with the Engineer in regard to the portions of the good Roads System to be constructed, the nature of the construction and such matters and to pass all accounts in conference with the Engineer once per month while road construction is going on.

And the Council delegates to the committee the power to order the Treasurer to pay all accounts in connection with good roads construction, the Treasurer to make payment out of the County Good Roads Fund and charge the same to the township in which the work was done.

3rd. Your committee recommend that the commissioners having funds in their care would make payment of all their liabilities in connection with Good Roads System and pay back to the Treasurer any balance in their hands.

All of which is respectfully submitted.

Second Report of Standing Committee on County Property, Roads and Bridges

To the Warden and Council of the County of Peel :

Gentlemen,—Your committee beg leave to report as follows :

1st. We had a report from the Boiler Inspector, two from the Engineer of Highways and one from J. J. Manning. All of which we recommend to be fyled.

A communication from the C. P. R. with reference to 15 side road, Caledon Township, " Good Roads System," which we would also recommend to be filed.

On February 29th your committee were asked to meet the

Committee on Roads and Bridges for the County of York at Mimico Creek Bridge, No. 78 of Peel Schedule.

In consultation we decided that the present bridge was in such a condition of decay that it would be impossible to make it safe for traffic.

We arranged with the York Committee for them to get out plans and specifications and have them approved by your committee, then proceed to let a contract for the erection of a new bridge, the County of Peel to pay one-half of the cost.

Your committee recommend that the Council ratify the arrangement.

We recommend that the Treasurer pay the Chairman of Committee $5.00 for traveling expenses of the committee ; also to Mr. Moffatt, Mr. Lush and Mr. Newhouse, one day's commission, $3.00 each.

All of which is respectfully submitted.

Report and Resolution re Death of Mr. Morgan

REPORT OF SPECIAL COMMITTEE

Brampton, June 6th, 1912.

To the Warden and Council of the County of Peel :

Gentlemen,—Your Special Committee appointed to draft a resolution of condolence in the matter of the death of our late colleague, F. W. Morgan, Reeve of Streetsville, beg leave to report and submit the following resolution.

All of which is respectfully submitted.

(Sgd.) H. A. RUTHERFORD, Chairman.

Report Adopted, (Sgd.) J. S. BECK, Warden.

Brampton, June 6th, 1912.

Moved by Mr. H. A. Rutherford, seconded by Mr. Wm. Rutledge—

Resolved—That whereas since our last session, Almighty God, in His all-wise Providence, has seen fit to remove from our midst one of our members, in the person of F. W. Morgan, Esq., Reeve of Streetsville, we therefore desire to place on record our high appreciation of his sterling worth, his fearless integrity and strict devotion to duty, and to extend to Mrs. Morgan and Family our deepest sympathy in their sad bereavement and the Clerk is instructed to forward a copy of this resolution to Mrs. Morgan and Family. Carried.

Second Report of Committee on Education

Brampton, June 6th, 1912.

To the Warden and Members of the Council of the County of Peel :

Gentlemen,—Your Committee on Education beg leave to submit their second report as follows :

1. We have placed in our hands the third annual report of the Public School Inspector for the County, which we submit herewith. We find the report quite lengthy and exhaustive and recommend that the report be published in the Minutes. It is gratifying to note that this County continues to hold its own in the standing of education. There is a manifest increased interest on the part of the public in the matter of education of the children. We feel that the interests of the County are being well looked after by our Inspector and wish to express our appreciation of his services rendered.

2. We have a verbal request from the Inspector for a typewriter. We refer this request to the whole Council for consideration.

All of which is respectfully submitted.

Report adopted. (Sgd.) J, S. BECK Warden.

Third Report of Standing Committee on County Property, Roads and Bridges

June, 1912.

To the Warden and Council of the County of Peel :

Gentlemen,—Your Committee begs leave to make the following report :

1st. Your Committeee met with the Committee from York County and approved of plans and specifications provided for the erection of a new bridge over Mimico Creek, Schedule No. 78, and agreed to have the engineer advertise for tenders. After the tenders were in, we met the York Committee and awarded the contracts as follows :

Masonry to John Ritchie, of Beamsville, for the sum of $1064 00.

Steelwork to the Toronto Structure Steel Co. for the sum of $755.

2nd. Your committee met at Churchville with the engineer to consider the question of a new bridge, Schedule No. 77. After considering the matter very carefully, we would recommend that your Committee be authorized to purchase a right of way and build a road beginning from the southerly end of a bridge in Toronto Township over the River Credit at Churchville, and going in a westerly direction to connect with the Town Line between Toronto Township and Chinguacousy Township and have the road when completed transferred to the Municipality of Toronto Township for maintenance; the County then to assume and maintain the bridge now existing over the Credit River at Churchville.

3rd. Your Committee was called by the Committee of York to meet them and examine bridges No. 79, Nos. 17, 18, 19. We found them all in a failing condition, but with little repairs to bridge No. 17, we think they will be safe for this year.

4th. Your Committee met with the York County Committee; also the Toronto Gore Township Council, and a representative of Etobicoke Township with reference to opening a road and building a bridge on the Indian line and over the west branch Humber River, near Claireville We recommend no action by the County until the Townships of Etobicoke and Toronto Gore come to an agreement to open the road and give an earnest of their intention to do so.

5th. During the spring flood the approaches to the Terra Cotta bridge, No. 43, were washed out. The Chairman of your Committee instructed Mr. Wilkinson to have the same repaired, which he has done by commission. Mr. Josiah Townsend was made foreman over the work and presented a bill itemised to the amount of $104.00 which we recommend to be paid, and charge half that amount to Halton County; also $3.00, one day's commission to Mr. Wilkinson.

6th. Your Committee would recommend the following payments:

Committee's traveling expenses	$33 50
John Newhouse, 6 days, $3 per day	18 00
R. Lush, " "	18 00
John Moffatt, " "	18 00

7th. We have a communication from the Provincial Engineer of Highways advising us with reference to the proper appointment of a a Good Roads Superintendent. These matters have all been attended to.

8th. We have a communication from R.W. McKay, with reference to Tax Reform. We would recommend no action.

9th. A communication from Chief Justice Sir Wm. Mulock with

reference to ventilation of Court Room. We would refer this matter to whole Council. We refer the whole matter to the County Property Committee.

10th. A communication from the Ontario Good Roads Association with reference to Government Grants. We would refer this matter to the whole Council. The Committee approve of this resolution, passed by the Ontario Good Roads Association and recommend that a similar one be passed by this Council.

All of which is respectfully submitted.

(Sgd.) JOHN NEWHOUSE, Chairman.

Adopted. (Sgd.) J. S. BECK, Warden.

Report of Special Committee Appointed to Investigate the Charges Against High Constable, Geo. Broddy

Brampton, June 6th, 1912.

The Warden and Members of the Council :

Gentlemen,—Your Committee ask leave to report as follows :

Geo. Broddy was examined before His Honor Judge McGibbon, at Brampton, when it was decided to proceed to Bolton and examine all witnesses who were familiar with the matter. The examination was held at Bolton, on March 21st before Judge McGibbon. The following witnesses were examined under oath : W. K. Hardwich and wife, H. B. Stanley, A. T. Harper, F. Haines, James Maw, George McKenzie and Jacob Gould.

We herewith submit the evidence of the above-named witnesses also the declaration of A. T. Harper for your consideration.

We find from the evidence that Geo. Broddy was intoxicated while acting in his capacity as High Constable and that from this cause he he was unable to perform his duties. We also find that he provided liquor to the men who were employed under him.

We also find that Mr. Broddy demanded money from parties who had consulted him regarding the loss of stolen property and on one occasion, he secured Ten Dollars from Harper, and, on another occasion, he secured Fifteen Dollars from Beamish. The Ten Dollars secured from

Mr. Harper was returned by Broddy to Harper on the day of the investigation at Bolton.

After a careful investigation of all the facts of the case, your committee would recommend that the resignation of Geo. Broddy as High Constable be accepted.

We recommend that the following Commission be paid :

F. W. Morgan Estate, one day and mileage.....	$4 00
H. A. Rutherford, one day.....	3 00
J. S, Beck, 2 days and mileage.....	8 00
Miss Beatty, for typewriting.....	0 75

All of which is respectfully submitted.

(Sgd.) H. A. RUTHERFORD, Chairman.

Report adopted. (Sgd.) J. S. BECK, Warden.

3. Communication from the Sheriff re. an increase of salary for Robert Parker, turnkey at gaol. We refer this to the whole Council for consideration.

4. Communication from A. P. Westervelt, Sec. Winter Fair, re grant for amateur exhibitors from the County of Peel. We recommend that a grant of Fifty Dollars ($50.00) be made for the best dairy cattle and the best bacon hogs shown by an amateur exhibitor, resident of the County of Peel : 1st prize, $15 ; 2nd prize $10, for dairy cattle, and the same for hogs. This grant to be paid to the winners on order of the Secretary of the Winter Fair.

5. We recommend the following grants to be made, according to requests made in communications received :

1. Twenty-five cents (25c.) per day be paid to each member of the 36th Peel Regiment, resident in the County who attended the annual training for 1912.

2. Twenty-five cents (25c.) per day be paid to each member of Governor General's Body Guard resident in the County, who attend the annual training for 1912.

3. The Children's Aid Society of the County of Peel be paid One Hundred Dollars ($100).

6. The following Fall Fairs be granted as follows : County Peel, $300 ; Toronto Township, $150 ; Cooksville, $75 ; Bolton and Albion Union, $150 ; Caledon, $150 ; Toronto Gore, $40.

7. Women's Inttitute be granted $25.

8. We submit herewith the estimates for the current year, as presented by the Treasurer, and recommend that a bylaw be introduced to provide for an expenditure of $30,000 to meet the current expenditure for the year 1912 and to levy a rate for the same.

9. We submit herewith a draft bylaw presented to us from the County Judge, re. the appointment of Auditors of Civil and Criminal Accounts for the current year.

All of which is respectfully submitted.

Second Report of County Property Commissioners

Brampton, June 7th, 1912.

The Warden and Members of the County Council ·

Gentlemen,—Your Committee beg leave to submit their second report as follows :

We met in the Clerk's office on Friday, April 5th, at 2 p.m. Members present Messrs. Wilkinson and Milner. On motion Mr. Milner was made Chairman.

Your Commissioners passed a number of accounts for repairs and supplies for County buildings.

We have considered the question of carrying out the system adopted a few years ago of renovating and improving the rooms in the County, Court House, one room each year.

1. We recommend the Court Room be renovated, so far as to improve the system of ventilation. The system of ventilation as at present exists is very unsatisfactory and our attention has been called to this fact by the Chief Justice presiding at the last sessions of this Court.

2. We would also recommend that the roof, which at present leaks should be placed in a proper condition of repair.

3 We further recommend that the Clerk be instructed to ask for tenders for coal for the County Buildings, the tenders to be opened and awarded at the next meeting of your Commissioners.

4. We recommend that A. H. Milner be paid the following comission : One day and expenses in Toronto re. the purchase of Typewriter for Clerk's office, $5.

All of which is respectfully submitted.

[Sgd.] A. H. MILNER, Chairman.

Adopted. [Sgd.] J. S. BECK, Warden.

First Report of Peel County Good Roads Committee

Brampton, June 7th, 1912.

To the Warden and Members of the County of Peel:

Gentlemen,—Your Committee beg leave to report as follows:

1. We would recommend that the report of our Good Roads Superintendent, C. R. Wheelock, be adopted and that the report be published in the County Minutes.

2. Also, we would recommend the resolution, moved by Mr. Moffatt, seconded by Mr. Davison:

3. That in reference to the matter of Mr. Bell, re. building dam on Good Roads System at Lot 15, third concession west, Caledon, that the County Engineer, Mr. Limebeer and Solicitor be and are hereby instructed to inspect the same and guard the County's interests in the matter and report to Good Roads Committee.

4. Also, we would recommend the following resolution, moved by Mr. Newhouse, seconded by Mr. Davison: Resolved that Mr. Wheelock, the Superintendent, be instructed to spend the full amount of assets now placed to the credit of the several Townships, also the amount of the grants that would come to the County from the Government on account of the season's expenditures on the County Road System.

5. Also we would recommend the following resolution, moved by Mr. Newhouse, seconded by Mr. I. H. Moffatt, that the County Treasurer be authorized to place to the credit of the County in any chartered bank in or adjoining the County sufficient money from the Good Roads Funds to cover expenditure made from time to time on the County Roads System, and to issue cheques on same for the amount of expenditures passed by the Good Roads Committee.

6. Your Committee would recommend that a Committee be appointed to meet at Oakville to consider the building of a road between Hamilton and Toronto, as we think that the County of Peel is interested to the amount of over eight miles. We would recommend that Newhouse, Lush and the Warden represent Peel and that the Clerk notify them of the date of the meeting.

7. Your Committee would recommend that a Committee composed of Newhouse, Lush and Moffatt and the Engineer interview the Erindale Power Company to try and arrange a settlement with them and the Committee be empowered to arrange a settlement of the same, and, if a reasonable settlement cannot be obtained, the Committee have authority to institute legal proceedings.

All of which is respectfully submitted.

[Sgd] R. H. LUSH, Chairman.

Adopted. [Sgd.] J. S. BECK, Warden.

Engineer's Report

To the Good Roads Committee of the County of Peel :

Gentlemen,—On account of the unfavorable weather very little work has been done this season, up to the present on the County Roads, except the repairs necessary to make good the damage done by the unusually heavy spring freshets. I have, however, now appointed overseers and made all arrangements to get the season's work under way.

I have been fortunate in securing men of experience for Road Overseers, who I consider are well qualified for the position. The appointments for this position are as follows :

E. J. Ellis for the North and John Warnock for the South of Caledon Township ; H. A. Matson for the North and William Little for the South of Albion Township ; Thomas Wilson for the North and James Davey for the South of Chinguacousy Township and J. G. Julian for Toronto Gore Township. No appointment has been made for Toronto Township as no improvement has yet been commenced, owing to the unfortunate fact that no funds are available at present for work in this Township.

You will see by the above that not more than two overseers have been appointed in any one township, as I consider the best and most economical results will be obtained by employing only a sufficient number of gangs to properly handle the work. As the work proceeds I may find it necessary to put on more gangs to accomplish the amount we have laid out for this season.

The scale of wages adopted is as follows :

Road Overseers,	per day	$3 00
Roller Operators	"	2 50
Grader Operators	"	2 50
Laborers	"	$1 75 to 2 00
Teams	"	4 00

We may not in all cases be able to adhere to this scale but will follow it as closely as possible.

The first improvements I propose to make this season are to finish work left uncompleted last year, to build the short unimproved stretches of roads connecting stretches of improved roads, thereby making the improved stretches continuous, and to extend the stretches of improved roads not completed. I have in carrying out this policy made arrangements for the following improvements to be commenced, viz.: Caledon Township, Hurontario Street, from Lot No. 9 to the Fifteen Sideroad, a distance of 2¼ miles, to be graded and metalled, and from Lot No. 24 to Watson's bridge over the Credit River, a distance of about one-half mile, the cuts in hills to be widened and the road metalled. The metal for the first mentioned improvement is to be screened gravel, except the portion in the Village of Caledon from the Fifteen Sideroad to Station Street, a distance of about 100 rods, which is to bedone with crushed stone. The metal for the latter improvement is to be crushed stone and gravel.

When this work is completed, Hurontario Street will be metalled all the way through the County, a distance of about 34 miles, except about five miles in Toronto Township.

The old wooden structure crossing the Credit River on thisroad, known as Cameron's bridge, will be replaced by a 24 feet concrete and steel span. The steel for the bridge was purchased last year.

Albion Township, the Seventh Line Road, from the Northerly limit of Lot No 14 to the Northerly limit of Lot No. 18 and from the centre of Lot No. 20 to the Twenty Sideroad and from the centre of Lot No. 22 to the centre of Lot No. 23, in all about 2 miles, will be graded and hills cut down. This will complete the grading on this road from the Southerly extremity of the County Road to the Village of Palgrave. The Twenty-five Sideroad will be graded and hills cut down through the Sixth Concession. On the Sixth Line Road the portion from the Ten Sideroad to the Bolton Road, on which the first layer of crushed stone was laid last year, will be surfaced with fine stone and completed. The Ten Sideroad through the Sixth Concession and connecting with the Sixth Line Road improvement will be graded and metalled with crushed stone. This will connect the piece of Road in the Village of Bolton which was improved last year with the Station Gravel Road.

Toronto Gore Township: The Ninth Line Road from the centre of Lot No. 8 to the Ten Sideroad, a distance of about one mile, will be metalled with local crushed stone similar to the metal used on the completed portion of the road. This will complete the road from the southerly extremity to Castlemore.

Chinguacousy Township—the Twenty-seven Sideroad will be graded through the Sixth Concession W. H. S. which will complete the grading on this road through the Township from Sandhill to Terra Cotta. On

the Five Sideroad through the East Half of the Fourth Concession and the Fifth Concession will be graded and metalled with gravel crushed and screened, similar to the material used in metalling other portions of this road. When this is completed there will be a continuous stretch of improved road from Huttonville to the Ninth Line of Toronto Gore and South on the Ninth Line to the County Boundary near Claireville.

This finishes the list of improvements for which I have arranged up-to-date and to which I expect to add before the season is over.

In connection with the cutting and filling done on Hurontario Street in the Township of Caledon, opposite Lot No. 25, I would consider it advisable to purchase from the owner of Lot No. 25, in the First Concession E. H. S. a strip of land about twenty feet in width for about 60 rods along the East side of the road, if it can be got for a reasonable price. This would enable us to widen the deep cut through the hill, a very necessary improvement, and also to do away with the necessity for building an expensive retaining wall through the hollow, thereby effecting a very considerable saving. In fact the amount saved should a great deal more than pay for the land.

I have taken up the matter of freight rates for a stone to be used on the roads with the District Freight Agent of the Candian Pacific Railway and have succeeded in getting the rates reduced to points where we will commence building at once. Other places will be arranged for later. I have also quotations for crushed stone from several quarries and for steel bars, &c., for reinforcing concrete.

All the Country Roads, with the exception of those located in Albion Township were inspected a short time ago by Mr. W. A. McLean, Provincial Engineer of Highways, accompained by your humble servant. The intention when starting out was to make a complete inspection of the whole County system, but this we were unable to do on account of heavy rains at the time Mr. McLean has since written me a letter expressing his satisfaction with the roads inspected and also was much pleased with the class of work being carried out. As the letter refers to the very important matter of maintenance and also to the class of material to be used in surfacing roads, I am taking the liberty of submitting herewith for your consideration a copy of the same.

I am, Gentlemen,

Your obedient servant,

(Sgd.) C. R. WHEELOCK,

Orangeville, June 4, 1912. County Engineer.

BYLAWS

BY-LAW NO. 413.

To Equalize for County Purposes the Assessment of the Several Municipalities within the County of Peel.

Whereas, under the provisions of the revised Assessment Act of the Province of Ontario.

Every County Council is required to equalize by by-law the assessment of the several municipalities of the County in order to produce a just relation between them as a basis for County Assessment.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

BY-LAW NO. 414.

To Appoint a Board of Audit for the Year 1912.

Under and by virtue of Section 530 of the Consolidated Muni-

law shall be paid a salary of eight dollars per day, for each day engaged in the performance of his duties as such Engineer and Superintendent, and expenses.

3. That By-law No. 355 appointing a Consulting Engineer for the Municipality of the County of Peel, Re. County System of Road Improvement, and amendments thereto be and the same are hereby repealed.

Passed in open council this 13th day of March A. D., 1912.

JOHN S. BECK, Warden.

D. KIRKWOOD, Co. Clerk.

BY-LAW NO. 418.

A By-law to Appoint an Engineer for the Municipality of the County of Peel.

Whereas the Consolidated Municipal Act, 1903, empowers County Municipalities to appoint one or more Engineers.

And whereas the Municipal Corporation of the County of Peel deems it advisable, pursuant to the provisions of the said act to appoint a person Engineer for the Municipality of the County of Peel.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That C. R. Wheelock of Orangeville be and he is hereby appointed Engineer for the Municipality of the County of Peel.

2. That the said C. R. Wheelock shall perform from time to time such duties as may be required of him by the said Municipality.

3. That the said C. R. Wheelock for services performed for such Municipality shall be paid such an amount as may be agreed upon by the said C. R. Wheelock and the said Municipality of the County of Peel.

4. That all By-laws appointing Engineers for the Municipality of the County of Peel be and the same are hereby repealed.

Passed in open council this 13th day of March, A.D., 1912.

BY-LAW NO. 419.

A By-law Appointing the Reeves of the Township Municipalities of the County of Peel, a Committee to Advise With the Engineer and Road Superintendent Under the Act Known as "The Highway Improvement Act."

Whereas County Municipalities are authorized to designate an Engineer or some competent person to act as County Road Superintendent, under the direction of the Council in the Road Improvements undertaken by the Municipality.

And whereas the Municipality of the County of Peel deems it advisable to appoint the Reeves of the Township Municipalities, a committee to advise with and direct such Engineer or County Road Superintendent.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That the Reeves of the Township Municipalities of the County of Peel be and they are hereby appointed a committee by this Council to advise with and direct the Engineer appointed as County Road Superintendent of the road improvements undertaken by this Council under the act known as "The Highway Improvement Act."

2. That it shall be the duty of the said committee to advise with the said Engineer and direct him in relation to the portions of the good roads system adopted by the Municipal Corporation of the County of Peel that shall be constructed from time to time, and also as to the kind of construction and all matters appertaining thereto.

3. It shall be lawful for the said committee upon the certificate of the said Engineer to direct the payment of all accounts contracted in the performance of the work so done.

4. That all accounts so contracted shall be paid monthly while the said work is going on, and it shall be lawful for the Treasurer of the County of Peel, upon the recommendation of said committee, to pay all accounts directed by the said committee to be paid in connection with the said work.

5. The said Treasurer shall make payments of the said accounts out of the moneys on hand and belonging to what is known as "The Good Roads Fund," and the accounts shall be chargeable to the Township Municipalities in which said work is done.

6. That all Resolutions, Reports and By-laws inconsistent with this By-law be and the same are hereby repealed.

Passed in open council this 13th day of March, A.D., 1912.

BY-LAW NO. 420.

A By-law to Amend By-law No. 414 of the Corporation of the County of Peel.

Whereas on the 25th day of January, 1912, the Corporation of the County of Peel passed a by-law numbered 414, appointing a Board of Audit for the year 1912.

And whereas the late Frank W. Morgan, Esq., then Reeve of the Village of Streetsville, was appointed a member of the said board.

And whereas it is necessary to appoint a successor to the said Frank W. Morgan.

Therefore the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:

That the said by-law number 414 be amended by erasing the name of Frank W. Morgan, where it occurs in the said by-law and inserting the name of H. A. Rutherford instead thereof.

Passed this 6th day of June, A.D., 1912.

BY-LAW NO. 421.

A By-law Regulating the Licensing of Hawkers, Pedlars and Petty Chapman.

The Municipal Corporation of the County of Peel by the council thereof enacts as follows:

1. No person shall within the County of Peel act as a Hawker, Pedlar or Petty Chapman and carry on petty trades; or go from place to place or to other men's houses on foot, or with any animal bearing or drawing any goods, wares or merchandise for sale without first having obtained a License so to do.

Provided always that no such License shall be required for hawking, peddling or selling from any vehicle or other conveyance any goods, wares or merchandise to any retail dealer, or for hawking or peddling any goods, wares or merchandise, the growth, produce or manufacture of this province, not being liquors within the meaning of the law relating to taverns or tavern licenses, if the same are being hawked or peddled by the manufacturer or producer of the goods, wares or merchandise, or by his bona-fide servants or employees having written authority in that behalf; and such servant or employee shall produce and exhibit his written authority when re-

quired so to do by any municipal or peace officer; provided that in any prosecution for a violation of this by-law against any hawker, pedlar or petty chapman or other person mentioned in this by-law on the ground that any such person has not obtained a license in pursuance of this by-law and the defence is set up that such person does not require any such license by reason of the fact that he is peddling or selling goods, wares or other merchandise to a retail dealer or is hawking or peddling goods, wares or merchandise the growth, produce or manufacture of this province and is the manufacturer or producer thereof, or the bona-fide servant or employee of such manufacturer or producer thereof, having written authority in that behalf, then and in such cases it shall not be necessary for the complainant to show affirmatively that the person so prosecuted does not come within the defence so set up, but the onus of proving that he does come within such defence shall rest upon the person so prosecuted, and in the event of his failing to establish at his trial, that he does so come within such defence shall rest upon the person so prosecuted, and in the event of his failing to establish at his trial, that he does so come within such defence he may be convicted of a violation of this by-law.

(a) The word "Hawkers" in this by-law mentioned shall include all persons who being agents for persons not resident within the County, sell or offer for sale, Tea, Dry Goods, Watches, Plated Ware, Silver Ware, Furniture, Carpets, Upholstery, Millinery, or Jewellery, or carry and expose samples or patterns of any such goods to be afterwards delivered within this County to any person not being a wholesale or retail dealer in such goods wares or merchandise.

2. Every license issued under this By-law shall be given for one year from the date of the issue thereof.

3. This By-law shall not apply or be in force in any Town within the County not separated from the County for Municipal purposes that has passed or shall pass a By-law under section 538 of the Consolidated Municipal Act, while such By-law of such Town remains in force.

4. Every person hawking, peddling or selling any goods, wares, or merchandise as a servant or employee of any manufacturer or producer of goods, wares or merchandise and claiming to have written authority in that behalf shall produce and exhibit his written authority when required so to do by any Municipal or Peace Officer, and upon such person failing to exhibit the same when demanded shall be liable to a penalty of not less than one dollar or more than five dollars, together with costs recoverable before a Justice of the Peace.

5. Any person to whom paragraph sixteen of section number

583, of the Consolidated Municipal Act, or paragraph fourteen of said section, Number 583, applies, refusing upon the demand of a constable, or other police officer, to produce the license required under this By-law, it shall be the duty of such constable or other police officer and he shall have the power to arrest such person without a warrant and upon such person's failure to produce a license to take such person before the nearest Justice of the Peace, there to be dealt with according to this By-law.

6. Every person, except as hereinafter provided, desiring a license enabling him to act as a hawker, pedlar or petty chapman, or carrying on petty trades within the County of Peel shall first pay to the Treasurer of the County of Peel for the use of the County the following sums, namely:

(a) For a two-horse waggon ..... $100.00 Dollars.
(b) For a one-horse waggon ..... 75.00 Dollars.
(c) For a push cart ..... 25.00 Dollars.
(d) For carrying a pack ..... 25.00 Dollars.
(e) For carrying a basket ..... 25.00 Dollars.
(f) Motor truck ..... 200.00 Dollars.

7. Every person who has resided continuously within the County of Peel for at least one year prior to the date of his application for a License enabling him to act as hawker, pedlar or petty chapman or to carry on petty trades within the County of Peel shall first pay to the Treasurer of the County of Peel for the use of the County of Peel the following sums, namely:

(a) For a two-horse waggon ..... $20.00 Dollars.
(b) For a one-horse waggon ..... 10.00 Dollars.
(c) For a push cart ..... 5.00 Dollars.
(d) For carrying a pack ..... 5.00 Dollars.
(e) For carrying a basket ..... 5.00 Dollars.
(f) Motor truck ..... 40.00 Dollars.

8. It shall be lawful for any Municipal or Peace Officer, having jurisdiction, to require any hawker, pedlar or petty chapman or other person carrying on petty trades as aforesaid, to exhibit his license and upon his refusing so to do the person so refusing shall be liable to a fine of not more than $10.00 dollars, with costs, upon conviction before any Justice of the Peace, having jurisdiction, and such fine and costs shall be recoverable by distress and sale of the offender's goods and chattles, and for want of sufficient distress the offender may be committed to the common jail of the County of Peel for a term not exceeding one month.

9. That any hawker, pedlar or petty chapman or person carrying on petty trades as aforesaid, selling or exposing for sale as foresaid without a license, shall, upon conviction before any Justice of

the Peace, having jurisdiction, be liable to a fine of not more than $25.00, with costs, and such fines and costs shall be recoverable by distress and sale of the offender's goods and chattles and for want of sufficient distress the offender may be committed to the common jail for thirty days.

10. It shall be the duty of the Treasurer of the County of Peel to provide blank forms of licenses and he shall issue such license or licenses under the Corporate Seal of this County and signed by himself and by the Clerk of the County Council of the County of Peel.

11. All fines collected under this By-law shall be paid one-half to the informer and the other to the Treasurer of the local Municipality, where the offence is committed, unless the prosecution is brought in the name of the local Municipality in which case the whole penalty shall be paid to such Municipality.

12. By-law Number 201 of this Corporation and all other By-laws inconsistent herewith are hereby repealed.

Passed in open Council this sixth day of June, A.D., 1912.

Whereas it is expedienttoraise by way of loan the sum of Twenty Thousand Dollars ($20,000.00) required to meet the current expenditure of the corporation of the County of Peel.

Be it resolved therefore and the Council of the County of Peel enacts as follows:

1. That it shall and may be lawful for the Warden and Treasurer of the County of Peel and they are hereby authorized and empowered to borrow from the Merchants Bank of Canada at the office of the said Bank in the Town of Brampton a sum not exceeding the sum of Twenty Thousand Dollars for the purpose of aforesaid.

2. That the said Warden and Treasurer are hereby authorized and empowered on behalf of the County of Peel to sign and execute as representing such advance under the corporate seal of the County of Peel and deliver to the Manager of the Merchants' Bank of Canada at Brampton, the promissory note or notes of the said Warden and Treasurer payable at the office of the said Bank in Brampton on or

2. That the said sum shall be raised, levied and collected from all persons rated on the assessment rolls of the several municipalities of the County of Peel liable to be assessed in proportion to the equalized assessment of the several municipalities of the County of Peel.

3. That the sums so raised from the municipalities of Brampton, Streetsville and Bolton in the County of Peel shall be repaid to the said municipalities of Brampton, Streetsville and Bolton respectively when and so soon as the said is raised, levied and collected.

4. The sums so raised from the municipalities of the County of Peel other than Brampton, Stretsville and Bolton shall be used for the purpose of maintaining and keeping in repair the said Highways in their respective municipalities and shall be placed to their credit in proportion to the mileage of the said Highways designated, assumed and improved in said respective municipalities and shall be used for said purposes.

5. The whole of said sum of $3,000 shall be raised, levied and collected and paid to the Treasurer of the County of Peel on or before the 31st day of December next.

6. That the monies so raised and used in metaling, gravelling and repairing of bridges shall be used under the direction of the Superintendent of Highways of the County of Peel.

BY-LAW NO. 426.

A By-law Authorizing the Issuing of Debentures of the County of Peel to the Amount of $30,000.

Whereas by an Act entitled "An Act for the Improvement of Public Highways" being 7 Edw. VII, chapter 16, the sum of $1,000,000.00 was set apart to be paid out of the Consolidated Revenue Fund of the Province of Ontario, to aid in the improvement of Public Highways, subject to the terms and conditions therein set forth.

And whereas by an Act entitled "An Act to Amend the Act to aid in the Improvement of Public Highways" being 2 George V, Section 1 of said Act, 7 Edw. VII, Chapt. 16, was amended by striking out the figures $1,000,000.00 in the first line and substituting therefore $2,000,000.00.

And whereas it was thought desirable by the County Council of the County of Peel, that the County of Peel should participate in the said sum of $1,000,000.00 set apart by 7 Edw. VII, and for that purpose should adopt a system of County Roads and construct and repair the same in accordance with the regulations of the Public Works Department of the Province of Ontario, with respect to Public Highways as in said Act prescribed.

And whereas it is thought desirable by the County Council of the County of Peel, that the County of Peel should participate in the further sum of $1,000,000.00, so set apart by 2 George V, for the purpose of enabling the Municipality of the Township of Toronto in the County of Peel to complete the construction of the portion of the Public Highways in the said Municipality of the Township of Toronto designated and assumed by the County Council of the County of Peel by By-law No. 341 and amending By-laws.

And whereas said Act, 2 George V, enables the Council of any County in which a system of roads is established upon the application of a Township Municipality under the jurisdiction of the County Council and with the approval of the Minister of Public Works to levy a special rate upon such township municipality for the construction, improvement or maintenance of County roads within such township municipality.

And whereas the Municipality of the Township of Toronto in the County of Peel has made application to the Council of the County of Peel for the sum of $30,000 for the completion of the construction, improvement and maintenance of the County road within the Township of Toronto and has requested that a special rate be levied upon the said Township of Toronto for the re-payment of the said sum of $30,000 and interest thereon.

And whereas in order thereto it will be necessary to issue debentures of the said County of Peel for the sum of $30,000.00 as hereinafter provided, which said sum of $30,000.00 is the debt intended to be created by this By-law.

And whereas it is desirable to make the principal of the said debt payable by yearly sums, during the period of thirty years, being the currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt, shall be as nearly as possible equal to the amount so payable in each of the other twenty-nine years of the said period.

And whereas the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest, as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt

for such year as shown in the fourth column of Schedule "A" hereto annexed.

And whereas the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is $13,758,000.

And whereas the existing debenture debt of the said County is the sum of $182,978.49 of which no principal or interest is in arrear.

Now therefore the Municipal Corporation of the County of Peel enacts as follows:

1. That the sum of $30,000.00 shall be expended by the County of Peel in the improvement of the said Highways in the Township of Toronto and for the purpose of raising the said sum Debentures of the said County of Peel to the amount of $30,000.00 in sums of not less than $100.00 each shall be issued and said Debentures shall be dated on the day of the issue thereof and shall be payable within thirty years thereafter.

2. Each of the said debentures shall be signed by the Warden of the said County and countersigned by the Treasurer and the Clerk of the said County and the corporate seal shall be attached thereto.

3. The said debt, and the debentures issued therefor shall bear interest at the rate of five per cent. per annum from the date thereof and the said debentures both as to principal and interest shall be payable annually, the first payment in one year from the date of issue at the Merchants Bank at the Town of Brampton, and shall have attached to them coupons for payment of said interest, which coupons shall be signed by the Warden and Treasurer of the said County of Peel.

4. During the currency of the said debentures there shall be raised, levied and collected annually by special rate on all rateable property in the Township of Toronto in the County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt, as shown in Schedule "A" hereto annexed.

5. The following is schedule "A" hereinbefore referred to:

YEAR	INTEREST	PRINCIPAL	YEARLY AMOUNT
1913	$1500 00	$ 451 54	$1951 54
1914	1477 42	474 12	1951 54

Passed in open Council this 8th day of June, A.D., 1912.

JOHN S. BECK, Warden.

D. KIRKWOOD, Co. Clerk.

Treasurer's Statement of County Accounts for the Year 1911

To the Warden and Council of the County of Peel.

Gentlemen :—I beg leave to report that the county accounts for the year ending Dec. 31st, 1911, are prepared in detail and are now being audited.

The receipts from all sources were	$133748 04	
And the payments	112151 17	
Leaving a balance to the credit of the County on Jan 1st, 1912		$ 21596 87
County of Peel Dr.		5114 15
		$ 26711 02

Liabilities—This balance belongs to the following accounts.

Albion Good Roads	$ 4215 80	
Caledon Good Roads	11078 00	
Toronto Gore Good Roads	1097 39	16391 19
Debentures and Coupobs maturing.		
April 3rd and June 1st, 1912	11922 15	
Good roads repair fund raised by taxes	1302 00	13224 15
		$ 29615 34

Resources.

Chinguacousy Dr. to overdrawn goodroads account	1403 90	
Toronto Tp. Dr. to good roads account	1302 00	
County of York re roads and bridges account	198 42	2904 32
		$ 26711 02

You will see by this statement we have no balance to begin the year in our current account but we have reduced the deficit salary of last year which was $5360.92 and which is now $5114.15.

We will not require to borrow any money for current expenditure before the June Session as we may expect the Government Grant for expenditure on Good Roads in 1911 about April 1st.

I have made a detailed statement of the Good Roads account for each municipality which shows the standing and balances to Dec. 31st, 1911, and would recommend that the Commissions on Good Roads govern themselves accordingly so that there may be no overdrawn accounts at the end of the current year.

You will find attached the four Quarterly Statements, also Public School Non Resident-tax and the Peel and Halton House of Refuge accounts, which I have made in pamphlet form.

I got two hundred printed and sent one hundred to the Clerk of Halton.

The Public School accounts and the Non-Resident tax accounts balance leaving no balance in your Treasurer's hands.

Treasurer's Office, Jan. 16, 1912.

Robert Crawford,
County Treasurer.

NOVEMBER SESSION

FIRST DAY OF SESSION

CORPORATION OF THE COUNTY OF PEEL.

Council Chamber, Brampton, Nov. 19th, 1912.

Council met, pursuant to adjournment, at 2 p.m., the Warden presiding.

Roll called. Present: Messrs. Armstrong, Beck, Davison, Gordon, Limebeer, Lush, Milner, Moffatt, Newhouse, Rutherford, Rutledge, and Wilkinson.

Minutes of the last day of the June session were read and confirmed.

The following communications were received and read, and on motion referred to the several Standing Committees to which they properly belong, viz.:

From Kerr & Shanson, solicitors, notifying the Council of an accident to the "Armstrong Cartage and Warehouse Company" by their "auto truck" breaking through a bridge on the Centre Road between Brampton and Cooksville. They claim that the bridge was out of repair and that they are entitled to damages for injury sustained.

From the Provincial Engineer of Highways, acknowledging receipt of copies of By-laws Nos. 423 and 426 of this Council.

From the Clerk of Board of Highway Commissioners, under date of June 7th, asking to be advised of the date of next meeting of County Council.

From the Clerk of the County of Dufferin, under date of July 29th, and a second dated October, in reference to a possible arrange-

ment for maintenance of indigents from Dufferin County in Brampton House of Refuge.

Report of the Inspector on State of the Boiler and Heating Plant in Court House up to Nov. 12th.

From the office of the Municipal World, calling the attention of the Council to a book published by them of Tales of Interest, Tax Rate, and Debenture Tables, which they claim meets a longfelt want.

From W. A. McLean, Engineer of Highways, advising Council that if they desire the approval of By-law No. 423, a copy of which had been filed in his office, it will be necessary to accompany the same with a full statement showing that the road therein described has ceased to be of sufficient importance to be constructed and maintained as a County Road.

From the Deputy Minister of Education, with notice that the Minister approves of the continuance in office of W. J. Galbraith, B.A., who is now an Inspector of Public Schools under the jurisdiction of the Council of the County of Peel.

From S. B. McCready,'' Director of Elementary Agricultural Educaton,'' in reference to promoting the teaching of Agriculture in our County Schools.

From the Department of Public Works, advising us that the Minister of Public Works had approved of our County By-law No. 426, authorizing the issue of debentures of the County of Peel as a special charge upon Toronto Township.

From the Inspector of Public Libraries, asking what grant, if any, is made to the Public Libraries of the County of Peel.

From Jean Allan Wright, advising the Council of a painful accident suffered by her on the night of Oct. 3rd, owing to gross negligence on the part of the Municipality; the accident occurred on Dundas Street, near Cooksville Station.

She claims for destruction of clothing, etc.	35.00
Doctor's services, account enclosed	30.00
Total	65.00

From W. H. McFadden, solicitor, on behalf of Mr. William Hunter, who claims damages to the amount of $50.00 for soil taken from his premises for filling in for the Terra Cotta Bridge. This claim is in addition to a previous claim of $100.00 for damage by trespass on his property while the said bridge was being built.

From the County Treasurer with statement of bank account with the County.

Also showing the state of the several municipalities with the County Road Account.

From the Assistant Gaoler, asking for an increase in salary owing to the increased cost of living.

From Mr. C. Allison, Secretary of the Brampton and County Poultry Association, asking for a grant of $25.00 in aid of the said Society.

On motion, Mr. Brown, who was presented, addressed the Council on the merits of concrete in the construction of highways.

On motion, Council adjourned.

Adopted. J. S. Beck, Warden.

SECOND DAY

All of which is respectfully submitted.

John Wilkinson, Commissioner.

Report adopted.

J. S. Beck, Warden.

THIRD REPORT OF COUNTY PROPERTY COMMISSIONERS.

Brampton, Nov. 20th, 1912.

To the Warden and Council:

Gentlemen,—Your Commissioner on County Property beg leave to submit their third Report, as follows:

Since the June session of Council your Commissioners have met in the regular July and October sessions, and have also met at one special session.

At the regular sessions we passed all the ordinary accounts that were presented and properly certified to.

Pursuant to authority given in the June session, we have had the roof over the Court Room repaired, by having the old shingle roof replaced by a galvanized iron roof, and all other repairs to doors, pipes, etc., at a total cost of seventy-five dollars ($75.00), which amount has been paid to the contractor, Thos. Mara & Sons.

Re the question of ventilating the Court Room,—in regard to which you have authorized your Commissioners to place in proper sanitary condition, we have made thorough enquiries, but have been delayed in getting the information we desired, and, as a consequence, we have been unable to instal a system.

Your Commissioners now have the information necessary, and find that the cost of installing a system is greater than we had anticipated, the price varying between $200 and $500.

After carefully considering the information to hand, we would recommend that the tender of the Brampton Hardware Co. for the instalation of a gravity system of ventilation at a cost of $200 be accepted.

We would recommend that the following Commissions be paid:

John Wilkinson, 1 day and mileage	$4.20
W. Rutledge, 1 day and mileage	3.40
A. H. Milner, 1 day	3.00
A. H. Milner, 1 day and expenses to Toronto, re ventilating system	5.00

All of which is respectfully submitted.

A. H. Milner, Chairman.

Report adopted.

J. S. Beck, Warden.

REPORT OF J. H. MOFFATT RE COLD CREEK BRIDGE, LOT 9, ALBION, BETWEEN PEEL AND YORK.

To the Warden and Council of the County of Peel:

Gentlemen,—John Barry repaired the said bridge at a cost of three dollars ($3.00), York to pay half.

I recommend payment of the same.

J. H. Moffatt, Commissioner.

Nov. 21st, 1912.

Report adopted.

J. S. Beck, Warden.

THIRD REPORT.

Brampton, Nov. 21st, 1912.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee on Printing and contingencies beg leave to report as follows:

Your Committee, after carefully considering the accounts placed in their hands, recommend that the Treasurer be and is hereby instructed to pay the following accounts:

To D. Kirkwood, postage stamps supplied the Public School Inspector	$36.00
Postage supplied Gaoler, Treasurer and Clerk	23.66
Hall & Co., supplies to W. H. McFadden	15.40
Municipal World for Minute Book	3.25
Conservator Office for printing	45.02
W. H. Newsome, stationary supplied J. B. Dixon	23.75

Your Committee consulted with the printer who has the contract for printing the record of proceedings of this Council; with reference to having the same printed before the end of the year, and received the information that this would be done up to and including the Minutes of the November session.

All of which is respectfully submitted.

W. J. Limebeer, Chairman.

Report adopted.

J. S. Beck, Warden.

FIRST REPORT OF GOOD ROADS COMMITTEE OF THE COUNTY OF PEEL.

Brampton, Nov. 20th, 1912.

To the Warden and Council of the County of Peel:

Gentlemen,—your Committee beg leave to report as follows:

1st. In reference to the letters from the Minister of Public Works, we would recommend that they be filed with the Clerk.

2nd. In reference to communication from the Armstrong Cartage and Warehouse Company, we would refer that to the County Solicitor.

3. In reference to communication from Jean Allen Wright, claiming damage to clothing and for professional medical services,

we would recommend that it be left with the Committee to make a settlement.

4th. Re the account of Armstrong & Robinson, of Orangeville, we would recommend that it be paid and charged to Good Road Account of Caledon.

5th. In reference to the accounts from the Waterous Engine Works Co. and the Sawyer & Massey Co., we would direct the Clerk to write for further information.

6th. In reference to T. J. Blain's bill, we would recommend that Mr. Blain be allowed his actual disbursements.

7th. The claim of George Robinson for damages on Centre Road, we would recommend that no action be taken.

All of which is respectfully submitted.

R. H. Lush, Chairman.

Report adopted.

J. S. Beck, Warden.

REPORT OF SPECIAL COMMITTEE APPOINTED RE TORONTO TO HAMILTON ROAD.

Brampton, Nov. 20th, 1912.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Special Committee appointed at the June session ask leave to report as follows:

We attended a meeting held at the Town of Oakville where all interested municipalities were represented.

After a great deal of discussion, both in favour and against the proposition, it was decided to recommend that the proposed road should be built and a committee was appointed consisting of Provincial Engineer of Highways (Mr. McLean), the County Engineers, the President of the Good Roads Association, and the President of the Ontario Motor League, to determine the kind of road and estimate the cost of same.

It was also recommended that the road should be paid for by the two cities, the found counties, the Provincial and Dominion Government.

A Committee was also appointed to apportion the cost of the road and also to wait on the Board of Control of the City of Toronto; also of Hamilton and the Provincial Government, to lay the final proposition before them.

At a meeting of the Committee afterwards held at Hamilton, it was decided to recommend the construction of a concrete roadway, each county to pay twenty-five per cent. of the cost of the road running through the county, the balance to be paid by the cities and the Dominion and Provincial Governments.

The counties to raise their share in a manner to be decided by each county, either by the county as a whole, or partly by the townships through which the road runs; to be raised by a direct tax or by a frontage on the property situated along the road.

The Committee also waited on the Boards of Control of each city and found that they were both favourably impressed with the proposition, and representatives were apointed by both cities to represent them on the deputation, which afterwards waited on the Provincial Government.

The deputation that waited on the Government were assured that the matter would receive the consideration that a matter of such great importance should.

We would recommend the following commssion be paid:

John Newhouse, one day	$3.00
R. H. Lush, one day	3.00
J. S. Beck, one day and two days, and mileage	13.00

All of which is respectfully submitted.

J. S. Beck, Chairman.

Report adopted.

J. S. Beck, Warden.

FOURTH REPORT OF STANDING COMMITTEE ON FINANCE.

Brampton, Nov. 21st, 1912.

To the Warden and Council:

Gentlemen,—Your Committee on Finance beg leave to submit their Fourth Report.

1. We recommend the following accounts to be paid:

The Brampton Hardware Co. (oil tank)	$6.00
The Brampton Hardware Co. (sundry items)	10.10

Report of the Warden in Reference to Conference re Feeble Minded

Brampton, Nov. 20th, 1912.

The Members of the County Council:

Gentlemen,—Upon the request of the Mayor of Toronto for the County Council to send a representative to attend a conference re the Feeble-minded Children in Ontario, at the City Hall, Toronto, on

Friday, Nov. 8th, and there being no session of the Council at which a representative could be appointed, and seeing the matter of some importance to the County, I attended the same.

The question was discussed in all its phases by Dr. Helen MacMurchy, Rev. J. E. Starr, Miss Booking, Superintendent of the Alexandra School for Girls, J. P. Downey, Esq., Superintendent of Orillia Hospital for Feeble-minded, Dr. Clark, Superintendent of the General Hospital, Dr. Chas. J. Hodgetts, Chief Medical Adviser to the Conservation Commission of Canada, Hon. W. J. Hanna, and a number of other who were familiar with the question.

The statements made by the speakers of conditions in this Province were startling, and it was a surprise to me that such a state of conditions could exist in Ontario.

I believe a great deal was accomplished at this conference and hope that its influence will be felt in advanced legislation in the not distant future.

The conference memorialized the Provincial Government to pass legislation to improve existing conditions by the establishment of homes for these unfortunates similar to the Industrial School at Mimico, where they could be committed and kept in confinement.

The Government to build same and the inmates to be maintained by the municipalities from where they are sent until they reach the age of twenty-one years, when they should be complete charges on the Government.

It was also recommended that legislation be passed prohibiting the marriage of feeble-minded persons, as in this way in the opinion of the speakers it is possible to improve existing conditions.

It was also recommended that marriage licenses should be sold only by the Clerk of the Municipality.

A deputation was appointed to wait on the Provincial Government to endeavour to persuade them to enact legislation to carry out these recommendations.

Mr. W. J. Galbraith, P.S.I., was present in the interests of the Schools of the County of Peel.

All of which is respectfully submitted.

J. S. Beck.

FOURTH REPORT OF STANDING COMMITTEE ON COUNTY PROPERTY ROADS AND BRIDGES.

Brampton, 22nd Nov., 1912.

To the Warden and Council of the County of Peel:

Gentlemen,—Your Committee begs leave to report:

1st. We have had a communication from the Boiler Inspector which we would recommend to be filed.

2nd. A communication from W. H. McFadden in reference to a claim at Terra Cotta. We recommend it to be filed.

Nov 23 1912

Also a communication from the Ontario Bridge Co., claiming a balance of $25.00 on Terra Cotta Bridge. We recommend that this account be not paid, as there is nothing due the firm.

They, through their representative, having agreed to this allowance on the price of bridge, because of loss sustained and additional expense incurred through failure to complete the work according to contract.

3rd. Our attention was called to Bridge No. 34, being a bridge on county boundary between Peel and Wellington.

Your Committee met the Road and Bridge Committee of Wellington County and decided to build a new bridge. Plans and specifications were prepared by the County Engineer, tenders called for and contract let for a new concrete bridge to Mr. James Justice, which was completed in a satisfactory way at the following cost:

Concrete bridge, 20 feet opening, floor and guards 61 cubic yards, at $7.00 per yard, to James Justice	$427.00
To E. F. Barber, filling approaches	30.00
To E. F. Barber, drawing wire	3.00
A. Dick, for iron	3.75
To E. F. Barber, inspection while work was going on	30.00
C. R. Wheelock, plans and inspection	63.00
	$556.75

All of which has been paid on the order of the Chairman, the Treasurer to collect half that amount from Wellington.

We recommend that $25.80, Committee's expenses, be paid to the Chairman; also that the following Commissioners be paid:

John Newhouse, 3 days	$9.00
John H. Moffatt, 2 days	6.00
R. H. Lush, 3 days	9.00

4th. With reference to bridge at Churchville, in pursuance of Report No. 3, your Committee purchased a roadway from parties owning parts of lots 14 and 15 in the Fourth Concession west, Toronto Township, at a cost of $260.00, and have a roadway constructed at a cost of $4,137.78. The road has been deeded to Toronto Township, the agreement being that Toronto Township assume the road when satisfactory to Committee and Engineer, and the County of Peel assume the bridge at Churchville instead of Bridge 77.

The items of cost are as follows:

Right of way	$2,600.00
To Labour per July pay sheet	337.00
To labour per August pay sheet	363.33
To labour per September pay sheet	73.50
To labour per October pay sheet	391.00

To labour per November pay sheet	84.50
Material for roadway, fencing, etc., Jacob Dolurage, posts and tile	16.85
Albert Lamb, posts	3.00
C. Lush, fence	76.00
W. McCracken, drawing tile	2.50
W. A. Steen, Commission overseeing	189.90
Total for roadway	$4,137.78

We have an account from Toronto Township for three special meetings which we recommend to be paid:

R. H. Lush	$3.00
Wm. Rutledge	9.00
G. W. Gordon	9.00
W. A. Russell	9.00
James Curry	6.00
C. H. Gill	9.00
	$45.00

We recommend that the Treasurer receive:

From Mr. S. Laidlaw, for wire	$11.55
Expenses of (to be paid)	37.65
Telephoning	1.20
Total	$38.75
Also the Engineer's account	$52.00

And that the Committee receive the following commission:

John Newhouse, 11½ days at $3.00 per day	$34.50
John H. Moffatt, 5 days at $3.00 per day	15.00
R. H. Lush, 7 days, at $3.00 per day	21.00

5th. With reference to the Terra Cotta Bridge, we have inspected the bridge with the Engineer. The Engineer has not approved of the finish of this bridge. We recommend that the County retain $5.00 until the abutment is finished as described by the Engineer, but when completed shall be paid on the order of Mr. Wilkinson.

Also that the County retain $33.00, and that the contractors claim for use of lumber be offset against the finish of the floor and use of County's lumber.

We recommend that Mr. Smeaton be paid $234.00 as payment for the bridge floor, and that Silas Townsend be paid $50.00 for temporary roadway and damages while the bridge was in construction, and $12.00 for lumber and teaming.

To repairing approaches, Wm. Henry, 1 day with team	$4.00
Wm. McArthur, 1 day's labour	2.00
John Wilkinson, 5 days' commission	15.00
That the Committee be paid expenses	7.45

And that the following commissions be paid:

John H. Moffatt, 2 days	$6.00
R. H. Lush, 2 days	6.00
John Newhouse, 3 days	9.00

6th. Your Committee recommend that the Treasurer pay some accounts for repairs on Norval Bridges, Nos. 46 and 47, on order of the Chairman of Committee.

Also some repairs to approaches at Terra Cotta Bridge, and that they be paid on the order of Mr. Wilkinson, and that half of all expenditure between Peel and Halton, with the exception of the Committee's commission and expenses, be collected from the County of Halton.

7th. Your Committee recommend that the Clerk keep one complete copy of the scheduled bridges, and as each bridge is replaced by a new one, the schedule be marked with the kind of bridge replacing the old one and the date when the new bridge was built, for the guidance of future County Property Road and Bridge Committees.

All of which is respectfully submitted.

John Newhouse, Chairman.

PUBLIC SCHOOL INSPECTOR'S OFFICE.

To the Warden and Council, County of Peel:

Gentlemen,—I have the honour to submit herewith, for your consideration, my third annual Report of the Public Schools of the County of Peel.

During the year 1911 there has been made satisfactory improvement in the conditions in most sections, especially in respect to the class of teachers employed. Considerable interest in the training of the youth is manifested, leading to the employment of an increased number of teachers who have received training in the Provincial Normal Schools and Faculties of Education. There still exist, however, a few sections in which the Trustees have not seen the advisability of offering salaries sufficient to attract applications from experienced teachers holding the higher grades of certificates, and who, in consequence, have been obliged to entrust the education of their children to untrained and inexperienced teachers, and as such teachers are granted permission to teach for a limited time, the policy of the Trustees has resulted in such frequent changes of teachers that there has not been made the rapid progress that parents may reasonably expect. This condition is unnecessary in school sections so well able to pay adequate salaries as are those to which reference is made.

The Model and Normal Schools and Faculties of Education are granting more certificates of qualification than ever before, but so long as the West requires teachers, and is offering better remuneration, there will be a difficulty in obtaining legally qualified teachers for the schools where low salaries are offered. So soon as young men and young women find teaching in Ontario, as lucrative as are the other activities demanding their services here and in the West, the supply will equal the demand, and a better class of teacher will be obtainable. The Department of Education is doing its part in providing the facilities for securing a certificate of qualification as a teacher at the least possible cost to the candidate, but it is not in the power of any Government to compel anyone to take advantage of the facilities provided. It is not to the Department of Education that we must look for a remedy, but to the parents in particular and the public in general, who must become fully seized of the importance of placing the training of their children into the hands of teachers who are in every respect eminently qualified to so train and develop the mental faculties, and to mould the characters that these children will grow up to constitute a high type of citizenship. In addition to this, the public must be prepared to pay such salaries as will be an inducement to the best type of young men and women to enter and remain in the profession . The formation of character is too often overlooked in the qualification of the teacher who is being engaged.

At the close of the year there were employed in the Public Schools of this County, ninety-eight teachers, who were classified as follows: Five held first-class certificates; seventy-one, second-class; ten, third-class; three, District, and nine had received temporary certificates. At the close of 1910, there were three teachers holding first-class certificates; fifty-five second-class, and forty with certificates of lower grade. A gratifying increase in the number of teachers holding first and second-class certificates was made, and I hope that in my next annual report, I shall be in a position to note the absence of district and temporary certificates.

The schoolhouses are gradually being made more attractive, yet the progress in this respect is far too slow to be entirely satisfactory. Very little effort is directed towards developing a taste for the beautiful in art and nature. A few sections have buildings that have outlived their suitability for the purpose for which they are used, and that should be immediately replaced with new up-to-date structures, properly lighted and ventilated. In fact, all the schoolhouses fall short of the requirements in the matter of ventilation. The schoolhouse in Section Nos. 12 Albion, 9 and 21 E. Toronto, are the worst in the County. The latter, in particular, does not satisfy the requirements of the School Regulations, there being insufficient air space, bad lighting and an absence of ventilation. As the Trustees closed the financial year with a balance in hand of upwards of one thousand five hundred dollars, no reasonable excuse can exist for the deferring of the erection of a suitable building.

Owing to the inconvenience of reaching Streetsville or Brampton, the majority of the candidates for entrance to High Schools from the schools in the southern part of the Township of Toronto, have hitherto been in the habit of writing at examination centres outside of the County. In consequence of this, at my request, you established an additional centre at Port Credit. That this course was justifiable is shown by the fact that twenty-six candidates presented themselves for examination at that place. The following table shows the results of the Entrance Examination at all the centres of the County:

At Brampton, 88 candidates wrote and 49 passed.
At. Streetsville, 20 candidates wrote and 17 passed.
At Bolton, 40 candidates wrote and 17 passed.
At Caledon, 33 candidates wrote and 13 passed.
At Port Credit, 26 candidates wrote and 17 passed.
In all, 207 candidates wrote and 113 passed.

Fifty-four per cent. of the candidates were successful, fifty per cent of all the candidates in the Province were successful in obtaining certificates.

In the rural schools, there were enrolled an average of thirty-six

pupils to each teacher, with twenty in regular daily attendance, while in the urban schools the average attendance was thirty-five out of fifty enrolled. The attendance varies but little from year to year, but the cost per pupil is increasing at about 15 per cent. per annum. This is mainly due to the higher salaries now paid. In 1910, the average salary paid to a male teacher was $538, and to a female, $454; in 1911 a male teacher received $580, and a female $502. Notwithstanding the advance that has been made, the salaries paid in the County of Peel are low in comparison with those paid in the Province of Alberta, where in 1910 a male teacher holding a first-class certificate received $1,092, a female with the same grade of certificate, $749; a male teacher holding a second-class certificate was in receipt of $748, and a female, $684. Is it a matter of wonder that teachers trained in Ontario Normal Schools and Faculties of Education prefer to accept the higher remuneration? Are the people of the West better able to pay higher salaries than we, or do they attach a greater value to the education of their children? This inducement to seek positions in the West, together with the attractions offered by commercial and industrial interests account in a large measure for the difficulty of obtaining a supply of well-trained and efficient teachers, and until the people of this and other counties of this Province awake to the necessity of having the best teachers obtainable, and of paying salaries that will retain the services of such teachers, the cause of education will suffer and many of our youth will enter the battle of life inadquately equipped.

As shown above, the average number of pupils taught by each teacher in the rural schools is only a little more than one-half of that taught by the teachers in urban schools. The number of teachers might be lessened if the sections were consolidated so that instead of having five schools, with one hundred pupils, there would be one school with the same number, and only three employed. In fact, if all the rural schools in the County were thus consolidated, fifty teachers could do the work now done by eighty, and the work being properly graded would be better done. This would also render it possible for the inspector to visit the schools more frequently, and give greater assistance to the younger teachers in particular. The work would be much more efficient, as the grading of the classes would prevent the dissipation of the teachers' energies, as now by the number of classes and subjects they are called upon to teach. Difficulties would arise in some localities in regard to the conveyance of pupils to school, but difficulties now exist, and are not unsurmountable.

In order that a higher standard may be reached by the pupils of our schools than that required for entrance to High Schools and Collegiate Institutes, provision is made for the establishment of fifth classes wherever pupils desire to avail themselves of the privilege. That the pupils thus trained may receive proper recognition in the High Schools, examination will be held at the end of the first and

second year's work, and pupils passing these examinations will, on presenting themselves at a High School or Collegiate Institute, be given the same standing as pupils who have taken up the same class of work in a High School. This will enable many pupils to take the advanced Public School course without incurring the expense of living away from home. Many boys and girls have been debarred from availing themselves of the advantage of a higher training by the cost of attendance at a High School.

I have the honour to be, gentlemen, your obedient servant,

W. A. Galbraith, P. S. Inspector, County of Peel.

BY-LAWS

BY-LAW No. 427.

To erect the unincorporated Village of Caledon East into a police village and to provide a place to hold the first election of Police Trustees and appointing a Returning Officer.

WHEREAS a petition has been presented to this corporation from the resident ratepayers and inhabitants of the unincorporated Village of Caledon East, praying that a by-law be passed by this Council to erect the said village into a police village:

AND WHEREAS there is a population exceeding 200 inhabitants within the area proposed by the said petition for the said police village, and hereinafter described by metes and bounds, and 65 of the ratepayers within the said area have signed the said petition in compliance with the Act and amendments thereto, in such cases made and provided:

THEREFORE the Council of the Corporation of the County of Peel in Council assembled enacts as follows:

1. That the Village of Caledon East, comprised within the following bounds and limits, that is to say: All and singular those certain parcels or tracts of land and premises situate lying and being in the Townships of Albion and Caledon, in the County of Peel, and being composed of the west halves of Lots Numbers 20 and 21, both in the first concession of the said Township of Albion, and the east halves of Lots Numbers 3 and 4, both in the sixth concession east of Hurontario Street, of the Township of Caledon, be and is hereby declared a police village.

2. And it is further enacted by the authority aforesaid that the first nomination for the election of Police Trustees for the said village shall be held on the 13th day of January, A.D. 1913, between the hours commencing at one o'clock p.m. until two o'clock p.m. in Mrs. Hanton's Hall, in the said village, and that in case of a poll being demanded the election shall be held on Monday, the 20th day of January, between the hours of 9 a.m. and 5 p.m., and that G. W. Berney shall be and is hereby appointed Returning Officer for hold-

ing the same, and that the first meeting of the said Trustees shall be held in Mrs. Hanton's Hall in the said Village of Caledon East on the 27th day of January, A.D. 1913, at the hour of 12 o'clock p.m.

That this By-law shall come into force and have effect from and after the passing thereof.

Passed this 21st day of November, A.D. 1912.

(Sgd.) D. Kirkwood, County Clerk. (Sgd.) J. S. Beck, Warden.

BY-LAW No. 428.

A By-law to Appoint Auditors for the Year 1913.

Whereas on the 3rd day of December, 1907, the Council of the Corporation of the County of Peel, did pass a By-law as provided for in Section 301 of the Municipal Institutions Act, providing for the appointment of Auditors during the months of November or December for the following year.

Therefore the Corporation of the County of Peel enacts as follows:

1st. That John D. Gordon, of Brampton, and F. J. Jackson, of Meadowvale, be and they are hereby appointed Auditors for the County of Peel for the year 1913.

2nd. That the above named Auditors be and they are hereby appointed Auditors of School Monies.

3rd. That it shall be the duty of the above named Auditors to audit the Treasurer's accounts for the year 1912, and all other accounts as directed by the Council.

4th. That each Auditor be paid the sum of three dollars ($3.00) on the order of the Warden when the work is duly performed.

Passed this 22nd day of November, A.D. 1912.

D. Kirkwood, County Clerk. J. S. Beck, Warden

TREASURER'S STATEMENT

of County Accounts for the year 1912

To the Warden and Council of the County of Peel.

Gentlemen :—I beg leave to report that the county accounts for the year ending Dec. 31st, 1912, are prepared in detail and have been audited.

The receipts from all sources are		$109736	49	
And the payments		98435	82	
Leaving a balance to the credit of the County on Jan. 31st, 1913, of				$ 11300 67
This balance belongs to the following accounts :				
Albion good roads		527	18	
Caledon good roads		967	13	
Chinguacousy good roads		1429	20	
Toronto Gore good roads		452	74	3376 25
Debentures and Coupons maturing April 3rd and June 1st, 1913		11922	15	
Good roads repair fund raised in taxes and Chinguacousy Statute labor		3510	00	15432 15
				$18808 40
Resources :—				
Toronto Tp. Dr. to good roads overdrawn account		5366	42	

You will see by this statement that we have no balance to begin the year in our current account, but a deficit of $2141.31 as against a deficit last year of $5114.15.

We may not require to borrow any money before the June session as we can use the Debenture monies until due. But I would recommend that the by-law for borrowing money be passed at this session of the Council.

You will find attached the four Quarterly Statements, also Public School, Non-Resident and the Peel and Halton House of Refuge accounts, which I have made in pamphlet form. I got 100 of these printed for distribution, and have sent 50 to the Clerk of Halton.

The Public School accounts, Non-Resident Tax accounts and House of Refuge accounts balance, leaving no balance in your Treasurer's hands.

RORERT CRAWFORD, Treasurer

AUDITORS' REPORT

Brampton, January 29th, 1913.

To the Warden and Council of the County of Peel.

Gentlemen,

Your Auditors for the year 1912 beg leave to report as follows :

That we have checked very closely the books and accounts of your Treasurer, tracing carefully the sources of income, comparing vouchers in the shape of accounts receipted or cheques endorsed for each item of expenditure and find them correct.

The same carefulness that has marked in former years his accounting continues during 1912 and although the work has increased largely, owing to the new plan of paying the Good Roads Account, he had his books in good shape, ready for this audit.

We find the total receipts amounted to $109,736.49 and the disbursements to $98,435.82 leaving a balance on hand in the bank of $11,300.67.

While this looks like a nice sum to commence another year with, the fact remains that when the following sums due and maturing are paid there will be a deficit of $2,141.31.

Namely : Due Albion Good Roads	$ 527.18	
" Caledon " "	967.13	
" Chinguacousy " "	1429.20	
" Toronto Gore " "	452.74	
	$ 3376.25	
Also Debentures and Coupons maturing April 3rd and June 1st, 1913	$ 11,922 15	
Good Roads Repair Fund raised in taxes and Chinguacousy Statute Labor paid in cash	$ 3,510 00	$15,432 15
	Overdrawn	$18,808 40
To partly meet this we find the following, namely the balance on hand as shown and a balance overdrawn by Toronto Twp. on Good Roads account	$ 5,366 42	$16,667 09
	Deficit as shown above	$ 2,141 31

You will not however require any borrowed money till June as the Debenture money can be used till they mature.

The Merchants Bank shows a credit balance of $12,446.39 and the Imperial Bank at Bolton $241.44, a total of $12,687.83. The Treasurer only shows $11,300.67. The apparent difference is made in cheques not presented for payment on December 31st, 1912. These outstanding cheques amount to $1,387.16.

During 1912 $20,000 was borrowed from the bank to meet the large outlay. This has been repaid and no borrowed money appears in the balance on hand of $11,300.67 shown on December 31st.

A year ago we checked the statements and bank accounts of all the Good Roads Commissioners for 1911 with two exceptions, namely, the estate of Mr. Slack of Albion and Thomas Quinn of Caledon. We have still no report to make on the Slack estate not having any data to work from only the amount he received from the Treasurer.

Thos. Quinn has given in $560.58 to Treasurer and his bank book and vouchers. We find four small cheques amounting to $24.70 are not enclosed and in reply to our enquiry about them he has written to say he will forward them at once.

Prior to the new regulations in the mode of paying the Good Roads accounts (namely by cheque from Treasurer direct to the person entitled thereto) which came into effect in June of 1912, some of the Commissioners had received money from him on the old plan. Only one, namely, Mr. Davidson of the Gore has given in a report so far.

We will see to it that they all do and report at your next meeting.

The Peel and Halton House of Refuge accounts have also been carefully checked. They show receipts of $5,396.41 and disbursements of the same amount, leaving no balance on hand. The accounts are all paid by cheque and they are produced as vouchers for all the expenditure.

We are giving you a statement of The Refuge showing the annual settlement between the two counties since Halton came in during 1910.

This shows the actual amount that each ought to pay, the actual amount each did pay, the amount paid back to Halton Dec. 31st, 1912, Dec. 31st, 1911, and the balance due Halton on Dec. 31st, 1912.

We commend this to your careful consideration.

Coming to the non-resident land taxes we find the following :

Caledon Twp. paid to W. Warnock, Treas	58	81

For the schools and libraries we are giving a separate report.

Your Treasurer has been very courteous and has cheerfully given us every assistance asked for, all of which is very respectfully submitted.

Gentlemen,—

Your Auditors beg leave to report that we have checked the School monies received and paid out by the County Treasurer during the year 1912, and have verified them by the warrants of the Inspector. The Receipts were $8866 and the Disbursements $8853 10, leaving a balance of accrued interest, which he has transferred to current accounts, of $12.90. We find that the sum of $992.50 was sent by the Treasurer to Mr. Judge, of Albion and $1524.50 to Mr. Warnock, of Caledon, to pay over to the parties entitled thereto. Mr. Warnock has made his report and produced vouchers, but at the present writing no return has been made by Mr. Judge. All of which is respectfully submitted.

JOHN D. GORDON,
F. J JACKSON, } Auditors.

Sixth Report of Standing Committee on County Property Roads and Bridges for 1912

To the Warden and Council of the County of Peel :

Gentlemen : Said Committee beg leave to report on a matter of Bridge (Schedule No. 78) a Bridge on County line with York.

According to the Third Report of this committee, contracts were let for the erection of a new bridge under York's Engineer.

This work was not finished at the time of the November Session of 1912, but was afterwards completed.

The County of York Committee notified the Peel Committee to meet with them and look over the work and pass the accounts.

We found the work very neatly done, and the Engineer reports the work satisfactory to him, at about the following cost :

Concrete Contract Price	$1064	00
Cement found by County	414	00
Erecting temporary Bridge	25	00
Total	$1503	00
Deductions	7	70
Total amount paid for concrete	$1495	30
Steel work, contract price	755	00
Printing and cement tiles	12	00
Engineer's charges	109	80
	2372	10

The County of Peel to pay one-half the cost.

We would recommend that the following commissioners and expenses be paid :

John H. Moffatt, 1 day's commission $3, expenses $2	$ 5 00
John Newhouse, 2 days' commission $6, expenses $4	10 00
R. H. Lush, 3 days' commission $9, expenses $3	12 00

All of which is respectfully submitted.

JOHN NEWHOUSE. Chairman.

We recommend that the Circular re House of Refuge be placed on file also that re Board of Health.

We recommend that the request of the W.C.T.U. to hold week dav meetings in the County Gaol be granted.

The petition of the citizens of Malton re Police Village has already been dealt with.

We recommend that the Council go into committee of the whole on the communication from the County of Grey. Committee of the whole recommended that the Warden be sent as a delegate.

We recommend that the Council go into committee of the whole to consider the petition to the Dominion Government re Federal grant to Good Roads.

All of which is respectfuliy submitted.

D. ARMSTRONG, Chairman. J. H. MOFFATT, Warden.

First Report of Finance Committee.

Brampton, January 30th, 1913.

To the Warden and Council of the County of Peel :

Gentlemen:—Your Committee on Finance beg leave to submit their first Report as follows :

1. Re. the commuication from the Prisoners' Aid Association of Canada. We recommend the usual grant of $10.00 be made to the Association.

2. Communication from the Deputy Minister of Agricultural, acknowledging the request for the location of a District Representative in the County of Peel, we recommend same be filed.

3. Communication from R. W. Armstrong, caretaker of the House of Refuge asking for increase in salary, and a communication from R. W. Bruce Smith, recommending such increase ; we recommend that this matter be referred to the whole Couucil. Council recommend that the combined salary be increased $100 making a total of $800 this being the same as Halton's recommendation.

4. Communication from Sick Children's Hospital, asking fot a grant. We recommend that the usual grant of $30 be made.

5. Communication from W. J. Gage re. King Edward Memorial Fund ; we refer this matter to the whole Council. Council recommended no action.

6. Re. request from Malton Agricultural Society, asking for an increased grant ; we recommend a grant of $35.00 be made.

7. We recommend that a By-law be introduced to borrow money by way of temporary loan to meet the current expenditure for the year for the Corporation of the County of Peel.

8. We recommend that the County Clerk's salary be increased by $50.00 for the year.

9. The Treasurer's Report has been placed before us. The Report shows total receipts and expenditure as follows :

Receipts	$109,736 49
Expenditure	98,435 82
January 31st, 1913, balance	$ 11,300 67

Which balance belongs as follows :

Good Roads account, Cr.	$ 3,376 25
Debentures and Coupons	11,922 15
Good Roads repaired and Chiguacousy Statute Labor	3,510 00

10. Toronto Township Good Roads account, Dr	$ 5,366 42
	$ 16,667 09
Deficit in current ac.	2,141 31
	$ 18,808 40

Our deficit last year was $5,114.15, so that our deficit this year is about $3000 less than the beginning of last year. With the exercise of care and economy we will be able to wipe out this deficit completely this year. We find the Financial Statement of the House of Refuge for Peel and Halton, which is printed in pamphlet form to be correct ; printed copies of which can be procured from the Treasurer.

11. We recommend that the Chairman of the Finance Committee, together with the Warden and Treasurer, and Mr. Lush be a committee to advertise for tenders for the purchase of the $30,000 Good Roads Debentures now printed and to dispose of the same to the highest bidder and report same at next meeting of Council.

12. Re. Communication from Peel Farmers' Institute. We recommend the usual grant of ($75.00) Seventy-five Dollars.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted) J. H. MOFFATT, Warden.

Report of Delegates who attended the Good Roads Convention held February 26, 27 and 28th, 1913

To the Warden and Council of the County of Peel :

Gentlemen : The Good Roads Convention, held in Toronto in the Dairy Building on the Exhibition Grounds for 1913, was the largest attendance in its history.

Those on the committee attending convention received very useful information regarding road construction.

Your committee would recommend that the following delegates be paid :

Reuben Lush, J. J. Porter, W. J. Limebeer, A. H. Milner, J. Wilkinson and J. H. Moffatt ten dollars each.

All of which is respectfully submitted.

JOHN WILKINSON, Chairman.

Brampton, March 25th, 1913.

Adopted. JOHN H. MOFFATT, Warden.

	Total	$5075 00

All of which is respectfully submitted.

R. H. LUSH, Chairman.

Adopted. J. H. MOFFATT, Warden.

First Report of Commissioners on County Property

To the Warden and other members of the County Council of the County of Peel:

Gentlemen: Your Property Commissioners beg leave to report as follows:

1. Your committee has considered the advisibility of making changes in the seating arrangements and other arrangements in the Court Room, and also the advisability of making changes in the Council Room of this council and other rooms in the Court House, and also the advisability of renewing and changing the woodwork outside of the Court House, and the painting of the Court House and other necessary changes required in the County buildings.

2. After due consideration your committee recommends that the council authorizes the property commissioners to obtain the advice of a competent architect, and procure from such architect plans and specifications which would when carried into effect accomplish the requirements that your commissioners consider necessary.

3. That such architect be asked to submit plans and specifications in detail, which plans and specifications shall show the particulars of each piece of work proposed and also the estimated cost thereof.

4. That a telephone be installed forthwith for the use of the Registrar and for those having business with him.

All of which is respectfully submitted.

W. J. BEATTY, Chairman of Commissioners.

Adopted. J. H. MOFFATT, Warden.

Second Report of the Committee on County Roads and Bridges.

To the Warden and Council of the County of Peel :

Gentlemen : Your Committee beg leave to report as follows :

1st. On April 19th we inspected the following Bridges in Chinguacousy and Esquesing, Lot 3, Schedule No. 50. We recommend an eight foot waterway, three feet and one-half high from water.

2nd. On lot 7, Toronto and Trafalgar Townships, we found in unsafe condition, the Bridges on Schedule 52 and 53. We recommend that these bridges be rebuilt with a six-foot waterway, three feet high.

3rd. The town line bridge between the Townships of Toronto and Chinguacousy on the first line, Scheduled 76. We recommend a forty foot bridge, of which the Engineer is now preparing specifications.

4th. On April 23rd we inspected a bridge on town line between Erin and Caledon and found it in a very unsafe condition. We recommend that there be built a forty-foot bridge with a fourteen-foot roadway, six feet from water, this Bridge is shown on Schedule 38. The Engineer is now preparing specifications for this bridge.

5th. The bridges on town line between Caledon and Garafraxa, schedule 30, (4th con. west) 32, are unsafe. We recommend that because of the condition of the ground that the Reeves of Caledon and Garafraxa be authorized to build a bridge with wooden abutments.

6th. On April 25th we inspected the bridges between King and Albion (Schedules 17, 18) and found them in bad condition. The Committees of York and Peel recommend a diversion of the road to do away with two of the bridges, and that Mr. Lush and the Warden of York be a Committee to arrange for the purchase of the necessary land. This committee met the owners of the property May 1st, and failed to make satisfactory terms. The Committee met subsequently and decided to recommend the building of the three bridges. The specifications have been prepared and tenders asked for. York Council will do the building.

7th. On May 22nd, we inspected the bridge, scheduled 65, Shield's Bridge, between Albion and the Gore of Toronto. We found this bridge in very bad condition and recommend the building of a new bridge. The engineer is now preparing plans and specifications.

8th. And we further recommend that the following accounts be paid :

Edward Shaw	$ 8 00
D. H. McCaugherty	46 30
S. H. Mitchell, automobile one day	6 00

9th. We recommend that the following commission be paid :

W. J. Limebeer, 4 days	$12 00	Expenses,	$ 6 00,	Total,	$18 00
R. H. Lush, 5 days	15 00	"	22 95,	"	37 95
J. Wilkinson, 5 days	15 00	"	5 45,	"	20 45
J. H. Moffatt, 1 day.....	3 00	"	2 00,	"	5 00

We recommend that the account of A. Maynard be submitted to the whole Council.

All of which is respectfully submitted.

R. H. LUSH, Chairman.

Report of Boiler Inspector.

Toronto, March 19, 1913.

The Boiler Inspection and Insurance Company of Canada makes the following report on the condition of your Steam Boiler inspected on March 13, 1913.

Court House, Brampton, Ont.—The steam boiler in this building was under steam and inspected externally with all its attachments by our Mr. White.

Boiler and connections all sound and tight as far as could be seen under the usual steam and operating conditions, and the plant is clean and well kept.

Safety valve free and in good order, opening at about eighteen pounds.

Water gauges and their connections all clear and in good order.

Pressure observed by gauge at the time—low.

All other attachments were found in good working order.

A. E. EDKINS, Asst. Chief Engineer.

R. CRAWFORD, Treasurer,
Corporation of Peel, Brampton, Ont.

Public School Inspector's Report

The Warden and Council of the County of Peel :

Gentlemen : I have the honor to submit herewith for your consideration my report for the year 1912. The great majority of secretaries, I am pleased to say, promptly forward their Annual Reports, but a few by their failure to comply with the requirements of the Schools Act prevent my presenting this report at your January Session.

The progress of Public School education, which is the basis of all education, is of the most vital importance and assuredly worthy of the careful consideration of members of county councils, who by observation and study of the working of our system should be in a position to urge upon the Minister of Education such amendments to the Schools Act as would in their opinion make for the greater advancement in the training of our youth, which rests not only in the teacher but also in the parent and trustee. Each has a duty to perform which cannot be successfully transferred to the others. In this report, I shall refer to some matters which in my opinion might admit of amendment.

Whilst the municipal government of Peel County is vested in rural and urban councils consisting in all of forty-four members, the educational interests require no fewer than two hundred and forty-five school trustees. There are seventy-five rural school sections with two hundred and twenty-five trustees where five councils with twenty-five members transact all the other public business of the municipalities. In many cases the school boards consist of men who have not sought the office but have had the duties forced upon them, and who perform these duties in a most perfunctory manner. The natural tendency of the subdivision of interests is to narrow the outlook instead of leading men to take a broad comprehensive view of a question of such vast importance as education. Every patriotic man desires to have a proper conception of his duty to his country, and to perform that duty in such a manner as will best advance its interests. It must be admitted that our highest duty is to assist in building up a better citizenship than now exists, and this is done by making the system of education as nearly perfect as possible, which is accomplished by securing unanimity of thought and action. To secure this, I should suggest that the Schools Act be so amended as to permit the ratepayers of a rural municipality to elect a township board of school trustees consisting of five members, at the same time and in the same manner as they now elect their municipal council. These trustees should have the power to appoint one of themselves as chairman, to meet at least monthly to receive reports from the teachers and Inspector, and to transact such other business as now lies within the province of boards of trustees. The remuneration of these trustees should be the same as that received by municipal councillors.

The cost of education in our province is borne by the public treasury supplemented by a tax levied on the rateable property of the municipalities. The Legislature votes annually the sum of four hundred thousand

dollars, to be apportioned among the schools on the basis of the salary paid to, and the grade of certificate held by the teachers employed; the county council grants a sum determined by the number of teachers; each township levies and collects by assessment upon the taxable property of the public school supporters of the whole township the sum of from one hundred and fifty dollars to three hundred dollars at least for every public school where one teacher is employed, and an additional one hundred to two hundred dollars for each assistant teacher; and when the above sums are found insufficient to meet the expenditure of a section the township council, on the requisition of the trustees, levies and collects from the rateable property of that section such a sum as is necessary. We claim that the state owes a public school education to all the children of school age in the province. This being granted, I submit that the cost should be made as equitable as possible, and that the taxpayers in one section should not be required to contribute more than those in another part of the same township or county. Before suggesting any change in the system of taxation I shall show by concrete examples that inequalities do exist, and that education costs more in some localities than in others. In the Township of Chinguacousy the ratepayers contribute $1.60 on every $1000.00 of their assessement, and in Caledon $3.00, a difference of $1.40. Again in S. S. No. 3, Chinguacousy in 1912 on the requisition of the trustees a further tax of fifty cents was imposed while in S. S. No. 19, Caledon, the rate was five dollars and seventy cents on $1000.00. Thus the ratepayers in one section are taxed for educational purposes $2.10 and in another $8.75, or more than four times as much. It is, I admit, very difficult to devise a scheme that would remove this inequality of taxation but it would be greatly lessened were the general tax made uniform over the whole county instead of the township, the sum thus collected increased by at least one-third, and township boards of trustees established.

A reference to the financial statements shows that very considerable sums of money pass through the hands of school treasurers each year, a proper audit of which is necessary in the interests of both treasurer and ratepayer. If I am to judge from the number of errors in the financial statements submitted to me, I fear that many auditors perform their work in a very perfunctory manner. I should suggest that the Schools Act be so amended that school treasurers be required to submit their books to the township auditors who could obtain from the inspectors such information as would enable them to make a rigid examination of receipts and expenditure.

So far as this county is concerned the Truancy Act is a dead letter except in some of the urban municipalities. Power is given to township councils to appoint for each township one or more truant officers who shall have the same powers and perform the same duties as a truant officer in a city, town or village, and where a council does not avail itself of this power before the first day of February in any year, the board of a school section may appoint a truant officer for the section. I hope this matter will receive the attention it merits at the beginning of

the next year. Complaints have reached me from several sections that pupils are kept out of school during the summer months although they are under fourteen years of age, and in contravention of the law. If we could fully appreciate the value of a properly educated citizen to the state, strong efforts would be put forth to compel parents to give their children an opportunity to receive the educational advantages that have been provided at the public cost.

Trustees are in most instances fully aware of the importance of having their children in charge of teachers who are not only legally qualified to impart instruction but who exert a beneficial influence in the formation and development of character. The number of young men and women who are being attracted to the ranks of the teaching profession is gradually increasing, and as salaries advance in this province the time will soon arrive when the movement towards the West will so diminish as not to affect the supply of teachers here, and there will be sufficient to satisfy the demand. As soon as it is generally realized that money spent on education is a good investment and a wise economy ratepayers will ungrudgingly pay any reasonable tax for school purposes. We are progressing slowly but surely to a better and saner condition of mind in regard to what is requisite that the best educational results may accrue.

During the past year the Department of Education has made increased efforts to a general introduction of the teaching of Agriculture in the rural public schools. Professor McCready, Director of Elementary Agricultural Education in the Province of Ontario, has visited many localities and discussed the subject with teachers and trustees with very satisfactory results. The Department has very wisely refrained from making the teaching of this subject obligatory, but has offered inducements in the way of grants of money to schools where the work is done systemetically, and it is pleasing to note that a few schools are now undertaking the study. To develop a systematic study of improved farm methods some counties are holding competitions among pupils of the public schools in the growing of some particular article produced in the locality. These products are exhibited at township or county fairs and prizes awarded to the successful competitors. Would it not be advisable to stipulate, when making grants to the various agricultural societies in this county, that a certain portion of the grant should be set apart to encourage the teaching of Agriculture by school gardens, home plots, and by instruction in class. The great majority of our people are directly engaged in agricultural pursuits and in the study of the most advanced methods, the nature of soils, the care of plants and animals, etc., would be effective in inducing many who are now seeking employment elsewhere to remain on the farm where by living close to nature and developing the resources of their country they would bring to themselves the purest enjoyment and perform the highest service to the community.

The material progress of the the pupils in the schools is measured by the results of the examinations held at the close of the year. Judging by this standard, we are able to report that the schools of the county are more than holding their own with the schools of the whole

province. There are now three examinations held to test the character of the work done in the public schools; the Junior High School Entrance examination which was last year attended by two hundred and forty-six candidates of whom one hundred and fifty-four were successful. At Brampton 104 wrote, 75 passed; at Streetsville there were 26 candidates and 17 were successful; 32 wrote at Port Credit, 24 passed; 48 presented themselves at Bolton of whom 21 were successful; and at Charleston 17 succeeded out of the 32 who wrote. You will observe that in parts of the county where teachers holding the higher grades of certificates were employed the percentage of successful candidates was higher. The most of the teachers holding Temporary and Limited Third Class certficates were engaged in Albion and Caledon, and in these townships more changes occur. The lower grades of certificate and the frequent changes are no doubt answerable for the low percentage of successful candidates. In this connection I may state that the Warden's medal was won by Miss Ina D. Drinkwalter, a pupil of Streetsville school. The other examinations are held at the end of the first and second year of the fifth book work. At each of these examinations three candidates wrote and two received certificates.

The cost of education as compared with that of ten years ago shows an increase commensurate with the cost of living. In Brampton the cost per pupil increased from $11.30 to $14.90; in Albion, from $10.70 to $22.12; in Caledon, from $10.12 to $21.25; in Chinguacousy, from $10.90 to 23.75; in Toronto, from $10.80 to $18.55; in Toronto Gore, from $9.05 to 27.13; and in the whole county from $10.65 to $20.08. In Brampton the highest salary paid in 1902 was $750.00, in 1912 $1100.00, in Streetsville the average salary increased from $410.00 to $510.00, in Bolton from $385.00 to $483.33, in Albion from $340.00 to $493.75, in Caledon from $340.00 to $522.79, in Chinguacousy from $350.00 to $557.79; in Toronto, from $355.00 to $552.25; in Toronto Gore, from $295.00 to $556.25. The average salary paid in 1912 was $556.00. The increase in the cost of education is due in part to the better salaries paid, but the decrease in school population is responsible for a considerable part of it. Twenty years ago there were 5970 pupils in our schools as against 3740 now. There was a decrease of about one per cent. during the past year.

In concluding this report I desire to point out that co-operation is absolutely essential to success. By this I mean that if all the factors that work for the advancement of education are not in perfect harmony the best results may not be expected. These factors are the teacher, the trustee, the inspector, and the County Council. I earnestly appeal to this council to take such interest in and give such assistance to the remaining factors as will develop a spirit that will arouse in all ratepayers a pride in being well to the front in educational affairs, and will make our county the banner county in everything that makes for progrees.

I have the honor to be,
Your obedient servant,
W. J. GALBRAITH,
Public School Inspector, County of Peel.

Report of Special Committee Appointed to attend the Convention of the Ontario Municipal Association in Toronto.

Brampton, 18th November, 1913.

To the Warden and Council :

Gentlemen,—Your Committee appointed to attend the Ontario Municipal Association Meeting in Toronto, beg leave to report as follows :

We, Your Commissioners, attended the Convention for two days of its session, which was held in Toronto during the time of the National Exhibition, the speakers dealing with the different subjects which were before the Convention for consideration, delivered addresses or papers which contained suggestions, which were most interesting and full of valuable instruction to every Municipality.

Your representatives would commend particularly to each member of the Council for your consideration, the very excellent papers which were read by the Engineer of the City of Hamilton on " Road Construction " and by the representative of the United States Government on " Sewer Disposal " which two papers were authorized to be published in pamphlet form, and distributed to the Municipalities which are associated with the Ontario Municipal Association.

We would further recommend for your consideration, the very valuable and instructive address of Mr. F. S. Spence, of Toronto on "Canadian Transportation Facilities, as reported in the official publication of the Association.

Altogether we feel that it is greatly to the interest of this County to retain its membership in this organization, and your Commissioners would strongly urge that the recommendations contained in the above mentioned papers will be of incalculable value to the municipality we represent.

We recommend that the Clerk be instructed to procure these pamphlets from the Secretary and have them forwarded to each member of this Council.

We recommend the following expenses and commissions :

Irwin Little, 2 days' commission and expenses $10 00
A, H. Milner, 2 days' commission and expenses..... 10 00

All of which is respectfully submitted.

A. H. MILNER
IRWIN LITTLE } Commissioners.

Report of Special Committee appointed to Sell $60,000.00 Good Road Debentures.

Brampton, Nov. 18, 1913.

To the Warden and Council :

Gentlemen:—Your Committee appointed to sell the $60,000.00 County of Peel Debentures beg leave to report as follows :

Your Committee instructed the Treasurer to advertise for tenders for the purchase of the above Debentures in the Financial Post of Toronto.

When your Commissioners met on an appointed day to open the Tenders we found, owing to the stringency in the money market, there were no bids for the Debentures. In consultation we decided to go to Toronto and interview some bond dealers with a view to ascertaining the true situation and if need be place them under option.

We placed them on different occasions with three separate firms under option, but they were unable to dispose of them at the price.

The weather being so favourable for Roadway construction, the work having been undertaken and the funds being exhausted, your Commissioners after consulting with the Reeves of the Municipalities, decided to offer the Debentures under option to the highest bidder and as a result we disposed of the same to C. H. Burgess & Co., Toronto and the price realized including accrued interest was Fifty-six Thousand Five Hundred and Forty-seven Dollars and ninety-five cents ($56,547.95).

Your Commissioners used every effort to dispose of these Debentures to the very best advantage to the County, and we feel under the circumstances the price realized is most satisfactory.

We recommend the following Commissions and expenses be paid !

J. H. Moffatt 3 days Commission and Expenses....	$15 00
A. H. Milner, 3 " " "	11 00
Robert Crawford, 2 days expenses to Toronto	4 00

All of which is respectfully submitted.

A. H. MILNER, Chairman.

Report of Special Committee appointed to Confer with the Solicitor, and with Power to Act re the Pending Law Suit, Township of Toronto vs. County of Peel.

Brampton, 18th November, 1913.

The Warden and Council :

Gentlemen,—Your Committee appointep to confer with the solicitor,

with power to act in the matter of the pending law suit "Township of Toronto vs. County of Peel," re the costs in connection with case with the Armstrong Cartage Co., when judgment was given against the County, beg leave to report as follows :

I. Your Committee met with the County Solicitor, at the call of the Solicitor in his office.

After carefully considering the question according to our interpretation of the Statutes we instructed the Solicitor to confer with Mr. Morphy, Solicitor for Toronto Township, with a view to securing a mutual agreement as to the settlement of facts, and then the deputation from the County and the deputation from the Township with our respective Solicitors were to wait upon the Minister of Public Works for Ontario and have him make an interpretation of the Act, before proceeding with the case in the courts.

Our Solicitor was to notify the Committee as to the success of the proposition but your committee have heard nothing further from the Solicitor regarding the case.

We recommend the following commissioners be paid :

W. J. Limebeer	$4 20
John Wilkinson	4 20
A. H. Milner	4 20

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted) J. H. MOFFATT, Warden.

SECOND REPORT OF THE GOOD ROADS COMMITTEE.

Brampton, Nov. 21, 1913.

To the Warden and Council of the County of Peel,

Gentlemen,—At the request of the County Engineer, your Committee inspected the whole system of Good Roads in the County, and beg to report as follows:—

1st. Starting from the northern limits of the Township of

Caledon on Hurontario street, we found on lot 25 two high embankments without guards of any kind, and would recommend that these be guarded at once.

The road from the Centre Road on the 15 side road to the centre of Concession 3 West, built of pit gravel, is very much worn in places and will have to be repaired.

The drainage of the subway in the third Concession West is very bad, as the water is coming down the middle of the road. We recommend that this be remedied at once.

The road from this subway to the Fourth Concession is very rough, never having any work done on it. We recommend that this road be constructed as soon as possible.

The road from the Centre Road to the First Concession is not in bad repair. In Concession 4 there is a hill which your Committee think has not been sufficiently guarded.

On lot 8, Centre Road, there is an embankment built to prevent the water from running in its natural course. We recommend that this be removed.

The bridge over the river at lot 2 is very much in need of painting, and the abutments in need of repair, which we think should be done.

2nd. With reference to the drainage matters brought before the Committee, on lot 32, Centre Road, Chinguacousy, we recommend that no action be taken.

The road from the North Town Line to Snelgrove is very much rutted in places and should be repaired.

The road on 27 side road West is about completed. The first three Concessions west, built some time ago, are in need of repairs, which we think should be attended to.

The three Concessions on the East, from Concession 3 to Sandhill, have been graded and made ready for metalling, which we think should be done.

The Centre Road, from Snelgrove to Brampton, which is built of stone, is rutted in several places and will have to be repaired.

The road on No. 5 West, for the first two Concessions from the Corporation limits of Brampton, were being repaired, as they were in very bad shape.

The road from Concession 4 to the Town Line has never

been constructed. We think that immediate action should be taken.

The road from the Corporation limits of Brampton to the Town Line East has been completed and needs repairing in a great many places.

The road on the Centre Road from Brampton to the South Town Line, we found to be in a fair state of repair.

3rd. The road from Woodhill to the 9th line, which was built some time ago, is badly in need of repair.

Also, the bridge on the said road needs painting, and one abutment built under it, which we think should be done as soon as possible.

The roadway on the lower end of the 9th line is worn into holes and should have immediate attention.

4th. The bridge on the Lake Shore Road, between the Townships of Etobicoke and Toronto, needs painting badly, and we think that this mater should be looked after.

The roadway from Etobicoke Township to Port Credit, which was built of crushed stone, is in places almost worn out and is dangerous for travel, and will have to be attended to at once.

The road from Port Credit to the West Town Line has had very little work done on it. We think that the amount of travel on this road necessitates that it be put in a better state of repair.

The Dundas street, from Erindale to Cooksville, has been completed and is in very good repair.

From Cooksville to the East Town Line, this road is almost gone in places, and will have to be repaired at once.

The road from Burnhamthorpe on the Third Line East to the side road between lots 5 and 6 has never been properly graded, and was constructed of very poor material. We recommend that this road be put in a better state of repair.

5th. The road from Sandhill to the Village of Bolton is completed in places and not in a very good state of repair. A number of bridges will have to be constructed. We recommend that this road be constructed, as it is a continuation of the Good Roads from the Township of Chinguacousy.

The road north of Bolton to the Village of Palgrave is partly constructed, some of it being gravelled and some not. We recommend that it be all gravelled.

The road from the 7th Line to Lockton is partly constructed, some of the hills being cut down. On this road is a Grand Trunk Crossing which we consider very dangerous, and would recommend that the County Solicitor take the necessary steps before the Ontario Railway Board to have a subway constructed where the G.T.R. tracks cross the County Road at lot 25, 5th Concession, Albion, known as Taylor's Crossing.

In regard to the crossing complained of by Mrs. Kenney, we recommend that she receive one crossing.

In regard to the complaint of John Grogan, we recommend that no action be taken.

In reference to the subway now existing on the 7th Line, your Committee would recommend that the County Solicitor be instructed to notify the management of the C.P.R. to have the nuisance removed.

With regard to the communication from the C.P.R., asking leave to construct water mains under the roadway, as per attached blue prints, we recommend that they be granted leave, providing that they fulfil all the requirements of the law and become responsible for any damages occurring.

In regard to the census taken at the railway crossing at Cooksville, your Committee would recommend that the County Solicitor take the necessary steps before the Ontario Railway Board to have a subway constructed where the C.P.R. tracks cross Hurontario street, north of Cooksville.

We recommend that the communication from the Motor League be referred to the whole Council.

We recommend that the water complained of in lot 15, Concession 1, N. D. S., be not allowed to run down the highway, but must be taken through its natural course.

We recommend that the tree growing on lot 5, Concession 4, West Chinguacousy, near the centre of the highway, be removed, as we consider it an obstruction to traffic.

In going over the whole system of Good Roads, the attention of your Committee was drawn to the fact that the weeds along this highway were allowed to grow. We recommend that more attention be paid to this matter.

We also recommend the payment of the following commissions:—

J. H. Moffatt, 3 days and expenses	$13.50
W. J. Limebeer, 3 days and expenses	13.50
John Wilkinson, 3 days and expenses	13.50
R. H. Lush, 3 days and expenses	13.50
R. H. Lush, 3 days hire of car	16.50

All of which is respectfully submitted.

(Sgd.) JOHN WILKINSON,
Chairman.

Adopted.

(Sgd.) J. H. MOFFATT,
Warden.

S. H. Mitchell, auto hire	7.10

2nd. Account of W. J. Stewart for taking special census of the Village of Port Credit, re the incorporation of same place as a village, we refer same to the whole council. Council recommend that the account be paid.

3rd. We recommend that the Secretary of the Peel and Brampton Poultry Association be paid the annual grant of $25.00 to assist them in their annual show, held in Brampton in the month of January.

4th. We recommend that the Treasurer be instructed to honor account in connection with the exhibit of Peel County at the National Horticultural and Fat Stock Show, when the same are properly certified by the Districtive Representatiue of the Agricultural Department in Peel (Mr. Tisdale) the whole account to be paid not to exceed the sum of Two Hundred Dollars ($200.00)

5th. We recommend that the Standing Committees of this Couneil be increased by adding an Agricultural Committee.

All of which is respectfully submitted.

A. H. MILNER, Chairman.

(Adopted) J. H MOFFATT, Warden.

Third Report of the Committee on Education.

Brampton, 21st November, 1913.

To the Warden and Council of the County of Peel :

Gentlemen, - Your Committee beg leave to report as follows :

We recommend that no action be taken on the communication from the Board of the Bolton Continuation School.

We recommend the payment of the account of $38.00 of Mr. Kirkwood, Clerk, for postage supplied t e Public School Inspector.

All of which is respectfully submitted.

T. H. GOODISON, Chairman.

(Adopted) J. H. MOFFATT, Warden.

Third Report of Commissioners on County Property

Brampton, November 29th, 1913.

To the Warden and Members of the Council :

Gentlemen : Your Commisioners on County Property beg leave to submit the following report :

I. Since your June session we have met in the regular July and October meeting, also on three special occasions, made necessary by work in connection with the Court House repairs.

II. We, acting under instructions from this Council to make the necessary improvements required in the Court Room, have had the said room remodelled throughout under the supervision of Architect Makepiece, we, owing to the fact that we could not let the work in the way of regular contract, had the work done by piece work, and to carry out this we secured the services of Mr. D. Calder.

III. We hereby submit the following statement of cost :—

Original Cost of Plan submitted to Council	$ 1044 07
Extra work in court room	103 04
Removal of gallery	63 00
Repairs to roof	112 26
Freight charges and supplies	9 79
Foreman's time	250 00
	1582 16
Architect's fees	50 00
Furniture	117 00

IV. At the regular session we passed all the ordinary certified accounts that were presented.

V. On September 9th we met in special session to consider the tenders submitted for the supply of coal. We found the three tenders to be the same $7.50 for nut and $7.25 for stove and egg, and on consideration we divided the same equally.

VI. On November 1st we again met in special session and decided to purchase chairs for the petit jury and the judge at a cost of $117.00.

We recommend the payment of the following accounts :—

Peel Electric Co., installing light in gaol	$ 4 00
Balance of the Brampton Hardware Co., re ventilating account	50 00

We recommend the following :—

Under and by virtue of Section 530 of the Consolidated Municipal Act of 1903, the Corporation of the County of Peel by the Council thereof enacts as follows:

1. That Thos. H. Goodison of Streetsville, and Thos. Wilson of Brampton be and they are appointed members of the Board of Audit for the current year.

2. That each of the said members of the Board of Audit be paid the sum of $3.00 for each day of Audit, together with 10 cents per mile necessarially traveled to attend such Audit, and that the Treasurer be and is hereby authorized to pay the same.

Passed this 30th day of January, A.D. 1913.

D. KIRKWOOD, County Clerk. J. H. MOFFATT, Warden.

BY-LAW NO. 431.

A By-Law to erect the unincorporated Village of Malton into a Police Village and to provide a place to hold the first Election of Police Trustees and to appoint a Returning Officer.

WHEREAS a petition has been presented to the Municipal Council of the Municipal Corporation of the County of Peel by the Resident Ratepayers and inhabitants of the unincorporated Village of Malton praying that a by-law be passed by the Municipal Council of the Municipal Corporation of the County of Peel to erect the said Village into a Police Village.

AND WHEREAS there is a population exceeding one hundred and fifty inhabitants within the area proposed by the said Petition for the said Police Village, which said area is hereinafter described by metes and bounds, and forty-one of the ratepayers within the said area have signed the said Petition in compliance with the Act and amendments thereto in such case made and provided.

Now therefore the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:

1. That the Village of Malton comprised within the following bounds and limits, that is to say;—ALL AND SINGULAR those portions of lots numbers 10, 11 and 12 in the seventh Concession in the Township of Toronto Gore, which said portions may be more particularly described as follows, that is to say:—Commencing at a point on the easterly limit of the road allowance between lot number 10 in the seventh Concession, Township of Toronto Gore, and lot number 10 in the sixth Concession east of Hurontario street, Township of Toronto, at a distance of 67 rods from the point where the easterly limit of said road allowance intersects the southerly limit of the road allowance between lot number 10 and lot number 11 in the seventh Concession in the Township of Toronto Gore, thence along said easterly limit a distance of 222 rods to a point, thence easterly parallel to the northerly limit of the road allowance between lot number 10 and lot number 11 in the seventh Concession of said Township of Toronto Gore for a distance of 42 rods to a point. Thence southerly parallel to the easterly limit of the road allowance between the Township of Toronto Gore and the Township of Toronto, a distance of 222 rods to a point. Thence westerly parallel to the northerly limit of the road allowance between lot number 10 and lot number 11 in the seventh Concession in the Township of Toronto Gore 42 rods to place of beginning. ALSO ALL AND SINGULAR those portions of lots number 10, 11 and 12 in the sixth Concession in the Township of Toronto in the County of Peel, east of Hurontario street, which said last mentioned portions may be more particularly described as follows, namely:—COMMENCING at a point on the easterly limit of the road allowance between lot number 10 in the seventh Concession, Township of Toronto Gore, and lot number 10 in the sixth Concession east of Hurontario street, Township of Toronto, at a distance of 67 rods from the point where the easterly limit of said last mentioned road allowance intersects the southerly limit of the road allowance between lot number 10 in the seventh Concession, Township of Toronto Gore, and lot number 11 in the seventh Concession, Township of Toronto Gore. THENCE westerly parallel to the southerly limit of the road allowance between lot number 10 in the sixth Concession east of Hurontario street, Township of Toronto, and lot number 11 in the sixth Concession east of Hurontario street, Township of Toronto for a distance of 155 rods. THENCE northerly parallel to the westerly limit of the road allowance between the Township of Toronto Gore and the Township of Toronto a distance of 222 rods to a point. THENCE easterly parallel to the southerly limit of the road allowance between lot number 10 and lot number 11 in the sixth Concession east of Hurontario street, Township of Toronto, to a point on the easterly limit of the road allowance between the Township of Toronto and the Township of Toronto Gore. THENCE southerly along the easterly limit of the said

last mentioned allowance 222 rods to the place of beginning, be and the same is hereby declared a POLICE VILLAGE.

2. And it is further enacted by the authority aforesaid that the first Nomination for the Election of Police Trustees for the said Village shall be held on Monday, the Third day of March, A.D. 1913, between the hour of one o'clock, p.m. and the hour of two o'clock, p.m., in the Temperance Hall in the said Village, and that in the case of a poll being demanded, the poll shall be held on Monday, the tenth day of March, A.D. 1913, and shall be open for the Election at nine o'clock in the morning and shall continue open until five o'clock in the afternoon and no longer, and that John S. Boyes shall be, and he is hereby appointed Returning Officer for holding the said Election, and that the first meeting of the said Trustees shall be held in the Temperance Hall in the said Village on Monday, the seventeenth day of March, A.D. 1913, at the hour of twelve o'clock noon.

3. That this By-Law shall come into force and take effect from and after the final passing thereof.

Passed in open Council this 30th day of January, A.D. 1913.

D. KIRKWOOD, County Clerk. J. H. MOFFATT, Warden.

BY-LAW NO. 432.

A By-Law to appoint a COMMISSIONER, pursuant to the requirement of By-Law number 373 of the Municipal Corporation of the County of Peel.

WHEREAS BY-LAW number 373 provides that each of the Counties of Peel and Halton shall appoint a Commissioner to jointly oversee the work of improvement or enlargement that may be necessary to be made to the House of Refuge of the Counties of Peel and Halton, and also the general management of the said House of Refuge.

AND WHEREAS a resolution was passed on or about the 6th day of July, A.D. 1909, whereby James Jackson, Esquire, was appointed Commissioner under said By-Law number 373.

NOW THEREFORE, the Municipal Corporation of the County of Peel by the Council thereof enacts as follows:—

1. That the resolution appointing Mr. James Jackson Commissioner under By-Law number 373 be and the same is hereby repealed.

2. That William Rutledge be and is hereby appointed Commissioner under said By-Law number 373 to act with the Commissioner appointed by the County of Halton for the purpose of performing the duties required by said By-Law number 373 and any other duties pertaining to said House of Refuge that may be required of him by the Municipal Council of the County of Peel.

Passed in open Council this 30th day of January, A.D. 1913.

D. KIRKWOOD, County Clerk. J. H. MOFFATT, Warden.

BY-LAW NO. 433.

A By-Law to amend By-Law number 399 being a By-Law for the appointment of a Solicitor for the Municipal Corporation of the County of Peel.

The Municipal Corporation of the County of Peel by the Council thereof enacts as follows:—

1 That By-Law number 399 being a By-Law for the appointment of a Solicitor for the Municipal Corporation of the County of Peel, be and the same is hereby amended by adding the following as Paragraph two of said By-Law, namely:—

"2 It shall be the duty of said Solicitor, upon the request of the Council, the Warden, the Chairman of any of the Standing Committees of the Council or Chairman of any Committee of the Council, to attend upon business pertaining to Corporation matters anywhere outside of the Municipal Corporation of the Town of Brampton, for the purpose of advising, or performing any duty that may be required of him, but in all such cases the said Solicitor shall be paid an allowance of Five Dollars a day and his actual disbursements for all such attendance."

Passed in open Council this 31st day of January, A.D. 1913.

D. KIRKWOOD, County Clerk. J. H. MOFFATT, Warden.

BY-LAW NO. 434.

A By-Law authorizing the issuing of Debentures of the County of Peel to the Amount of $60,000.00.

WHEREAS by an Act entitled "An Act for the Improvement of Public Highways" being 7 Edw. VII. Chapter 16, the sum of $1,000,000.00 was set apart to be paid out of the Consolidated

Revenue Fund of the Province of Ontario, to aid in the improvement of Public Highways, subject to the terms and conditions therein set forth.

AND WHEREAS by an Act entitled "An Act to Amend said Act" being 2 George V. Section 1 of said Act 7 Edw. VII. Chapter 16, was amended by striking out the figures $1,000,000.00 in the first line and substituting therefor $2,000,000.00.

AND WHEREAS the County Council of the County of Peel adopted by By-Laws a System of County Roads and proceeded with the construction of the same and has participated in the benefits of the said Acts.

AND WHEREAS the County Council of the County of Peel requires at least the sum of $60,000.00 for the completion of the System of Good Roads so adopted.

AND WHEREAS in order thereto it will be necessary to issue debentures of the said County for the sum of $60,000.00 as hereinafter provided, which said sum of $60,000.00 is the debt intended to be created by this By-Law.

AND WHEREAS it is desirable to make the principal of the said debt payable by yearly sums, during the period of thirty years, being the currency of the said debentures, said yearly sums being of such respective amounts that the aggregate amount payable in each year for principal and interest of said debt, shall be as nearly possible equal to the amount so payable in each of the other twenty-nine years of the said period.

AND WHEREAS the total amount required by the Municipal Act to be raised annually by special rate for paying the said debt and interest as hereinafter provided, is a sum sufficient to discharge the instalment of principal and interest accruing due on the said debt for such year as shown in the fourth column of Schedule "A" hereto annexed.

AND WHEREAS the amount of the whole rateable property of the County of Peel according to the last revised and equalized assessment roll is $13,758,000.

AND WHEREAS the existing debenture debt of the said County is the sum of $180,939.08 of which no principle or interest is in arrear.

NOW THEREFORE the Municipal Corporation of the County of Peel enacts as follows:—

1. That it shall be lawful for the Warden and the Treasurer of the County of Peel for the purpose of raising the said sum of $60,000.00 to issue debentures of the said County of Peel to

the amount of $60,000.00 in sums of not less than $100.00 each and the said debentures shall be dated on the day of the issue thereof and shall be payable within thirty years thereafter.

2. Each of the said debentures shall be signed by the Warden of the said County and countersigned by the Treasurer and the Clerk of the said County and the corporate seal shall be attached thereto.

3. The said debt and the debentures issued therefor shall bear interest at the rate of five per cent. per annum and the said debentures both as to principal and interest shall be payable annually at the Merchant's Bank at the Town of Brampton, and shall have attached to them coupons for payment of said interest, which coupons shall be signed by the Warden and the Treasurer of the said County of Peel.

4. During the currency of the said debentures there shall be raised, levied and collected annually by special rate on all rateable property in the County of Peel the sum required for the purpose of paying the amount due in each of the said years for principal and interest in respect to the said debt, as shown in Schedule "A" hereto annexed.

5. The following is Schedule "A" hereinbefore referred to:—

BY-LAW NO. 441.

To erect that portion of the Township of Toronto in the County of Peel, known as the Police Village of Port Credit, into an Incorporated Village.

WHEREAS 124 Freeholders and Resident Tenants of the said Police Village, whose names are entered on the last revised Assessment Roll of the said Township of Toronto, being the Municipality in which the said Police Village is situate, all the said Tenants having been resident in the said Police Village for at least four months next preceding the presentation of the petition hereinafter mentioned, and all the petitioners in said petition being of the full age of twenty-one years, and at least one-half of the said petitioners being Freeholders, have, on the 30th day of April last, lodged a petition with the Clerk of the Municipal Council of the Corporation of the County of Peel, praying for the erection of the said Police Village into an Incorporated Village.

AND WHEREAS the said Police Village does not lie within one mile of the limits of a city having a population of not less than 100,000.

AND WHEREAS, for at least once a week for two consecutive weeks within two months next preceding this present meeting of the said Council, a notice has been published in The Port Credit News, a newspaper regularly published in the said Police Village, containing a description of the said Police Village sufficiently full to indicate the land which it is intended to embrace in the proposed village, and further giving notice of the intention of the said Council to take the said Petition into consideration at this present meeting thereof.

AND WHEREAS the area of the said proposed Village does not exceed 500 acres.

AND WHEREAS the returns of the special census of the said Police Village, taken under the direction of the said Council, show that the said Police Village has a population exceeding 750.

AND WHEREAS the sufficiency of the said Petition has been determined by the Clerk of the said Council, as appears by his certificate.

AND WHEREAS it is expedient to grant the prayer of the said Petition.

BE IT THEREFORE Enacted and it is hereby enacted by the Municipal Council of the Corporation of the County of Peel as follows:—

1. That, from and after the first day of January, A.D. 1914, the Police Village of Port Credit shall be an Incorporated Village apart from the Township of Toronto, by the name of the Corporation of the Village of Port Credit, and with the following boundaries, that is to say:—

COMMENCING at the South West angle of Mr. J. M. Godfrey's property as owned by him in January, 1909;

THENCE northerly to the northern boundary of the same;

THENCE easterly to the eastern boundary of the same;

THENCE northerly, following the westerly boundary of the lane running northerly from the said property to the Lake Shore Road;

THENCE northerly, following the westerly boundary of Mr. Arthur Shaver's property as owned by him in January, 1909, to the northerly boundary of the lands of the Grand Trunk Railway Company;

THENCE easterly, along the northern boundary of the said Grand Trunk property to the Indian Reserve line;

THENCE southerly, following the said line to Lake Ontario;

THENCE westerly, along the shore of Lake Ontario to the place of beginning.

2. The first election for a Reeve and four Councillors for the said Incorporated Village shall be held on the last Monday of December next, and in case of a poll, on the first Monday of January following, at the Orange Hall in the said Village of Port Credit, and that Abraham Block of the said Village of Port Credit shall be the Returning Officer to hold the same.

Passed at Brampton, 28th day of November, 1913.

(Sgd.) D. KIRKWOOD, County Clerk.

(Sgd.) J. H. MOFFATT, Warden.

BY-LAW NO. 442.

A BY-LAW TO AMEND BY-LAW NO. 405.

WHEREAS, on the 9th day of June, 1911, the Municipal Corporation of the County of Peel passed By-Law No. 405, designating certain bridges to be maintained and built by the County;

AND WHEREAS said By-Law No. 405 was amended by By-Law No. 412;

AND WHEREAS it is desirable to further amend said By-Law No. 405;

THEREFORE the Corporation of the County of Peel by the Municipal Council thereof enacts as follows:—

1. That Schedule "A" to By-Law No. 405 be and the same is hereby amended by striking out "Bridge No. 77" in said Schedule "A" mentioned, and inserting the bridge described as follows, namely:—"Bridge on Third Line West, Toronto Township, on lot No. 14, 90 feet long, steel superstructure, concrete foundation" instead thereof.

2. That the bridge described as follows, namely:—"Bridge on Town Line North, between the County of Peel and the County of Simcoe, Concession 6, Albion, diameter three feet, corrugated pipe" be and the same is hereby added to said Schedule "A" to said By-Law No. 405, as No. 80 in said Schedule "A".

3. That there be added to said Schedule "A" to said By-Law No. 405, a bridge described as follows, namely:—"Bridge over the Humber River on Glasgow Road, on the boundary line between the Village of Bolton and the Township of Albion, two spans, one being thirty-five feet, the other eighteen feet" as No. 81 to said Schedule "A".

4. That Clause One of this By-Law shall take effect from and after the passing of a By-Law by the Municipal Corporation of Toronto Township, assuming the road referred to in the fourth clause of the fourth Report of Standing Committee on County Property, Roads and Bridges, dated 22nd November, 1912.

Passed in open Council this twenty-eighth day of November, A.D. 1913.
